NOTE: The Index for the agenda is found in the
Tuesday, September 1, 2020 transcript.

1 WEDNESDAY, SEPTEMBER 2, 2020, 9:00 A.M.

2 * * * * *

3 MR. INGRAM: Good morning, everyone. This is
4 Director Kevin Ingram. And I want to welcome everyone
5 in the call this morning. It is 9:00 o'clock. We have
6 a huge agenda, so we're going to go ahead and get
7 started.

8 A couple of housekeeping items I'd like to
9 cover real quickly with you. I'd just like to remind
10 everyone to keep your phones on mute until called upon.
11 And once you have had your hearing, you can go ahead and
12 hang up for the day.

13 I would like to remind everyone to speak loudly
14 and clearly. We have a court reporter that is also on
15 the line with us, and so we need to make sure that we
16 can capture everything that's being said.

17 When you are going to speak, please announce
18 your full name. And then, when you are answering
19 follow-up questions from the Board, if you could just
20 state your name before each response, we would
21 appreciate that.

22 Only one person should be speaking at a time to
23 ensure that we have that accurate record. If the Chair
24 or any members of the Board ask you to stop talking,
25 please do so at that time, so we can adequately respond.

1 The public will be given opportunities to
2 comment before the Board meeting and after the Board
3 meeting today. We will not be taking public comment for
4 each agenda item.

5 That's what I have so far for the introduction.

6 And, Chairman, would you like to take over from
7 here? Chairman Flynn?

8 BOARD CHAIRMAN FLYNN: Can you hear me now?

9 MR. INGRAM: Yes.

10 BOARD CHAIRMAN FLYNN: Okay. Good morning.
11 This is Ray Flynn, for the record. Shannon, are you
12 ready?

13 THE REPORTER: Yes, I am. Thank you.

14 BOARD CHAIRMAN FLYNN: Okay. I guess, for this
15 morning, I know we have one item that the person's asked
16 to move up due to them flying out of town. And we can
17 do that, Kevin. We can do that first. And then we can
18 do the people that were left over from yesterday. And
19 then what I would like to do is to do 186.

20 We did 120 items yesterday, and a lot of them
21 were consent. And today we have 68 items, none of which
22 are consent. And if we even did 10 minutes per item, I
23 doubt we're going to get through. But we're going to
24 try the best we can.

25 So if you're okay with my suggested agenda,

1 Kevin, we'll get started.

2 MR. INGRAM: That sounds great, yes, sir.

3 BOARD CHAIRMAN FLYNN: Okay. Could you do a
4 call of members, please.

5 MR. INGRAM: Absolutely. Chairman Flynn?

6 BOARD CHAIRMAN FLYNN: I'm here.

7 MR. INGRAM: Board Member Brown?

8 BOARD MEMBER BROWN: Here.

9 MR. INGRAM: Board Member Gronauer?

10 BOARD MEMBER GRONAUER: Good morning. Here.

11 MR. INGRAM: Board Member Nixon?

12 BOARD MEMBER NIXON: Here.

13 MR. INGRAM: Okay. And then we have Shannon
14 Taylor, our court reporter. We have myself, Kevin
15 Ingram, Lori Irizarry, Chief of Operations, and
16 Supervising Investigator Vincent Saladino, our Financial
17 Specialist in the north, Mary Klemme, Investigator in
18 the north Jordan Jones, Investigator Swarthout,
19 Investigator Maxwell. And everybody is currently
20 present, sir. We do have a quorum, so we can proceed.

21 BOARD CHAIRMAN FLYNN: Okay. And maybe I had
22 background. Is our legal counsel with us?

23 MR. INGRAM: Legal counsel, I'm sorry,
24 Mr. Michael Detmer, is on the line with us as well.
25 Thank you.

1 BOARD CHAIRMAN FLYNN: Okay. Good morning.
2 And, Mike, I know I tease you a lot, but I really
3 appreciate the advice and counsel that you give us.
4 I've had several from your office. And I'll be blunt.
5 You're my favorite. You've been the best so far for me
6 at least, being Chair.

7 MR. DETMER: It's my pleasure, sir. And I need
8 to be kept in my place. So I thank you for it.

9 BOARD CHAIRMAN FLYNN: Okay. All right. I'm
10 still going to tease you today.

11 All right. Let me address public comment.
12 Members of the general public may comment on matters
13 appearing on the agenda and may bring matters not
14 appearing on the agenda to the attention of the Board.
15 The Board may discuss the matters not appearing on the
16 agenda but may not act on matters at this meeting. If
17 the Board desires, the matters may be placed on a future
18 agenda for action. Public comments may be limited to
19 five minutes per person at the discretion of the
20 Chairman but will not be restricted according to
21 viewpoint. And for today, due to our aggressive agenda,
22 I will be limiting them to five minutes.

23 So at this time, before we get started, I will
24 ask, is there any public comment?

25 Hearing none, Kevin, I'll let you proceed,

1 please. Hello?

2 MR. INGRAM: Okay. Thank you. So starting off
3 today, we have agenda items 109 through 130 that have
4 currently called in, are on the line. As you had
5 stated, item number 166 had then asked, due to a flight,
6 to go ahead and be heard this morning. And then we also
7 have, you know, the item 186 that you had mentioned we
8 want to get taken care of at the beginning.

9 So at your pleasure, please go ahead and
10 proceed with the agenda item that you would like to take
11 first.

12 BOARD CHAIRMAN FLYNN: Okay. Let's do number
13 166, Nicholas Galindo.

14 Mr. Galindo, are you with us?

15 MR. INGRAM: He's calling in right now. I'm
16 hoping he's not having trouble getting through.

17 BOARD CHAIRMAN FLYNN: Okay. I'll wait a
18 second.

19 MR. GALINDO: Hello? Chairman Flynn?

20 BOARD CHAIRMAN FLYNN: Yes.

21 MR. GALINDO: Hi.

22 BOARD MEMBER BROWN: This is Board Member
23 Brown.

24 BOARD CHAIRMAN FLYNN: Yes.

25 MR. GALINDO: Hi. Nice to meet you.

1 BOARD CHAIRMAN FLYNN: Hold on one second.

2 BOARD MEMBER BROWN: We need to swear in this
3 group. Can we do the swearing in of this group?

4 BOARD CHAIRMAN FLYNN: Yeah, that is a great
5 comment. Thank you.

6 MR. INGRAM: Let's see if Mr. Galindo on is on
7 the call yet.

8 Mr. Galindo, are you there?

9 MR. GALINDO: Yes, I'm right here.

10 MR. INGRAM: Okay. Excellent. So the swearing
11 in can take place, then, for 109 through 130 plus item
12 number 166, Mr. Galindo.

13 Mr. Detmer, will you please swear everyone in.

14 MR. DETMER: It would be my pleasure.

15 For those who are about to testify, do you
16 hereby swear to tell the truth, the whole truth, and
17 nothing but the truth?

18 (Applicants and witnesses present were
19 sworn/affirmed.)

20 BOARD CHAIRMAN FLYNN: Okay. Item 166,
21 Nicholas Galindo. You said you're here. I'll turn it
22 over to the investigator.

23 MR. GALINDO: Thank you.

24 MR. MAXWELL: Investigator Maxwell.

25 MR. GALINDO: Hello, nice to meet you.

1 MR. MAXWELL: Hello. In 2010, the applicant
2 was arrested in California for burglary second degree at
3 felony level. Disposition shows 180 days jail, three
4 years formal probation. The San Bernardino Superior
5 Court website was accessed for the court documents. The
6 applicant finished probation on 4-21 of '14.

7 At the time of the application, the applicant
8 was employed as event staff by ESI Security Services,
9 license number 700. Once he was made provisional on
10 11-26 of '19, he was moved up to security officer. He
11 was denied on 1-6 of 2020 and terminated from the ESI
12 security position the same day. The applicant stated in
13 his appeal letter that he was demoted back to event
14 staff until the outcome of this appeal.

15 BOARD CHAIRMAN FLYNN: Okay. Thank you.

16 Mr. Galindo, do you want to tell us what was
17 going on and why you didn't disclose?

18 MR. GALINDO: Why I didn't disclose, yes. I
19 just want to make something very clear of what I did.
20 What I did is strictly on my shoulders. And I take full
21 responsibility for what I did. I was with the wrong
22 people. I was not -- my parents were not the best
23 people. So I was lead down the wrong path. So I just
24 want to let that be on the record.

25 BOARD CHAIRMAN FLYNN: Okay. Thank you.

1 MR. GALINDO: So. Go ahead.

2 BOARD CHAIRMAN FLYNN: Are you done?

3 MR. GALINDO: Yes, I'm done.

4 BOARD CHAIRMAN FLYNN: Okay. Any questions
5 from the Board?

6 MR. GALINDO: I am sorry. I'm just kind of
7 caught off guard. It was so sudden. So I'm a little
8 out of my element right now. Apologies.

9 BOARD CHAIRMAN FLYNN: That's okay,
10 Mr. Galindo. Do you have something more to add?

11 MR. GALINDO: Yes, I do. Oh, I don't have my
12 paperwork with me.

13 BOARD CHAIRMAN FLYNN: Okay. We need to move
14 on, Mr. Galindo.

15 MR. GALINDO: Yes, I understand.

16 BOARD CHAIRMAN FLYNN: I have a big agenda
17 today.

18 MR. GALINDO: Yes, I understand.

19 BOARD CHAIRMAN FLYNN: Okay. I'm going to --

20 MR. GALINDO: I have nothing else.

21 BOARD CHAIRMAN FLYNN: All right. Any
22 questions from the Board?

23 MR. GALINDO: Any questions for the Board. No,
24 I don't.

25 BOARD CHAIRMAN FLYNN: Mr. Galindo, let me

1 speak. Mr. Galindo, you're done. I'm speaking to the
2 PILB right now.

3 MR. GALINDO: Oh. My apologies.

4 BOARD CHAIRMAN FLYNN: Okay. Any questions?

5 BOARD MEMBER BROWN: Chairman Flynn, Board
6 Member Brown.

7 BOARD CHAIRMAN FLYNN: Yes, go ahead.

8 BOARD MEMBER BROWN: I apologize if I missed
9 it, because I was taking some notes. But did we get an
10 explanation as to why he did not disclose this to us?

11 BOARD CHAIRMAN FLYNN: No, I asked him, and he
12 did not.

13 MR. GALINDO: Oh. I -- oh. I can actually
14 tell you that. I'm sorry. Hold on. Where's that note?
15 The reason why I didn't disclaim, the reason why I am
16 actually just being -- I apologize. I'm just being --
17 because I -- I apologize to the Board for wasting so
18 much time. I'm just, I don't have anything on me. And,
19 okay.

20 BOARD CHAIRMAN FLYNN: All right. Mr. Galindo,
21 you're done, if you have nothing more to add. I keep
22 saying the same thing. I understand that you're sorry.
23 And we understand you're in a bad place.

24 MR. GALINDO: Yes.

25 BOARD CHAIRMAN FLYNN: Okay. Any other

1 questions from the Board?

2 All right. I'll entertain a motion.

3 BOARD MEMBER BROWN: This is Board Member
4 Brown. I move that we deny the appeal of Mr. Galindo.

5 BOARD CHAIRMAN FLYNN: All right. I have a
6 motion. Do I have a second?

7 BOARD MEMBER NIXON: I second.

8 BOARD CHAIRMAN FLYNN: All right. Do I have
9 any discussion?

10 Okay. All in favor, state "aye."

11 (Board members said "aye.")

12 BOARD CHAIRMAN FLYNN: The appeal is denied.
13 Mr. Galindo.

14 MR. GALINDO: Yes.

15 BOARD CHAIRMAN FLYNN: You can reapply in a
16 year. We have a standard that you need to disclose your
17 criminal history. And that is the reason why. You have
18 a good day, sir. Have a safe flight. Thank you.

19 MR. GALINDO: You, too. Bye.

20 BOARD CHAIRMAN FLYNN: Okay. Number 109,
21 Bernard Payne.

22 MR. PAYNE: Good morning.

23 BOARD CHAIRMAN FLYNN: Are you here, sir?

24 MR. PAYNE: Yes, I am. Good morning.

25 BOARD CHAIRMAN FLYNN: Okay. Do you understand

1 you're under oath?

2 MR. PAYNE: Yes, sir.

3 BOARD CHAIRMAN FLYNN: Okay. I'll turn it over
4 to the investigator.

5 MR. JONES: Good morning. This is Investigator
6 Jones. The applicant applied in November of 2019. He
7 was denied for a carrying a concealed weapon without a
8 permit for an arrest in February 2018 at the misdemeanor
9 level. The applicant received a suspended jail
10 sentence. He was ordered to forfeit the gun and was
11 able to perform 50 hours of community service in lieu of
12 a fine. This was the only arrest found on the
13 fingerprint report.

14 BOARD CHAIRMAN FLYNN: And the applicant did
15 not disclose this?

16 MR. JONES: This was disclosed, and court docs
17 were provided.

18 BOARD CHAIRMAN FLYNN: Okay. All right. All
19 right. Mr. Payne, anything you want to add, state?

20 MR. PAYNE: No, it's self-explanatory. It's
21 fine.

22 BOARD CHAIRMAN FLYNN: Well, I'd be curious,
23 because you're -- you know, we take any gun charge very
24 serious, especially the --

25 MR. PAYNE: Okay. I have an explanation.

1 BOARD CHAIRMAN FLYNN: Go ahead, please.

2 MR. PAYNE: I was a professional street
3 performer, professional musician. And I've always
4 open-carried. I've always worn out there. I have
5 pictures with me with Metro and everything. So I was a
6 very positive entity out there as a street performer.
7 And I was out there for like five years. And,
8 eventually, things changed. They made an ordinance to
9 get the street performers out of there, which they
10 succeeded. And I was just made a sacrificial lamb.

11 But everything is fine. I've played in every
12 major casino in town. So that was just a chapter in my
13 life and not negative. Because they know I had it.
14 That was in February. And it was cold that day, so I
15 was just trying to perform and get out of there. I
16 didn't want to leave my gun in the car because there was
17 too many eyes watching. So that's what that was.

18 And, actually, the original reason they even
19 confronted me was they said that I was two decibels over
20 the sound. They're not professional sound men. But,
21 you know, instead of arguing and everything, I just, I
22 move on with my life. Time is the most valuable thing
23 in the universe. I don't waste it. So that's my
24 answer.

25 BOARD CHAIRMAN FLYNN: All right. Thank you.

1 MR. PAYNE: Yes.

2 BOARD CHAIRMAN FLYNN: Any questions from the
3 Board?

4 BOARD MEMBER NIXON: So I just want to
5 understand. You said that you open-carry. I'm sorry.
6 And this is Board Member Nixon. But on the arrest or on
7 the paperwork that we have, it says it was a concealed.
8 Was it indeed concealed?

9 MR. PAYNE: I had my hoodie on back in
10 February. It was a cold day. That's the only reason.
11 Other than that, I wouldn't. I took a chance, I took a
12 risk, but just to perform and get out of there. But
13 I've never been in any trouble, you know. And I've
14 been, I purchase a shotgun. It wasn't like a felony
15 where I couldn't buy it where they sell firearms. So I
16 understand. I'll get my CCW so I can be a hundred
17 percent.

18 BOARD MEMBER GRONAUER: This is Board Member
19 Gronauer.

20 BOARD CHAIRMAN FLYNN: Go ahead.

21 BOARD MEMBER GRONAUER: For the investigator,
22 he spent the hours of community service. And we have
23 paperwork to say that that was completed?

24 MR. JONES: I'm checking right now.
25 Yes, this was completed.

1 BOARD MEMBER GRONAUER: Okay. Thank you.

2 BOARD CHAIRMAN FLYNN: Okay. Any other
3 questions?

4 All right. I'll entertain a motion.

5 BOARD MEMBER NIXON: This is Board Member
6 Nixon. I move that we uphold the denial. And for me,
7 it's based on the time and distance.

8 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
9 Do I have a second?

10 BOARD MEMBER BROWN: Brown. I second.

11 BOARD MEMBER GRONAUER: Gronauer.

12 BOARD CHAIRMAN FLYNN: Okay. Mr. Brown second.
13 All right. Any further discussion?

14 I'll call for a vote. All those in favor of
15 the motion, state "aye."

16 (Board members said "aye.")

17 BOARD CHAIRMAN FLYNN: All right. The appeal
18 is denied. And you can reapply in a year, sir.

19 MR. PAYNE: Oh, man.

20 BOARD CHAIRMAN FLYNN: Good luck to you.

21 MR. PAYNE: Oh, man, that is just.

22 BOARD CHAIRMAN FLYNN: Okay. Number 110, Geron
23 Funches? Mr. Funches, or Funches, are you here, sir?

24 All right. I will trail that.

25 Number 111, Raad Sunna, if I'm pronouncing that

1 correctly?

2 MR. SUNNA: Yes, sir. Correct.

3 BOARD CHAIRMAN FLYNN: All right. Thank you.
4 I'll turn it over. Oh, do you realize you're under
5 oath, sir?

6 MR. SUNNA: Yes, sir.

7 BOARD CHAIRMAN FLYNN: Okay. Turn it over to
8 the investigator.

9 MR. MAXWELL: Investigator Maxwell. In 2016,
10 the applicant was charged with aiming a gun at a person
11 in the state of Nevada. This was at gross misdemeanor
12 level. The disposition was 364 days suspended sentence
13 and 36 months probation. They did disclose and provided
14 court documents. The applicant disclosed the arrest and
15 was not made provisional. The arrest was confirmed with
16 the fingerprint report and court documents. He was
17 denied 3-12-2020.

18 BOARD CHAIRMAN FLYNN: Okay. Thank you.

19 Mr. Sunna, do you want to explain what
20 happened?

21 MR. SUNNA: Yes, sir. Back in 2010, my family
22 purchased a couple of tobacco shops. And both my
23 brother and I were working them individually.
24 December 2nd, 2016, well, I should say a month prior to
25 that, we had sold one of the locations. And the new

1 owner is a family friend of ours and asked if I would be
2 able to cover him until he went out of town and
3 returned. So I said yes. I went into the store like
4 normal, and I did open-carry on my side.

5 At about 5:20, 5:30 p.m., three masked men
6 rushed into the store, one going behind the counter
7 towards me and one on the opposite side and one coming
8 down the middle. I did feel my life was in danger. I
9 didn't know what their intentions were. So I drew and
10 opened fire. The other two fled. The other one went
11 down by the door.

12 The original -- on December 2nd, this occurred.
13 And Metro arrived on scene, did their thing. They
14 released me. And it wasn't until December 5th, that
15 night around 6:00 p.m., where I got a call from a
16 detective saying they needed to ask further questions.
17 And that's when they placed me under arrest for the
18 original charge being open murder. And I did do a
19 72-hour holding period in the detention center. I was
20 released on house arrest. I was allowed to go to work,
21 attorney meetings and doctor's appointments and
22 et cetera.

23 It wasn't till evidence came to light. Well,
24 the original charge, why it was that way, because they
25 said all the shots were to the back. And later on,

1 evidence came to light showing it incorrect. Two shots
2 were in the front that traversed the body, and the rest
3 of the shots followed after that.

4 Later, also, more evidence came to light that
5 the charge was filed incorrectly. And it was reduced to
6 a gross misdemeanor. There was a 365-day jail time
7 suspended. I was placed on probation. And I was
8 discharged from probation on June 18th of 2019 for
9 complying with all the rules and everything. And I also
10 did a hundred hours of community service.

11 And since then, the case has been closed. I'm
12 just waiting to actually go ahead and expunge and seal
13 in June of 2021. But at the same time, I'm also trying
14 to apply for a position that requires a PILB card. And
15 that's it. I'm still legally allowed to carry a
16 firearm. I can purchase and carry. But I would just
17 have to wait till June to get my CCW.

18 And that's pretty much everything.

19 BOARD CHAIRMAN FLYNN: Okay. Thank you, sir.

20 MR. SUNNA: Yes, sir.

21 BOARD CHAIRMAN FLYNN: Any questions from the
22 Board?

23 BOARD MEMBER GRONAUER: This is Gronauer.

24 BOARD CHAIRMAN FLYNN: Go ahead.

25 BOARD MEMBER GRONAUER: For the investigator.

1 I believe, it was Maxwell.

2 MR. MAXWELL: Yes, sir.

3 BOARD MEMBER GRONAUER: Do we have any police
4 report on this or anything to see what really happened
5 here? I mean this seems a little bit convoluted, a
6 little bit crazy. It started out with murder and down
7 to aiming a firearm?

8 MR. MAXWELL: I don't have any, I don't have
9 any police report, sir. I've just got the court
10 documents and the fingerprint report.

11 BOARD MEMBER GRONAUER: By court documents,
12 what do you mean by that?

13 MR. MAXWELL: The documentation that shows the
14 charge that he was charged with, which was aiming a
15 firearm at a human being. And it gives the dispositions
16 and the final outcome, and it tells you the completion
17 of community service, probation, that type of stuff,
18 sir.

19 BOARD MEMBER GRONAUER: All right. I'd love to
20 have the court documents tell me what happened in court
21 here all the way. I mean there's just something that
22 doesn't, doesn't fit right with me.

23 Could I have a question? Mr. Chairman, I'd
24 like to question the applicant.

25 BOARD CHAIRMAN FLYNN: Yes, go ahead.

1 BOARD MEMBER GRONAUER: Mr. Sunna?

2 MR. SUNNA: Yes, sir.

3 BOARD MEMBER GRONAUER: You fired the shots,
4 and one went down. Was he deceased?

5 MR. SUNNA: Yes, sir. He died on the way to
6 the hospital.

7 BOARD MEMBER GRONAUER: Okay. That's all I
8 have. Thank you.

9 BOARD CHAIRMAN FLYNN: Okay. And if I recall
10 the case, Mr. Sunna, the decedent was 13 years old. Is
11 that correct?

12 MR. SUNNA: Yes, correct.

13 BOARD CHAIRMAN FLYNN: All right. Any other
14 questions from the Board?

15 BOARD MEMBER BROWN: A question from Board
16 Member Brown for the applicant.

17 BOARD CHAIRMAN FLYNN: Yeah, go ahead.

18 BOARD MEMBER BROWN: Mr. Sunna, did you say
19 these gentlemen were armed when they came at you?

20 MR. SUNNA: One of them was armed with a knife,
21 correct.

22 BOARD MEMBER BROWN: Okay. Thank you, sir.

23 MR. SUNNA: Yes, sir.

24 BOARD CHAIRMAN FLYNN: Any other questions from
25 the Board?

1 BOARD MEMBER NIXON: So I know we don't have
2 the police report, and you said there were some mistakes
3 made in the filing and such. Was there camera footage
4 of this incident inside the shop? And did the -- you
5 know, I'm assuming that the police department would have
6 had access to this footage?

7 MR. SUNNA: Yes, there is. And there was also
8 camera footage of the three assailants next-door in the
9 vestibule putting on the masks and preparing for the --
10 the rush.

11 BOARD MEMBER NIXON: Okay. Okay. I have
12 nothing else. Thank you.

13 BOARD CHAIRMAN FLYNN: Okay. Any other
14 questions from the Board?

15 All right. I'll entertain a motion.

16 BOARD MEMBER GRONAUER: This is Gronauer. Very
17 unusual situation. But from the heights of it to the
18 lows of it, and it's so sad anybody got killed in any
19 situation, but with the facts that were presented at
20 this point from the applicant and the final disposition
21 of the case, I'm going to make a motion to grant the
22 appeal.

23 BOARD CHAIRMAN FLYNN: Okay. I have a motion
24 to grant the appeal. Do I have a second?

25 BOARD MEMBER NIXON: Nixon.

1 BOARD MEMBER BROWN: Brown will second.

2 BOARD CHAIRMAN FLYNN: Okay. I have a motion,
3 and I have a second. Any further discussion?

4 BOARD MEMBER NIXON: I'm with Gronauer. This
5 is, you know, this is a difficult one for me. But,
6 yeah, this is a challenge. I feel like we don't have a
7 lot, a lot or all the information. But, yeah. That was
8 all, just more of a statement. Sorry.

9 BOARD CHAIRMAN FLYNN: Okay. And just for
10 discussion purposes, I've got an issue with time and
11 distance. And I also have an issue that he can't do
12 anything till June 2021 to further a firearm issue.

13 Mr. Galindo, real quick, this is an unarmed
14 position? I'm sorry. Mr. --

15 MR. SUNNA: Sunna.

16 BOARD CHAIRMAN FLYNN: Sunna. Is this an
17 unarmed position?

18 MR. SUNNA: I would assume so. The job
19 description did not state anything about carrying. But
20 I do have no, nothing holding me back from being able to
21 carry or purchase.

22 BOARD CHAIRMAN FLYNN: Okay. All right.
23 Without any further discussion, I'll call for a vote.
24 All those in favor, state "aye."

25 (Board members said "aye.")

1 BOARD CHAIRMAN FLYNN: Okay. Any opposed,
2 state "nay." Nay.

3 Okay. Motion carries three to one.
4 Congratulations, sir. You have a good day.

5 MR. SUNNA: You, too. Thank you very much.

6 BOARD CHAIRMAN FLYNN: Okay. Number 112,
7 Jeremy Jongepier?

8 MR. JONGEPIER: Yes, sir.

9 BOARD CHAIRMAN FLYNN: Did I pronounce that
10 correctly?

11 MR. JONGEPIER: It is "Yung-eh-peer."

12 BOARD CHAIRMAN FLYNN: Okay. Jongepier. All
13 right. Do you realize you're under oath?

14 MR. JONGEPIER: Yes.

15 BOARD CHAIRMAN FLYNN: Okay. I'll turn it over
16 to the investigator.

17 MR. MAXWELL: Investigator Maxwell. In 2015,
18 in Nevada, the applicant was charged with --

19 BOARD CHAIRMAN FLYNN: Mr. Jongepier, I
20 believe, that's your phone. Can you put it on mute
21 until we ask you a question? Thank you.

22 Go ahead, Mr. Maxwell.

23 MR. MAXWELL: Thank you, sir. 2015, in the
24 state of Nevada, the applicant was charged with assault,
25 carrying a concealed weapon without a permit, at

1 misdemeanor level. He did disclose, and court docs were
2 provided. The disposition showed it was 90 days plus
3 90-day concurrent jail sentence, which was suspended.
4 He was ordered to stay out of trouble, community
5 service, counseling. The property was forfeited. And
6 all of the conditions were satisfied by August 4th,
7 2015.

8 The applicant was initially denied in 2017 for
9 the weapons conviction. He disclosed the arrest on his
10 application and was not made provisional. The
11 conviction was confirmed with SCOPE, the fingerprint
12 report and court documents.

13 BOARD CHAIRMAN FLYNN: Okay. Thank you.

14 Mr. Jongepier, can you tell us what happened?

15 MR. JONGEPIER: So there was a kid in my
16 neighborhood who was being arrested for a murder that
17 had happened like at the end of my block. I happened to
18 be, or young and stupid, and I was nosey, and I went to
19 go watch him get arrested. And I had, oh, I always
20 open-carried at that time. And I had put my gun inside
21 my glovebox. When I got out of my car to go, the police
22 barricade happened. And some gentleman ran up to me,
23 and he tried to fight me. And I put my hands up. And
24 when I lifted my hands, he saw my holster. We were
25 separated by the police officers. The officers told us

1 to go our separate ways.

2 I didn't know the guy had lived in my
3 neighborhood. I drove past his street. He threw a
4 handful of rocks at me and my fiance at the time, hit my
5 car. I stopped my car, and I yelled some profanity at
6 him, which I really regret doing. That's what the
7 assault charge was about. And then I drove back to my
8 house. And about 15 minutes later, I had my
9 neighborhood barricaded off saying that I had assaulted
10 this guy and with my firearm.

11 And they dismissed it down to a concealed carry
12 firearm, which was in my glovebox, that I admitted to.
13 And two weeks after I was released off of house arrest,
14 they no longer had that criminal charge. So. And I was
15 forced into taking a plea. I would have went to a trial
16 with it. But my lawyer, since it was such a high
17 priority case, they wanted 25 grand, and I couldn't
18 afford it at the time.

19 BOARD CHAIRMAN FLYNN: Okay. Thank you. Any
20 questions -- put it back on mute unless the Board has
21 questions. You've got a very scratchy phone. Okay.
22 Thank you.

23 Any questions from the Board?

24 BOARD MEMBER NIXON: So I --

25 BOARD CHAIRMAN FLYNN: Hearing no questions,

1 I'll entertain a motion.

2 I'm calling for a motion a second time.

3 BOARD MEMBER BROWN: Mr. Chair, this is Brown.
4 I think, we're pausing. I thought Board Member Nixon
5 had a question.

6 BOARD CHAIRMAN FLYNN: Oh, I didn't hear her.
7 My apologies.

8 Go ahead, Tammy.

9 BOARD MEMBER NIXON: No. Thank you. I wanted
10 to find out. It says assault, carrying a concealed
11 weapon. Did you assault anybody with the weapon, or was
12 there actually any physical confrontation, or was this
13 just you yelling profanities at somebody?

14 MR. JONGEPIER: Yes, ma'am, there was no weapon
15 involved with the assault. It was all verbal.

16 BOARD MEMBER NIXON: Okay. And then, when they
17 saw your belt, was there an actual gun in the holster,
18 or was --

19 BOARD CHAIRMAN FLYNN: Mr. Jongepier, it's your
20 phone. I don't know if you could step to another part
21 of where you're at, if you're at home. But we cannot
22 hearing anything. And we can't even hear ourselves
23 speak.

24 MR. JONGEPIER: Is this better?

25 BOARD CHAIRMAN FLYNN: A hundred percent.

1 MR. JONGEPIER: Oh, is it? Okay. So, no, I
2 did not have the firearm inside of my holster. It was
3 inside of my glovebox, because I felt that it was more
4 responsible to step out with my gun being locked up with
5 the officers around. I did not want to intimidate any
6 of the officers with a firearm during a police
7 barricade, so I had it locked away in my glovebox. And
8 that was during the whole confrontation with the
9 gentleman, also.

10 BOARD MEMBER NIXON: Okay. Understood. Thank
11 you.

12 BOARD CHAIRMAN FLYNN: Any other questions?

13 BOARD MEMBER GRONAUER: Gronauer.

14 BOARD CHAIRMAN FLYNN: Go ahead.

15 BOARD MEMBER GRONAUER: I have another
16 question. Have you, for the applicant, have you
17 attended a CCW class?

18 MR. JONGEPIER: Yes, sir, I have. And the only
19 problem with my having the CCW is I haven't had enough
20 money to pay for the court documents and fingerprinting
21 down there, just because I've been laid off because of
22 the Covid. But I have taken the actual class.

23 BOARD MEMBER GRONAUER: Yeah, I understood that
24 part, and I was trying to figure out, okay, about the
25 money part. But, okay. The other part is, if you took

1 the class, they pretty well instruct you when to bring a
2 gun and not to bring a gun, or bring it out or not to
3 bring it out. Is that correct?

4 MR. JONGEPIER: Yes, sir. And this, I'd taken
5 the class after that I had gotten this charge. So.

6 BOARD MEMBER GRONAUER: Thank you.

7 BOARD CHAIRMAN FLYNN: Any other questions?

8 All right. Hearing none, I'll call for a
9 motion.

10 BOARD MEMBER BROWN: Board Member Brown. I
11 move that we grant the appeal.

12 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
13 Do I have a second?

14 I'll call for a second again.

15 BOARD MEMBER NIXON: I'm sorry. I'm on mute.
16 I second. This is Nixon.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 I have a second. Any further discussion?

19 BOARD MEMBER GRONAUER: Yeah, this is Gronauer.
20 I probably won't be able to support this for the simple
21 reason of time and distance on this one. And I'm glad
22 he took the CCW class, but it was afterwards. And I
23 just won't be able to support it probably. And that's
24 my reason, time and distance.

25 BOARD CHAIRMAN FLYNN: Okay. All right. All

1 those in favor of the motion, state "aye."

2 (Board members said "aye.")

3 BOARD MEMBER GRONAUER: No.

4 BOARD CHAIRMAN FLYNN: Those opposed, state
5 "nay."

6 BOARD MEMBER GRONAUER: Nay.

7 BOARD CHAIRMAN FLYNN: Okay. Motion carries
8 three to one. Good luck.

9 All right. Mr. Brett Bagley, are you here?

10 MR. BAGLEY: Yes, good morning, Director
11 Ingram. I'm here.

12 BOARD CHAIRMAN FLYNN: Okay. Do you realize
13 you're under oath?

14 MR. BAGLEY: Yes, sir.

15 BOARD CHAIRMAN FLYNN: All right. I'll turn
16 this over to the investigator.

17 MR. MAXWELL: Investigator Maxwell. In 2010,
18 in the state of Mississippi, the applicant was charged
19 with fleeing from police. This was at the felony level.
20 Disposition shows three years probation. And this was
21 disclosed by the applicant.

22 In 2018, in the state of Nevada, he was charged
23 with engage in lewd, dissolute conduct in public place.
24 This was at misdemeanor level. He received six months
25 suspended jail sentence and a fine. This was also

1 disclosed.

2 The applicant was initially was made
3 provisional on November 1st, 2019 but was not added to
4 added to anyone's roster. The arrests were disclosed on
5 the application and were confirmed with the fingerprint
6 report. He was denied December 3rd, 2019.

7 BOARD CHAIRMAN FLYNN: Okay. Thank you.

8 Mr. Bagley, anything you want to add?

9 MR. BAGLEY: Yes. I've prepared a statement in
10 the interest of saving time and getting all the
11 pertinent facts at hand. Let's see.

12 In June of 2010, I was employed as a tour bus
13 driver in Las Vegas. After a long work week, I rented a
14 vehicle and drove to Georgia to help a friend. He
15 stated they needed immediate help to get out of a
16 domestic violence situation. I made only one stop to
17 rest, and I was unable to sleep with all that was on my
18 mind. I got back on the road and reached Georgia two
19 days later. And on the way back to Las Vegas, I began
20 to experience the effects of extreme sleep deprivation.
21 Being a professional driver and having driven many long
22 trips before, I pushed myself beyond my limits without
23 realizing it.

24 A police officer in Vicksburg, Mississippi
25 initiated a traffic stop for an out headlight. I was in

1 a dreamlike state at this point simply from extreme lack
2 of rest, and no drugs were involved. When I saw only
3 blue lights in the rearview mirror, I did not perceive
4 it to be a police car, since it did not have any red
5 lights. In my normal frame of mind, I'm well aware that
6 police vehicles in other areas of the United States use
7 only blue lights. I graduated as class president of the
8 Monterey Peninsula College Law Enforcement Academy in
9 2000. And I come from a law enforcement family. I was
10 also a licensed driving instructor in the state of
11 California from 2003 to 2004. Traffic safety has been a
12 passion of mine throughout my life. I truly thought it
13 was someone attempting to impersonate a police officer,
14 in my frame of mind, and drove away at a high rate of
15 speed. My judgment and perceptions had been completely
16 impaired from my extreme lack of adequate rest.

17 I remember reaching a large railway area where
18 there's only one way in or out. And when I turned
19 around --

20 BOARD CHAIRMAN FLYNN: Wait, wait. Mr. Bagley?

21 MR. BAGLEY: Yes.

22 BOARD CHAIRMAN FLYNN: Okay. You explained
23 that. I see where that's going. I accept your
24 explanation. Talk to me --

25 MR. BAGLEY: Okay.

1 BOARD CHAIRMAN FLYNN: -- about the lewdness in
2 public.

3 MR. BAGLEY: Okay. This was the second arrest
4 here in Pahrump. This was after I was a limousine
5 driver in Las Vegas from 2011 to 2017. And I was
6 involved in a vehicle versus pedestrian accident as a
7 pedestrian and suffered a knee injury, which took nine
8 months to recover. So I had moved to Pahrump to
9 recover. I was becoming extremely distressed and began
10 to lose sleep over a period of days. And while I was in
11 my camper, I stayed up all night watching videos on
12 YouTube. Since I was not driving anywhere, I did not
13 see any potential problems, and I ended up in the same
14 dreamlike state by morning and sleepwalked out of my
15 camper not wearing any clothing and was promptly
16 arrested by the Nye County Sheriff's Department.

17 BOARD CHAIRMAN FLYNN: Okay. Thank you. The
18 rest of the Board --

19 MR. BAGLEY: I do have more.

20 BOARD CHAIRMAN FLYNN: We have limited time.
21 If the rest of the Board's got questions and they want
22 you to continue with your statement, I'll allow it. But
23 I'm good with your explanation so far.

24 MR. BAGLEY: Okay. The only thing I have to
25 add is a letter from the psychologist as the explanation

1 for my actions, if I might add that. It takes less than
2 a minute. It could be pertinent for the decision.

3 BOARD CHAIRMAN FLYNN: Okay. All right. Read
4 what the psychiatrist says about your condition and as
5 it applies to being a security officer.

6 MR. BAGLEY: Actually, I'm applying for mystery
7 shopping. But, yes, this is from Laurel Life in
8 Chambersburg, Pennsylvania, dated 29 September 2010,
9 just after the first incident.

10 It says, it reads here: Mr. Bagley was seen
11 for a psychological interview assessment on
12 September 20, 2010, and the status of examination
13 reveals that it be focused and calm --

14 (The Reporter asked Mr. Bagley to read slower.)

15 MR. BAGLEY: Okay. No problem.

16 Prior to the incident in Mississippi that
17 occurred in June, Mr. Bagley had no history of any
18 mental health or substance abuse issues. Given all
19 available information, it seems evident that the cause
20 of Mr. Bagley's aberrant behavior at the time of his
21 arrest was the result of sleep deprivation. After over
22 a week period of attaining minimal sleep, he began to
23 exhibit signs akin to a brief psychotic episode. In
24 addition to slow response time and impairment in motor
25 skills and judgment and fragmented thought processes,

1 one of the psychological effects of sleep deprivation
2 can be microsleeps. This occurs when the brain
3 automatically shuts down for a brief period, leading the
4 person to mentally fall asleep regardless of what they
5 are doing. During a microsleep, the person is in a
6 dreamlike state, causing distorted perceptions. As the
7 person is unable to distinguish reality from waking
8 dreams, inappropriate behavior and emotional responses
9 are common. This, I believe, has occurred when
10 Mr. Bagley was driving a vehicle. Given his lack of the
11 late history and current presentation, as long as
12 Mr. Bagley attains adequate rest, it is my professional
13 opinion that the June incident was an isolated incident
14 and not apt to recur.

15 And that was by Tara Louchery, licensed
16 clinical psychologist from Laurel Life.

17 I have since been diagnosed with severe sleep
18 apnea where I have over 30 events an hour, and it wakes
19 me up over 250 times a night, making it impossible to
20 get rest. I was diagnosed just last year and received a
21 BiPAP machine and went from 30 events down to five, and
22 I'm finally receiving the rest that I desperately needed
23 for years. I did not know I had this condition.

24 I've strived to be a moral person all of my
25 life. These incidents are extremely embarrassing. I

1 try to help others whenever possible. And for me to be
2 involved in incidents such as this, while I take
3 responsibility for my actions, there were contributing
4 factors that definitely were in play for something like
5 this to happen.

6 I apologized to the police officer in person.
7 He's the one that had the charges brought down. I had a
8 destruction of property, assault on a police officer.
9 He's the one that went to the D.A. and asked them to
10 drop those charges after speaking with me and getting
11 the facts.

12 I have nothing else to add at this time.

13 BOARD CHAIRMAN FLYNN: Mr. Bagley?

14 MR. BAGLEY: Yes, sir.

15 BOARD CHAIRMAN FLYNN: I appreciate your
16 statements. I'll turn it over to questions from the
17 Board. And just so you know, my issue has nothing to do
18 with your medical condition. My issue is time and
19 distance. And your last incident was only two years
20 ago. But we'll see what the rest of the Board feels.

21 Any questions from the Board?

22 BOARD MEMBER GRONAUER: This is Gronauer. To
23 the applicant, if you get a card, what do you plan on
24 doing with it?

25 MR. BAGLEY: Well, I plan to become an

1 outstanding mystery shopper. I have a lot of customer
2 service experience in hotel and limousine. I had an
3 offer from QSI Specialists with Alex. And I plan to do
4 mystery shopping quality assurance.

5 BOARD MEMBER GRONAUER: Okay. Thank you.

6 MR. BAGLEY: You're welcome.

7 BOARD CHAIRMAN FLYNN: All right. Any other
8 questions from the Board?

9 BOARD MEMBER BROWN: This is Board Member
10 Brown. I guess, mine's more of a statement. I'm just a
11 little worried that both of these charges came upon a
12 decision that you made. Granted, you didn't make a
13 proper decision because of lack of sleep. What I'm
14 worried about is if you get into any kind of position
15 where you have any type of authority or a weapon, and
16 you make a decision that, yeah, I'll work the overtime
17 shift, and you have another one of these incidents. And
18 that's my concern.

19 MR. BAGLEY: I can understand your concern,
20 sir. And as far as --

21 BOARD CHAIRMAN FLYNN: Okay. Mr. Bagley?

22 MR. BAGLEY: -- the mystery shopping, I don't
23 think it's the same as security or --

24 BOARD CHAIRMAN FLYNN: Mr. Bagley? Mr. Bagley.
25 That was a statement. It wasn't a question.

1 MR. BAGLEY: Oh, I'm sorry.

2 BOARD CHAIRMAN FLYNN: That's okay.

3 All right. Any other questions or statements
4 from the Board?

5 All right. I'll entertain a motion.

6 BOARD MEMBER GRONAUER: This is Gronauer. I
7 can make a motion.

8 BOARD CHAIRMAN FLYNN: Go ahead.

9 BOARD MEMBER GRONAUER: I make a motion that we
10 deny --

11 BOARD CHAIRMAN FLYNN: The appeal.

12 BOARD MEMBER GRONAUER: Thank you. Thank you.
13 We deny the appeal for Mr. Bagley.

14 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
15 Do I have a second?

16 BOARD MEMBER NIXON: I second.

17 BOARD CHAIRMAN FLYNN: All right. Any further
18 discussion from the Board?

19 Hearing none, I'll call for a vote. All those
20 in favor of the motion, state "aye."

21 (Board members said "aye.")

22 BOARD CHAIRMAN FLYNN: Okay. Any opposed,
23 state "nay."

24 All right. Hearing none, motion carried.

25 Mr. Bagley, you can reapply within a year. And I can

1 only speak for myself. That would be more time and
2 distance. I might be more apt to change my views.
3 Thank you for your time.

4 MR. BAGLEY: That would be the first time.
5 Thank you for your time. Have a good day.

6 BOARD CHAIRMAN FLYNN: All right. Number 114,
7 Kevin Martinez? Number 114, Kevin Martinez?

8 All right. I will trail that one.

9 Number 115, Donald Williams?

10 MR. WILLIAMS: Donald Williams here.

11 BOARD CHAIRMAN FLYNN: All right. Good
12 morning, Mr. Williams. Do you realize you're under
13 oath?

14 MR. WILLIAMS: Yes, sir.

15 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
16 it over to the investigator.

17 MR. JONES: Thank you, sir. Investigator
18 Jones. The applicant applied in December of 2019, where
19 he was denied for the arrest in 2013, which began as a
20 felony and was reduced. It started off as a child
21 cruelty, possession of marijuana for sale, and receiving
22 known stolen property. This was reduced to a
23 misdemeanor carrying concealed firearms. They did
24 disclose this, and they did provide court documents.

25 Previously, before that, the applicant was

1 arrested for two counts of commercial burglary in
2 November of 1995, which they did disclose as well.

3 And then, in 2000, there was a warrant issued
4 for this burglary. The fingerprint report does not
5 indicate the status of that warrant.

6 The applicant was, had applied before, in late
7 December of 2016, and was denied. So the applicant has
8 reapplied in 2019 and is appealing this decision again.

9 BOARD CHAIRMAN FLYNN: All right. Thank you.

10 All right. Mr. Williams, why don't you tell us
11 about the criminal history. And then I'm real curious
12 about the child endangerment charge that was pled to a
13 different one.

14 MR. WILLIAMS: Okay. With the commercial
15 burglary, I was, you know, at the store buying stuff and
16 giving receipts to another guy, and he was going back in
17 and trying to steal the stuff and, you know, regain the
18 money. And I got caught doing that. That was a big
19 mistake on my part.

20 And the arrest in 2013, with the child
21 endangerment, there was no endangerment to my child, but
22 they found a weapon in the top of the closet, and in the
23 report they said that my son was holding the weapon in
24 his hand or jumping on the bed. And at the time, I was
25 outside the dwelling. And the police went inside and

1 found the gun on the bed, or he threw it on the bed and
2 said that my son was near it.

3 And I went through all the court proceedings.
4 The family, father and child program, the drug programs,
5 I did everything the courts needed me to do to rectify
6 the situation. And I got my children back in record
7 time. They said it was the quickest they ever seen.
8 Within six months, I had my children back.

9 And I decided to move to Las Vegas to get away
10 from that lifestyle. And I've been living a productive
11 life here in Vegas. My credit score is going up. I'm
12 paying all the creditors I owe. I joined the church,
13 Victory Outreach of Las Vegas. We feed the homeless in
14 the winter with chili and cornbread and give out
15 blankets and prayer and things like that.

16 So I've changed my whole life around
17 completely. I work two jobs. I donate plasma. I do
18 whatever I can to stay on the positive side of the law
19 these days.

20 BOARD CHAIRMAN FLYNN: Thank you. And I am
21 familiar with your church, and they do a lot of good
22 work here in town.

23 MR. WILLIAMS: Yeah. I have my own car.

24 BOARD CHAIRMAN FLYNN: What are you doing for a
25 job now?

1 MR. WILLIAMS: For a job, I work at a company
2 called Secure Source. I've been working there for three
3 years. All my reviews are 4.5 and higher. I've never
4 missed a day of work. I have my own car.

5 BOARD CHAIRMAN FLYNN: And what do you do for
6 them?

7 MR. WILLIAMS: I'm a guardsman. I'm a private
8 guardsman for Las Vegas Paving and Aggregate.

9 BOARD CHAIRMAN FLYNN: Okay. All right. Thank
10 you.

11 Any questions from the Board?

12 BOARD MEMBER GRONAUER: Board Member Gronauer.

13 BOARD CHAIRMAN FLYNN: Go ahead.

14 BOARD MEMBER GRONAUER: What is a guardsman for
15 Las Vegas Paving, what does that entail? I don't
16 understand. Is that --

17 MR. WILLIAMS: I just guard equipment. You
18 know, when they have like million-dollar equipment
19 that's out on the side of the freeway or something, or
20 also in the mountains somewhere, we just go out there
21 and watch it.

22 BOARD MEMBER GRONAUER: All right. This is a
23 question for Mr. Ingram.

24 MR. INGRAM: Yes, sir.

25 BOARD MEMBER GRONAUER: Kevin, maybe I'm

1 confused. But does a guardsman guarding the equipment
2 out there for a private company, do they have to have a
3 card?

4 MR. INGRAM: In depends on how they're hired.
5 If they're hired as an actual employee of the company,
6 and their duties are to guard that equipment, then they
7 don't fall under NRS 648 or NAC 648. If they are hired
8 as an independent contractor to do that, then, yes, they
9 would be required to be licensed.

10 BOARD MEMBER GRONAUER: Okay. Well, he said
11 he's working for Securitas, or whomever. And I'm just
12 trying to figure out how that all plays into this here.
13 And that's what I'm asking.

14 MR. INGRAM: So I would ask the applicant, you
15 know, is the company that you're currently employed for,
16 are they part of Las Vegas Paving, or does Las Vegas
17 Paving hire this company to provide those services?

18 MR. WILLIAMS: They're part of Las Vegas
19 Paving. They're based out of Arizona.

20 BOARD MEMBER GRONAUER: What's the name of that
21 company?

22 MR. WILLIAMS: Secure Source. I don't know the
23 details. A church member, because when I needed a job,
24 he introduced me to the lady. And she just gave me the
25 job, and she has me, you know, watch equipment here and

1 there.

2 BOARD MEMBER GRONAUER: All right. Hold on.
3 To the applicant again, who gives you the paycheck,
4 where does your paycheck come from?

5 MR. WILLIAMS: My paycheck comes from Secure
6 Source.

7 BOARD MEMBER GRONAUER: All right.

8 BOARD CHAIRMAN FLYNN: Yeah, I'm with you,
9 Bobby. I have an issue.

10 Mr. Williams, we're going to have to look into
11 this further.

12 BOARD MEMBER GRONAUER: Yeah, I think, we have
13 to trail, put it someplace else or try it another time.
14 I don't know. But I can't even deal with this one right
15 now.

16 BOARD CHAIRMAN FLYNN: No, and neither can I.
17 Let me explain to the applicant.

18 Sir, there may be a question that this company
19 is operating improperly in the state of Nevada. And
20 that would affect your employment with it, on your
21 application for the card. So what Commissioner Gronauer
22 is asking is that we trail this, allowing staff and PILB
23 to take a look. I mean we're going to be here for
24 eight, nine hours. We'll be able to give you a
25 decision. If I was to have to move forward right now, I

1 would deny this.

2 MR. WILLIAMS: I did, I did something wrong?

3 BOARD CHAIRMAN FLYNN: I'll tell you what, do
4 you want to come back in about 1:00 o'clock?

5 MR. WILLIAMS: Yes, sir.

6 BOARD CHAIRMAN FLYNN: All right. Director
7 Ingram, that's like four hours. Hopefully, somebody
8 from your staff can track this down and see what the
9 deal is.

10 MR. INGRAM: Actually working on it right now
11 as we speak, sir.

12 BOARD CHAIRMAN FLYNN: Okay. So, Mr. Williams,
13 I appreciate your patience. And why don't you just call
14 back in at 1:00 o'clock, and we'll hear you again.

15 MR. WILLIAMS: Okay, sir. Thank you.

16 BOARD CHAIRMAN FLYNN: All right.

17 All right. Number 116, William Landreth. Are
18 you here, sir? Number 116, William Landreth?

19 All right. I'm going to trail this one.

20 Number 117, Royale Brown?

21 MR. BROWN: I'm here. How are you doing, sir?

22 BOARD CHAIRMAN FLYNN: I'm doing good. Thank
23 you, sir. Do you realize you're under oath?

24 MR. BROWN: Yes, I do.

25 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn

1 this over to the investigator.

2 MR. BROWN: All right.

3 MR. MAXWELL: Investigator Maxwell. 2005, out
4 of New York, the applicant was charged with misdemeanor
5 DUI. Disposition showed three years probation. It was
6 disclosed on the application.

7 2010, also out of New York, another DUI at
8 felony level. Disposition showed five years probation
9 and 16 weeks jail. This was also disclosed.

10 The applicant disclosed the arrest conviction
11 and was not made provisional. This was confirmed with
12 the fingerprint report.

13 BOARD CHAIRMAN FLYNN: Okay.

14 All right. Sir, do you want to explain your
15 DUIs?

16 MR. BROWN: Well, they're pretty much, yeah,
17 these, I would, I would classify these as just, you
18 know, as reported. They happened, you know, within -- I
19 mean the first one was just -- I would just classify
20 them as isolated, unfortunate isolated incidents that --
21 and not, I would not, and not -- I wouldn't -- if you
22 would, you know, I don't, I don't think they -- they
23 don't reflect, they're not a reflection of my personal
24 character or the type of -- yeah, like I was saying,
25 just isolated, unfortunate incidents. I don't know.

1 BOARD CHAIRMAN FLYNN: Okay. Can you explain
2 why the arrest in 2010 made it a felony? Did you injure
3 somebody?

4 MR. BROWN: No, nobody was injured. These
5 were -- I think, it was because of the multity, the
6 number of incidents that happened.

7 BOARD CHAIRMAN FLYNN: Okay.

8 MR. BROWN: They were actually, they weren't
9 DU. They were actually classed as DWIs, driving while
10 intoxicated. I think, it might have been the nature of
11 the -- maybe my BAC level. Or just I'm not sure
12 exactly. You know, I guess, the first one, okay, that
13 was the lenient. That was the misdemeanor. That was
14 my, I would call it a slap on the wrist. But then, you
15 know, when I got, when I went ahead and when I did the
16 same thing in 2010, then that's when it, you know,
17 because that's when it was, it became more of a serious
18 offense, so.

19 BOARD CHAIRMAN FLYNN: Okay. Do you have a
20 driver's license right now?

21 MR. BROWN: No, it's not, not -- I'm still tied
22 up with -- in Albany. But New York state, they're
23 not -- well, I have, I have written appeals to -- so
24 that I could, because there's a hold placed on my
25 driver's record from New York state.

1 BOARD CHAIRMAN FLYNN: Okay. What are you
2 doing for employment now?

3 MR. BROWN: I'm self-employed right now. I
4 have, over the past, you know, three, four, five years,
5 I've been doing various, you know, some various, yeah,
6 I've been on various different payrolls. You know, I've
7 worked at Walmart Super Center, worked for, you know,
8 other retail outlets. And I've also done -- I'm a
9 basketball school trainer for a company called
10 Lab Works. But, yeah, just.

11 And, currently, right now, I'm just, I'm trying
12 to do my own thing with like kind of self-employed with
13 Allow Me Services. It's my own, my personal company
14 where I just perform, you know, various services,
15 miscellaneous services that, you know, kind of like odd
16 jobs. Because I'm fairly good, I'm pretty good with my
17 hands. So, yeah, I'm trying to, yeah, I just do
18 contract work right now.

19 BOARD CHAIRMAN FLYNN: All right. Thank you.
20 And just so you know, I'm aware that the last time you
21 were arrested was over 10 years ago. So I'm going to
22 turn it over to the Board, if they have got any
23 questions for you.

24 Any questions from the Board?

25 BOARD MEMBER NIXON: Yes. So this is Nixon.

1 This is for the investigator. Quick question. He said
2 his license is held up in New York. Is everything taken
3 care of with his probation and paying off of fines, jail
4 time, is all of that closed out?

5 MR. MAXWELL: Investigator Maxwell. As far as
6 I'm aware, ma'am, yes. But I would just like to clarify
7 something with reference to the felony 2010. According
8 to the fingerprint report, the reason why that was a
9 felony level DU, DWI was because he'd had a previous
10 conviction of the designated offense within a 10-year
11 period.

12 BOARD CHAIRMAN FLYNN: Okay.

13 BOARD MEMBER NIXON: Got it.

14 BOARD CHAIRMAN FLYNN: And, Tammy, just an FYI,
15 some states require you to go through a process as well
16 as classes.

17 BOARD MEMBER NIXON: Okay.

18 BOARD CHAIRMAN FLYNN: And in some states, you
19 have to take the driving test to get your driver's
20 license back. And that might be the issue with him
21 living here and trying to get his New York license.

22 BOARD MEMBER NIXON: I see. Okay. Thank you.

23 BOARD CHAIRMAN FLYNN: Any other questions from
24 the Board?

25 BOARD MEMBER GRONAUER: This is Board Member

1 Gronauer. To the applicant, what do you plan on doing
2 with a card?

3 MR. BROWN: I would like to start trying to
4 apply for different security, security officer position.

5 BOARD MEMBER GRONAUER: Okay. I'm fine.

6 MR. BROWN: In Henderson or Vegas, or Vegas or
7 Henderson.

8 BOARD MEMBER GRONAUER: I'm good. Thank you.

9 BOARD CHAIRMAN FLYNN: Okay. Any other
10 questions from the Board?

11 All right. Hearing none, I'll entertain a
12 motion.

13 BOARD MEMBER NIXON: I move that we grant the
14 appeal for Mr. Royale Brown.

15 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
16 Do I have a second?

17 BOARD MEMBER BROWN: Brown will second.

18 BOARD CHAIRMAN FLYNN: All right. I have a
19 motion and a second. Any further discussion?

20 Hearing none, I'll call for a vote. All those
21 in favor, state "aye."

22 (Board members said "aye.")

23 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
24 Congratulations, Mr. Brown. You have a good day.

25 MR. BROWN: Thank you. Yes, I appreciate it.

1 BOARD CHAIRMAN FLYNN: Okay. Number 118,
2 Trayana Jordan?

3 MS. JORDAN: Trayana Jordan.

4 BOARD CHAIRMAN FLYNN: Okay. Good morning,
5 ma'am.

6 MS. JORDAN: Good morning.

7 BOARD CHAIRMAN FLYNN: Do you realize you're
8 under oath?

9 MS. JORDAN: Yes, sir.

10 BOARD CHAIRMAN FLYNN: Okay. I'll turn it over
11 to the investigator.

12 MR. MAXWELL: Investigator Maxwell. In 2013,
13 state of Nevada, the applicant was charged with larceny
14 from a person, to the amount of \$3,500. This was at
15 felony level. Disposition showed a minimum of 12
16 months, maximum of 32 months suspended sentence and 36
17 months probation. This was disclosed, and we do have
18 court docs.

19 Also in 2013, state of Nevada, resist a public
20 official, at misdemeanor level. Disposition showed
21 classes and a fine. And this was disclosed.

22 The applicant disclosed the arrests on the
23 application and was not made provisional. She was
24 denied 4-22 of 2020.

25 BOARD CHAIRMAN FLYNN: Okay. Ms. Jordan, tell

1 us what happened, please.

2 MS. JORDAN: Okay. So the resisting the
3 officer, that was actually the first charge I had ever
4 caught, 18 years old, was having a little domestic
5 dispute with a boyfriend of mine. It was my first time
6 ever, you know, being in trouble with the law. I was
7 18, kind of freaked out, and they arrested me.

8 I was supposed to stay out of the trouble.
9 Unfortunately, I didn't, and that's when I caught the
10 case for the larceny from the person. I was out in a
11 public place. I did come across some belongings that
12 were not mine. I did take them. And instead of turning
13 them in, which I should have, I took them. I was caught
14 with that possession, and I was arrested for it. And I
15 had to suffer the consequences for that, unfortunately.

16 I was placed on probation. And that was
17 revoked. Which that got me sent to Nevada Department of
18 Corrections. I went in with credit time served,
19 finished out my case, came home on a closed case, no
20 parole or anything. Which that was in 2015.

21 And since then, I have become a mother. Like I
22 said, I was 19 years old when I caught that case. I'm
23 now 26. I'm a mother of three kids, trying to do the
24 best that I can by my children and live my life without
25 any trouble. I haven't had any trouble since then, not

1 even a ticket. I've worked several jobs, holding those
2 down, and just trying to do right by my life and my
3 children.

4 BOARD CHAIRMAN FLYNN: Okay. Thank you.

5 Any questions from the Board?

6 BOARD MEMBER GRONAUER: This is Gronauer.

7 BOARD CHAIRMAN FLYNN: Go ahead.

8 BOARD MEMBER GRONAUER: To the applicant. You
9 said you found property. This says larceny from a
10 person. It's a little different than finding a property
11 just laying around somewhere. So why is it larceny from
12 a person?

13 MS. JORDAN: Because that was the charge ended
14 up being. That's what they dropped it down to.
15 Initially, it was robbery and conspiracy. Because when
16 I took the wallet, she had suspicion that it was me,
17 because she did see me go into the bathroom. When she
18 asked to check my property, I told her no, and I
19 proceeded to leave. So maybe that's why. But I didn't
20 physically take anything from anyone.

21 BOARD MEMBER GRONAUER: Okay. Originally, it
22 was robbery?

23 MS. JORDAN: That was the original charge.
24 When I first got arrested, they did charge me with
25 robbery and conspiracy. But it was dropped because I

1 didn't rob her, or, you know, I didn't conspiracy. I
2 took it out of a public restroom. And they told me that
3 by law, I'm supposed to try to return someone's property
4 instead of taking it.

5 BOARD MEMBER GRONAUER: Okay. And then you
6 said your probation was revoked. Why did that happen?

7 MS. JORDAN: Because I didn't check in with my
8 probation officer. I had missed the call. And they put
9 out a warrant for me. And when I went to court, they
10 revoked it, they didn't reinstate it.

11 BOARD MEMBER GRONAUER: And how much time did
12 you do?

13 MS. JORDAN: In Nevada Department of
14 Corrections?

15 BOARD MEMBER GRONAUER: Yes.

16 MS. JORDAN: About 10 months, 9 or 10 months.

17 BOARD MEMBER GRONAUER: Okay. Thank you.

18 MS. JORDAN: M-hm (affirmative).

19 BOARD CHAIRMAN FLYNN: All right. Any other
20 questions from the Board?

21 Okay. Hearing none, I'll entertain a motion.

22 Call for a motion a second time.

23 BOARD MEMBER NIXON: Sorry. This is Board
24 Member Nixon. Due to time and distance -- or, so you
25 got out -- or, Investigator, she got out in 2016?

1 MS. JORDAN: '15.

2 BOARD CHAIRMAN FLYNN: Mr. Maxwell?

3 MR. MAXWELL: Yes.

4 BOARD CHAIRMAN FLYNN: She asked you a
5 question.

6 MR. MAXWELL: Yes, sir. I'm just checking the
7 notes. If you just got me a second, sir.

8 BOARD CHAIRMAN FLYNN: Okay.

9 MR. MAXWELL: It looks like January of 2015.

10 BOARD MEMBER NIXON: Okay. So the original
11 incident happened in '13, and then she spent, or between
12 probation and time, it was done in 2015?

13 MR. MAXWELL: Yes, ma'am.

14 BOARD MEMBER NIXON: Thank you.

15 BOARD CHAIRMAN FLYNN: Okay. Still waiting on
16 a motion.

17 I don't have a motion. Mr. Detmer, does this
18 automatically mean that the appeal's denied?

19 MR. DETMER: Good morning, Chairman. Mike
20 Detmer, for the record. I've actually never had this
21 happen before.

22 BOARD MEMBER GRONAUER: Mr. Chairman?

23 BOARD CHAIRMAN FLYNN: Okay. Well, then, I
24 will make a motion, and we'll see what happens, just to
25 move it along.

1 BOARD MEMBER GRONAUER: Mr. Chairman?

2 BOARD CHAIRMAN FLYNN: Yeah?

3 BOARD MEMBER GRONAUER: This is Gronauer. I'll
4 make it easier for all of you. Okay? I'll make the
5 motion. Is that okay?

6 BOARD CHAIRMAN FLYNN: All right.

7 BOARD MEMBER GRONAUER: I'd like to make a
8 motion to deny the appeal.

9 BOARD CHAIRMAN FLYNN: Okay. I have a motion
10 to deny the appeal. Do I have a second?

11 BOARD MEMBER BROWN: Brown will second.

12 BOARD CHAIRMAN FLYNN: All right. I have a
13 motion. I have a second. Any discussion on the motion?

14 All right. Hearing none, I'll call for a vote.

15 All those in favor of the motion, state "aye."

16 (Board members said "aye.")

17 BOARD CHAIRMAN FLYNN: Any opposed, state
18 "nay."

19 Okay. Motion carries. Ms. Jordan, you can
20 reapply in a year. Thank you for your time.

21 MS. JORDAN: Thank you.

22 BOARD CHAIRMAN FLYNN: Okay. Number 119, Elmer
23 Moore. Mr. Moore, are you here?

24 MR. MOORE: Yes, I am.

25 BOARD CHAIRMAN FLYNN: Okay. Do you realize

1 you're under oath, sir?

2 MR. MOORE: Yes.

3 BOARD CHAIRMAN FLYNN: Okay. I'll turn this
4 over to the investigator.

5 MR. MAXWELL: Investigator Maxwell.

6 BOARD CHAIRMAN FLYNN: Go ahead.

7 MR. MAXWELL: In 2015, state of Nevada, the
8 applicant was charged with coercion nonsexual. This was
9 at the felony level. It was disclosed. And we do have
10 court documentation. The disposition showed a maximum
11 of 36 months, minimum of 12 months in the Nevada State
12 Prison, which was suspended, 36 months probation and a
13 hundred hours community service. The applicant
14 disclosed the arrest and was not made provisional. The
15 arrest happened after the issue of the applicant's first
16 work card, which expired in 3-27 of this year. The
17 arrest was confirmed with the fingerprint report and
18 court documents. He was denied 3-23-2020.

19 BOARD CHAIRMAN FLYNN: Okay. Thank you.

20 Mr. Moore, tell us about the coercion charge.

21 MR. MOORE: 2015, I moved out here, started
22 working. My mother-in-law was homeless in California.
23 So I moved her out here with me. They had a little, a
24 little daughter. And I kept telling them not to have
25 her wear a T-shirt and her panties around the house.

1 And we got into it. And I kicked them out. And then
2 about five hours later, the police was at my house,
3 arrested me for touching her. Which I didn't.

4 And I was in jail. Losing my house, my kids
5 was going to go homeless. So I took a plea deal to get
6 out to make sure my kids wasn't homeless. So I had to
7 choose my life over theirs. So I messed up my life to
8 make sure they had a good life. And I'm not looking
9 back from it, just keep moving forward.

10 BOARD CHAIRMAN FLYNN: And you did time for
11 this?

12 MR. MOORE: I stayed in jail for two months.
13 And I got out, did my hundred hours of probation, I mean
14 my hundred hours of community service. I did probation
15 for two years, but I got out early on probation for good
16 behavior for a year. And I just haven't looked back
17 since. And I just, I learned how to just do my life and
18 just don't try to help nobody.

19 BOARD CHAIRMAN FLYNN: Okay. So you were a
20 security officer before all this happened. What are you
21 doing now for employment?

22 MR. MOORE: I'm doing scheduling for a temp
23 agent right now. And so I'm trying to get my guard card
24 back, because my old previous company, so they're
25 holding my position until I get my guard card back. And

1 so I can't do nothing until I get this. And I'm not
2 trying to mess up nothing. So I'm doing the proper
3 steps.

4 BOARD CHAIRMAN FLYNN: All right. Thank you.
5 Any other questions from the Board?

6 BOARD MEMBER GRONAUER: This is Gronauer.

7 BOARD CHAIRMAN FLYNN: Yeah.

8 BOARD MEMBER GRONAUER: Okay. Where's the
9 coercion? I'm just, I'm lost. I'm lost with --

10 MR. MOORE: That was the plea, that was the
11 plea deal.

12 BOARD MEMBER GRONAUER: It's okay. What --

13 MR. MOORE: Go ahead.

14 BOARD MEMBER GRONAUER: What was the original
15 charge?

16 MR. MOORE: Pled to the minor under 16. And
17 whatever that is, I never went to jail. But I know I
18 didn't touch nobody. So I just took a plea deal to get
19 out so my kids won't be homeless, because I was losing
20 my place. So they hit me with the nonconsensual
21 coercion.

22 BOARD MEMBER GRONAUER: All right.

23 MR. MOORE: I did probation. If I messed up,
24 I'd get three to five years in jail.

25 BOARD MEMBER GRONAUER: All right. Thank you.

1 For the investigator, Mr. Maxwell.

2 MR. MAXWELL: Yes, sir.

3 BOARD MEMBER GRONAUER: All right. In your
4 notes, when I made my notes, I said maybe you can
5 explain some of this.

6 MR. MAXWELL: M-hm (affirmative).

7 BOARD MEMBER GRONAUER: Anything that you can
8 tell me about this?

9 MR. MAXWELL: Okay, sir. So the charge, the
10 first charge was lewdness by a person over 18 with a
11 child less than 14. But the courts, the court's final
12 charge was coercion with force or threat of force.

13 BOARD MEMBER GRONAUER: Okay. Thank you. I
14 just needed that explained. I appreciate it. Thank
15 you.

16 MR. MAXWELL: You're welcome.

17 BOARD MEMBER GRONAUER: No more questions, sir.

18 BOARD CHAIRMAN FLYNN: Okay. Any other
19 questions from the Board?

20 BOARD MEMBER NIXON: So for the investigator, I
21 just want to make sure I understand the notes. He had a
22 guard card before. This probably happened during the
23 time that he had an active guard card. When he went to
24 renew, that's when we found out about it, and he was
25 denied at that time?

1 MR. MAXWELL: Yes, ma'am, that is correct.
2 When he came to renew his guard card, he disclosed it on
3 the application, and that's when we denied it.

4 BOARD MEMBER NIXON: Oh, so he did disclose.
5 Okay. All right. Thank you.

6 BOARD CHAIRMAN FLYNN: All right. Any other
7 questions?

8 All right. I'm seeking a motion.

9 BOARD MEMBER GRONAUER: This is Gronauer.

10 BOARD CHAIRMAN FLYNN: Go ahead.

11 BOARD MEMBER GRONAUER: I'm going to -- time
12 and distance on this one. And it's a complicated
13 really, for where it started. I have to make a motion
14 to deny the appeal.

15 BOARD CHAIRMAN FLYNN: Okay. I have a motion
16 to deny. Do I have a second?

17 BOARD MEMBER BROWN: Brown will second.

18 BOARD CHAIRMAN FLYNN: All right. I have a
19 motion. I have a second. Any further discussion?

20 Okay. All in favor of the motion, state "aye."

21 (Board members said "aye.")

22 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
23 Mr. Moore, you can reapply in a year, sir. You have a
24 good day. Thank you for your time.

25 MR. MOORE: Thank you.

1 BOARD CHAIRMAN FLYNN: Okay. Number 120,
2 Anthony Rocco? Number 120, Anthony Rocco?

3 All right. I'm going to go back to the other
4 ones that we're trailing, so we can close out this part
5 of the agenda and move on.

6 Number 110, Geron Funches, are you here?

7 MR. ROBERTS: Excuse me. I'm sorry to
8 interrupt. My name is Tijuan. Did you call Tijuan
9 Robertson yet?

10 BOARD CHAIRMAN FLYNN: What number are you,
11 sir?

12 MR. ROBERTSON: 65880.

13 MR. INGRAM: His item, agenda item 126 has not
14 been called yet.

15 BOARD CHAIRMAN FLYNN: Oh, you'll be in the
16 next hour, sir. You'll be in the next hour.

17 MR. ROBERTSON: The next hour?

18 BOARD CHAIRMAN FLYNN: Yep.

19 MR. ROBERTSON: Okay. Thank you.

20 BOARD CHAIRMAN FLYNN: Okay. All right.

21 Calling Geron Funches last time.

22 All right. I will entertain a motion.

23 BOARD MEMBER GRONAUER: Gronauer. I'll make a
24 motion. I'm sorry if I stepped on somebody.

25 BOARD MEMBER NIXON: Go ahead.

1 BOARD CHAIRMAN FLYNN: Go ahead, Bobby.

2 BOARD MEMBER GRONAUER: Okay. I make a motion
3 to deny the appeal for Geron Funches.

4 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
5 Do I have a second?

6 BOARD MEMBER NIXON: I second.

7 BOARD CHAIRMAN FLYNN: Okay. Any discussion?
8 Hearing none, I'll call for a vote. All those
9 in favor of the motion, say "aye."

10 (Board members said "aye.")

11 MS. HAWKINS: Hello. May I interject, please?

12 BOARD CHAIRMAN FLYNN: What?

13 MS. HAWKINS: I said may I interject? My name
14 is Chyna Hawkins. If I'm not mistaken, I have a meeting
15 with you all. Good morning, by the way.

16 BOARD CHAIRMAN FLYNN: Ma'am, you're --

17 MS. HAWKINS: My number is --

18 BOARD CHAIRMAN FLYNN: Ma'am? Ma'am?

19 MS. HAWKINS: Yes?

20 BOARD CHAIRMAN FLYNN: You're interrupting a
21 proceeding. Wait till we're done. And then we will
22 take your question. Okay. You're in the middle of a
23 hearing.

24 MS. HAWKINS: Okay. Thank you.

25 BOARD CHAIRMAN FLYNN: All right. Place your

1 phone on mute, please. Thank you.

2 All right. Number 114, Kevin Martinez.

3 Mr. Martinez, are you here? Call second time,

4 Mr. Martinez?

5 Okay. I'll entertain a motion.

6 BOARD MEMBER NIXON: I move that we --

7 BOARD MEMBER BROWN: This is Brown.

8 BOARD CHAIRMAN FLYNN: Go ahead, Tammy.

9 BOARD MEMBER NIXON: This is Nixon. I move
10 that we uphold the denial of Mr. Kevin Martinez.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
12 Do I have a second?

13 BOARD MEMBER BROWN: Brown will second.

14 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
15 I have a second. Any discussion?

16 Okay. Hearing none, I'll call for a vote. All
17 those in favor of the motion, state "aye."

18 (Board members said "aye.")

19 BOARD CHAIRMAN FLYNN: Okay. Motion carried.

20 Number 116, William Landreth, are you here?

21 MR. LANDRETH: Yes, I'm right here.

22 BOARD CHAIRMAN FLYNN: Okay. Mr. Landreth, do
23 you realize you're under oath?

24 MR. LANDRETH: Yes, I do.

25 BOARD CHAIRMAN FLYNN: Okay. I'll turn this

1 over to the investigator.

2 MR. SALADINO: Investigator Saladino. The
3 applicant was denied for a felony assault with a deadly
4 weapon not a firearm, out of California, in 2012. This
5 was a felony. The court documents show he was convicted
6 and placed on three years formal probation. The
7 applicant stated on his application this was as a weapon
8 charge and said that he got some of his things stolen.
9 The court documents show it was a felony conviction, and
10 he received three years probation and 24 actual days in
11 jail.

12 In 2007, out of California, there was a
13 conviction for carry concealed dirk or dagger. This
14 charge in California in a wobbler, meaning depending on
15 the disposition of it, it can be charged as a felony for
16 a misdemeanor. He did receive three years probation,
17 which was terminated, and the applicant received a year
18 jail time.

19 In 1984, out of California, there was a mail
20 fraud, slash, wire fraud, which was charged as a
21 misdemeanor, where he received three years probation and
22 a \$5,000 fine. The applicant did list it and wrote it
23 down as wire fraud and stated he paid \$87 in
24 restitution. The fingerprint report shows three years
25 probation, which ended up being extended two more. It

1 doesn't state why it was extended.

2 BOARD CHAIRMAN FLYNN: Okay. Thank you.

3 All right. Mr. Landreth, do you want to
4 explain your arrests, please?

5 MR. LANDRETH: Yes. Well, at first, the first
6 one was computer, being into computers in 1984. And the
7 FBI had raided a whole bunch of people around the
8 country, including me. And I don't know. I don't
9 really think -- I wanted to defend myself. And my
10 father said, no, that wouldn't really be acceptable.
11 And so I ended up taking a plea on one of the three
12 charges. Because they had three charges. And one of
13 the three, which I just pled guilty to whatever one they
14 wanted to. And it was an \$87 charge. That's what they
15 charged me in restitution for it. And that was in '84,
16 or '85 actually. It was '84. It was actually October
17 '83 when that, yeah, was at my house. But it was about
18 nine months later when I actually went to court on it.

19 Okay. And the other ones, and both of them,
20 basically, are false arrest charges. I mean I was in my
21 own place in Los Angeles when I had a place at the
22 Ballington Plaza. And there was like some noise
23 complaints or something. And these people were just
24 banging on my door, and I would open the door. And then
25 one time when I opened the door, I walked out and there

1 were police pointing guns at me.

2 And they ended up arresting me and, also,
3 physically abusing me and accusing me of, at first, to
4 me anyway, in my room, they were saying they were going
5 to find drugs in my room and they were going to hang me
6 on drugs. But I wasn't really doing any drugs at all.
7 And, but they did find a carving knife. You know, I had
8 other knives in my room. But I got the carving knife
9 from a food processor I had brought. It came with the
10 food processor that I had bought. And it was just
11 basically a really -- I mean the cops that arrested me
12 were all on speed, and they were really like violent and
13 angry at something.

14 And, well, I ended up being homeless. And when
15 I was homeless, I was going up to Seattle. And I ended
16 up going out to Hawaii. And then I came back from
17 Hawaii. And I was in Santa Barbara for this last charge
18 here.

19 This guy, John Tomlin, I think, he said his
20 name was, was like, had stolen my blankets and all my
21 stuff like 11 days previously. And I come up to my
22 place, just coming up to Halloween, I remember, because
23 I was at this Halloween party at the Alano Club. And I
24 was coming up to my stuff right there on East Beach near
25 the Carillo, back out there. And they were going

1 through my stuff. They like had it all spread out, and
2 they were all looking through it and picking out what
3 they wanted and stuff. And I got really mad and said,
4 "Who the hell is taking my stuff again?" And they
5 jumped me. And I got away from it, called 9-1-1,
6 flagged down the police. And then I was the only one
7 who was arrested. And they accused me of --

8 BOARD CHAIRMAN FLYNN: Okay. Mr. Landreth,
9 what are you doing for employment these days?

10 MR. LANDRETH: Oh, I'm working with
11 Contemporary Services Corporation here in Los Angeles.
12 And they're the ones who wanted me to get the PILB card
13 for when they occasionally have a job coming down in
14 Las Vegas.

15 BOARD CHAIRMAN FLYNN: All right. So they want
16 you to be a private investigator?

17 MR. LANDRETH: No, no, not a private
18 investigator, just a security guard, unarmed security
19 guard.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 Any other questions from the Board?

22 Okay. I'll call for a motion.

23 I'll call for a motion a second time.

24 BOARD MEMBER GRONAUER: Okay. This is
25 Gronauer.

1 BOARD CHAIRMAN FLYNN: Go ahead.

2 BOARD MEMBER GRONAUER: I make a motion that we
3 deny the appeal.

4 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
5 Do I have a second?

6 BOARD MEMBER BROWN: Brown will second.

7 BOARD CHAIRMAN FLYNN: Okay. We have a motion.
8 We have a second. Okay. Any further discussion?

9 All right. Hearing none, I'll call for a vote.
10 All those in favor of the motion, state "aye."

11 (Board members said "aye.")

12 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
13 Mr. Landreth, you can reapply in a year. Good luck to
14 you, sir. Have a good day.

15 MR. LANDRETH: Okay. Thank you.

16 BOARD CHAIRMAN FLYNN: Okay. The last one
17 trailing, Anthony Rocco? Anthony Rocco?

18 Okay. I'll call for a motion.

19 BOARD MEMBER BROWN: This is Brown. I move to
20 uphold the denial.

21 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
22 Do I have a second?

23 BOARD MEMBER NIXON: I second.

24 BOARD CHAIRMAN FLYNN: Okay. A motion and
25 second. Any further discussion?

1 All right. Hearing none, I'll call for a vote.

2 All those in favor of the motion, state "aye."

3 (Board members said "aye.")

4 BOARD CHAIRMAN FLYNN: Okay. Motion carried.

5 All right. Mr. Ingram.

6 BOARD MEMBER NIXON: Chairman?

7 BOARD CHAIRMAN FLYNN: Just for future
8 reference.

9 MR. INGRAM: Yes, sir.

10 BOARD CHAIRMAN FLYNN: It took us 75 minutes to
11 hear 12 cases. And you know I cut off extended
12 testimony, a couple of them, and some trailed. So use
13 that for future reference putting agendas together.

14 MR. INGRAM: Absolutely.

15 BOARD CHAIRMAN FLYNN: Because there's no way,
16 I think, we're going to get through all these today.
17 There's just way too many. And we have to let them
18 speak.

19 MR. INGRAM: Yes, sir.

20 BOARD CHAIRMAN FLYNN: As well as discussion
21 from the Board.

22 All right. If no one has any issues, I'm going
23 to call for a five-minute bio break. And we'll come
24 back on at 10:30. I'm going to go to mute.

25 BOARD MEMBER NIXON: Thank you.

1 MR. INGRAM: Everyone, please stand by. The
2 Board is on a short five-minute break, and they will
3 resume shortly.

4 * * * * *

5 (A break was taken, 10:24 to 10:30 a.m.)

6 * * * * *

7 MR. INGRAM: So we will be starting with item
8 number 121. These are the individuals that were told to
9 call in at 9:00 a.m. this morning. So at this time, we
10 will have items number 121 through 141 on the call. So
11 we'll have two different hours that are currently coming
12 up. Would you like me to go ahead and take roll call,
13 sir?

14 BOARD CHAIRMAN FLYNN: Yeah.

15 MR. INGRAM: Okay. So we have Chairman Flynn.
16 Board Member Brown?

17 BOARD MEMBER BROWN: Here.

18 MR. INGRAM: Board Member Gronauer?

19 BOARD MEMBER GRONAUER: Here.

20 MR. INGRAM: Board Member Nixon?

21 BOARD MEMBER NIXON: Here.

22 MR. INGRAM: Legal, Michael Detmer?

23 MR. DETMER: Present.

24 MR. INGRAM: And Shannon Taylor?

25 THE REPORTER: Present.

1 MR. INGRAM: Okay. We're good to go, sir.

2 BOARD CHAIRMAN FLYNN: All right. Do we need
3 to swear anybody in, or?

4 MR. INGRAM: I think, we should probably swear
5 everybody in at this time.

6 BOARD CHAIRMAN FLYNN: Okay. Mr. Detmer, it's
7 all yours.

8 MR. DETMER: It would be my pleasure.

9 For those who are about to testify, do you
10 hereby swear or affirm to tell the truth, the whole
11 truth, and nothing but the truth?

12 (Applicants and witnesses present were
13 sworn/affirmed.)

14 BOARD CHAIRMAN FLYNN: Okay. All right. Do
15 you want to update us on number 115, Mr. Ingram?

16 MR. INGRAM: Sure, I'd be happy to. After
17 investigation, we have uncovered that this individual
18 who testified, the company Secure Source is not licensed
19 in Nevada. We contacted the company and have confirmed
20 that they are providing services in Nevada. And we are
21 following up with a complete investigation and will be
22 moving forward with that here in the next day or so.

23 BOARD CHAIRMAN FLYNN: Okay. So do we want
24 to -- what's the best way to proceed with Mr. Williams?
25 Do we want to put him on hold, or do we want to hear him

1 at 1:00 o'clock?

2 MR. INGRAM: That's entirely up to the Board.
3 Mr. Williams, being employed by an unlicensed company,
4 you know, if the Board perceives his employment as him
5 being misled and being able to work for the company
6 legitimately in Nevada, the Board could find in that
7 favor. The Board could also find that, you know, he is
8 part of an an unlicensed activity operation in Nevada
9 and could potentially deny his appeal for that as well.

10 BOARD CHAIRMAN FLYNN: All right. For the sake
11 of discussion, I'll just throw it out to the Board. I
12 have no issue hearing from him on the status of his
13 card. The fact that the company's unlicensed, and
14 especially at his level of employment, I think, that
15 would be out of his decision-making. So I have no issue
16 hearing him at 1:00 o'clock. Because I felt he had time
17 and distance. But, you know, I'm only one person of
18 four.

19 BOARD MEMBER NIXON: This is Board Member
20 Nixon.

21 BOARD MEMBER GRONAUER: Gronauer. Go ahead.

22 BOARD CHAIRMAN FLYNN: Go ahead, Tammy.

23 BOARD MEMBER NIXON: I agree with you.

24 BOARD CHAIRMAN FLYNN: Okay. Bobby, you wanted
25 to weigh in?

1 BOARD MEMBER GRONAUER: Yeah, I'm on the same
2 page. I have no problem when it's not his fault. He's
3 just got a job and he's happy.

4 BOARD CHAIRMAN FLYNN: Okay. All right. Then,
5 we'll hear him when he calls in at 1:00. And if by
6 chance he calls in a little earlier, Kevin, we'll make
7 sure to put him on.

8 MR. INGRAM: Sounds good. Thank you, sir.

9 BOARD CHAIRMAN FLYNN: All right. Without any
10 further -- without any further to-do, number 121, Brent
11 Wheeler, are you here, sir?

12 MR. WHEELER: Yes, sir, here.

13 BOARD CHAIRMAN FLYNN: Okay. Do you realize
14 you're under oath?

15 MR. WHEELER: Yes, sir.

16 BOARD CHAIRMAN FLYNN: All right. I'll turn to
17 it over to the investigator.

18 MR. INGRAM: Mr. Saladino.

19 BOARD CHAIRMAN FLYNN: Is he in the office with
20 you?

21 MR. INGRAM: Each one of us are in our own
22 office, sir. Let me see if his phone is not connecting.

23 MR. SALADINO: I'm here. I had a headset
24 issue. Sorry about that.

25 MR. INGRAM: Okay. Thanks.

1 BOARD CHAIRMAN FLYNN: Okay. Go ahead, Vinny.
2 It's all yours.

3 MR. SALADINO: Okay. We're on Mr. Wheeler,
4 correct?

5 BOARD CHAIRMAN FLYNN: Yes, number 121.

6 MR. SALADINO: All right. Mr. Wheeler was
7 denied for a 2009 felony battery with serious bodily
8 injury. The applicant was convicted, with three years
9 probation, two years suspended prison sentence, and a
10 fine. The applicant disclosed the arrest and was
11 sentenced to two years in prison, but it was suspended.
12 He was placed on three years probation with conditions
13 that he serve 90 days in jail, pay restitution and
14 complete anger management classes.

15 On March 9th of 2012, the applicant -- the
16 applicant committed to pay restitution in the amount of
17 \$130 per month. The total restitution amount was
18 \$84,681.48. This is what caused the applicant's
19 probation to be extended to 12-2 of 2014.

20 The applicant did complete all of his terms for
21 probation. He subsequently was denied for his
22 California repo license or work card. However, he
23 appealed that and was granted, after serving three years
24 of probation for the Bureau of Security Investigation
25 Services. They concluded on July 16th of 2019. He did

1 disclose the arrest and provided court documents, along
2 with his BSI appeal and the information from the hearing
3 where he was granted his work card for repossession in
4 California.

5 BOARD CHAIRMAN FLYNN: Okay. all right.
6 Mr. Wheeler, I'm aware that this occurred in '09. And
7 I'm also aware that you disclosed, which I appreciate.
8 Tell us the circumstances behind the battery with
9 serious harm.

10 MR. WHEELER: Yes, sir. Well, it actually
11 happened in 2005. We went to -- I was in court for four
12 to five years, you know, fighting it. So it happened on
13 December 23rd. A couple and a girlfriend of mine had
14 gone out for dinner and drinks. And when we were
15 leaving the bar, my friend's wife had gone up to the bar
16 to pay the bill, and we were kind of standing bank at
17 the door. And she encountered another customer at the
18 bar who was intoxicated and putting his hands on her and
19 whispering in her ear and stuff. So I noticed that
20 standing from the door. So I approached and kind of
21 just put my back to him and kind of went in between just
22 to let him know that, you know, she was there with
23 somebody. So he proceeded to grab my shoulder and turn
24 me around and face him and said, you know, "What the F
25 are you doing?" And I said, "Well, this is my friend,

1 and we're paying our bill, and we're leaving," and I
2 turned back around. And he grabbed me again and spun me
3 around, said, "No, that ain't right, man. What are you
4 doing? Do you want to fight?" or whatever, whatever his
5 accusation was, and said, "No, no." I turned around,
6 and he grabbed me one more time a little more
7 aggressively and said, "No, I'm going to F you up." And
8 at that point, I struck him three times.

9 BOARD CHAIRMAN FLYNN: Okay. And did he go to
10 the hospital?

11 MR. WHEELER: Yes, he did.

12 BOARD CHAIRMAN FLYNN: All right. Was he in a
13 coma?

14 MR. WHEELER: No, sir. No.

15 BOARD CHAIRMAN FLYNN: What was the serious
16 injury?

17 MR. WHEELER: A broken nose.

18 BOARD CHAIRMAN FLYNN: Okay. All right. Any
19 other trouble with the police since then?

20 MR. WHEELER: No, sir, not since, not never,
21 never again, never before.

22 BOARD CHAIRMAN FLYNN: Okay. And what do you
23 do for employment?

24 MR. WHEELER: Currently, while I'm waiting for
25 this appeal, I'm working for a swimming pool

1 construction company. And then I would like to do my
2 repossessions again.

3 BOARD CHAIRMAN FLYNN: Okay. All right. Any
4 other questions from the Board?

5 BOARD MEMBER GRONAUER: Question for the
6 investigator. Gronauer.

7 MR. SALADINO: Yes, sir.

8 BOARD MEMBER GRONAUER: Mr. Saladino, on the
9 payback here, this seems to be a lot of money, \$84,000.
10 Has that been taken care of?

11 MR. SALADINO: Yes, that has all been paid
12 back.

13 BOARD MEMBER GRONAUER: Okay. And we have
14 paperwork on the management anger classes?

15 MR. SALADINO: Correct, the court document show
16 that all the terms for the probation have been met.

17 BOARD MEMBER GRONAUER: Okay. Thank you. I
18 appreciate it.

19 BOARD CHAIRMAN FLYNN: Okay. Any other
20 questions from the Board?

21 All right. Hearing none, I'll seek a motion.

22 BOARD MEMBER BROWN: This is Brown. I move
23 that we grant the appeal for Mr. Wheeler.

24 BOARD CHAIRMAN FLYNN: Okay. Thank you.

25 Do I have a second?

1 BOARD MEMBER NIXON: This is Nixon. I second.

2 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
3 I have a second. Any further discussion?

4 Okay. Hearing none, call for a vote. All
5 those in favor, state "aye."

6 (Board members said "aye.")

7 BOARD CHAIRMAN FLYNN: Okay. The motion
8 carried. Congratulations, Mr. Wheeler. You have a good
9 day.

10 MR. WHEELER: Thank you very much. You guys,
11 too. Thank you.

12 BOARD CHAIRMAN FLYNN: Okay. Number 122, Chyna
13 Hawkins, are you here, ma'am?

14 MS. HAWKINS: Hi. Good morning.

15 BOARD CHAIRMAN FLYNN: All right. Good
16 morning. Do you realize you're under oath?

17 MS. HAWKINS: Yes.

18 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
19 it over to the investigator.

20 MR. SALADINO: The applicant was -- this is
21 Investigator Saladino. The applicant was denied for a
22 2014 attempted robbery, out of California, which was a
23 felony level. She was found guilty, three years of
24 probation. And this was dismissed under 1203.4. The
25 applicant did disclose and provided the California

1 dismissal paperwork showing that the felony conviction
2 was dismissed under 1203.4.

3 BOARD CHAIRMAN FLYNN: Okay. All right.
4 Ms. Hawkins, I appreciate your honesty in disclosing.
5 Please tell us about what happened with this robbery.

6 MS. HAWKINS: So, you know, I really do have a
7 problem with the fact that they put robbery. The reason
8 why I have a problem with that is because the gentleman
9 that assaulted me only called the Los Angeles police
10 department because he knew that he was wrong. So I was
11 incriminated because of his false portrayals.

12 So the issue that I have with this gentleman is
13 that, you know, me, being in a store, I was with, you
14 know, other people, and, you know, I saw him physically
15 assaulting a woman. And because, you know, this woman,
16 you know, she was African American. I know these are
17 like, oh, don't make it about race. But I understand,
18 as a young woman, at the age and at the time, that I
19 have been a victim to, you know, racism and
20 discrimination. So what I do not like, because I have
21 been a victim to domestic violence, is men putting their
22 hands on women. I am totally against that.

23 So with me trying to stop the man, I'm like,
24 "Hey, excuse me." Like, you know, and what he did
25 instantly was swing at me.

1 So it ended up in the altercation. And instead
2 of me calling the authorities, it's something that he
3 took upon himself. So with him calling --

4 BOARD CHAIRMAN FLYNN: Ms. Hawkins?
5 Ms. Hawkins?

6 MS. HAWKINS: Okay.

7 BOARD CHAIRMAN FLYNN: Was the person here, was
8 that person the store owner or store employee?

9 MS. HAWKINS: Actually, he was like a secret
10 shopper. And that's why I'm like, "Well, I didn't take
11 anything. So how are you guys disclosing that, you
12 know, this is a robbery?" I could see if I walked into
13 the store with a gun and say, "Hey, give me everything
14 in the register." That's something that did not happen.
15 So that's why I say it was fault on his behalf.

16 BOARD CHAIRMAN FLYNN: The person that he was
17 arguing with, was that person involved in the
18 shoplifting incident?

19 MS. HAWKINS: No, I wasn't with the person. I
20 saw him antagonizing the person.

21 BOARD CHAIRMAN FLYNN: I didn't ask that. I
22 said, do you know what the circumstances were between
23 him and the woman, before you got involved?

24 MS. HAWKINS: No, just the fact that --

25 BOARD CHAIRMAN FLYNN: Okay. Thank you. You

1 answered.

2 MS. HAWKINS: -- I saw him putting his hands on
3 the woman.

4 BOARD CHAIRMAN FLYNN: All right. Thank you.
5 What are you doing now for employment?

6 MS. HAWKINS: Oh, I thought I was able to
7 explain all these things. Okay. Well, right now, since
8 Covid --

9 BOARD CHAIRMAN FLYNN: Well, I have --

10 MS. HAWKINS: No, no, I completely understand.
11 Nobody wants to hear about race. Everybody wants to
12 ignore it. Nobody wants to hear about discrimination.

13 BOARD CHAIRMAN FLYNN: I did not --

14 MS. HAWKINS: I'm just speaking on my behalf
15 because I know I was a victim to this. And the only
16 reason why that I was even convicted was because I had a
17 public defender that did not speak on my behalf. And
18 because I had no type of help on my family's behalf, I
19 was a former foster youth, so I had no additional help.
20 I had no one that I could reach out to.

21 BOARD CHAIRMAN FLYNN: Ms. Hawkins.

22 MS. HAWKINS: I'm listening.

23 BOARD CHAIRMAN FLYNN: Ms. Hawkins.

24 MS. HAWKINS: Yes.

25 BOARD CHAIRMAN FLYNN: I asked you a question.

1 You answered it. And I thanked you.

2 MS. HAWKINS: Oh, okay.

3 BOARD CHAIRMAN FLYNN: I wanted to know what, I
4 wanted to know what you're doing for employment now, so
5 we understand your background before we make a decision.

6 MS. HAWKINS: Okay. Sorry. I get excited.

7 BOARD CHAIRMAN FLYNN: You answered that. I
8 let you expand on why you thought it happened. I asked
9 some follow-up questions. You answered them. I made no
10 statements whatsoever. Okay. You're the one that's
11 brought up racism. We've never mentioned that here at
12 all. So I'm asking you a question --

13 MS. HAWKINS: No, that's fine.

14 BOARD CHAIRMAN FLYNN: -- for background, is
15 what are you doing now for employment, so I can
16 understand the type of person that's before us now.

17 MS. HAWKINS: Okay. Well, with COVID-19, I
18 really don't have resources as to working right now.
19 But what I did is I reached out to several different
20 type of employment agencies. And I reached out to
21 different type of jobs that I feel like I wouldn't mind
22 doing. Security just happens to come up. Because I see
23 that, you know, with like M.D. or like anything that
24 pops up on these job seeker websites, that a lot of
25 them, you know, include security. So I was like, well,

1 you know what, I never really thought about it, but, you
2 know, I don't mind doing something like that.

3 BOARD CHAIRMAN FLYNN: Okay. But before Covid
4 happened, what did you do for employment?

5 MS. HAWKINS: I worked various. Rowe. I
6 worked at MGM. And I had, you know, done customer
7 service. I had done fast food. I did a number of
8 things.

9 BOARD CHAIRMAN FLYNN: Okay.

10 MS. HAWKINS: I'm really like a go-getter. So
11 it doesn't really bother me.

12 BOARD CHAIRMAN FLYNN: All right.

13 MS. HAWKINS: As long as I can provide for my
14 family.

15 BOARD CHAIRMAN FLYNN: All right. Thank you.
16 Let me see if any other members of the Board have
17 questions.

18 Any questions from the Board?

19 BOARD MEMBER GRONAUER: Mr. Chairman, I
20 think --

21 BOARD CHAIRMAN FLYNN: Hearing none, I'll call
22 for a motion.

23 BOARD MEMBER GRONAUER: Mr. Chairman, this is
24 Gronauer. I'd like to make a statement first.

25 BOARD CHAIRMAN FLYNN: Yeah. Yeah, sure.

1 BOARD MEMBER GRONAUER: Everybody on, everyone
2 on the line knows, we don't see anybody, we don't have
3 any pictures of anybody on these here, or anything else.
4 We don't know what your race or anything else is. And,
5 actually, we don't really care. What it's about is what
6 we're talking about, is trying to get you back to work
7 and get you a card. That's for everybody to understand
8 that. So I don't know who's who or what's what on
9 there. And I don't think any other Board members know,
10 either. I just wanted to make it clear to everybody on
11 the phone that --

12 MS. HAWKINS: Thank you.

13 BOARD MEMBER GRONAUER: -- we don't have
14 pictures of them. What we have right now is just what's
15 in front of us, is their history, and they're working on
16 their denial.

17 MS. HAWKINS: Thank you.

18 BOARD MEMBER GRONAUER: Okay. With that --

19 BOARD MEMBER NIXON: Board Member Gronauer,
20 thank you for that. Than you for saying that, because I
21 agree. But I do have a quick question.

22 BOARD CHAIRMAN FLYNN: Okay. Go ahead.

23 BOARD MEMBER NIXON: For the investigator. So
24 it says found guilty, three years probation, dismissed.
25 When did everything end, when was everything completed,

1 was it 2017?

2 BOARD CHAIRMAN FLYNN: And that question is for
3 the investigator.

4 BOARD MEMBER NIXON: Yes.

5 MR. SALADINO: I'm just, my computer's firing
6 up here for this. The 1203.4 dismissal was filed and
7 signed off on December 16th of '19. However, the court
8 proceedings were completed in September 25th of 2017.
9 So she was done with probation September 25th of 2017.
10 And then, two years later, she was able to get the
11 1203.4 expungement.

12 BOARD MEMBER NIXON: Gotcha. Okay. Thank you.

13 BOARD CHAIRMAN FLYNN: All right. Any other
14 questions?

15 All right. I'll entertain a motion.

16 BOARD MEMBER GRONAUER: Gronauer. I'll make a
17 motion.

18 BOARD CHAIRMAN FLYNN: Go ahead.

19 BOARD MEMBER GRONAUER: I make a motion that we
20 grant the appeal for Ms. Chyna Hawkins.

21 BOARD CHAIRMAN FLYNN: Okay. Thank you.

22 I have a motion. Do I have a second?

23 BOARD MEMBER NIXON: I second. This is Board
24 Member Nixon.

25 BOARD CHAIRMAN FLYNN: Okay. I have a motion.

1 I have a second. Any further discussion?

2 Hearing none, I'll call for a vote. All those
3 in favor, state "aye."

4 (Board members said "aye.")

5 BOARD CHAIRMAN FLYNN: Okay. Motion carried.

6 Ms. Hawkins, congratulations. You have a good day.

7 MS. HAWKINS: Oh, God bless you. Thank you.

8 UNIDENTIFIED MAN: Excuse me.

9 BOARD CHAIRMAN FLYNN: Okay. Number 123, Larry
10 Benford, are you here?

11 UNIDENTIFIED MAN: Excuse me.

12 BOARD CHAIRMAN FLYNN: Larry Benford?

13 UNIDENTIFIED MAN: No. I've been here since
14 9:00 o'clock.

15 BOARD CHAIRMAN FLYNN: Yeah, so have I, sir.

16 Larry Benford, are you here?

17 Okay. We're going to trail that one.

18 MR. SALADINO: Mr. Chair, Investigator
19 Saladino. Mr. Benford was notified via telephone, mail
20 certified, and email, and we had no response that he was
21 going to attend.

22 BOARD CHAIRMAN FLYNN: Okay. I'm still going
23 to trail it, as I've done with others. But thank you
24 for letting us know that.

25 All right. Number 124, Tarza Tell?

1 MR. TELL: Yes, I'm here.

2 BOARD CHAIRMAN FLYNN: All right. Do you
3 realize you're under oath, sir?

4 MR. TELL: Yes.

5 BOARD CHAIRMAN FLYNN: Okay. I'll turn it over
6 to the investigator.

7 MR. JONES: Investigator Jones. The applicant
8 was arrested in October of 2008, out of the state of
9 California, for first-degree burglary. This was a
10 felony. He served 180 days in jail, five years
11 probation. This was disclosed.

12 BOARD CHAIRMAN FLYNN: Okay. Mr. Tell, tell us
13 about the burglary. And I am aware that it was 12 years
14 ago.

15 MR. TELL: Yes. This happened when I was 17.
16 I just had my first kid. It was a boy. Then I was
17 around my high school friends. They weren't the right
18 crowd. So then they caught me six months later at an
19 apartment with my kid. Then I went to jail. And now I
20 have five kids. I have four boys and one girl. And I'm
21 just trying to work and feed my family.

22 BOARD CHAIRMAN FLYNN: Okay. What was the
23 burglary, what did you burglarize?

24 MR. TELL: It was a residential house.

25 BOARD CHAIRMAN FLYNN: Okay. And what are you

1 doing for employment these days?

2 MR. TELL: I never actually had a job. I've
3 been on -- because I never had help as far as
4 parent-wise. So I've been on SSI like my whole life.

5 BOARD CHAIRMAN FLYNN: All right. So you
6 haven't had a job your whole life?

7 MR. TELL: Yes.

8 BOARD CHAIRMAN FLYNN: Okay. All right. Any
9 other questions from the Board?

10 MR. TELL: No.

11 BOARD CHAIRMAN FLYNN: No, no, I'm asking the
12 Board. Thank you, sir. Let's see if they got questions
13 for you.

14 Any questions from the Board?

15 BOARD MEMBER GRONAUER: This is Gronauer.

16 BOARD CHAIRMAN FLYNN: Yeah, go ahead.

17 BOARD MEMBER GRONAUER: To the applicant, are
18 you living in Nevada now?

19 MR. TELL: Yes. I live in Nevada with my
20 family. I live by the Air Force base.

21 BOARD MEMBER GRONAUER: Okay. How long have
22 you lived here?

23 MR. TELL: I've been here for like two and a
24 half, three years.

25 BOARD MEMBER GRONAUER: Okay. That's it.

1 Thank you.

2 BOARD MEMBER NIXON: And this is Board Member
3 Nixon. Have you applied at different locations and, you
4 know, have an offer as of yet?

5 MR. TELL: No. No. No, I don't. The only
6 thing I applied for was the guard card license. That's
7 my first start.

8 BOARD MEMBER NIXON: Got it.

9 BOARD CHAIRMAN FLYNN: Okay. Any other
10 questions?

11 Hearing none, I'll seek a motion.

12 BOARD MEMBER BROWN: This is Brown. I'll move
13 to grant the appeal.

14 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
15 Do I have a second?

16 BOARD MEMBER NIXON: This is Nixon. I second.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 I have a second. Any further discussion?

19 Just for the record, we've got time and
20 distance. It was one event. I'm in favor of letting
21 him try to get his first job, so.

22 All those in favor of the motion, state "aye."

23 (Board members said "aye.")

24 BOARD CHAIRMAN FLYNN: Any opposed?

25 Okay. Motion carries. Congratulations,

1 Mr. Tell. Good luck to you.

2 MR. TELL: Okay.

3 BOARD CHAIRMAN FLYNN: Number 125, Ian Hain.

4 MR. HAIN: Yes, sir, this is Ian Hain.

5 BOARD CHAIRMAN FLYNN: Okay. Mr. Hain, do you
6 realize you're under oath?

7 MR. HAIN: Yes, I do, sir.

8 BOARD CHAIRMAN FLYNN: All right. I'll turn
9 it over to the investigator.

10 MR. MAXWELL: Investigator Maxwell. The
11 applicant was arrested in September of 2013 in Nevada
12 for DUI resulting in serious bodily harm. This was at
13 the felony level. The fingerprint report and court
14 documents did not show any disposition. He did disclose
15 it. And we do have court documents. The applicant
16 disclosed that he received two to five years in a
17 correctional facility, and he was released after 15
18 months and completed his parole. The applicant came off
19 paper on January 25th of 2016.

20 In the October 2013, in Nevada, conspiracy to
21 commit burglary, a gross misdemeanor, he did disclose,
22 and we do have court documents. The applicant was
23 sentenced to 364 days in jail to run concurrent with the
24 above-mentioned sentence in arrest 1. His was given 160
25 days credit for time served.

1 In January of 2012, in Nevada, he was arrested
2 for supplying alcohol to minors. This was at
3 misdemeanor level. There was no disposition available
4 on the fingerprint report. And this was not disclosed,
5 and we do not have court docs.

6 The applicant was initially made provisional on
7 6-3 of 2020 and was hired by Martin Ross and Associates,
8 LLC, license number 1245, on 6-15 of 2020. The arrests
9 were confirmed and found on the fingerprint report. He
10 was denied on 7-21 of this year and terminated by Martin
11 Ross and Associates the same day.

12 BOARD CHAIRMAN FLYNN: Okay. Thank you.

13 Mr. Hain, do you want to discuss your history
14 there?

15 MR. HAIN: Yes, sir. This is Ian Hain. So all
16 that happened. For that January 2012 charge of
17 supplying minors with alcohol, I was actually a minor,
18 and I did not get that charge. I originally -- we were
19 downtown Reno and ended up getting in a fight. Somebody
20 knocked my friend out. So we got arrested. And, I
21 believe, I was only arrested for minor in consumption
22 for that. That's what my thought was.

23 Currently, I was in the Marine Corps. So when
24 my first sergeant found out that I got arrested, they
25 called the jail and let me get out of jail and go back

1 to southern California, Camp Pendleton, where I got a
2 page 11.

3 Currently, with what was going on there, I got
4 injured in Afghanistan in January of 2010. And I
5 started having seizures. So I was waiting for over two
6 years to get medically discharged. While my unit went
7 on another deployment, I became really hell-bent on
8 alcohol consumption to the point where that's pretty
9 much what I did on a day-to-day basis.

10 And then, September, when I got into that DUI
11 accident, the charge from October was actually -- I
12 don't know why it says October. It was from the day
13 before September 1st when I got into my accident. I was
14 going on a weekend binge out in Fernley. And I ended up
15 running into an ex-friend that was causing problems with
16 parents. And we got in a fight in his front yard. So
17 that's the burglary with battery. It later got dropped
18 down to conspiracy to commit burglary when I was going
19 to trial for that while I was in prison.

20 I got out of prison for the DUI substantial
21 bodily harm. One of my best friends broke his back. He
22 spoke on my behalf. That's why I got sentenced from two
23 to five.

24 And since then, you know, I've learned. You
25 know, I go to meetings. I go to church. I've got a

1 wife now, a son now. I've stayed out of trouble ever
2 since then. I've been trying to find my place in the
3 work force. Most recently, I was doing tow trucking,
4 before Martin Ross. And then I switched to Martin Ross
5 because, with all the hours that I was working as a tow
6 truck driver, I was diagnosed with diabetes, and I
7 couldn't really focus on food and my medicine. So I
8 took an easier job.

9 And then Martin Ross, I got originally got
10 approved and then found out that I have to go through
11 the appeal process. So that's what I'm doing today.
12 And I just want to let you guys know that I appreciate
13 your time, and I really have changed for the better.

14 BOARD CHAIRMAN FLYNN: Okay. Mr. Hain, first
15 off, I want to thank you for your service to our country
16 and as well as the sacrifice that you gave. And I
17 appreciate your comments and your honesty and what
18 you've done for self-improving. I have no questions. I
19 will ask the Board if they have any questions, and we'll
20 proceed.

21 BOARD MEMBER GRONAUER: Gronauer.

22 BOARD CHAIRMAN FLYNN: Go ahead.

23 BOARD MEMBER GRONAUER: To the applicant, you
24 said you're routinely attending meetings?

25 MR. HAIN: Yes. It has been a little difficult

1 with Covid, but I do. We do some Zoom meetings with NA.
2 I do NA just because, you know, alcohol, to them, is a
3 drug. And I found out that they're more family-oriented
4 than AA. But I do attend.

5 BOARD MEMBER GRONAUER: All right. Thank you.
6 And Semper Fi to you. But the other part about this is,
7 are you familiar with the alcohol, the veterans court in
8 Las Vegas, Las Vegas Township and also in Henderson?

9 MR. HAIN: I, while I was going through the
10 trial, I did not know about the veterans court. I only
11 found out about the veterans court after I was in
12 prison. So I couldn't, as to my knowledge, use that to
13 help me out anymore.

14 BOARD MEMBER GRONAUER: All right. Well, you
15 still could reach out to them, and they could still help
16 you get to certain places and keep you helping and maybe
17 use you as a mentor. I'm just giving you that advice.
18 Okay?

19 MR. HAIN: Yes, sir. Thank you so much. I'll
20 keep that in mind.

21 BOARD MEMBER GRONAUER: All right. And, also,
22 thank you for the service.

23 MR. HAIN: Thank you.

24 BOARD CHAIRMAN FLYNN: Any other questions?

25 Okay. Hearing none, I'll entertain a motion.

1 BOARD MEMBER BROWN: This is Brown. I move we
2 grant the appeal of Mr. Hain.

3 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
4 Do I have a second?

5 BOARD MEMBER NIXON: This is Nixon. I second.

6 BOARD CHAIRMAN FLYNN: All right. I have a
7 motion. I have a second. Any further discussion?

8 Okay. Hearing none, I'll call for a vote. All
9 those in favor, state "aye."

10 (Board members said "aye.")

11 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
12 Mr. Hain, congratulations. You have a good day.

13 MR. HAIN: You, too. Thank you so much. God
14 bless you all.

15 BOARD CHAIRMAN FLYNN: All right. Number 126,
16 Tijuan Robertson? Mr. Tijuan Robertson?

17 All right. I'm going to trail this one.

18 Number 127, Marvin Warren?

19 MR. WARREN: Yes, I'm here.

20 BOARD CHAIRMAN FLYNN: Okay. Mr. Warren, do
21 you understand you're under oath?

22 MR. WARREN: Yes.

23 BOARD CHAIRMAN FLYNN: All right. I'll turn it
24 over to the investigator.

25 MR. JONES: Investigator Jones. The applicant

1 has listed several felonies and several other arrests,
2 all of which occurred in the state of Nevada.

3 In February of 2011, the applicant was arrested
4 for attempted murder and assault with a deadly weapon.
5 The fingerprint report does not show disposition.
6 However, the applicant states that he was convicted of
7 this.

8 In May of 2014, he was initially arrested for
9 two counts of burglary. This was reduced to one count
10 of attempted burglary at the felony level, and he was
11 sentenced to up to 30 months incarcerated.

12 In August of 2016, he was arrested again for
13 possession to sell a Schedule I or II substance and was
14 sentenced to 48 months.

15 UNIDENTIFIED MAN: Excuse me.

16 MR. JONES: I'm sorry. Did someone say
17 something?

18 BOARD CHAIRMAN FLYNN: Continue, please.

19 MR. JONES: In May of 2014, there was another
20 arrest for conspiracy to commit criminal contempt. This
21 was a gross misdemeanor. And this was not disclosed.
22 The fingerprint report does not show a disposition.

23 In 2015, we have contempt of municipal court.

24 In July of 2016, we have possession of
25 marijuana less one ounce, misdemeanor. This was

1 dismissed and confirmed by the fingerprint report.

2 And again in 2016, we have contempt of
3 municipal court, and the disposition is unknown.

4 All of the felonies were disclosed and
5 confirmed by the fingerprint report. However, none of
6 the misdemeanors were disclosed.

7 BOARD CHAIRMAN FLYNN: Okay. Mr. Warren, do
8 you want to explain what happened and, also, why you
9 didn't disclose the misdemeanors?

10 MR. WARREN: Yeah, sure. When it came to the
11 misdemeanors, honestly, I didn't, I didn't really know
12 what the misdemeanors exactly were. But I knew what my
13 felonies were. So that's why I disclosed the felonies.

14 But when it comes to the 2011 arrest, I was
15 arrested for attempt murder. I was --

16 BOARD CHAIRMAN FLYNN: Yeah, and I got a lot of
17 background. Those of you that are on the call, unless
18 you're the applicant, you need to go on mute. You need
19 to go on mute, please, unless you're the applicant.

20 Okay. Mr. Warren, let's try again.

21 MR. WARREN: Okay. So, once again, like I
22 said, when it came to the felonies, it is pretty much
23 all the charges I've pretty much known about. When it
24 came to the misdemeanors, I didn't really know what the
25 misdemeanors were. I didn't really know the exact

1 charges to list them.

2 And in the 2011 arrest, I was a 16-year-old. I
3 was arrested for attempt murder. I was convicted for
4 assault with the use. I did two years in YOP, which was
5 in High Desert State Prison. I was convicted for nine,
6 or, no, it was 24 to 48 months.

7 I was just young. I mean a lot was going on in
8 my life at the time. I did assault the person. I
9 didn't injure anyone. But I did assault the person as
10 far as his life, you know. So. And I do regret the
11 situation. I mean I did do my time. And I've grown
12 from it.

13 From the 2014 arrest, the attempt burglary, I
14 was with a couple of friends. I was 18. I had probably
15 been out for like a year from my 2011 arrest, with some
16 friends and everything, and we were just messing
17 together, whatever. And we was, we were going to
18 burglarize a residential home. And we saw that we were
19 on camera, so we just left the scene. And I ended up
20 getting caught a little bit later, or whatever. And I
21 was convicted of an attempt burglary. I was convicted
22 for -- I think, I did, I think, it was 19 to 48 for that
23 one.

24 And then, for the sales, the most recent sales
25 felony, I ended up selling some marijuana to an

1 undercover cop. And I -- I was in the hard times at the
2 time. I was, you know, I was pretty much trying to
3 figure out a way to make some money, or whatever, and
4 didn't see that it was the right way, so. And now I'm
5 just, you know, looking toward the future now.

6 BOARD CHAIRMAN FLYNN: What are you doing for
7 employment these days?

8 MR. WARREN: As of right now, I was working for
9 B&B Glass. But due to the pandemic, you know, it's hard
10 to travel. And I was also doing temp for -- what's it
11 called? Odyssey. And that's for like, they work
12 like -- I don't really know exactly what to say, but we
13 do like maintenance.

14 BOARD CHAIRMAN FLYNN: Okay. All right. Thank
15 you.

16 Any questions from the Board?

17 BOARD MEMBER NIXON: So I'm just a little
18 confused. He was convicted. But no one was hurt. I'm
19 not sure.

20 MR. WARREN: Like I said, I was convicted of
21 assault with the use of a deadly weapon. No one was
22 injured as far as like no one, no one, like no injury
23 was like was inflicted. It was at first, but they
24 dropped the charge from attempted murder.

25 BOARD CHAIRMAN FLYNN: Okay. So, Mr. Warren,

1 just for clarification, you fired a gun at somebody and
2 missed?

3 MR. WARREN: Yes.

4 BOARD CHAIRMAN FLYNN: Okay.

5 BOARD MEMBER NIXON: Okay. Thank you.

6 BOARD MEMBER GRONAUER: This is Gronauer, for
7 the applicant. Mr. Warren.

8 MR. WARREN: Yes.

9 BOARD MEMBER GRONAUER: When did you finally
10 get released from prison, the last time you've been
11 released?

12 MR. WARREN: The last time I was released was
13 December, I believe, 18, 2018.

14 BOARD MEMBER GRONAUER: Okay. Thank you.

15 BOARD CHAIRMAN FLYNN: Any other questions?

16 BOARD MEMBER BROWN: This is Board Member
17 Brown.

18 BOARD CHAIRMAN FLYNN: All right. Hearing
19 none, I'll call for a motion.

20 BOARD MEMBER GRONAUER: Board Member Brown has
21 something.

22 BOARD CHAIRMAN FLYNN: Oh, I'm sorry. I
23 couldn't hear him. Go ahead.

24 BOARD MEMBER BROWN: This is for both the
25 investigator and the applicant. I'm a little confused,

1 looking at the dial sheet. In July of 2016, you were
2 arrested for possession of marijuana. You said that was
3 the last charge. But then a month later, you're
4 arrested for possession to sell a Schedule I or II drug
5 and conspiracy to violate the Uniform Controlled
6 Substance Act.

7 MR. WARREN: Yes. Oh, I'm sorry.

8 BOARD MEMBER BROWN: Explain that to me.
9 They're two separate charges, correct?

10 MR. WARREN: Yes, yes. First, I was arrested,
11 I was arrested of selling a controlled -- or no, no. I
12 was arrested of possession of a controlled substance at
13 a friend's house. I had some, I had some cocaine and
14 some marijuana on me, or whatever. And they're illegal
15 substances at the time, so, and one of them is
16 definitely an illegal substance. So I went to jail for
17 that. And, I believe, they ran that concurrent with the
18 2016 arrest of the Uniform Substance Act, Controlled
19 Substance Act.

20 BOARD MEMBER BROWN: Okay. But, so the first
21 one, you were arrested for marijuana and cocaine. What
22 were you arrested on, on the second one, in 2016?

23 MR. WARREN: The sale, like I said, that was
24 the sale to the undercover.

25 BOARD MEMBER BROWN: Okay. Were you out on

1 bail on the first charge?

2 MR. WARREN: No, well, I was out. They had
3 released me because -- oh, because it was in North
4 Las Vegas, and they transferred me to the county, and I
5 didn't, I don't think, I think that I had like court or
6 something like that, like they had just released me for
7 court. They just had released me like for court. They
8 just gave me a paper and said I had court in North
9 Las Vegas.

10 BOARD MEMBER BROWN: Okay. Thank you.

11 BOARD CHAIRMAN FLYNN: Any other questions from
12 the Board?

13 All right. I'll entertain a motion.

14 BOARD MEMBER NIXON: This is Board Member
15 Nixon. I move that we uphold the denial.

16 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
17 Do I have a second?

18 BOARD MEMBER BROWN: Brown will second.

19 BOARD CHAIRMAN FLYNN: Any further discussion?

20 I'll just add that it is my opinion that we
21 don't have enough time and distance. There's been a
22 significant amount of activity.

23 All right. All those in favor of the motion,
24 state "aye."

25 (Board members said "aye.")

1 BOARD CHAIRMAN FLYNN: Any opposed?

2 Okay. Motion carried. Okay. Sir, good luck
3 to you. You can reapply in a year.

4 Okay. Number 128.

5 We still have somebody with a lot of
6 background. If you're not Mr. William Evans, please put
7 your phone on mute. I've still got a phone with a lot
8 of -- Mr. Evans, are you here? Call Mr. Evans a second
9 time?

10 MR. SALADINO: Mr. Chair, Investigator
11 Saladino. Again, we had tried telephone, email, and
12 sent certified and regular mail. We did not hear back
13 from Mr. Evans.

14 BOARD CHAIRMAN FLYNN: Okay. All right.
15 Number 129. And then I'm trailing that. 129, Noah
16 Borden?

17 MR. BORDEN: Here.

18 BOARD CHAIRMAN FLYNN: Okay. Mr. Borden, do
19 you realize you're under oath?

20 MR. BORDEN: Yes, sir.

21 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
22 this over to the investigator.

23 MR. MAXWELL: Investigator Maxwell. In 2009,
24 out of California, the applicant was charged with the
25 offense of throwing substance at a vehicle, at

1 misdemeanor level. Disposition was 15 days jail. This
2 was disclosed, and we do have court documents.

3 In August of 2009, also in California, the
4 charge was burglary first degree at a felony level.
5 Disposition showed four years probation and six months
6 jail. This was disclosed, and we do have court
7 documents.

8 January 2010, California, there was a violation
9 on the probation and a rearrest and revoke of probation.
10 And this links into item number 4.

11 In March 2010, burglary first degree, at felony
12 level. Disposition is two years prison. He did
13 disclose, and we do have court documentation.

14 The applicant disclosed the arrests and was not
15 made provisional. The arrests were confirmed with the
16 fingerprint report and court documents.

17 BOARD CHAIRMAN FLYNN: All right. Mr. Borden,
18 why don't you explain to us the nature of your arrests.

19 MR. BORDEN: Like the burglary?

20 BOARD CHAIRMAN FLYNN: Well, all of them, sir.

21 MR. BORDEN: The first one, I really don't
22 remember. I just, I think, I was 18. And --

23 (The Reporter asked Mr. Borden to speak
24 louder.)

25 MR. BORDEN: My first one, I think, I was 18.

1 And I had family, a lot of family members, a lot of --

2 BOARD CHAIRMAN FLYNN: Mr. Borden?

3 MR. BORDEN: Yes.

4 BOARD CHAIRMAN FLYNN: Mr. Borden, we're going
5 to have to figure out your phone, because we can barely
6 hear you. It sounds like, I could be wrong, but you're
7 outside, and you may be walking. There's a lot of
8 background noise. So either go indoors, speak louder,
9 or I'm going to have to postpone you for later on today.

10 MR. BORDEN: Hello. Is this better?

11 BOARD CHAIRMAN FLYNN: I still have background.

12 MR. INGRAM: Mr. Chair, this is Kevin Ingram.

13 I believe that we still have somebody else that has not
14 muted their phone.

15 Anyone that is currently on this call, who is
16 not speaking to the Board Chair at this time, place your
17 phone on mute, please. Thank you.

18 BOARD CHAIRMAN FLYNN: All right. Let's try it
19 again. Go ahead, sir.

20 MR. BORDEN: Yes. Well, at 18, I had some
21 family members that was throwing rocks on the freeway.

22 And I --

23 (The Reporter interrupted, trouble hearing the
24 applicant.)

25 BOARD CHAIRMAN FLYNN: All right. I'm going to

1 try one more time. After that, Mr. Borden, I'm going to
2 have to ask you to call back in and maybe get a better
3 circuit or a better line. Because we cannot hear you,
4 and that doesn't help your case here.

5 MR. BORDEN: So do I call in again, or no?

6 BOARD CHAIRMAN FLYNN: Well, don't know what
7 kind of phone you're using. It sounds like you're
8 muffled. Are you in, are you by yourself, or you're out
9 in public?

10 MR. BORDEN: Yes. I'm by myself. I'm at home
11 actually.

12 BOARD MEMBER GRONAUER: There's some other
13 outside interference here. Somebody else has their
14 phone on.

15 MR. INGRAM: Again, everyone that is currently
16 on this call, you need to place your phone on mute. If
17 you don't, we will not be able to proceed with the
18 hearings today. So whoever is outside with horns
19 honking and traffic in the background, place your phone
20 on mute. This is going to be the last request.

21 BOARD CHAIRMAN FLYNN: Kevin?

22 MR. INGRAM: Yes, sir. I believe that that
23 phone is now on mute, sir.

24 BOARD CHAIRMAN FLYNN: I'd love to know who
25 that is.

1 All right. Mr. Borden, please proceed.

2 MR. BORDEN: Okay. At 18, I was arrested
3 for --

4 BOARD CHAIRMAN FLYNN: You need to speak up,
5 Mr. Borden.

6 MR. BORDEN: I said, at 18, I was arrested for
7 obstructing against an officer.

8 And then the burglary case, that was something
9 that happened, but it wasn't actually burglary. But I
10 went to the house. Somebody was there. I thought it
11 was vacant. And the stuff that I took was replaced to
12 the people. And one of the neighbors pointed me out.
13 And I ended up going to jail for that and released.

14 BOARD CHAIRMAN FLYNN: Okay. Thank you.

15 Any questions from the Board?

16 BOARD MEMBER BROWN: This is Brown. I don't
17 want to draw this out any longer. But what was the
18 probation violation that got you to serve your full
19 sentence for the burglary, sir?

20 MR. BORDEN: Since I was going to school, and I
21 didn't know the -- read the like -- basically, I didn't
22 tell them I changed my address. Because I moved out
23 from my old place.

24 BOARD MEMBER BROWN: Okay. Thank you. And if
25 I understood you correctly during all the muffle, the

1 throw the substance at the vehicle, you were 18 years
2 old, and you were throwing rocks at cars?

3 MR. BORDEN: No. I had younger siblings that
4 was throwing rocks on the freeway, and I went down there
5 to get them, because one of the people told me that they
6 saw my sister and brother down there. And I went down
7 there. The officer told me to leave. And I didn't
8 leave, because I told them I couldn't go back to the
9 house without them. And he took me to jail.

10 BOARD MEMBER BROWN: Okay. Thank you.

11 BOARD CHAIRMAN FLYNN: Okay. Any other
12 questions from the Board?

13 All right. Hearing none, I'll call for a
14 motion.

15 BOARD MEMBER BROWN: This is Brown. I'll move
16 to grant the appeal.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 Do I have a second?

19 I'll call for a second.

20 Okay. I don't have a second. Motion failed.
21 I'll call for a new motion.

22 BOARD MEMBER NIXON: I'm not sure during the
23 muffle. I have a quick question. When was the
24 last incident? I want to make sure we have time and
25 distance.

1 BOARD CHAIRMAN FLYNN: For the investigator,
2 she wants to know when the last contact was, the last
3 arrest?

4 MR. MAXWELL: My apologies there. You cut out
5 there. The last arrest, according to the fingerprint
6 report, was March 25th of 2010.

7 BOARD MEMBER NIXON: Okay. Can I go back and
8 second the first motion? Sorry.

9 BOARD CHAIRMAN FLYNN: Well, we need -- yeah, I
10 know what you want to do. But technically and by
11 Robert's Rules, we need a new motion, because the first
12 one failed, and I called it. So I'm seeking a new
13 motion.

14 BOARD MEMBER NIXON: I move that we grant the
15 appeal.

16 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
17 Do I have a second?

18 BOARD MEMBER BROWN: Brown seconds.

19 BOARD CHAIRMAN FLYNN: All right. I have a
20 motion. I have a second. Any further discussion?

21 Okay. All those in favor, state "aye."

22 (Board members said "aye.")

23 BOARD CHAIRMAN FLYNN: Okay. The motion
24 passes. Congratulations, Mr. Borden. You have a good
25 day.

1 MR. BORDEN: Thank you. You, too.

2 BOARD CHAIRMAN FLYNN: Okay. Number 130,
3 Anthony Herrera.

4 MR. HERRERA: Yes, this is Anthony Herrera.

5 BOARD CHAIRMAN FLYNN: Okay. Do you realize
6 you're under oath, sir?

7 MR. HERRERA: Yes, I do.

8 BOARD CHAIRMAN FLYNN: Okay. I'll let the
9 investigator proceed.

10 MR. MAXWELL: Investigator Maxwell. The
11 applicant was arrested on October 1995, out of
12 California, for attempted murder at felony level. This
13 was while he was a juvenile. And he did not disclose,
14 and we do not have court documents. And this explains
15 the item number 2, which is December 29th, 1999,
16 California, violation of parole at felony level. There
17 is no disposition available for this. This was not
18 disclosed, and we do not have court documents.

19 5-4-2000, California, parole was revoked. This
20 is felony. No disposition available. This was not
21 disclosed, and we do not have court documents.

22 September 23rd, 2000, in Arizona, disorderly
23 conduct, possession of a weapon by a prohibited person,
24 felony level. The disposition shows 2.25 years in
25 Arizona Department of Corrections. This was disclosed

1 on the application as a gross misdemeanor.

2 March 3rd, 2007, in California, felon,
3 et cetera, possession of a firearm, felony level. This
4 was disclosed on the application as a gross misdemeanor.
5 The disposition was convicted, committed to prison, 20
6 months prison under the Street Gang Act. This was
7 disclosed, and we do have court documents.

8 8-4-07, California, possess controlled
9 substance for sale, at felony level. This was disclosed
10 on the application as a gross misdemeanor. Convicted,
11 committed to prison, 96 months prison. Disposition also
12 states felony while on bail or recognized under the
13 Street Gang Act. It was disclosed. We do have court
14 docs.

15 7-24 of '13, in California, possession of a
16 controlled substance in prison, felony level.
17 Disposition showed convicted, probation and jail, four
18 years prison, which was a suspended sentence, four years
19 probation and, also, a fine. This was not disclosed,
20 and we do not have court documents.

21 2-24-2015, California, parole violation at
22 unknown level. There was no disposition available for
23 this. Did not disclose. No court documents.

24 3-5 of '15, California, parole violation again,
25 level unknown. Also, no disposition. This was not

1 disclosed. No court documents.

2 10-12-2017, California, sodomy with force,
3 unknown level. Disposition shows that the prosecution
4 released, it was detention only, and he was released and
5 let go because of lack of sufficient evidence. This was
6 not disclosed, and we do not have court documents.

7 The applicant disclosed arrests four, five and
8 six. He was not made provisional and was denied on
9 7-9-2020. The arrests were found and confirmed with the
10 fingerprint report and court documents.

11 BOARD CHAIRMAN FLYNN: Okay. Thank you.

12 All right. Mr. Herrera, please explain.

13 MR. HERRERA: Okay. For one, I'm pretty bad at
14 dates. So those are probably the reason why I didn't
15 disclose as far as '95. I wasn't quite sure if I was to
16 disclose that, because it was longer than 10 years ago,
17 which was when I was a juvenile. I'm currently 42 years
18 old. Those happened when I was 16 years old.

19 As far as my gun charges, they weren't involved
20 in no crimes or anything. They were just, one was found
21 on me, and another one was found in my house. They were
22 never involved in no crimes or anything along those
23 lines.

24 When I was younger, I did have a drug issue
25 when I was younger. And I've pretty much got that

1 tamed, as I've got 13 years clean under sobriety.

2 As far as my violation, as far as in 2015, the
3 violation was I had some photos on my phone, which were
4 probably when I was probably like 16, 17 years old. And
5 when my parole officer seen those photos, he basically
6 said, "You know, that's a violation." And he took me
7 in. And then, once it -- he told me, "Okay, that I'll
8 give you back your phone. You have to delete the
9 photos." No problem. I deleted the photos. It was a
10 done deal.

11 As far as '17, for, what is it, sodomy or
12 something like that, it was with my wife. You know, me
13 and her had a big disagreement. There was no physical
14 altercations or anything along those lines. When I went
15 to jail, I went there for like two or three days. I
16 went to court, and the court threw it out, because there
17 was no evidence or anything along those lines as far as
18 that.

19 Since then, since I've been out, since I've
20 been out of prison, I have currently enrolled in
21 college. I did three semesters in college. I'm
22 currently -- well, not currently. Right before I moved
23 to Las Vegas, and I've been in Vegas since July 1st,
24 before that, I was a drug and alcohol counselor for NFI
25 in Riverside, California. And so I can't continue the

1 drug and alcohol counseling in California out here
2 because the recommendations are different. They want
3 you to have a bachelor's degree out here. Which, in
4 California, their credentials are different.

5 So, you know, so now I'm just trying to look
6 for a different field. I applied for different
7 positions as far as with security jobs, and they all
8 required a guard card. So that's where I find myself
9 doing this.

10 I am currently employed right now. I'm a
11 custodian at a gym. And I just changed my life
12 dramatically, you know, and I'm just trying to look for
13 that chance to grow and do something better with my
14 life.

15 BOARD CHAIRMAN FLYNN: Okay. Thank you.

16 Any other questions from the Board?

17 BOARD MEMBER NIXON: This is Board Member
18 Nixon. I'm just trying to determine time and distance.
19 So on, it looks like the last incident that was had with
20 law enforcement was, it's a very minimum, or it's a
21 very -- in 2015. Because we have parole violation, no
22 disposition and not disclosed. So is that outstanding,
23 and what does that mean? And maybe that's for the
24 investigator.

25 MR. MAXWELL: Investigator Maxwell. There was

1 no disposition on the fingerprint reports to show when
2 he actually finished his parole. So I'm unable to get
3 that at the moment. But I'm looking through the
4 paperwork again just to see if I can find something. So
5 if you could just bear with me a second.

6 BOARD MEMBER NIXON: Okay. Thank you.

7 BOARD MEMBER BROWN: Board Member Brown. While
8 Investigator Maxwell is looking at the question, for the
9 applicant, are you still on paper, sir?

10 MR. HERRERA: No, I'm not. I am currently off
11 of all paper. I currently paid off all my restitution
12 fees. I have been in no trouble or anything along those
13 lines since then.

14 BOARD MEMBER BROWN: Okay. And when did your
15 parole end, that you satisfied your parole?

16 MR. HERRERA: I want to say, I'm almost
17 thinking, I think, it was 2016, I want to say. It was a
18 little bit after my violation.

19 BOARD MEMBER BROWN: Okay. Thank you, sir.

20 MR. HERRERA: You're welcome.

21 BOARD CHAIRMAN FLYNN: Okay. Any other
22 questions?

23 All right. Hearing none, I'll call for a
24 motion.

25 BOARD MEMBER NIXON: This is Board Member

1 Nixon. I move that we uphold the denial. There's just
2 not enough time and distance here.

3 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
4 Do I have a second?

5 BOARD MEMBER BROWN: Brown will second.

6 BOARD CHAIRMAN FLYNN: All right. I have a
7 motion and a second. Any further discussion?

8 All right. Hearing none, I'll call for a vote.
9 All those in favor of the motion, state "aye."

10 (Board members said "aye.")

11 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
12 Mr. Herrera, you can reapply in a year. Good luck to
13 you, sir.

14 MR. HERRERA: All right. Thank you.

15 BOARD CHAIRMAN FLYNN: Mr. Ingram, for future
16 planning, we've been going an hour, and I've done one,
17 two, three, four, five, six, seven, eight, nine, ten,
18 including three that are trails. Please factor that in
19 next time we have an agenda.

20 MR. INGRAM: Yes, sir.

21 BOARD CHAIRMAN FLYNN: Okay. Number 131,
22 Christopher Dunn.

23 MR. DUNN: This is number 131, Christopher
24 Dunn. I am here. I am fully aware that I am under
25 oath.

1 BOARD CHAIRMAN FLYNN: All right. Thank you.

2 All right. Investigator, please proceed.

3 MR. DUNN: Let me add some details. I believe,
4 I can save the Board some time.

5 BOARD CHAIRMAN FLYNN: Well, no, Mr. Dunn, this
6 is our meeting.

7 MR. DUNN: Okay.

8 BOARD CHAIRMAN FLYNN: So please hold on there,
9 and I'm going to have the investigator speak.

10 MR. DUNN: Certainly.

11 BOARD CHAIRMAN FLYNN: Thank you.

12 MS. IRIZARRY: Hi. Good morning. Chief
13 Irizarry. Mr. Dunn was denied for a 1980 carrying
14 concealed weapon without a permit, misdemeanor offense,
15 out of South Carolina. He did not disclose the offense
16 on his application. He received a \$108 fine, and the
17 gun was confiscated. Mr. Dunn was made provisional, and
18 he was incorrectly allowed by staff to take the firearm
19 course prior to being made active. After being made
20 provisional, he went to work an armed position for a
21 licensee from April 21st, 2020 until he was -- they were
22 notified when his fingerprints came back and I contacted
23 them on July 28, 2020.

24 Mr. Dunn, I wanted to point out, when he had
25 applied, it was during the time that our office was

1 closed due to quarantine. So when he had applied, it
2 was online. When we opened back up, by that time, in
3 May, he had already received his provisional and was
4 allowed to take the firearm course. It wasn't until we
5 got the fingerprints back that I notified them of the
6 weapons offense, that his card was denied. He has since
7 been denied and let go by the company pending his
8 appeal. He has provided a police report and his 8214
9 military documents as well as special military
10 clearance. So his firearms rights have been restored.

11 BOARD CHAIRMAN FLYNN: Okay. All right.
12 Mr. Dunn, the issue is the fact that you didn't
13 disclose. And the Board and I are well-aware that this
14 occurred 40 years ago. And, obviously, that will be
15 taken into consideration. So please explain to us why
16 you didn't disclose.

17 MR. DUNN: Sir, I had lived a lifetime of
18 having a secret and top secret security clearance as an
19 adult, you know. I held a top secret security clearance
20 for sensitive compartmented information access, which is
21 SCI. And, I guess, I was kind of flippant, and that's a
22 fault of mine, when I was filling out the application on
23 line. I had a couple of distractions. Later, it dawned
24 on me, oh, I didn't disclose it. Well, it was difficult
25 to try to find somebody to try to get that fixed. I

1 couldn't do it online, once I realized it. And, you
2 know, the COVID-19 thing was going on. I got busy with
3 work that I was doing, and I was happy to have found
4 that work with my brother's prior special forces.

5 BOARD CHAIRMAN FLYNN: Okay. What do you do
6 currently for employment?

7 MR. DUNN: Well, I'm retired Army, I'm retired
8 Special Forces with about 25 years. And I'm not doing
9 anything right now. I'm on hold until I get this PILB.
10 If I don't get this PILB, I'm not going to be able to do
11 anything. Right now, really, and I want to make this
12 clear to the Board, right now, first of all, I'm
13 embarrassed to be -- having to be before the Board.

14 BOARD CHAIRMAN FLYNN: Mr. Dunn?

15 MR. DUNN: Yes?

16 BOARD CHAIRMAN FLYNN: I want to help you. And
17 in this case, less may be more. So let us proceed.
18 Okay?

19 MR. DUNN: Okay.

20 BOARD CHAIRMAN FLYNN: All right. Anything
21 other questions from the Board?

22 Okay. I'll call for a motion.

23 BOARD MEMBER BROWN: This is Brown. I move to
24 grant the appeal.

25 BOARD CHAIRMAN FLYNN: Okay. I have a motion.

1 Do I have a second?

2 BOARD MEMBER NIXON: This is Nixon. I second.
3 And I just want to qualify. Typically, I wouldn't
4 because of the nondisclosure. But because of the office
5 closure and everything else, I'm a little bit kinder
6 maybe. But I second.

7 BOARD CHAIRMAN FLYNN: Okay. And I'll add on
8 the discussion. This occurred 40 years ago. The
9 gentleman's had no other incidents in his past. It was
10 a misdemeanor from 40 years ago. He served honorably in
11 the Army and retired. So I don't have an issue with
12 this, so.

13 All right. I'll call for a vote. All those in
14 favor, state "aye."

15 (Board members said "aye.")

16 BOARD CHAIRMAN FLYNN: Okay. Any opposed?
17 The motion carried. Congratulations, Mr. Dunn.
18 You have a good day.

19 MR. DUNN: Thank you, sir.

20 BOARD CHAIRMAN FLYNN: All right.

21 William Cannon II, number 132.

22 MR. CANNON: I'm here.

23 BOARD CHAIRMAN FLYNN: Okay. Mr. Cannon, are
24 you aware, realize you're under oath?

25 MR. CANNON: Yes, sir.

1 BOARD CHAIRMAN FLYNN: Okay. I'll turn this
2 over to the investigator.

3 MR. MAXWELL: Investigator Maxwell. In 1993,
4 out of California, the applicant was charged with
5 carrying a CCW in a vehicle. This was at misdemeanor
6 level. The disposition showed probation, jail. The
7 fingerprint report did not show the specifics of the
8 disposition. They did not disclose. We do not have
9 court documents.

10 The applicant was initially made provisional on
11 12-24-2019 and was hired by Contemporary Services
12 Corporation, license number 1621, on January 22nd of
13 this year. He was denied on 2-3 of this year and
14 terminated from CSC on 2-6 of this year. The arrest was
15 not disclosed and was found on the fingerprint report.

16 BOARD CHAIRMAN FLYNN: Okay. Mr. Cannon, do
17 you want to explain what happened here and why you
18 didn't disclose?

19 MR. CANNON: I don't recall not disclosing.
20 There were a couple questions, I think, I was kind of
21 confused on in regards to the misdemeanor and the felony
22 questions. So, I think, I got a little confused there
23 on the application.

24 But just to brief you guys on the situation, at
25 the time, I was trying to apply for an armed guard card.

1 I was -- the information I was told to do was go to a
2 place called the West L.A. Gun Club, which held a
3 firearms course. So I was told to go down there,
4 register for that course, and take the course, and then
5 come back to the place where I was trying to apply to,
6 to get my guard card.

7 On my way home, driving through Culver City, I
8 had a traffic ticket. This is why I was arrested. It
9 was a traffic ticket that I didn't pay. And it turned
10 into a bench warrant. That's what caused me to get
11 pulled over. When I pulled over, the officer said, "You
12 have a warrant for your arrest." And I'm, you know, I'm
13 confused, because I completely forgot. And he said, "It
14 was a traffic ticket you didn't pay." And I, "Oh," I
15 said, "for the headlights?" And he said, "Yeah." I
16 said, "Okay."

17 And so he asked me to get out of the car.
18 Well, he asked me if I had any weapons in my car. Now,
19 being that I was just coming home from the West L.A. Gun
20 Club, the idea was I went down there with my firearm,
21 and I was going to try and take the course. But I had
22 to register for the next course that was coming up, so
23 on my way home

24 My confusion, well, my big confusion was, was
25 the concealed, the word "concealed." Now, in

1 Los Angeles, it's a little trickier. I'm thinking, if I
2 have it in my trunk, I'm hiding it. If I have it in my
3 glove compartment, I'm hiding it, in the glove
4 compartment, I'm hiding it. So my idea, as a young guy,
5 is to keep my gun unloaded, which it was unloaded, and
6 just to have it on the seat next to me, because it's not
7 concealed. I'm not hiding it. I'm trying to have it in
8 the wide open, right?

9 So the officer pulls me over. He asked me if I
10 have any weapons. I put my hands up, and I said, "Yes.
11 I have my firearm. It's right here next to me. It's
12 registered in my name." He pulled his weapon out, and
13 he asked me to get out of the car. He opened the door
14 for me. I got out. He explained to me that I'm being
15 arrested for the warrant, I have to go to court because
16 I didn't pay a traffic warrant, it's a bench warrant
17 now. It just so happens that I had y firearm in the car
18 with me. And not understanding how to carry it is what
19 got me the concealed weapons charge.

20 Now, the way it should be carried in
21 California, it has to be in a locked compartment, in a
22 safe. It has to have a lock actually going through the
23 gun. And the bullets have to be in another compartment.
24 So it was a matter of how it was being carried. And
25 that's pretty much what happened.

1 As far as how I filled it out on the
2 application, I think, I was confused. Because I don't
3 have any felonies. I've never been to prison, never,
4 nothing. My record's clean, other than this misdemeanor
5 here. They let me out on O.R.

6 That's pretty much the whole situation. I was
7 trying to get a security job at that time.

8 BOARD CHAIRMAN FLYNN: Mr. Dunn, I accept your
9 explanation. You're becoming repetitive. The question
10 was why you didn't disclose. And you said you were
11 confused by the application, is that correct?

12 MR. CANNON: Yes, sir.

13 BOARD CHAIRMAN FLYNN: Why is the application
14 confusing, why is the application confusing to you?
15 Because I've read that application a bunch of times. I
16 just want your opinion.

17 MR. CANNON: Well, I don't know if it's the way
18 the question is phrased. Because I don't have any
19 misdemeanors. But then it asks if I have -- see, I
20 can't, I can't think of how it's actually phrased, but.

21 BOARD CHAIRMAN FLYNN: Well, I'll tell you
22 what. I'm going to, I'm going to have one of the
23 staff -- Mr. Dunn, I'll have one of the staff read the
24 question.

25 MR. CANNON: Okay.

1 MR. MAXWELL: Mr. Chair, this is Investigator
2 Maxwell.

3 BOARD CHAIRMAN FLYNN: Yes.

4 MR. MAXWELL: The question is phrased "Have you
5 ever been convicted of a crime involving the illegal use
6 or possession of a dangerous weapon?"

7 BOARD CHAIRMAN FLYNN: Okay. Thank you.

8 All right. Any questions from the Board?

9 Oh, and I apologize, Mr. Cannon. And what are
10 you doing now for employment?

11 MR. CANNON: Well, right now, I'm a personal
12 trainer. I've been working at 24-Hour Fitness. So I
13 went to school for that. And 24-Hour Fitness has closed
14 down. Previous to that, for the past 18 years -- I
15 moved to Las Vegas, been here since 2018. For the past
16 18 years, I was working as a bookkeeper in Los Angeles
17 for an accounting firm. Since I've been here to
18 Las Vegas, I've gotten my concealed firearms permit.
19 Even the State of California has issued me a California
20 Department of Justice handgun and safety certificate.
21 You know, I've been issued these things.

22 So I don't know. Like I said, when I answered
23 the question, I don't know, I didn't know exactly how to
24 answer the question. Because I don't know. I'm
25 figuring that has been gone off my record. I don't know

1 how to answer the question. I think, I was confused
2 right there. But I know I have no record.

3 BOARD CHAIRMAN FLYNN: Listen, I believe you're
4 confused. You'll know how to answer the question in the
5 future.

6 MR. CANNON: Yes, sir.

7 BOARD CHAIRMAN FLYNN: All right. And thank
8 you for explaining what you're doing now.

9 So any questions from the Board?

10 Okay. Hearing none, I'll entertain a motion.

11 BOARD MEMBER NIXON: This is Board Member
12 Nixon. Due to the nondisclosure, again, I just, our
13 preference is to not approve. And so I'd move that we
14 uphold the denial of the guard card.

15 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
16 Do I have a second?

17 BOARD MEMBER BROWN: Brown will second.

18 BOARD CHAIRMAN FLYNN: All right. I have a
19 motion and a second. Any further discussion?

20 I'll call for a vote. All those in favor,
21 state "aye."

22 (Board members said "aye.")

23 BOARD MEMBER GRONAUER: No. Nay.

24 BOARD CHAIRMAN FLYNN: Any opposed, state
25 "nay."

1 BOARD MEMBER GRONAUER: Nay. Gronauer.

2 BOARD CHAIRMAN FLYNN: Okay. So we got
3 three-one. The motion does carry. Mr. Dunn, you can
4 reapply in a year. Please, please, disclose everything,
5 and things might go a different way.

6 MR. CANNON: Sir, my name's not Mr. Dunn. I
7 don't know if we have the right one.

8 BOARD CHAIRMAN FLYNN: I'm sorry. Mr. Cannon.
9 Mr. Cannon. My apologies. I'm juggling 189 files in
10 front of me.

11 MR. CANNON: Yeah, I know. I've been on the
12 phone for an hour and a half listening. I feel for you
13 guys. I feel for you.

14 BOARD CHAIRMAN FLYNN: All right. Thank you.
15 All right. Number 133, James Douglas.

16 MR. CANNON: I don't, I don't, I didn't get my
17 decision.

18 BOARD CHAIRMAN FLYNN: Mr. Douglas, are you
19 here?

20 MR. CANNON: Is there a yes, or is there a no?
21 I didn't get a decision. I didn't hear it.

22 BOARD CHAIRMAN FLYNN: Oh, the motion was to
23 deny the appeal. It was a vote of three to one. You
24 can reapply in a year. My suggestion to you is when you
25 reapply, please disclose everything.

1 MR. CANNON: But I just heard some guy
2 previously disclose his, but you guys appealed him, you
3 approved him through.

4 BOARD CHAIRMAN FLYNN: Well, I don't need to
5 explain my decision. But because you seem like a
6 reasonable man, his was 40 years ago.

7 MR. CANNON: Right. And this was, what, 27.

8 BOARD CHAIRMAN FLYNN: He served his country 25
9 years in combat.

10 MR. CANNON: 27 years, sir.

11 BOARD CHAIRMAN FLYNN: Okay. I am done. Thank
12 you, sir. You have a good day.

13 MR. CANNON: Okay. You, too, sir, have a great
14 one.

15 BOARD CHAIRMAN FLYNN: Okay. Number 133, James
16 Douglas?

17 MR. ROBERTSON: Did you call the one for
18 Robertson yet, or no?

19 BOARD CHAIRMAN FLYNN: Number 133, James
20 Douglas, are you here?

21 Okay. I'm going to trail that.

22 Number 134, Bernard Williams? Mr. Bernard
23 Williams?

24 I'm going to trail that.

25 Mr. Marc Williams, number 135. Marc Williams?

1 MR. WILLIAMS: Yes, I'm here.

2 BOARD CHAIRMAN FLYNN: Okay. Mr. Williams,
3 thank you for attending. Do you realize you're under
4 oath?

5 MR. WILLIAMS: Yes, sir.

6 BOARD CHAIRMAN FLYNN: All right. I will turn
7 this over to the investigator.

8 MR. MAXWELL: Investigator Maxwell. I'm just
9 waiting for it to load up, sir. Okay. 1991, out of
10 California, the applicant was charged with inflicting
11 corporal injury on spouse/cohabitant. This is at
12 misdemeanor level. Disposition showed 24 months
13 probation and 30 days jail. This was not disclosed. We
14 do not have court documents.

15 1992, out of California, inflict corporal
16 injury on spouse/cohabitant. This was at misdemeanor
17 level. 36 months probation, 365 days suspended jail
18 sentence. This was disclosed. And no court documents.

19 1995, California, forgery and burglary,
20 misdemeanor level, three years probation, 20 days jail,
21 no disclosure, no courts docs.

22 1997, California, battery, misdemeanor, 36
23 months probation, no disclosure, no court docs.

24 1999, out of California, annoying phone call,
25 obscene, threat, misdemeanor level, two years probation,

1 45 days jail, no disclosure, no court documents.

2 Also in 1999, out of California, possession of
3 a narcotic controlled substance, misdemeanor level, 365
4 days jail, no disclosure, no court documents.

5 In 2000, out of California, threaten crime with
6 intent to terrorize, felony level, five years probation,
7 365 days jail, no disclosure, no court docs. This
8 conviction was originally a felony that was later
9 reduced to a misdemeanor under California 1203.4-17 PC.
10 The applicant did not provide any court documents for
11 this.

12 The applicant did not disclose his full arrest
13 history and was made provisional on 2-10 of this year.
14 All arrests were found on the fingerprint report. He
15 was denied on 3-10 of 2020. At the time of his denial,
16 he was not placed on a licensee's roster. On
17 August 7th, 2020, Mr. Williams walked into the Las Vegas
18 PILB office and asked about the status of his card.
19 Because he was working for Preventative Measures,
20 license number 1633, Preventative Measures was then
21 contacted and issued a notice of violation for
22 continuing to employ Mr. Warren on a denied card and not
23 properly adding him to their roster. He has since been
24 terminated.

25 BOARD CHAIRMAN FLYNN: Okay. Thank you.

1 Okay. Sir, can you explain not only the
2 arrests, but, more importantly, why you didn't disclose
3 them?

4 MR. WILLIAMS: I forgot. I was looking for the
5 papers. I just forgot. I try to put a lot of bad
6 things behind me and leave it alone and move on. I just
7 forgot it. I'm sorry.

8 BOARD CHAIRMAN FLYNN: You forgot every one of
9 those?

10 MR. WILLIAMS: No, I didn't. I thought I put
11 them down there. I must have just -- my mistake. I'm
12 sorry, sir.

13 BOARD CHAIRMAN FLYNN: Okay. What are you
14 doing for employment now?

15 MR. WILLIAMS: Looking for work, trying to.
16 Well, I can't get my card for taking care of people,
17 which I was doing most of my life, live-in, taking care
18 of people, caregiver. And I can't get that. I was
19 hoping to get my guard card so I can get back to work.

20 BOARD CHAIRMAN FLYNN: Why can't you get your
21 health card to take care of people?

22 MR. WILLIAMS: Oh, I passed the test. I got
23 all the paperwork. But I had a job, and they went back
24 about 23 years, 25 years.

25 BOARD CHAIRMAN FLYNN: I guess, I'm missing.

1 What did you do before you became unemployed?

2 MR. WILLIAMS: I was looking for work and
3 homeless.

4 BOARD CHAIRMAN FLYNN: Okay. So you've never
5 had a job?

6 MR. WILLIAMS: Out here, no. Well, I worked
7 for -- I can't remember the company, a caregiver
8 service, for about a month. I've got -- I worked at
9 Amazon as a driver. I kept getting lost. I wasn't
10 familiar with the streets of Las Vegas, and my tokens
11 turned over. I got them all mixed up. I was too slow.

12 BOARD CHAIRMAN FLYNN: Okay. And how long have
13 you lived in Las Vegas?

14 MR. WILLIAMS: It's been a year and a half. I
15 got down here in 2019, about January or February, about
16 January. I came down here mostly to help my
17 stepdaughter out with her kids. When I get down here,
18 she leaves. I came down here. That's how I got in
19 contact with my stepdaughter, because my other, my
20 firstborn daughter died, and I came down here for the
21 funeral.

22 BOARD CHAIRMAN FLYNN: Okay. Sorry to hear
23 that, sir.

24 MR. WILLIAMS: Thank you.

25 BOARD CHAIRMAN FLYNN: Okay. Any other

1 questions from the Board?

2 Okay. Hearing none, I'll seek a motion.

3 BOARD MEMBER NIXON: This is Board Member
4 Nixon. I move that we uphold the denial.

5 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
6 Do I have a second?

7 BOARD MEMBER GRONAUER: Gronauer.

8 BOARD CHAIRMAN FLYNN: Okay. Motion and
9 second. Any other discussion?

10 Hearing none, I'll call for a vote. All those
11 in favor of the motion, state "aye."

12 (Board members said "aye.")

13 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
14 Mr. Williams, you can reapply in a year. You have a
15 good day, sir.

16 MR. WILLIAMS: You, too. Thank you.

17 BOARD CHAIRMAN FLYNN: Okay. Alvin Hooks,
18 number 136?

19 MR. HOOKS: I'm here.

20 BOARD CHAIRMAN FLYNN: Okay. Mr. Hooks, do you
21 realize you're under oath?

22 MR. HOOKS: Yes, sir.

23 BOARD CHAIRMAN FLYNN: Okay. I'll let the
24 investigator continue.

25 MR. MAXWELL: Investigator Maxwell. In 1985,

1 out of California, the applicant was charged with CCW in
2 a vehicle, carry a loaded firearm in a public place.
3 This was at misdemeanor level. Disposition showed a
4 fine. This was not disclosed. We do not have court
5 docs.

6 In 1991, out of California, possession of a
7 narcotic controlled substance, misdemeanor level.
8 Disposition showed that this was dismissed after the
9 successful completion of a diversion program. This one
10 was disclosed, but we do not have court docs.

11 The applicant was denied for the weapons
12 conviction. He was initially made provisional on 6-3 of
13 this year, as the arrest was not disclosed, but was not
14 added to any roster. The arrest was found on the
15 fingerprint report. And he was denied on 6-16 of this
16 year.

17 BOARD CHAIRMAN FLYNN: Okay. Mr. Hooks, I
18 understand the charges you didn't disclose was 35 years
19 ago, but I want to know why you didn't disclose.

20 MR. HOOKS: I actually thought I did put it on
21 the application. I may not have had the correct year,
22 but I would have sworn I put it on when I did the
23 application. It was 1985. I might have put 1987,
24 because it was so long ago, I wasn't sure. But I'm
25 pretty sure I put it on there. If I didn't, that was --

1 I'm sorry about that. But I'm pretty sure I put it on
2 there. And I thought I also put on there that the case
3 was dismissed.

4 BOARD CHAIRMAN FLYNN: Okay. So, Mr. Maxwell,
5 is there more than one entry for arrests on his
6 application?

7 MR. MAXWELL: I'm just checking his profile
8 now, sir. The only things that were listed on his
9 arrest history is the possession of controlled
10 substance.

11 BOARD CHAIRMAN FLYNN: Mr. Hooks, what are you
12 doing now for employment?

13 MR. HOOKS: I actually just moved to Las Vegas
14 about six months ago. I'm staying with my daughter
15 right now. I am retired. But I also went out and found
16 a part-time job. I'm a produce clerk at the 99 Cent
17 Store. I had applied for the guard, I mean the guard
18 card for the new football stadium for the Raiders and
19 everything. So I went through that whole process, the
20 interview, orientation and everything, and then I found
21 out later that I was denied. So I was looking for the
22 job at the Raiders stadium because it was a day job,
23 just to supplement income.

24 BOARD CHAIRMAN FLYNN: Okay. And what did you
25 retire from?

1 MR. HOOKS: I worked in television most of my
2 life. I was in broadcast distribution. I worked for
3 several companies. My last company, my most recent
4 company was Spectrum Payroll. I worked for Warner
5 Brothers. I worked for several other companies. But
6 it's always been in broadcast distribution.

7 BOARD CHAIRMAN FLYNN: All right. Thank you.
8 Any questions from the Board?

9 Okay. No questions. I'll entertain a motion.

10 BOARD MEMBER BROWN: This is Brown. Based on
11 the fact of the time and distance, even though he didn't
12 disclose it, I move that we approve the appeal.

13 BOARD CHAIRMAN FLYNN: Okay. I've got a
14 motion. Do I have a second?

15 I'll call for a second.

16 Okay. Motion failed. I'll seek another
17 motion. Obviously, people are thinking something else.

18 BOARD MEMBER GRONAUER: Okay. It's Gronauer.

19 BOARD CHAIRMAN FLYNN: Go ahead.

20 BOARD MEMBER GRONAUER: I make a motion for
21 denial of the appeal.

22 BOARD CHAIRMAN FLYNN: Okay. I have a motion
23 for denial. Do I have a second?

24 BOARD MEMBER NIXON: This is Nixon. I second.

25 BOARD CHAIRMAN FLYNN: Okay. I have a motion.

1 I have a second. Any further discussion?

2 All right. Hearing none, I'll call for a vote.

3 All those in favor of the motion, state "aye."

4 (Board members said "aye.")

5 BOARD CHAIRMAN FLYNN: Any opposed?

6 BOARD MEMBER BROWN: Nay.

7 BOARD CHAIRMAN FLYNN: All right. Motion
8 carries three to one. Mr. Hooks, you can reapply in a
9 year. Please remember to disclose the other charge.

10 MR. HOOKS: Understood. Thank you, guys.

11 BOARD CHAIRMAN FLYNN: All right. Number 137,
12 David Robles Beltran?

13 MR. BELTRAN: Here.

14 BOARD CHAIRMAN FLYNN: Okay. Do you
15 understand, sir, you're under oath?

16 MR. BELTRAN: Yes. Good morning.

17 BOARD CHAIRMAN FLYNN: Good morning to you.
18 I'll let the investigator proceed.

19 MR. SALADINO: Investigator Saladino. The
20 applicant applied on February 21st, 2020. He was made
21 provisional on 2-27 of 2020. He did list a 2013
22 domestic violence, which was at a felony level, that was
23 dismissed, and the applicant did provide a letter from
24 the City Attorney's Office showing that the charges were
25 not filed and that the case was dismissed.

1 Before receiving the fingerprints, the
2 applicant was denied on 3-18 of '20 for a June 6th, '06,
3 out of California, carry a concealed weapon in a
4 vehicle, which was a misdemeanor, where the applicant
5 received 24 months of probation.

6 When the applicant was contacted in regards to
7 the weapons conviction, he stated that he had misread
8 the application and was not trying to lie. He thought
9 providing the documents for the felony case from 2013
10 was enough. He had just, you know, forgotten about the
11 misdemeanor charge from '06. He was trying frantically
12 to provide any kind of documents, court documents that
13 he could provide for that arrest once he noted that he
14 did miss it on the application. Since 2013, there has
15 been no other law enforcement encounters.

16 BOARD CHAIRMAN FLYNN: Okay. Mr. Beltran, do
17 you want to explain why you didn't disclose?

18 MR. BELTRAN: I forgot about it. I've been
19 working for G1 going for seven years until my wife and I
20 tried to buy a house here in Vegas a year ago.
21 Currently, I do not have a job right now. And poor my
22 wife, she works two jobs paying the mortgage until I get
23 my PILB. The PILB card, that will help my family.

24 BOARD CHAIRMAN FLYNN: Okay. Thank you.

25 Any other questions from the Board?

1 Hearing none, I'll call for a motion.

2 Call for a motion a second time.

3 BOARD MEMBER GRONAUER: Okay.

4 BOARD MEMBER NIXON: This is Board Member --

5 BOARD MEMBER GRONAUER: This is Gronauer.

6 BOARD CHAIRMAN FLYNN: Yes.

7 BOARD MEMBER GRONAUER: Before I make a motion,
8 I want to make a statement, if it's okay.

9 BOARD CHAIRMAN FLYNN: Yeah, of course.

10 BOARD MEMBER GRONAUER: Okay. So everybody on
11 the phone can hear, the problem with not disclosing, it
12 creates double, if not triple work for everyone. The
13 investigators have to do the first start of it all.
14 They issue cards. And then, all of a sudden, things
15 come back, and then they have to recall, redo everything
16 all over again. Then it has to come to an agenda, and
17 it has to come to the Board. The reason it's so
18 important to disclose is because, number one, we have to
19 know about it up front. Number two, we can't waste
20 everybody's time. This time ends up costing a lot of
21 money through the state and through the PILB.

22 That's my statement. With that statement, I'd
23 like to make a motion.

24 BOARD CHAIRMAN FLYNN: Yes.

25 BOARD MEMBER GRONAUER: The motion, because of

1 that statement, the motion is for denial.

2 BOARD CHAIRMAN FLYNN: Okay. Thank you.

3 I have a motion. And when you run for
4 something, I'll vote for you.

5 I'm seeking a second.

6 BOARD MEMBER NIXON: This is Nixon. I second.

7 BOARD CHAIRMAN FLYNN: Okay. I have a motion
8 and a second. Any further discussion?

9 Okay. Hearing none, I'll call for a vote. All
10 those in favor of the motion, state "aye."

11 (Board members said "aye.")

12 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
13 Mr. Beltran, you can reapply in a year. Please remember
14 to disclose everything.

15 BOARD MEMBER GRONAUER: I'm not running for
16 anything.

17 BOARD CHAIRMAN FLYNN: Yeah, well, I voted for
18 you every time.

19 BOARD MEMBER GRONAUER: All right. Thanks.

20 BOARD CHAIRMAN FLYNN: I'm going to throw this
21 out to the Board.

22 UNIDENTIFIED MAN: Excuse me.

23 BOARD CHAIRMAN FLYNN: Do we need to take a
24 lunch break?

25 UNIDENTIFIED MAN: Excuse me. Hello.

1 BOARD CHAIRMAN FLYNN: This is Chairman Flynn.
2 I'm speaking to the Board. Please.

3 Do we need to take a lunch break? I sense us
4 getting slower.

5 BOARD MEMBER NIXON: I think, 30 minutes
6 wouldn't kill us.

7 BOARD CHAIRMAN FLYNN: All right. No, that's
8 what, that was our plan, and we were going to do it at
9 12:00 anyway. So. All right. What I'll do is we will
10 go on a lunch break for 30 minutes, come back here at
11 12:33.

12 BOARD MEMBER NIXON: Thank you.

13 BOARD CHAIRMAN FLYNN: Kevin, I'm going on
14 mute. Oh, no, I'm just going to call back in. Or
15 should I go on mute because we're limited to 50?

16 MR. INGRAM: Why don't you stay on and just
17 mute, so that you don't get locked out.

18 BOARD CHAIRMAN FLYNN: Okay. I'm going to mute
19 now.

20 MR. INGRAM: That would be good for all the
21 Board members. Thank you.

22 BOARD CHAIRMAN FLYNN: All right. I don't how
23 backlogged we are. I don't know if you want to make an
24 announcement, have people call in at different times.
25 I'm going to leave it up to you.

1 MR. INGRAM: Sounds good. Thank you.

2 So for everyone that's on the call right now --
3 and, Shannon, you don't have to stay on for this. It's
4 just kind of a public announcement. If you want to go
5 ahead and stay on, that's fine, but not required.

6 * * * * *

7 (A break was taken, 12:02 to 12:30 p.m.)

8 * * * * *

9 MR. INGRAM: Chairman Flynn, I show 12:30.
10 Would you like me to proceed with the roll call?

11 BOARD CHAIRMAN FLYNN: Yes, please.

12 MR. INGRAM: Thank you, sir. Obviously, you
13 are present.

14 Board Member Brown? Board Member Brown?

15 BOARD MEMBER GRONAUER: It was supposed to be
16 12:33.

17 MR. INGRAM: Oh, was it 12:33?

18 BOARD MEMBER GRONAUER: Yeah.

19 BOARD CHAIRMAN FLYNN: Obviously, Board Member
20 Gronauer is here. Thank you.

21 Board Member Nixon?

22 BOARD MEMBER NIXON: Here and shaking her head.

23 MR. INGRAM: We hear the rattle.

24 Shannon, I know you're there.

25 Board Counsel Detmer, are you on?

1 MR. DETMER: Here.

2 MR. INGRAM: Excellent. So as soon as
3 Mr. Brown gets back on the call, we will be good to go,
4 sir.

5 BOARD CHAIRMAN FLYNN: Okay.

6 BOARD MEMBER BROWN: I'm here. Sorry.

7 MR. INGRAM: Oh, no problem.

8 BOARD CHAIRMAN FLYNN: And no apologies. You
9 had till 12:33.

10 MR. INGRAM: Thank you, Mr. Brown.

11 Chairman Flynn, just as a reminder, we had a
12 few items that were trailed a little bit earlier.

13 BOARD CHAIRMAN FLYNN: Actually, yeah, there's
14 five items, and I'm going to call those first.

15 MR. INGRAM: Perfect. Okay.

16 BOARD CHAIRMAN FLYNN: All right. Number 123,
17 Larry Benford, are you here? Mr. Benford?

18 All right. I'll call for a motion.

19 BOARD MEMBER NIXON: Hey, Kevin, I don't
20 remember that gentleman's name that had asked. He said
21 he was at work. He was trying to go between his car and
22 work to -- was that him?

23 MR. INGRAM: No, that one was number 126.

24 BOARD MEMBER NIXON: Okay. Gotcha. I just
25 wanted to make sure that wasn't him and we discount him,

1 because he came back and said he was still trying to
2 work with his boss. So, okay.

3 MR. INGRAM: Yes.

4 BOARD MEMBER NIXON: This is Nixon. I move
5 that we uphold the denial for Mr. Benford.

6 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
7 Do I have a second?

8 BOARD MEMBER BROWN: Brown will second.

9 BOARD CHAIRMAN FLYNN: All right. Motion and
10 second. Any further discussion?

11 Hearing none, I'll call for a vote. All those
12 in favor of the motion, state "aye."

13 (Board members said "aye.")

14 BOARD CHAIRMAN FLYNN: Okay. The appeal is
15 denied.

16 Number 126, Tijuan Robertson?

17 MR. ROBERTSON: Present.

18 BOARD CHAIRMAN FLYNN: Okay. Mr. Robertson, do
19 you realize you're still under oath, sir?

20 MR. ROBERTSON: Yes, sir.

21 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
22 this over to the investigator.

23 MR. MAXWELL: Investigator Maxwell. 2013, in
24 the state of Nevada, the applicant was charged with
25 attempted larceny from a person at felony level. This

1 started as a felony. He received 24 to 60 months in
2 NDOC, which was suspended, and four years probation.
3 This was later reduced to a gross misdemeanor after
4 successful completion of probation. It was disclosed,
5 and we do have court documents.

6 2018, in Nevada, carrying a concealed weapon
7 without a permit, misdemeanor level. Disposition was 90
8 days jail suspended, told to stay out of the trouble for
9 one year, which was satisfied on 12-26 of '19.
10 Counseling, satisfied 3-27-19. 39 hours community
11 service, which was satisfied on 3-27 of '19. And the
12 property was forfeited on 12-27 of 2018. This was also
13 disclosed. And we have court docs and the police
14 report.

15 The applicant disclosed both arrests and
16 provided court documents. He was not made provisional.
17 Both arrests were confirmed with SCOPE, court documents
18 and the fingerprint report.

19 BOARD CHAIRMAN FLYNN: Okay. Thank you.

20 Mr. Robertson, why don't you explain your
21 arrests, please.

22 MR. ROBERTSON: I was going to say was thank
23 you for your time, and thank you for coming back to me.
24 I don't want to be like a trouble to you guys. I
25 appreciate you guys coming back to me. I'm just at work

1 right now trying to work with the boss, let him know
2 that I have an important phone call early this morning.

3 So. But what I do say to that was that that
4 incident happened for the to sell firearm, it was
5 actually my arm, my weapon. And it was me and my
6 girlfriend, we had, I guess, we got into it. We got
7 into it on Christmas. But it was something crazy. Like
8 I was going to my cousin's house, because, you know, it
9 was the holidays. Everybody liked to cook for the
10 family. And I'm one of the cooks. So I was heading in
11 there. The long story short, heading there, she closed
12 the door, locked the door on me. And then, after that,
13 like I tried to get through the door, to get through the
14 door, and I had my firearm on me on the side of my
15 waist. And then the police. And then she called the
16 cops. And then she called them, she said that "He has a
17 firearm. He has a firearm on him and everything. Can
18 you please help, help. Can you please come. Help,
19 help." And I wasn't going to do anything to her. I was
20 just trying to get in the house, and everything right
21 there.

22 And the police draw their -- the police came
23 around me, and they draw their weapons on me with
24 shotguns and everything. And they said, "Put the gun,
25 take the gun out of your pocket," or something like

1 that. But I had a holster the whole time. It was just
2 hanging out where you could see the gun. And then he
3 just saw me with a firearm, so. You know, because you
4 cannot, you know, basically, have a weapon without a
5 holster. It has to be showing. Because I don't have a
6 CCW, at the time. Now I know for sure to get one now,
7 because if it ever gets like that again.

8 BOARD CHAIRMAN FLYNN: Okay. And what about
9 the other arrest, the attempt larceny?

10 MR. ROBERTSON: The attempt larceny, that was
11 when I was like, I'd say, about 20 something, I don't
12 remember, like 20 years old at the most. I was living
13 with my dad that came, he came flying from Louisiana.
14 And things was just going bad, as me being his kid, but
15 we was listening to the wrong, some of the wrong things
16 and the wrong crowd at the time.

17 BOARD CHAIRMAN FLYNN: Okay. What did you
18 steal? What did you steal?

19 MR. ROBERTSON: Say it again? What did I
20 steal?

21 BOARD CHAIRMAN FLYNN: Yeah.

22 MR. ROBERTSON: I don't know what I stole. It
23 was an actual case where they say it was -- the
24 documents said that it was a robbery, but then they
25 dropped it down to a gross misdemeanor, larceny from a

1 person.

2 BOARD CHAIRMAN FLYNN: You don't remember what
3 you stole?

4 MR. ROBERTSON: Well, it was, I was, okay,
5 basically, that it was basically a robbery when I was 20
6 years old. I was going, I was just like, basically like
7 homeless, and I didn't have nowhere to go, me and my
8 dad. And then I had to find a way to try to make some
9 money even though I was trying to work at the time. It
10 was, basically, like the robbery. Yeah, it was a
11 robbery. But they dropped it down to a gross
12 misdemeanor.

13 BOARD CHAIRMAN FLYNN: Did you rob a business,
14 or did you rob a person?

15 MR. ROBERTSON: Well, they said it was, they
16 said it was, they said, yeah -- not a person. I don't,
17 they don't have all the documents there? I thought they
18 might have all the documents there. I'm sorry.

19 BOARD CHAIRMAN FLYNN: I'm asking you what you
20 remember. It was seven years ago.

21 MR. ROBERTSON: I leave all this here stuff to
22 the past, to be honest with you.

23 BOARD CHAIRMAN FLYNN: Okay. That's fair
24 enough.

25 MR. ROBERTSON: I'm looking to the future.

1 BOARD CHAIRMAN FLYNN: All right. What are you
2 doing for work these days?

3 MR. ROBERTSON: Right now, I'm in school for
4 welding. And right now, I work construction doing
5 underground.

6 BOARD CHAIRMAN FLYNN: Okay. Thank you.

7 Any other questions from the Board?

8 MR. ROBERTSON: Um.

9 BOARD CHAIRMAN FLYNN: Mr. Robertson, I'm done
10 with my questioning. I want to see if the Board has got
11 any other questions for you.

12 MR. ROBERTSON: Oh, I thought it was me. I'm
13 sorry.

14 BOARD CHAIRMAN FLYNN: That's okay. It's okay.

15 BOARD MEMBER NIXON: This is Board Member
16 Nixon. Sir, you know, I applaud everything that you're
17 doing and that you went through some hard times. So, I
18 think, I need to better understand the gravity of what
19 was done here. What is it that you took from, from
20 whomever, a store or a person?

21 MR. ROBERTSON: Oh, is it my turn to talk now?

22 BOARD MEMBER NIXON: Yes, sir.

23 MR. ROBERTSON: Okay. Okay. I just wanted to
24 make sure. Well, basically, it was like money.

25 BOARD MEMBER NIXON: Okay.

1 MR. ROBERTSON: From the store.

2 BOARD MEMBER NIXON: Okay. And then there was
3 no weapon used?

4 MR. ROBERTSON: No, no weapon was used.

5 BOARD MEMBER NIXON: Okay. And you were saying
6 that you were homeless at the time?

7 MR. ROBERTSON: Yeah.

8 BOARD MEMBER NIXON: Okay. Thank you, sir.

9 BOARD CHAIRMAN FLYNN: Okay. Any other
10 questions?

11 All right. Hearing none, I'll entertain a
12 motion.

13 BOARD MEMBER BROWN: This is Brown. I move,
14 based on time and distance, or lack thereof, that we
15 uphold the denial.

16 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
17 Do I have a second?

18 BOARD MEMBER GRONAUER: Gronauer. Second.

19 BOARD CHAIRMAN FLYNN: Okay. I have a motion
20 and a second. Any further discussion?

21 Okay. Hearing none --

22 BOARD MEMBER NIXON: Chair, I --

23 BOARD CHAIRMAN FLYNN: -- I'll call for a vote.
24 Yes, go ahead. Sorry.

25 BOARD MEMBER NIXON: Yeah, Mr. Robertson, you

1 know, I really, I agree with the group, but I would
2 really like to see you come back. So please don't be
3 discouraged by this. You know, get a little bit of
4 distance and because you sound like you're really
5 trying. So please don't be discouraged by this, and try
6 again.

7 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
8 I have a second. There's no further discussion. I'll
9 call for a vote. All those in favor of the motion,
10 state "aye."

11 (Board members said "aye.")

12 BOARD CHAIRMAN FLYNN: Okay. And,
13 Mr. Robertson, you can apply in a year. You heard from
14 one of the Board members, and I will concur, let's get a
15 little more time and distance. You have a good day,
16 sir.

17 MR. ROBERTSON: Thank you.

18 BOARD CHAIRMAN FLYNN: Okay. Number 128,
19 William Evans. Number 128, William Evans?

20 Okay. I'll call for a motion.

21 BOARD MEMBER BROWN: This is Brown. I move to
22 uphold the denial.

23 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
24 Do I have a second?

25 BOARD MEMBER NIXON: I second.

1 BOARD CHAIRMAN FLYNN: Okay. Any further
2 discussion?

3 All right. Hearing none, I'll call for a vote.
4 All those in favor, state "aye."

5 (Board members said "aye.")

6 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
7 Number 133, James Douglas. Is Mr. Douglas
8 here? Is James Douglas here?

9 MR. MAXWELL: Mr. Chair, Investigator Maxwell.

10 BOARD CHAIRMAN FLYNN: Yes.

11 MR. MAXWELL: Mr. Douglas was attempted to be
12 contacted by telephone, email and, also, regular mail,
13 and we received no response.

14 BOARD CHAIRMAN FLYNN: Okay. Thank you. I'll
15 call for a motion.

16 BOARD MEMBER NIXON: I move that we uphold the
17 denial.

18 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
19 Do I have a second?

20 BOARD MEMBER BROWN: Brown will second.

21 BOARD CHAIRMAN FLYNN: Okay. Any further
22 discussion?

23 Okay. Hearing none, call for a vote. All
24 those in favor of the motion, state "aye."

25 (Board members said "aye.")

1 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
2 Number 134, Bernard Williams. Mr. Williams,
3 are you here? Mr. Williams, Bernard Williams?

4 MR. MAXWELL: Mr. Chair, Investigator Maxwell.

5 BOARD CHAIRMAN FLYNN: Yes.

6 MR. MAXWELL: Again, attempts were made to
7 contact the gentleman, but nothing was received back
8 from him.

9 BOARD CHAIRMAN FLYNN: Okay. I'll ask for a
10 motion.

11 BOARD MEMBER NIXON: I move that we uphold
12 Bernard Williams' denial.

13 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
14 Do I have a second?

15 BOARD MEMBER BROWN: Brown will second.

16 BOARD CHAIRMAN FLYNN: I have a motion. I have
17 a second. Any further discussion?

18 Okay. Hearing none, I'll call for a vote. All
19 those in favor, state "aye."

20 (Board members said "aye.")

21 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

22 Commissioner Nixon, just FYI, I'm going to have
23 to jump off at 1:00 o'clock for about 10 minutes. I'm
24 just going to give you a heads-up. I'm going to need
25 you to take over for about 10 minutes.

1 BOARD MEMBER NIXON: Okay. No problem.

2 BOARD CHAIRMAN FLYNN: And then, when I come
3 back, and after we do one or two, Kevin, I think, we
4 need to make sure we hear 186 today.

5 MR. INGRAM: Yes, sir. We also have Mr. Donald
6 Williams, 115, who was instructed to call back at 1:00.

7 BOARD CHAIRMAN FLYNN: Okay.

8 MR. INGRAM: So would you like us to trail that
9 one until you are able to come back on the call?

10 BOARD CHAIRMAN FLYNN: No, the Board knows
11 where I stand. I think, I was pretty clear. But, yeah,
12 you know what, let's see what happens. I should be back
13 by 1:15 or 1:20.

14 MR. INGRAM: Thank you, sir.

15 BOARD CHAIRMAN FLYNN: All right. So number, I
16 believe, we're up to 138. Number 138, Willie Darwin?

17 MR. DARWIN: Yes, that's correct.

18 BOARD CHAIRMAN FLYNN: All right. Mr. Darwin,
19 do you realize you're under oath?

20 MR. DARWIN: Yes, sir.

21 BOARD CHAIRMAN FLYNN: Okay. I'll let the
22 investigator speak.

23 MR. MAXWELL: Investigator Maxwell. 1993, the
24 applicant was charged with receiving stolen property,
25 out of California, unknown level. Disposition showed

1 one year four months in prison. This was not disclosed,
2 and no court docs were provided.

3 In 1997, also out of California, second-degree
4 burglary at felony level. Disposition showed 16-month
5 prison. Also, not disclosed, no court docs.

6 The arrests were not disclosed, and the
7 applicant was initially made provisional on 12-9 of '19
8 but was not placed on any roster. The arrests were
9 found on the fingerprint report. And he was denied on
10 1-8 of '20. In his the appeal letter, the applicant
11 mentioned an expungement, but the fingerprint report did
12 not reflect this. After conversing with the applicant,
13 he said he was attempting to obtain copies of his
14 expungement paperwork in time for the appeal hearing,
15 but nothing was received by this office.

16 BOARD CHAIRMAN FLYNN: Okay. Mr. Darwin,
17 what's the status of your expungement?

18 MR. DARWIN: My status was I was trying to get
19 the paperwork, the copy of my expungement. But,
20 unfortunately, I couldn't get it. I tried calling
21 several places. I tried to go online and tried to find
22 my documents. But, unfortunately, I couldn't get that.

23 But for the case, you know, receiving stolen
24 property, that, that was something that I should have
25 never did, meaning that my cousin had stole something

1 from the store, and, I guess, I was a Guinea pig that
2 took the ties back, which was the merchandise, and
3 returned them for cash. And loss prevention had, you
4 know, held me and took me to jail.

5 And ever since then, I got out was jail,
6 discharged my parole, and ever since then, I never got
7 in trouble again after that. And then, also, I had
8 obtained a guard card for several years in California,
9 renewed and everything.

10 So I moved to Nevada, you know, to try to start
11 a new life, because I was tired of California. And I
12 applied for the guard card, thinking that I'm going to
13 get it because, you know, I had a guard card in
14 California.

15 BOARD CHAIRMAN FLYNN: Okay. What are you
16 doing for employment right now?

17 MR. DARWIN: Actually, I work for Domino's
18 Pizza as a delivery driver. And right now, I was
19 scheduled to be there at 1:00, but my employer
20 understands the situation. I explained it to her. So
21 they're just waiting for me to come in.

22 BOARD CHAIRMAN FLYNN: Okay. I appreciate it.
23 The big issue is, is that as far as your record is, is
24 you are not expunged. It would either show an
25 expungement or the record would disappear. So that'll

1 leave it that you didn't disclose.

2 MR. DARWIN: I can get that.

3 BOARD CHAIRMAN FLYNN: Let me see if the Board
4 has any other questions.

5 Any questions from the Board?

6 BOARD MEMBER GRONAUER: Can I have a question
7 for Mr. Ingram?

8 BOARD CHAIRMAN FLYNN: Yeah.

9 BOARD MEMBER GRONAUER: Or for Mr. Maxwell,
10 either one. On the application, it says arrest. It
11 doesn't say anything about, you know, you've been
12 cleared or anything else. It just says arrest. Is that
13 correct?

14 MR. MAXWELL: That is correct, sir.

15 BOARD MEMBER GRONAUER: Okay. Thank you. I'm
16 good.

17 BOARD CHAIRMAN FLYNN: Okay. Any other
18 questions?

19 BOARD MEMBER NIXON: Because there was a
20 mention of 1993, there was a receiving stolen property,
21 and then he never got in trouble again. But there's
22 another arrest and subsequent conviction, it seems like,
23 for a felony burglary in the second degree. Is that, is
24 that the case, sir?

25 MR. DARWIN: Yes, ma'am. And, actually, that

1 didn't happen in '93. That happened in '97.

2 MR. DETMER: Right. So you stated earlier that
3 in '93, after receiving stolen property, you weren't in
4 trouble again. But after that, you were arrested and
5 convicted of burglary in the second degree.

6 MR. DARWIN: Well, I'm going back to '93. That
7 probably was, you know, riding in a stolen car, you
8 know, that I didn't know it was stolen. And that was
9 the issue probably they was talking about, mentioning it
10 as '93.

11 And then, '97, I got in trouble at a store that
12 my cousin stole some merchandise. And like I mentioned,
13 I was the Guinea pig that, you know, take the ties,
14 return the ties in for cash. And that's when I got
15 arrested.

16 BOARD MEMBER NIXON: Got it. Okay. Thank you.

17 MR. DARWIN: And then, after '97, I didn't have
18 no other deals with the police.

19 BOARD MEMBER NIXON: Got it. Thank you so much
20 for clarifying it.

21 MR. DARWIN: I'll clarify that.

22 BOARD MEMBER NIXON: Thank you.

23 BOARD CHAIRMAN FLYNN: Okay. Any other
24 questions from the Board?

25 All right. Hearing none, I'll call for a

1 motion.

2 BOARD MEMBER NIXON: This is Board Member
3 Nixon. I move that we uphold the denial of Willie
4 Darwin's guard card application due to nondisclosure.

5 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
6 Do I have a second?

7 BOARD MEMBER GRONAUER: Gronauer.

8 BOARD CHAIRMAN FLYNN: All right. Motion and
9 second. Any further discussion?

10 Hearing none, I'll call for a vote. All those
11 in favor of the motion, state "aye."

12 (Board members said "aye.")

13 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
14 Mr. Darwin, you can reapply in a year. Good luck to
15 you, sir.

16 MR. DARWIN: Thank you.

17 BOARD CHAIRMAN FLYNN: Okay. Number 139, Mark
18 Mcafee.

19 MR. MCAFEE: Here.

20 BOARD CHAIRMAN FLYNN: Okay. Mr. Mcafee, do
21 you understand you're under oath?

22 MR. MCAFEE: Yes, sir.

23 BOARD CHAIRMAN FLYNN: Okay. For the
24 investigator, please proceed.

25 MR. MAXWELL: Investigator Maxwell. In 1989,

1 out of Oregon, Mr. McAfee was charged with controlled
2 substance offense. This was at felony level.
3 Disposition was 90 days jail, five years probation and a
4 fine. This was not disclosed. There's no court docs.
5 The applicant stated in his appeal letter that he was
6 given three years probation. However, the fingerprint
7 report shows five years on the disposition.

8 The applicant was made provisional on 12-16 of
9 '19 and was hired by Marksman Security Corporation,
10 license 1791. He was denied on January 22nd of this
11 year and terminated from Marksman on January 23rd of
12 this year.

13 On his appeal letter, the applicant gave a
14 statement for not disclosing the arrest. He stated that
15 he was the victim of an attempted breaking and entering
16 and that he disclosed his 1989 felony to the attending
17 police officer. He stated that the officer then ran him
18 and said that the felony didn't come up. And on that
19 reasoning, the applicant assumed it had been expunged.

20 BOARD CHAIRMAN FLYNN: Okay. And I had
21 background on my end. What was the arrest for 31 years
22 ago?

23 MR. MAXWELL: A controlled substance offense,
24 sir, at felony level.

25 BOARD CHAIRMAN FLYNN: Okay. Thank you.

1 All right. Mr. Mcafee, yeah, Mcafee, please
2 tell us what happened and why you didn't disclose.

3 MR. MCAFEE: First off, I'm an honorably
4 discharged U.S. Air Force veteran. And I've worked 25
5 years with the Teamsters.

6 Second, I'd like to say that in '89, I was in
7 possession of marijuana with intent to sell. I met all
8 my probation requirements. And I have not had any
9 run-ins with the law since.

10 I've always disclosed the charges. And then,
11 in 2018, the investigator has already told you what
12 happened in 2018. Someone had broke my window. And the
13 investigating officer told me that the charges didn't
14 pull up when he ran my name. And so, therefore, I
15 thought the charges weren't on there anymore. So,
16 therefore, I didn't claim them.

17 BOARD CHAIRMAN FLYNN: Okay. What did you do
18 in the Air Force?

19 MR. MCAFEE: I was a fireman, sir.

20 BOARD CHAIRMAN FLYNN: And how long were you in
21 the Air Force?

22 MR. MCAFEE: Four years.

23 BOARD CHAIRMAN FLYNN: Okay. And what are you
24 doing now for employment?

25 MR. MCAFEE: I've worked conventions, driving

1 forklift. I was at U.S. Right-of-Way for 18 years
2 driving forklift in Portland. But then I moved to Las
3 Vegas, and I was working conventions, setting up and
4 tearing down, for the Teamsters. And then Covid hit us,
5 and that work wasn't available anymore. So I went to
6 some temporary agencies. And I've been working on some
7 temp jobs that have come up.

8 BOARD CHAIRMAN FLYNN: I'm just curious. You
9 mentioned you were a firefighter in the Air Force?

10 MR. MCAFEE: Yes, sir.

11 BOARD CHAIRMAN FLYNN: Did you ever apply for
12 fire department jobs here or where you lived prior?

13 MR. MCAFEE: No, sir.

14 BOARD CHAIRMAN FLYNN: Okay. All right. Any
15 other questions from the Board?

16 BOARD MEMBER NIXON: So, I guess, you know, to
17 Gronauer's point, it does state on there, have you ever
18 been arrested. And, I think, it even goes as far as to
19 say ever, for anything, and it lists a couple of things.
20 You know, again, because of your service and the time
21 and distance on this, you know, I want to be positive.
22 But it's very clear. It asks, you know, in several
23 different ways, have you ever been arrested? Why
24 didn't, why didn't that trigger, you know, the thought
25 that maybe I should just admit it or disclose it?

1 MR. MCAFEE: Ma'am, I made a mistake in not
2 disclosing that, based on the information that the
3 officer had gave me in 2018. And I regret that. He
4 told me that I didn't have to disclose that any longer.
5 I felt it was off my records.

6 BOARD MEMBER NIXON: Okay. Thank you.

7 MR. MCAFEE: Thank you, ma'am.

8 BOARD CHAIRMAN FLYNN: All right. Any other
9 questions?

10 All right. Hearing none, I'll seek a motion.

11 BOARD MEMBER BROWN: This is Brown. I move,
12 based on time and distance, that we grant the appeal.

13 BOARD CHAIRMAN FLYNN: Okay. I have a motion
14 to grant the appeal. Do I have a second?

15 BOARD MEMBER NIXON: This is Nixon. I second
16 based on time and distance and service in the military.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 I have a second. Any further discussion?

19 Okay. I'll call for a vote. All those in
20 favor, state "aye."

21 (Board members said "aye.")

22 BOARD MEMBER GRONAUER: No.

23 BOARD CHAIRMAN FLYNN: Any opposed, say "nay."

24 BOARD MEMBER GRONAUER: Nay.

25 BOARD CHAIRMAN FLYNN: Okay. The motion

1 carries three to one. Good luck to you, Mr. McAfee.

2 MR. MCAFEE: Thank you very much. And I
3 appreciate your guys's decision.

4 BOARD CHAIRMAN FLYNN: Okay. Number 140, Jesse
5 Sierra, are you here? Mr. Sierra, Jesse Sierra, are you
6 here?

7 MR. MAXWELL: Mr. Chairman, Investigator
8 Maxwell.

9 BOARD CHAIRMAN FLYNN: M-hm (affirmative).

10 MR. MAXWELL: This gentleman was tried to be
11 contacted by several, several means, and no response has
12 gotten back to us.

13 BOARD CHAIRMAN FLYNN: Okay. All right. I'm
14 going to trail this one, as we've done with the others.
15 Number 142, Anthony Dunn.

16 MR. DUNN: I'm here.

17 BOARD CHAIRMAN FLYNN: Okay. Mr. Dunn, do you
18 understand you're under oath?

19 MR. DUNN: Yes.

20 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
21 it over to the investigator. And I'm going to jump off
22 the call for about 10, 15 minutes. Commissioner Nixon
23 will be Chair in the meantime.

24 And then, Kevin, I'm going to mute, so I can
25 call back in, I mean so I can get right back in.

1 MR. INGRAM: Thank you.

2 BOARD MEMBER BROWN: This is Board Member
3 Brown.

4 MR. INGRAM: Anyone that's currently on the
5 phone, if you will mute your phones until called upon,
6 please.

7 BOARD MEMBER NIXON: Investigator, could you
8 please hold.

9 Kevin, I do believe that we jumped over 141,
10 Johnny Hall.

11 MR. INGRAM: That is correct.

12 MR. HALL: Yes.

13 BOARD MEMBER NIXON: Okay. So, Mr. Hall, are
14 you on?

15 MR. HALL: Yes.

16 BOARD MEMBER NIXON: Okay. Thank you.
17 Investigator, can we review Mr. Hall, please?

18 MR. JONES: Sure. This is Investigator Jones.
19 The applicant --

20 BOARD MEMBER NIXON: Sir, can you please mute
21 your phone?

22 UNIDENTIFIED MAN: Oh, yeah. I'm sorry.

23 MR. JONES: All of the arrests are out of
24 California.

25 In June of 1997, the applicant was arrested for

1 a carry concealed weapon in a vehicle. This was
2 disclosed. The fingerprint report does not show the
3 disposition, but the applicant stated that he was
4 guilty.

5 In April of 1995, we have the unlawful taking
6 of a vehicle. We do not know the severity or the
7 disposition, but the applicant stated that he was
8 convicted.

9 In 1996, we have taking a vehicle without the
10 consent of the owner, at the misdemeanor level. The
11 applicant was sentenced to three years probation. The
12 applicant was also sentenced to one year in jail. But
13 both of these were suspended. This was not disclosed.

14 In June of 1997, we have a felony taking a
15 vehicle without the owner's consent. The fingerprint
16 report does not show the disposition. And this was not
17 disclosed.

18 Again in '97, we have vehicle theft. The
19 fingerprint report does not show the disposition or the
20 severity.

21 In 2001, we have inflicting corporal injury on
22 a spouse. The fingerprint report does not show the
23 severity or the disposition. And this was not
24 disclosed.

25 Finally, in August of 2019, there's inflicting

1 corporal injury on a spouse. The fingerprint report
2 does not show the disposition. However, the applicant
3 states that this was dismissed.

4 BOARD MEMBER NIXON: Okay. Sir, could you
5 explain the situations here and why you did not
6 disclose.

7 MR. HALL: The reason I didn't disclose, I was
8 in an accident in 2012. I was in a severe accident
9 involving a semi. I wasn't in the vehicle. I was on
10 the highway, and the semi hit my body. I was trying to
11 tour. I was on -- excuse me?

12 BOARD MEMBER NIXON: We need everybody to mute
13 their phones other than the applicant speaking, please.

14 Go ahead, sir.

15 MR. HALL: Yeah, I was on my way home from
16 Texas, and a semi flipped over in front of me and my
17 friend. I was on a motorcycle. We pulled over to try
18 to help the gentleman get out, and we were struck by
19 another semi. I was severely injured, and I had memory
20 loss. So that's the reason why I don't remember a lot
21 of things from my past.

22 That's all I can say about that. I don't
23 remember.

24 BOARD MEMBER NIXON: Okay. And the latest
25 incident -- or are there any Board questions?

1 BOARD MEMBER BROWN: This is Board Member
2 Brown. I'm probably going in the same area you are.

3 The most arrest, sir, in August of last year,
4 what was the disposition of that?

5 MR. HALL: What charge was that, again?

6 BOARD MEMBER BROWN: Inflict corporal injury
7 upon a spouse, a domestic violence related charge.

8 MR. HALL: I was actually, I was actually the
9 victim on that. I was the one who called the police. I
10 was involved with a female, and she actually assaulted
11 my mother, which I take care of. My mother is suffering
12 from dementia. She assaulted my mother. I called the
13 police. And there was an altercation between the both
14 of us, because I had to, you know, obviously, remove her
15 from my mother. So when the cops came, they took us
16 both to jail.

17 So the case was -- I got a letter from the D.A.
18 saying that they weren't going pursue the case. I don't
19 have the letter. I lost it moving here to Vegas.

20 And that's the reason I moved to Vegas. I
21 moved here with my mother, away from that situation, so
22 I can, you know, give me and my mother a start over.
23 I've just barely been taking care of my mother for a
24 little over a year, or about a year and a half now. And
25 my mother's never been in my life. I was a foster kid

1 at age five. And before taking care of my mom, I hadn't
2 seen her in 20 years, so. I got a call that she was on
3 the streets. And so I just wanted to take care of her.

4 BOARD MEMBER BROWN: Okay, sir. Thank you. Do
5 you remember the vehicle theft in 1997?

6 MR. HALL: Vaguely. In '97, I didn't steal the
7 car. A friend of mine picked me up in a stolen car. It
8 was my birthday. We went out to a club. And after the
9 club, he was too intoxicated to drive, so I started to
10 drive. And we got stopped, and it was a stolen car, and
11 I went to jail for it.

12 BOARD MEMBER BROWN: Okay. Were there other
13 charges, because Count II?

14 MR. HALL: Well, I was on probation already. I
15 was on juvenile probation for a car theft when that
16 incident happened. So when that incident happened,
17 that's when my probation and everything was revoked.

18 BOARD MEMBER BROWN: Okay. Thank you.

19 BOARD MEMBER NIXON: Any other questions?

20 Sir, what do you do now for work?

21 MR. HALL: Before moving here to Vegas, I was
22 supervisor of a warehouse. Actually, before my
23 accident, I'm a graduated surgical technologist. But
24 because of my memory loss, I wasn't able to go back to
25 work and unless I went back to school. And so I just

1 decided to pursue something else. So like I said,
2 previously, before coming here, I was a supervisor of a
3 warehouse. Upon coming here, I worked at Ellis Island
4 doing security, right before the Covid hit. And I
5 haven't been doing anything since the Covid.

6 BOARD MEMBER NIXON: Okay. Thank you.

7 Investigator, I don't know if I can ask a legal
8 question, or Director. Can we work on getting the
9 paperwork and kind of do the withdrawal thing, and then,
10 you know, come back with the paperwork saying he's
11 cleared of the latest incident in 2019?

12 MR. INGRAM: Kevin Ingram, for the record. If
13 he withdraws his denial and is able to provide that
14 information, we could then potentially put him on the
15 December Board meeting for a new hearing. If you go
16 forward, and he is denied today, then he would have to
17 wait for a year to reapply.

18 MR. DETMER: And this is Mike Detmer, for the
19 record. And I actually had to seek confirmation from
20 Kevin. Many boards will have a statute or regulation
21 that speaks to withdrawal and then has to be approved by
22 the board or commission. I'm not personally aware if
23 this Board has such a provision or it can just be done
24 absent vote.

25 MR. INGRAM: Traditionally, what we do,

1 Mr. Detmer, is he can request to withdraw, the Board
2 would vote to allow the withdrawal, and then move
3 forward that way. Is that kind of what you're
4 suggesting?

5 MR. DETMER: Yeah, I'm, as we speak, looking
6 for a statutory or regulatory provision that would spell
7 out whether or not there needs to be a Board vote to
8 allow for it. If prior practice, though, has been to
9 require a vote, then that's what I would recommend, if
10 that is the way the Board wants to go. And assuming
11 that's the way he wants to go as well, of course.

12 BOARD MEMBER NIXON: Any further discussion
13 from the Board, or questions?

14 BOARD MEMBER BROWN: This is Board Member
15 Brown. I just want to ensure that Mr. Hall understands
16 what we're talking about right now, before he makes a
17 decision.

18 BOARD MEMBER NIXON: Yeah, I just didn't know
19 if anybody had any thoughts on this really.

20 MR. HALL: From what I'm understanding you,
21 you're saying that if I request a removal, then I can
22 come back at a later date?

23 BOARD MEMBER NIXON: Yes, sir. So, I think,
24 you know, for me, your story's compelling. I can
25 understand why, you know, because of your medical

1 condition, you did not remember and disclose. You do
2 have time and distance, except for this latest case.

3 MR. HALL: Right.

4 BOARD MEMBER NIXON: And so I would like some
5 proof that this has been dropped --

6 MR. HALL: Okay.

7 BOARD MEMBER NIXON: -- in order to make a
8 decision on it.

9 MR. HALL: Okay.

10 BOARD MEMBER NIXON: So if you could hold off.
11 Board members, are we kind of, are we in the
12 same mind space, I guess, on this?

13 BOARD MEMBER BROWN: This is Brown. I'm on the
14 same page with you.

15 BOARD MEMBER NIXON: Okay. So, sir, I'm going
16 to give you the opportunity here.

17 And, Kevin, because we haven't voted on this in
18 the past, have we, on withdrawals?

19 MR. INGRAM: On some occasions you have, and
20 some occasions you haven't. And it's probably in the
21 best interest of the Board to start, you know, making a
22 decision on the record. If he requests a withdrawal,
23 and then you were to entertain a motion and approve that
24 motion, then it's a lot cleaner record moving forward.

25 BOARD MEMBER NIXON: Okay. So I would need one

1 of the Board members to make a motion?

2 MR. INGRAM: That would be after the request of
3 him to withdraw.

4 BOARD MEMBER NIXON: Got it. So, sir, here's
5 your opportunity.

6 MR. HALL: Okay.

7 BOARD MEMBER NIXON: If you request to
8 withdraw, you can come back, with the paperwork or the
9 documents requested, at the next Board meeting. If not,
10 then you would have to wait a year.

11 MR. HALL: Okay. Well, I will make that
12 request to withdraw and come back later with the proof.

13 BOARD MEMBER NIXON: Okay.

14 MR. HALL: And how am I to submit the proof?

15 BOARD MEMBER NIXON: Okay. So let us, let's go
16 through the process and vote on that. And then someone
17 from the PILB will get to you and explain that process
18 to you. Okay?

19 MR. HALL: Okay.

20 BOARD MEMBER NIXON: So I'll take a motion now
21 on Mr. Hall's request to withdraw his application at
22 this time, or his appeal at this time.

23 BOARD MEMBER BROWN: This is Brown. I move
24 that we grant Mr. Hall's withdrawal of his appeal so
25 that he can come back at a later time.

1 BOARD MEMBER NIXON: Is there a second?

2 BOARD MEMBER GRONAUER: I'll second it.

3 BOARD MEMBER NIXON: Okay. Any other
4 discussion?

5 Okay. All in favor, please state "aye." Aye.

6 BOARD MEMBER BROWN: Aye.

7 BOARD MEMBER GRONAUER: Aye.

8 BOARD MEMBER BROWN: Aye.

9 BOARD MEMBER NIXON: Okay. So that's
10 unanimous. Sir, Mr. Hall?

11 MR. HALL: Yes.

12 BOARD MEMBER NIXON: Please get in contact with
13 the Board, and they will explain to you how to get that
14 information or how to get that information to them. And
15 the request is that you go back and provide that
16 information so we can make a better decision. Okay?

17 MR. HALL: Okay. Thank you very much.

18 MR. INGRAM: And, for the record, Kevin Ingram.
19 Mr. Hall, Investigator Jones will reach out to you in
20 the next couple of days. Okay?

21 MR. HALL: Okay. Thank you.

22 MR. INGRAM: Thank you.

23 MR. HALL: Okay. You guys have a nice day.

24 BOARD MEMBER NIXON: Thank you.

25 Okay. And Anthony Dunn, number 142, are you

1 here?

2 MR. DUNN: I'm here.

3 BOARD MEMBER NIXON: Okay. Thank you, sir.

4 And thank you for the understanding.

5 Okay. Investigator, can we please hear about
6 Mr. Dunn?

7 MR. MAXWELL: Investigator Maxwell. The
8 applicant was arrested in 1992, out of the Georgia. The
9 charge was theft by receiving stolen property, at
10 misdemeanor level. Disposition showed 12 months
11 probation, four days jail. This was not disclosed.

12 1994, out of Georgia, DUI, misdemeanor, 12
13 months probation and a fine, not disclosed.

14 1996, Georgia, DUI, misdemeanor, 12 months
15 probation, two days jail and a fine, not disclosed.

16 Also in 1996, out of Georgia, the charge was
17 battery, misdemeanor, 12 months probation and a fine,
18 not disclosed.

19 Also in 1996, out of Georgia, another DUI,
20 misdemeanor level, a fine of \$2,500, not disclosed.

21 In December of '96, in Georgia, probation
22 violation at felony level, probation terms are altered,
23 not disclosed. On the disposition, it gave a date of
24 12-13-1996, and it said continue on a regional probation
25 or parole order.

1 In June of '97, in Georgia, the charge was
2 habitual violator, federal, sorry, felony level.
3 Disposition showed two years probation, 40 hours
4 community service, and not disclosed. The fingerprint
5 report did not mention specifics. However, the
6 applicant had been convicted three times previously for
7 DUI.

8 In 1997, in October, in Georgia, probation
9 violation, misdemeanor level. Probation terms were
10 altered. This was not disclosed. The disposition did
11 not give the altered probation terms.

12 In 2017, in Nevada, misdemeanor domestic
13 battery. This case was denied in the court. It was
14 disclosed, and court docs were made available.

15 The applicant was initially made provisional on
16 9-16 of '19 but was not added to any company roster. He
17 disclosed item number 9 and provided court
18 documentation, but the other arrests were found on the
19 fingerprint report. He was denied 10-8 of '19.

20 BOARD MEMBER NIXON: Thank you.

21 Mr. Dunn, can I verify, do you understand that
22 you're under oath?

23 MR. DUNN: Yeah. Yeah. No, you didn't say
24 that, but I understand.

25 BOARD MEMBER NIXON: Okay. Thank you. And so,

1 please, you know, you've heard the concerns or the
2 investigator's notes. Would you please update us.

3 MR. DUNN: All I'm telling you is I don't
4 think, some of that stuff is not me. Somebody must have
5 been using my name. Because I did lose my ID, right. I
6 did lose my ID. There was 400 and something dollars
7 stolen out of my wallet, right. And I lost my ID.
8 Somebody was out. And I did go down to the police
9 department. I don't know what they called this in '94
10 when your identity was being stolen, or whatever,
11 whatever. Like, but I know, back in '97 and '96, I did
12 get two. I got a DUI one year. Then I got a DUI the
13 second time.

14 I went back. I went back because I wanted to
15 get a -- watch ya call it? What kind of card? Not the
16 guard card, but the federal fingerprint card, right, to
17 work at the casino. So I went back to Georgia in 2007,
18 right, and went there and disclosed that I went to the
19 court, right. Instead of them, instead of them telling
20 me, right, that I have to do time here, they said just
21 don't get any DUIs and this is closed out. I went, I
22 flew down there just to get that done, to get the cards
23 that I needed.

24 So I wouldn't have ever known that I had any,
25 any felony, right, because I never thought I did. They

1 said if I got a third DUI. He mentioned four DUIs. So
2 I know for a fact that that ain't it, because I know I
3 only got two. Okay. I've only had two, like in '96 and
4 '97.

5 BOARD MEMBER NIXON: Please mute your phone if
6 you're not speaking.

7 MR. DUNN: You can't hear me?

8 BOARD MEMBER NIXON: No, I can hear you, sir.
9 I hear a lot of background noise as well.

10 MR. DUNN: Oh. Yes, I don't know if I'm able
11 to get this information. That was when I went down
12 there, right. And not even the situation, right. I was
13 working for Amazon last year, right. In April, I
14 started working in April, right. When this Covid
15 stuff -- I'm 60. I'll be 61 next month, right. I was
16 just trying to get a job in time so my kid can get in
17 school. I got a five-year-old. It's my first kid ever,
18 right. I always worked. So I don't know where to get
19 this information. But I've always been a good person,
20 always got a job. I always pass backgrounds in all the
21 jobs I have had in Las Vegas. I've been here 20 years,
22 right. And before I lived here, I lived in Georgia for
23 nine years. I sold cars and helped people out.

24 So the DUIs was coming from me driving a car.
25 I got caught driving. All this other stuff, based on

1 what, I don't have a clue. I don't have a clue, because
2 that wasn't me.

3 BOARD MEMBER NIXON: So, sir, you were not
4 arrested in 2017 for domestic battery?

5 MR. DUNN: No, never. Never. I wasn't
6 arrested, ma'am.

7 MR. MAXWELL: Madam Chair, Investigator
8 Maxwell.

9 MR. DUNN: Oh, yes, I did. I did. I went to
10 jail, but it wasn't for that. Like they said it was,
11 and they let me go after two hours. The only reason why
12 I went to jail is because nobody can watch my son,
13 right. We had to both go in there, right. And I didn't
14 get charged for that. I didn't get that charge.

15 So what they did, two years ago, they came back
16 after two years, and I got a battery charge, right. I
17 did like 26 weeks, 26 weeks and paid \$980, right.
18 Because I wasn't the one, I wasn't the one should have
19 even got the charge. The person should have got the
20 charge. Well, but because we lived together, and we
21 still live together and married, right, and we still
22 live together and got married, I got that charge. And
23 they moved it down to a battery. It was supposed to be
24 a domestic, but they moved it down to a battery. And I
25 asked them, why did I have to pay all this money out

1 when I didn't do something, right. And they knew it was
2 the person that did it. But I got the charge instead of
3 she getting the charge, right. Because I had never did
4 anything to deserve that. And so I actually did the 26
5 weeks, paid the \$980, right, anything. That's that.

6 Other than that, I went, well, I was trying to
7 get a job with you guys. This popped up. And I didn't
8 understand why the security place didn't hire me,
9 because I didn't know nothing about --

10 BOARD MEMBER NIXON: Okay. Thank you, sir.

11 MR. DUNN: -- the charges you're talking about.
12 Go ahead.

13 BOARD MEMBER NIXON: Okay. Thank you, sir.

14 Investigator, did you have something to add?

15 MR. MAXWELL: Yes, ma'am. Investigator
16 Maxwell. Just to clarify, all the charges were taken
17 from the gentleman's fingerprint report. But he is
18 correct, the domestic battery from 2017, there were no
19 charges for that one, it was actually denied in court.

20 BOARD MEMBER NIXON: Okay. Okay.

21 BOARD MEMBER GRONAUER: Madam Chair, this is
22 Gronauer.

23 BOARD MEMBER NIXON: Yes.

24 BOARD MEMBER GRONAUER: May I make a statement?

25 BOARD MEMBER NIXON: Absolutely.

1 BOARD MEMBER GRONAUER: Usually, and from back
2 experience, past experience and now, domestic violence,
3 if you go to jail for domestic violence, whether it's
4 for one hour, two hours, whatever, you go to jail for
5 it, that will not come off your record.

6 MR. DUNN: I didn't get charged for domestic
7 violence.

8 BOARD MEMBER GRONAUER: I'm not talking to you.

9 MR. DUNN: They said it was a battery.

10 BOARD MEMBER GRONAUER: I'm not talking to you,
11 sir.

12 MR. DUNN: Oh, I'm sorry.

13 BOARD MEMBER GRONAUER: Wait your turn. Wait
14 your turn. I'm just trying to clarify so the Chairman,
15 the Chairwoman would understand. Domestic violence will
16 usually stay. And if they reduce it down to any charge,
17 it'll still stay on your record as domestic violence.
18 Just so you know.

19 BOARD MEMBER NIXON: So, Director Ingram, I
20 just want to reiterate or ask again. It does on the
21 application say "Have you ever been arrested?"

22 MR. INGRAM: That is correct.

23 BOARD MEMBER NIXON: And then it lists a bunch
24 of, you know, a bunch of items. It's not "Have you ever
25 been convicted, have you ever been?" It's "Have you

1 ever been arrested?" And at that point, that's when you
2 should, you know, admit or, you know, state that you've
3 been arrested, because you would have had to have been
4 arrested for these things in order to get it on your
5 record.

6 MR. DUNN: Are you talk to me?

7 BOARD MEMBER NIXON: No. To Director Ingram.

8 MR. INGRAM: And you are correct, Chairwoman.
9 The only thing that we have a little caveat on is don't
10 list minor traffic violations. But it says list "all"
11 arrests. There's no time frame. It says "all."

12 BOARD MEMBER NIXON: Yes, sir. I think, it
13 even says "ever."

14 MR. INGRAM: Correct.

15 BOARD MEMBER NIXON: Okay. Thank you.

16 Any other Board questions or statements?

17 Okay. I'll move for a motion. Or, you know,
18 I'll look for a motion.

19 BOARD MEMBER BROWN: This is Board Member
20 Brown. I move that we uphold the denial.

21 BOARD MEMBER NIXON: Thank you, sir.

22 I need a second.

23 BOARD MEMBER GRONAUER: I'll second it.

24 BOARD MEMBER NIXON: So, then, are there any
25 other comments?

1 Okay. All in favor of us upholding the denial
2 for Mr. Dunn, say "aye."

3 (Board members said "aye.")

4 MR. DUNN: You got something for somebody else.
5 I'm confused, right. I told them when I went down
6 there, I don't need the job. I never did it. I don't
7 like people putting stuff out there on me that I didn't
8 even do.

9 BOARD MEMBER NIXON: Sir, thank you for your
10 time. Thank you for your time. The decision's been
11 made. You can appeal in a year.

12 MR. DUNN: Okay. Thank you.

13 BOARD MEMBER NIXON: Thank you.

14 MR. DETMER: And, Madam Chair, I apologize.
15 This is Mike Detmer, for the record. Was that unanimous
16 when the motion passed?

17 BOARD MEMBER GRONAUER: Yes.

18 BOARD MEMBER NIXON: I believe so. Thank you.

19 BOARD MEMBER BROWN: Yes.

20 MR. DETMER: And I apologize for the
21 interruption.

22 BOARD MEMBER NIXON: No worry.

23 MR. INGRAM: Madam Chair, Kevin Ingram.

24 BOARD MEMBER NIXON: Yes, sir.

25 MR. INGRAM: If we could go ahead and have

1 Board counsel go ahead and swear everybody in that's on
2 the call at this time, we can keep moving fairly
3 quickly.

4 BOARD MEMBER NIXON: Okay. Thank you.

5 MR. INGRAM: Mr. Detmer, will you swear those
6 individuals in.

7 MR. DETMER: Always it's my pleasure.

8 For those who are about to testify, raise your
9 right hand. And do you hereby swear and affirm to tell
10 the truth, the whole truth, and nothing but the truth?

11 (Applicants and witnesses present were
12 sworn/affirmed.)

13 MR. DETMER: Thank you very much. And please
14 be sure and mute your phone until your item is called.

15 BOARD MEMBER NIXON: Thank you, sir.

16 Is Mr. -- or I'm sorry. 143, Amra Webster?

17 MR. WEBSTER: Yes, ma'am, I'm here.

18 BOARD MEMBER NIXON: Thank you, sir.

19 BOARD CHAIRMAN FLYNN: And, Tammy, I'm back.

20 BOARD MEMBER NIXON: Thank you. We're on 143.

21 BOARD CHAIRMAN FLYNN: We're on 143. Do you
22 want to do it, or do you want me to jump back in?

23 BOARD MEMBER NIXON: Please jump back in.

24 BOARD CHAIRMAN FLYNN: Okay. All right. 143,
25 Amra Webster, are you here, sir?

1 MR. WEBSTER: Yes, sir, I am.

2 BOARD CHAIRMAN FLYNN: You're going to need to
3 speak up, if that's Mr. Webster.

4 MR. WEBSTER: Yes, sir, I am here.

5 BOARD CHAIRMAN FLYNN: Okay. Good enough. Do
6 you understand you're under oath?

7 MR. WEBSTER: Yes, sir, I do.

8 BOARD CHAIRMAN FLYNN: Okay. I'll turn it over
9 to the investigator.

10 MR. MAXWELL: Investigator Maxwell. In 2004,
11 out of California, the applicant was arrested for
12 burglary at the felony level. This was disclosed. One
13 year four months prison, less credits of 217 days for
14 time served, three years probation. Probation was
15 revoked in 2006. And we pulled the court documents from
16 the San Bernardino Superior Court website.

17 In February of 2006, in California, unlawful
18 sexual intercourse with a minor under 18, at the felony
19 level. This was disclosed. One year four months
20 prison, less credit of 43 days for time served and 14
21 days for good conduct. Again, the court documents were
22 pulled from the San Bernardino Superior Court website.

23 In 2008, California, petty theft with a prior,
24 felony level. This one was not disclosed. One year
25 four months prison, less credit of 69 days for time

1 served and 22 days good conduct credit. Court documents
2 were again pulled from the San Bernardino court website.

3 The applicant was not made provisional. His
4 disclosed arrests were checked on the San Bernardino
5 Superior Court website, and they were shown as felonies,
6 and he was denied on January the 2nd of this year.

7 BOARD CHAIRMAN FLYNN: Okay. Thank you.

8 Mr. Webster, do you want to explain what
9 happened and why you didn't disclose?

10 MR. WEBSTER: Yes, sir. The reason why I did
11 not disclose that was, is because that was actually ran
12 concurrent with something else that I was being charged
13 for.

14 So I'll take you back to the sex with a minor
15 under the age of 18. I had a relationship with the
16 woman who is now my wife, with three kids, Nicole Yates.
17 She got pregnant with our son at the age of 17. During
18 a meeting with the doctor, she disclosed information
19 about me, and which the doctor took that information and
20 was allowed to violate me on my probation. She, it was
21 stated that she had to give information in regards to a
22 crime due to the fact of the age difference between me
23 and Nicole. So that's why I was violated on probation,
24 was because I had caught a new case in regards to the
25 sex with a minor.

1 Again, I have a relationship with Nicole Yates,
2 who is now Nicole Webster. We have three kids together,
3 and we raise seven kids together.

4 In regards to the petty theft, sir, the reason
5 why that wasn't disclosed is because, like I said, it
6 was ran concurrent with something else. I was arrested
7 for a petty theft. They found out that I was with
8 Nicole. I had used Nicole as a way to help in regards
9 to having my back in regard to not being found guilty of
10 the petty theft. They still stated that I was guilty of
11 the petty theft. And because I was with Nicole, I have
12 a crime that stated that I wasn't supposed to have
13 contact with her. And while I was fighting those
14 conditions of parole, they had violated me for that.

15 So I was understand the impression that I
16 wasn't being charged for a violation of parole and not
17 for the petty theft, which is one of the reasons why I
18 did not disclose the information. And I apologize for
19 that.

20 BOARD CHAIRMAN FLYNN: Okay. So I'm clear, for
21 the investigator, which one did he disclose?

22 MR. WEBSTER: I disclosed the sex with a minor
23 under the age of 18 and the commercial burglary.
24 Because I was violated for broken conditions, I did not
25 disclose the petty theft, which was a new charge.

1 BOARD CHAIRMAN FLYNN: Okay.

2 MR. MAXWELL: Investigator Maxwell. That is
3 correct, sir. The burglary was disclosed, and the
4 unlawful sexual intercourse with a minor was disclosed.
5 The petty theft was not.

6 BOARD CHAIRMAN FLYNN: Okay. And then,
7 Mr. Webster, what are you doing for employment now?

8 MR. WEBSTER: Well, currently, right now, sir,
9 I am, I am guard-carded in the state of California. I
10 got guard-carded with a company called Global
11 Protection. I do private security bodyguard work. It
12 was -- so I worked my way up. I am now a field
13 operations manager. I've only stopped working,
14 obviously, because of things going on with Covid.

15 During events that I was working, I came across
16 a company called DTA Security. They liked my work
17 ethics. They were a security consulting company. And
18 during the job that I was managing one of their events,
19 they offered me an opportunity to come to work for their
20 company, which they are out of Nevada. So, actually,
21 DTA is the one who paid for my fees to get licensed in
22 hopes that I could be able to do a trade show that was
23 happening in January. But the time frame and,
24 obviously, because I had a felony, which required an
25 automatic dismissal, that I wasn't able to that job with

1 them. And they have been very patient and waiting to,
2 hopefully, get a decision that would favor for me to be
3 able to do some work with them.

4 Like I said, I still do security work, private
5 work in California only, with Global, like home parties
6 and things of that nature, whatever it is allowed to be
7 done currently right now in California.

8 BOARD CHAIRMAN FLYNN: Okay. And you're
9 currently residing in California?

10 MR. WEBSTER: Yes. Yes, sir.

11 BOARD CHAIRMAN FLYNN: All right. Thank you.

12 MR. WEBSTER: For the -- or no problem, sir.

13 BOARD CHAIRMAN FLYNN: All right. Any other
14 questions from the Board?

15 All right. Hearing none, I'll entertain a
16 motion.

17 I'm call for a motion a second time.

18 MR. THOMAS: Yes, Eddie Thomas.

19 BOARD MEMBER NIXON: So I just want to make
20 sure. This is Nixon. I just want to make sure. He
21 disclosed two of the three charges?

22 MR. MAXWELL: Investigator Maxwell. That is
23 correct, ma'am.

24 BOARD CHAIRMAN FLYNN: And I understand it that
25 he disclosed the felonies and forgot about the petty

1 misdemeanor?

2 MR. MAXWELL: The petty theft showed as a
3 felony on the fingerprint report and, also, the
4 San Bernardino court website, but that was the one that
5 wasn't disclosed.

6 BOARD CHAIRMAN FLYNN: Okay. Thank you.

7 BOARD MEMBER NIXON: And we did do, we did do
8 one year four months in prison for that petty theft?

9 MR. WEBSTER: Yes, ma'am. And, again, I know
10 how serious you guys are about disclosing information.
11 And the only reason, like I said, that I did not
12 disclose that because I was told that that was being ran
13 with my violation of probation, excuse me, a violation
14 of parole. I was given two conditions of parole. One
15 was because, to not have contact with Nicole, because
16 they looked at her as a victim instead of an individual
17 who I had a relationship with. We're a five-year
18 difference. We had a son. So it look a long time in
19 order to be able to fight those conditions, of which I
20 was granted and was given the ability to have contact
21 with her.

22 One of the other conditions was they had given
23 me conditions that I couldn't have a relationship with
24 any minor kids under the age of 18, even though I did
25 not have to register and was not required to register as

1 a sex offender. So that stopped me from being able to
2 raise my kids with Nicole.

3 BOARD MEMBER NIXON: Oh, I see.

4 MR. WEBSTER: So, again, when I -- we were with
5 each other because we had to sneak around in order to be
6 able to have a relationship, so that I could raise my
7 son. And so, again, when --

8 BOARD MEMBER NIXON: Did you two get married?

9 MR. WEBSTER: We got, we actually, we've been
10 together for 18 years, but we've only been married for a
11 year. We got married last year in April.

12 BOARD MEMBER NIXON: I see. Okay.

13 BOARD MEMBER GRONAUER: This is Gronauer.

14 BOARD CHAIRMAN FLYNN: Yeah, go ahead, Bobby.

15 BOARD MEMBER GRONAUER: All right. When you
16 look at the record, okay, and you see it's one year four
17 months for the first one, one year four months the
18 second one, one year four months for the third one, what
19 California did or what the courts did here, apparently,
20 is they put all these right together. You know, and so
21 when he violated probation, the other one comes up, the
22 other one came up. I think, that's what he was trying
23 to explain. At least that's the way I understand it.
24 And when you look at that, the way it's all written out,
25 San Bernardino, it's one year four months, one year four

1 months, one year four months. It's like, okay, you
2 violated your probation, so now we'll add this on to you
3 again. That's, you know, almost like a stacking up.

4 BOARD MEMBER NIXON: So, Bobby, just so I
5 understand, so he only in total did one year four
6 months, not one year four months three times?

7 BOARD MEMBER GRONAUER: That's up to the
8 applicant to answer that or else --

9 BOARD MEMBER NIXON: Okay.

10 MR. WEBSTER: Yes. Yes, ma'am, that is
11 correct. With the petty theft violation, again, they
12 told me it was a broken condition. So I was being
13 charged for breaking conditions of parole. They ran
14 concurrent. And that was the only thing that I was
15 being aware of, because they were trying to get me more
16 for the broken conditions, because they felt that it
17 would hold more time. But when they found out that it
18 was breaking conditions in regards to Nicole, who we
19 have kids with, my conditions in regards to my kids was
20 dismissed while I was incarcerated. And a month after I
21 was released in December of 2008, January 1st my parole
22 officer contacted me and told me that my conditions in
23 regards to Nicole were dismissed.

24 So all this stuff, yes, sir, and yes, ma'am,
25 was all ran concurrent, which is why I was only was

1 released 30 days and was already off of parole.

2 BOARD MEMBER GRONAUER: Okay. Excuse me. But
3 that's the way I'm looking at it, too, is that because
4 of the way it's written on here, it looks like
5 everything was concurrent, it was all put together. And
6 then he made a misstep, and so they said, "Okay. We'll
7 add this to it." And somebody can violate his parole at
8 this time, or probation, whatever.

9 BOARD MEMBER NIXON: Okay. Thank you. I'm
10 ready to make a motion.

11 BOARD CHAIRMAN FLYNN: All right. Any other
12 questions?

13 Okay. Hearing none, I'll entertain a motion.

14 BOARD MEMBER NIXON: This is --

15 MR. WEBSTER: I know it's Nixon.

16 BOARD MEMBER NIXON: I don't know my name.
17 Nixon. I move to approve the appeal of Mr. Amra
18 Webster.

19 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
20 Do I have a second?

21 BOARD MEMBER GRONAUER: Gronauer. Second.

22 BOARD MEMBER BROWN: I will second.

23 BOARD CHAIRMAN FLYNN: All right. Gronauer
24 seconds. Any further discussion?

25 All right. Just for the record, I understand

1 why there's confusion, but I also understand that
2 Mr. Webster did disclose. And maybe we missed a minor
3 procedural thing, but he did disclose, if anything, the
4 more serious charges. And he explained himself well.

5 So with that, I will, unless there's any other
6 discussion, I'll call for a vote.

7 Hearing none, all those in favor of the motion,
8 state "aye."

9 (Board members said "aye.")

10 BOARD CHAIRMAN FLYNN: Any opposed?

11 All right. Mr. Webster, good luck to you.

12 MR. WEBSTER: Thank you guys so very much. I
13 really appreciate this, sir, ma'am.

14 BOARD CHAIRMAN FLYNN: All right.

15 BOARD MEMBER NIXON: Thank you.

16 MR. WEBSTER: Thank you guys.

17 BOARD CHAIRMAN FLYNN: Mr. Ingram, do you want
18 to do Mr. Williams, number 115?

19 MR. INGRAM: Yes, sir. We had asked him to
20 call back in at 1:00 o'clock.

21 And Mr. Donald Williams, agenda number 115, are
22 you currently on the call, sir?

23 MR. WILLIAMS: Yes, sir, I am here.

24 BOARD CHAIRMAN FLYNN: All right.

25 Mr. Williams, please understand that you're still under

1 oath. Do you understand that?

2 MR. WILLIAMS: Yes, sir.

3 BOARD CHAIRMAN FLYNN: Okay. I'm going to let
4 Mr. Ingram tell you what we found out. And before you
5 jump to any conclusions, I'm going to speak after
6 Mr. Ingram, because I don't think you're going to make
7 the right conclusion.

8 MR. INGRAM: Thank you, Mr. Chair. So the
9 information that we were able to uncover --

10 (There was an outside interruption.)

11 MR. INGRAM: Excuse me. Who's speaking right
12 now?

13 (There was an outside interruption.)

14 MR. INGRAM: Who's speaking right now?

15 MR. WILLIAMS: I don't know, sir.

16 MR. INGRAM: Okay. I think, they got off the
17 call.

18 Okay. Mr. Williams, what we were able to find
19 out was that the company you were employed by --

20 MR. WILLIAMS: Yes, sir.

21 MR. INGRAM: -- is not licensed in Nevada. We
22 did contact them, and they did provide us information
23 that they are currently providing services in Nevada.

24 MR. WILLIAMS: Okay.

25 MR. INGRAM: So we have opened an investigation

1 into that company, and we will be following through on a
2 very thorough investigation of that company. So at --

3 MR. WILLIAMS: Yeah, I got the -- oh. I'm
4 sorry.

5 MR. INGRAM: So at this time, I'll turn it back
6 over to Chairman Flynn.

7 MR. WILLIAMS: Okay.

8 BOARD CHAIRMAN FLYNN: And, Mr. Williams,
9 whatever the company is doing, as far as I'm concerned,
10 has no reflection on you.

11 MR. WILLIAMS: Thank you, sir.

12 BOARD CHAIRMAN FLYNN: You did answer our
13 questions before. More importantly, you did disclose
14 what occurred. And so I don't have any further
15 questions. I will throw it out to the Board if they've
16 got any.

17 All right. Hearing no questions -- hearing no
18 questions from the Board, I will entertain a motion.

19 BOARD MEMBER NIXON: This is Nixon.

20 BOARD MEMBER GRONAUER: This is Gronauer. I'll
21 make a motion to grant the appeal.

22 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
23 Do I have a second?

24 BOARD MEMBER NIXON: This is Nixon. I second.

25 BOARD CHAIRMAN FLYNN: Okay. We have a motion.

1 We have a second. And I'll call for a vote if there's
2 no further discussion.

3 All those in favor, state "aye."

4 (Board members said "aye.")

5 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

6 Mr. Williams, congratulations. You have a good day.

7 MR. WILLIAMS: Thank you. I appreciate it.

8 You have a good day.

9 BOARD MEMBER NIXON: Thank you.

10 BOARD CHAIRMAN FLYNN: So if I'm correct, we're
11 up to number 144, Mr. Ingram?

12 MR. INGRAM: That is correct, 144.

13 BOARD CHAIRMAN FLYNN: All right. Why don't we
14 do, before we get to that, why don't we your 186. Let's
15 make sure we take care of that today.

16 MR. INGRAM: Okay. So item number 186. I'm
17 going to go ahead and ask legal counsel Detmer to go
18 ahead and take over on this item agenda, so that we
19 don't in any way affect the Board's ability to decide on
20 a hearing in the future.

21 Mr. Detmer.

22 MR. DETMER: And good afternoon. Mike Detmer,
23 for the record. Out of consideration for the Board's
24 time, the length of the agenda, as well as those in the
25 queue, I'm going to make every effort to be brief and

1 try to just summarize and allow for questions as needed.

2 This summary investigation is being conducted
3 into a set of matters, will determine if it would be
4 prudent to get issued subpoena duces tecum for further
5 substantiation and/or for burden of proof
6 considerations. While NRS 648.160, I believe it's
7 sub 3, cannot be interpreted to vest the authority to
8 issue subpoenas in the Executive Director, it was my
9 belief that out of further prudence, it would be a good
10 idea to have this delegation clearly provided by the
11 Board.

12 So with that, I would submit. So if it wasn't
13 clear, the main request for this agenda item, the
14 delegation of authority to the ED to issue subpoena
15 duces tecum on the matters that are listed under this
16 item.

17 BOARD CHAIRMAN FLYNN: Okay. So do you have
18 anything else, Mr. Detmer?

19 MR. DETMER: I submit to any questions that the
20 Board may have.

21 BOARD CHAIRMAN FLYNN: Okay. And just for my
22 fellow Board members, the Executive Director discussed
23 this with me during one of our regular discussions,
24 meetings. And I felt that not only can we delegate this
25 to him, in terms of issuing subpoenas, but I did ask him

1 that, in the future, when he does use this delegation,
2 that he needs to report to the Board on the type of
3 subpoenas he's issuing and the type of cases.

4 And with that, I'll turn it over to any
5 questions from the Board.

6 BOARD MEMBER GRONAUER: This is Gronauer.

7 BOARD CHAIRMAN FLYNN: Go ahead.

8 BOARD MEMBER GRONAUER: Yeah, it gives him
9 optimum power. I have no problem with that at all, in a
10 lot of ways, and I trust our Executive Director. And,
11 but there's always other executive directors maybe in
12 the future. And I just want to know, do we have any
13 guidelines for something like this, rather --

14 MR. DETMER: This is Mike Detmer, for the
15 record. I'm sorry. Please proceed, Board Member
16 Gronauer.

17 BOARD MEMBER GRONAUER: Okay. I'm sorry. The
18 idea was the guidelines that was just stated just tell
19 us about afterwards. I'd like to know maybe if we have
20 some guidelines to keep him within them guidelines.
21 That's all I'm asking.

22 MR. DETMER: Mike Detmer, for the record. So
23 as to this particular agenda item, it is specific to a
24 certain investigation that's being conducted on an
25 appeal citation. It is my belief that it was going to

1 be a more generalized delegation for any and all
2 investigations, that that should probably be done under
3 a regulation.

4 In this instance, it would be specifically for,
5 again, for this particular investigation and only for
6 matters that would further the investigation, either for
7 further substantiation reasons or for burden of proof
8 considerations.

9 BOARD MEMBER GRONAUER: Thank you.

10 BOARD CHAIRMAN FLYNN: So, I guess, going to
11 Commissioner Gronauer's, there's no guidelines right
12 now, either under NAC or PILB policy, is there, for
13 subpoenas?

14 MR. DETMER: Mike Detmer, for the record. No,
15 nothing that is clearly spelled out, as far as the
16 NRS 648 or NAC 648 goes. There are, there is
17 generalized language, but it's basically just for the
18 purpose of investigation or for matters of importance to
19 the Board.

20 BOARD CHAIRMAN FLYNN: So, I think, we've got
21 two matters at hand. One is the subpoenas that the
22 Executive Director wants to execute now for a particular
23 investigation, and then what we do in the future. And
24 that's how I understand where the discussion should go.

25 MR. DETMER: Chairman, if I may, I would advise

1 against the latter. I believe, it's going to be for
2 future delegations. If it's like a broad one, like a
3 generalized rule of general applicability, that needs to
4 go by regulation. This would just be specific to this
5 one, this one matter.

6 BOARD CHAIRMAN FLYNN: Okay.

7 MR. INGRAM: Mr. Chair, if I may, Kevin Ingram.

8 BOARD CHAIRMAN FLYNN: Yes.

9 MR. INGRAM: Since our discussion, I reached
10 out to LCB, under the direction of Board counsel, to
11 clarify how we would move forward for future, if the
12 Board intended to do so. It was too late to get it on
13 the proposed NACs that have already been provided. And
14 we can do that in the future. But, again, as Mr. Detmer
15 said, that would be under a separate agenda item on a
16 future meeting, for us to be able to move forward and
17 draft that. At the time we briefly spoke, we did not
18 have that understanding from LCB at that time. So this
19 is new information since we last spoke.

20 Thank you.

21 BOARD CHAIRMAN FLYNN: All right. So for
22 today's purposes, it's only you're asking for subpoenas
23 on these four cases. Is that correct?

24 MR. INGRAM: That is correct.

25 BOARD CHAIRMAN FLYNN: Okay. And then you guys

1 will work on putting something together, if we do this
2 in the future, to address Commissioner Gronauer's
3 concern, which I also agree with.

4 MR. DETMER: Mike Detmer, for the record. That
5 can't be done, Chair, because --

6 (There was an outside interruption.)

7 BOARD CHAIRMAN FLYNN: Those of you that are on
8 the call that aren't part of this agenda item, you need
9 to mute. Thank you.

10 Bobby, are you okay with this?

11 Is anybody there? It just went really silent.

12 BOARD MEMBER GRONAUER: No, I'm here now.

13 Okay.

14 BOARD CHAIRMAN FLYNN: Okay.

15 BOARD MEMBER GRONAUER: The way it's written in
16 the agenda item is pretty, it is specific. So it
17 already gives you the guidelines for them four cases.
18 So long as we're not going any further than that, I'm
19 good with it.

20 BOARD CHAIRMAN FLYNN: Okay. Kevin, can you
21 divulge what type of cases these are?

22 MR. DETMER: Chairman, if I may?

23 BOARD CHAIRMAN FLYNN: Yes.

24 MR. DETMER: Mike Detmer, for the record. I
25 hesitate to go any too far into a factual, the factual

1 scenario, because I don't want to bias the Board if and
2 when it sits as the trier of fact. I will go to what
3 extent that I can. What I can say, if it's helpful in
4 the immediate, is that it is an unlawful activity
5 citation.

6 BOARD CHAIRMAN FLYNN: Okay. Good enough.

7 BOARD MEMBER GRONAUER: That's good.

8 BOARD CHAIRMAN FLYNN: I good. So we
9 understand that this is strictly for these four cases
10 that has to do with unlawful activity. And I need a
11 motion to delegate.

12 BOARD MEMBER GRONAUER: Gronauer.

13 BOARD CHAIRMAN FLYNN: All right. I have a
14 motion. Do I have a second?

15 BOARD MEMBER BROWN: Brown will second.

16 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
17 I have a second. Any other discussion?

18 I'll call for a vote. Oh, before I call for a
19 vote, is there any public comment on this particular
20 item?

21 All right. Hearing none, call for a vote. All
22 those in favor, say "aye."

23 (Board members said "aye.")

24 BOARD CHAIRMAN FLYNN: Okay. Motion carried.

25 All right. Number 144, Philip Corrado.

1 Mr. Corrado, are you here?

2 MR. CORRADO: I am present.

3 BOARD CHAIRMAN FLYNN: Thank you for your
4 patience, sir. Do you understand you're under oath?

5 MR. CORRADO: Yes, sir.

6 BOARD CHAIRMAN FLYNN: Okay. I'll let the
7 investigator jump in.

8 MR. SALADINO: Investigator Saladino.

9 BOARD CHAIRMAN FLYNN: Go ahead.

10 MR. SALADINO: The applicant was denied for a
11 1987 defraud an innkeeper, out of Virginia, at a felony
12 level, where he was convicted and received two years of
13 probation. The applicant did not disclose this arrest.
14 The court documents show he received two years of
15 probation.

16 In 1988, out of Virginia, there was a larceny
17 credit card theft at a felony level. The applicant was
18 convicted and received five years of probation. The
19 applicant did not disclose this arrest. This arrest and
20 conviction caused the applicant's probation for
21 defrauding an innkeeper to be revoked. The applicant
22 was then sentenced to five years of probation.

23 In 1997, out of California, there was an
24 inflict corporal injury to a spouse at a felony level,
25 where the applicant received four years of probation and

1 four months jail time. They did disclose this and also
2 provided the California Penal Code 1203.4 on his
3 application. The dismissal was confirmed with the
4 applicant's fingerprint report.

5 BOARD CHAIRMAN FLYNN: Okay. Mr. Corrado, do
6 you want to explain why you didn't disclose?

7 MR. CORRADO: Absolutely. Just an oversight,
8 to be totally honest with you and to throw myself at the
9 mercy of the Board here. I hadn't disclosed that on any
10 of my security clearance applications for probably the
11 past 20 years. And, honestly, I'm not denying it. I
12 did both of those. It did happen back, back then, when
13 I was younger. And I wish I would have put that on my
14 application, because I wouldn't be in the situation
15 today and wasting everybody's time. So I do apologize.

16 BOARD CHAIRMAN FLYNN: Okay. It's short and
17 sweet. I like that.

18 All right. Any other questions from the Board?

19 Okay. Mr. Corrado, what are you doing for
20 employment these days?

21 MR. CORRADO: I am currently a federal canine
22 contracted officer with the Defense Logistic Agency in
23 Tracy, California, with the Department of Defense, where
24 I have been with them for the past four and a half
25 years.

1 BOARD CHAIRMAN FLYNN: And why do you want a
2 guard card in Nevada?

3 MR. CORRADO: I own and operate my own company
4 here in California, which is Confidential Canine. And I
5 do get calls very often to come out and help with big
6 major events that are out there. And I also am heavily
7 involved in the private aviation sector. And I have
8 several clients that go in and out of Nevada at least
9 every month, sometimes twice a month. And I would like
10 to be able to come into Nevada to legally be at the
11 airport and see a few planes and make sure these planes
12 are getting screened before my clients get back on them.

13 BOARD CHAIRMAN FLYNN: Okay. Thank you.

14 MR. CORRADO: You're welcome, sir.

15 All right. For the second time, any questions
16 from the Board?

17 BOARD MEMBER GRONAUER: Yeah, I have a
18 question. This is Gronauer.

19 BOARD CHAIRMAN FLYNN: Go ahead.

20 MR. CORRADO: Yes, sir.

21 BOARD MEMBER GRONAUER: Okay. When you come in
22 and out of Nevada, who are you working for?

23 MR. CORRADO: Generally, I work for JetSmarter
24 or XO Jet. And I also work for, I also do some
25 security -- well, it's not really security. We're

1 getting some suites for the executives at Twitter. So,
2 basically, when I do fly in, I fly into Nevada. I'd
3 stay at the airport. I usually don't leave the airport.
4 They come back. I make sure the plane's fine, and they
5 fly out.

6 But I have not been going to Nevada since I
7 talked to the investigator. And I haven't been to
8 Nevada since probably last year. But I have been going
9 in and out of Nevada before I even knew I needed a work
10 card. I didn't think I needed one, because we would
11 come in, and, like I said, I never even left the
12 airport. I'd usually stay in the plane. But I do get
13 called quite a bit by other companies to come in to work
14 some events.

15 BOARD MEMBER GRONAUER: All right. Well, a
16 work card is not a license. Do you understand that?

17 MR. CORRADO: Yes, sir, I do understand that.

18 BOARD MEMBER GRONAUER: So if you have a work
19 card, you should be working with a licensed person.

20 MR. CORRADO: Correct. Mr. Vinny explained
21 that to me. Like I told him, I do get other companies
22 that want me to come out there. But he did also tell me
23 that I should probably mention to the Board that I do
24 want to follow up and get our active license with the
25 state, so we can be 100 percent within the limits of the

1 law here.

2 BOARD MEMBER GRONAUER: Okay. Mr. Ingram, did
3 I explain that correctly?

4 MR. INGRAM: Yes. If they're working DOJ
5 contracts specifically with the airlines, they may have
6 some freedom to do that. But working independent of
7 DOJ, you are 100 percent correct. And, I think, it was
8 well-explained. Thank you.

9 BOARD MEMBER GRONAUER: Thank you.
10 Thank you, Mr. Corrado.

11 MR. CORRADO: You're welcome, sir.

12 BOARD CHAIRMAN FLYNN: Any other questions?
13 Okay. Hearing none, I'll entertain a motion.
14 I'll call for a motion a second time.

15 BOARD MEMBER BROWN: This is Board Member
16 Brown. I move that we grant the appeal for Mr. Corrado.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 Do I have a second?

19 Okay. I have a motion, but I don't have a
20 second. I'll call it one more time.

21 Okay. Motion failed. I'll call for a new
22 motion. Anybody that has a new motion?

23 BOARD MEMBER GRONAUER: Gronauer.

24 BOARD CHAIRMAN FLYNN: Go ahead.

25 BOARD MEMBER GRONAUER: I make a motion we deny

1 the appeal, with a caveat that we usually stay with the
2 noncompliance or not reporting it. And, I think, he can
3 reapply if do all the proper stuff.

4 BOARD CHAIRMAN FLYNN: Okay. I have a motion
5 to deny. But, all right, and we will explain that to
6 the applicant. Do I have a second?

7 BOARD MEMBER NIXON: This is Nixon. I second.

8 BOARD CHAIRMAN FLYNN: Okay. I have a motion
9 and a second. Any further discussion?

10 Okay. Hearing none, I'll call for a vote. All
11 those in favor, state "aye."

12 (Board members said "aye.")

13 BOARD CHAIRMAN FLYNN: Any opposed?

14 BOARD MEMBER BROWN: Nay. Brown.

15 BOARD CHAIRMAN FLYNN: Okay. One opposed. So
16 the motion passes three to one.

17 So, Mr. Corrado, basically, what you heard is
18 that when you reapply in a year, disclose everything.
19 And, hopefully, things will go a lot better.

20 MR. CORRADO: All right. Thank you very much.
21 I'm not going to let this hinder me working, to be
22 totally honest with you, so. I mean I did everything I
23 was supposed to do. I understand what you guys said. I
24 have had no problems with anything. And I've heard you
25 guys approve way worse since I've been on the line for

1 the past three hours. But again, I will reapply. But
2 if I have to come into Nevada with a flight, I'm not
3 going to let my client sit there and not have
4 protection. We both know the private industry has
5 nobody checking those planes there. And I'm not going
6 to let my clients down.

7 BOARD CHAIRMAN FLYNN: Well, don't be
8 threatening our procedures. You have fun in California.

9 MR. CORRADO: I'm not threatening your
10 procedures. You're threatening my livelihood.

11 BOARD CHAIRMAN FLYNN: You enjoy your business
12 in California. You have a good day, sir. Well, look,
13 I'll remember you next year when you come forward.

14 MR. INGRAM: Mr. Chair. Mr. Chair, if I may?

15 BOARD CHAIRMAN FLYNN: Yeah.

16 MR. INGRAM: Any violations of our chapter are
17 also, can be processed criminally, both for misdemeanor
18 and gross misdemeanor. I just want to put that on the
19 record. Thank you very much.

20 MR. CORRADO: All right. You're welcome.

21 BOARD CHAIRMAN FLYNN: I'm well aware of the
22 criminal charges.

23 MR. CORRADO: Okay. Thank you very much. Have
24 a great day.

25 BOARD CHAIRMAN FLYNN: All right. Number 145,

1 Stephanie Amaya, are you here? 145, Stephanie Amaya?

2 Okay. We will trail that.

3 146, Charles Meeks, are you here?

4 MR. MEEKS: Yes, sir.

5 BOARD CHAIRMAN FLYNN: All right. Do you
6 understand you're under oath, sir?

7 MR. MEEKS: Yes, sir.

8 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
9 this over to the investigator.

10 MR. MAXWELL: Investigator Maxwell. In 2000,
11 out of Oklahoma, the applicant was charged with larceny
12 of merchandise from a retailer. This was at felony
13 level. Disposition showed he was given one year in
14 jail, where 315 days of those were suspended, and an
15 unknown probation term. This was not disclosed, and we
16 do not have court docs.

17 The applicant did not disclose the arrest on
18 the application. He was initially made provisional on
19 12-5 of '19 and was not on any roster. The arrest was
20 found on the fingerprint report, and he was denied on
21 1-8 of this year.

22 BOARD CHAIRMAN FLYNN: Okay. Do you want to
23 explain what happened, please?

24 MR. MEEKS: Okay. The bottom line is I was
25 wrong place, wrong time. I was young. My brother was

1 shoplifting, him and his friends. And they got away.
2 His friends pointed the finger at me, since I was over
3 the age. And I got arrested for their crime. And next
4 thing I know, I'm doing the -- I'm doing jail time for
5 their crime that they committed.

6 And I did not disclose it because it was almost
7 20 years ago. And the time I went to go put the
8 application in, it was too late.

9 BOARD CHAIRMAN FLYNN: Why? I misunderstood.
10 Why was it too late to disclose?

11 MR. MEEKS: I already submitted the
12 application. And I had a lot of stuff already going on
13 in my life already, taking care of mom and dad.

14 BOARD CHAIRMAN FLYNN: Okay.

15 MR. MEEKS: But that's my fault.

16 BOARD CHAIRMAN FLYNN: All right. What are you
17 doing for employment now?

18 MR. MEEKS: I'm a mobile mechanic. I do
19 mechanic work for disabled vets.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 Any other questions from the Board?

22 BOARD MEMBER GRONAUER: Gronauer. Where do you
23 live now, sir?

24 MR. MEEKS: I live here in Las Vegas, right
25 here in North Las Vegas, 89030, over by Kerry and

1 Commerce.

2 BOARD MEMBER GRONAUER: All right. Are you
3 registered with the Sheriff's Department?

4 MR. MEEKS: Yes.

5 BOARD MEMBER GRONAUER: Do you know what I
6 mean? Are you registered as an ex-felon?

7 MR. MEEKS: Oh. No, sir.

8 BOARD MEMBER GRONAUER: Okay. Do you know the
9 law on that?

10 MR. MEEKS: No, sir.

11 BOARD MEMBER GRONAUER: All right. I advise
12 you to look that up, okay, about registering as an
13 ex-felon with the Sheriff in Clark County.

14 MR. MEEKS: Yes, sir.

15 BOARD MEMBER GRONAUER: And that's all I have.

16 BOARD CHAIRMAN FLYNN: Okay. Any other
17 questions?

18 All right. Call for a vote. I'm sorry. I'll
19 call for a motion.

20 BOARD MEMBER NIXON: This is Nixon. I move
21 that we uphold Mr. Charles Meeks' denial due to
22 nondisclosure.

23 BOARD CHAIRMAN FLYNN: Okay. Thank you.

24 Do I have a second?

25 BOARD MEMBER GRONAUER: Gronauer. Second.

1 BOARD MEMBER BROWN: Brown will second.

2 BOARD MEMBER GRONAUER: Okay. Brown will.

3 BOARD CHAIRMAN FLYNN: Gronauer seconds. Any
4 further discussion?

5 All right. Hearing none, I'll call for a vote.

6 All those in favor of the motion, state "aye."

7 (Board members said "aye.")

8 BOARD CHAIRMAN FLYNN: Any opposed?

9 All right. Mr. Meeks, good luck to you. You
10 can reapply in a year.

11 MR. MEEKS: All right. Thank you, sir.

12 BOARD CHAIRMAN FLYNN: All right. Number 147,
13 Tonja Newson?

14 MS. NEWSON: Yes, sir.

15 BOARD CHAIRMAN FLYNN: Okay. Do you understand
16 you're under oath?

17 MS. NEWSON: Yes, sir.

18 BOARD CHAIRMAN FLYNN: Okay. I'll let the
19 investigator jump in.

20 MR. MAXWELL: 1986, out of California, the
21 applicant was charged with taking a vehicle without
22 owner's consent, at misdemeanor level. Disposition
23 showed 180 days jail. This was not disclosed. We do
24 not have court docs.

25 In June of the same year, in California, grand

1 theft from a person. This was charged at misdemeanor
2 level. 36 months probation, 180 days jail, not
3 disclosed, no court docs.

4 January '87, California, possess CS
5 paraphernalia, misdemeanor, six months jail, not
6 disclosed, no court docs.

7 In March of '87, possess narcotic controlled
8 substance, out of California. This was a wobbler.
9 Disposition showed a 16-month prison, did not disclose,
10 and no court docs. The wobbler means that it could be
11 charged as either a misdemeanor or a felony.

12 April of '88, out of California, possess
13 narcotic controlled substance. Again, it was a wobbler.
14 36 months probation, not disclosed, no court docs.

15 February '89, California, obstruct/resist a
16 public officer, misdemeanor, 60 days jail, not
17 disclosed, no court docs.

18 July '91, California, false ID to specific
19 peace officers, misdemeanor, two years probation, nine
20 days jail, not disclosed, no court docs.

21 February 2000, California, possess narcotic
22 controlled substance, felony, 16 months prison, not
23 disclosed, no court docs.

24 The applicant was initially made provisional on
25 February of this year and hired by Contemporary Services

1 Corporation, license 1621, on February 19th of this
2 year. All arrests and convictions were found on the
3 fingerprint report. She was denied on March 10th of
4 this year and terminated from CSC the same day.

5 BOARD CHAIRMAN FLYNN: Okay. Thank you.

6 Do you want to explain why you didn't disclose?

7 MS. NEWSON: Well, I'm just so, I'm ashamed.
8 I'm just so ashamed I can't even talk. I got my life
9 together now. But I don't, I'm not a -- I was doing
10 good. And I didn't think I had to go back so far. 10
11 years? But there's more than that. But I so
12 embarrassed. Even if you don't give it to me, I'll
13 understand. I'm 56 years old. I was on drugs. I lived
14 in the projects. I lived in Vegas. I got a job. I
15 work at Amazon. I'm a new driver. But I'm just, oh, so
16 sorry. I didn't even realize I did all that stuff. I
17 know I did something. I was on drugs. I'm just, I'm so
18 sorry.

19 BOARD CHAIRMAN FLYNN: Okay. All right. What
20 we'll do, since you forgot most of these, and I believe
21 you, is that we will ensure that you get a listing, that
22 we'll send to you, either email or mail, so you'll
23 remember in the future for whether you're applying for
24 this job or any other.

25 MS. NEWSON: I won't apply no more, because I'm

1 just, I'm done. I never thought that it would come back
2 this far. I'm 57. That happened over 20, 30 years ago.
3 But I understand it. But I'm done.

4 BOARD CHAIRMAN FLYNN: Well, no, but, you know,
5 we're still having a meeting. I'm only speaking for
6 myself. There's other Board members here.

7 MS. NEWSON: I mean I was working, I was
8 working in Vegas at the Sphere. I worked at 3:00 at
9 night to 11:00 in the afternoon, and that was my shift.
10 And they wanted me back. But I didn't even know I did
11 anything until they came and got me.

12 BOARD CHAIRMAN FLYNN: Okay.

13 MS. NEWSON: I was like, what did I do? And
14 they pulled me from my post.

15 BOARD CHAIRMAN FLYNN: All right. Take a
16 breath.

17 MR. NEWSON: Oh, yeah.

18 BOARD CHAIRMAN FLYNN: Mr. Maxwell, what was
19 the year of the last arrest?

20 MR. MAXWELL: Yes, sir. Investigator Maxwell.
21 That was February of 2000.

22 BOARD CHAIRMAN FLYNN: Okay. 20 years ago.
23 And did he disclose any?

24 MR. MAXWELL: No, sir, nothing was disclosed.

25 BOARD CHAIRMAN FLYNN: Okay. Thank you.

1 Any other questions from the Board?

2 MS. NEWSON: You know, my life was doing good.
3 I just need a chance. I'm embarrassed, though. Just
4 give me a chance.

5 BOARD CHAIRMAN FLYNN: Okay, ma'am. Just catch
6 your breath.

7 No other questions from the Board?

8 BOARD MEMBER GRONAUER: I'll ask a couple
9 questions. Ms. -- it's Ms. Tonja, right?

10 MS. NEWSON: Yes, sir.

11 BOARD MEMBER GRONAUER: Okay. Ms. Newson?

12 MS. NEWSON: Yes.

13 BOARD MEMBER GRONAUER: Where did you live when
14 you were having the drug problems?

15 MS. NEWSON: In the projects, they call it the
16 biggest thing going in L.A.

17 BOARD MEMBER GRONAUER: In L.A. Okay. Where
18 do you live now?

19 MS. NEWSON: I live in Vegas. I live up here
20 by Subway. I got a new car. My credit score is good.
21 I work with Amazon. I Lyft drive. But I haven't done
22 no Lyft driving since this stuff broke out. And when it
23 broke out, I was working at CRC. And I was there at the
24 Sphere. I worked 3:00 at night. And I was there every
25 day. They wrote a letter. They want me to come back.

1 And I didn't even know what I did.

2 BOARD MEMBER GRONAUER: It's okay. I'm just
3 trying to get some clarity out of it. That's all. No
4 problem.

5 MS. NEWSON: I haven't done nothing. I'm so
6 sorry. I'm just, I just started crying when I heard her
7 read that stuff. I'm just sorry.

8 BOARD MEMBER GRONAUER: All right. We're not
9 trying to hurt you or anything else. We just have to do
10 our job.

11 MS. NEWSON: Okay.

12 BOARD MEMBER GRONAUER: Calm down. Thank you.

13 MS. NEWSON: I appreciate this.

14 BOARD CHAIRMAN FLYNN: Okay. Any other
15 questions from the Board?

16 All right. I'll seek a motion.

17 Okay. I'm calling for a motion a second time.

18 BOARD MEMBER GRONAUER: I'm going to make a
19 motion. This is Gronauer.

20 BOARD CHAIRMAN FLYNN: Okay. Go ahead, please.

21 BOARD MEMBER GRONAUER: Okay. And it's against
22 what we usually do, I mean what I usually do. The
23 nondisclosure is very, very important to me.

24 MS. NEWSON: Yes, sir.

25 BOARD MEMBER GRONAUER: And if you look at it

1 as being messed up on drugs and stuff. But we've denied
2 other people. And I don't do this on pity or anything
3 else. I do it as a hand up rather than a hand out. And
4 I'm just trying to figure out what's the best thing to
5 do. I don't know Ms. Tonja at all. I don't think it's
6 telling for you all the way. But the disclosure really
7 bothers me. And I just, I could just make the motion.
8 It's up to the Board to do the rest. I'll make a motion
9 to grant the appeal.

10 MS. NEWSON: Thank you.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion
12 to grant the appeal. Is there a second?

13 BOARD MEMBER NIXON: I would like to second.
14 But, you know, again, I'm with Gronauer that this is
15 normally not our practice. But when I look at the
16 crimes, it does seem as though most of them are, you
17 know, not done to a particular person, most of them, but
18 based off of drug addict or drug problems. And so I
19 will second this motion based off of time and distance.

20 MS. NEWSON: Thank you.

21 BOARD CHAIRMAN FLYNN: All right. I've got a
22 motion. I've got a second. Any further discussion from
23 the Board?

24 BOARD MEMBER GRONAUER: I have to make it clear
25 to everybody else, prior and after, that it is very

1 serious, again, I'll be redundant, about disclosure.
2 This happens to be well over 20 years ago, and that's
3 the reason I gave it a little extra okay. Thank you.

4 BOARD CHAIRMAN FLYNN: Okay. I got a motion.
5 I've got a second. Any other discussion?

6 MS. NEWSON: Thank you.

7 BOARD CHAIRMAN FLYNN: All right. Hearing
8 none, I'll call for a vote. All those in favor, state
9 "aye."

10 (Board members said "aye.")

11 MS. NEWSON: Thank you.

12 BOARD CHAIRMAN FLYNN: Any opposed?

13 All right. Motion carries. Congratulations to
14 you. Good luck.

15 MS. NEWSON: Thank you. Thank you. Thank you.
16 Do I just hang up? What do I do?

17 BOARD CHAIRMAN FLYNN: Mr. Ingram.

18 MR. INGRAM: Yeah, just go ahead and hang up.
19 An investigator will reach out to you in the next day or
20 so.

21 MS. NEWSON: Thank you. Thank you so much.
22 Thank you.

23 MR. INGRAM: Thank you. Bye-bye.

24 BOARD CHAIRMAN FLYNN: All right. Number 148,
25 Marian Williams. Is Marian Williams here? Calling

1 Marian Williams one more time?

2 All right. I will trail this one.

3 Number 149, Timothy Baden?

4 MR. BADEN: I'm here.

5 BOARD CHAIRMAN FLYNN: Did I pronounce your
6 last name correctly?

7 MR. BADEN: Yes, you did.

8 BOARD CHAIRMAN FLYNN: Okay. Are you aware
9 you're under oath?

10 MR. BADEN: Yes, sir, I am.

11 BOARD CHAIRMAN FLYNN: Okay. Will the
12 investigator please give us your report.

13 MR. SALADINO: Investigator Saladino. The
14 applicant was denied for a 1984 robbery with the use of
15 a firearm, out of California. This was a felony, where
16 the applicant received a minimum of 12 years prison
17 sentence. The applicant did not disclose this arrest
18 and conviction. The fingerprint report showed the
19 conviction and prison sentence.

20 Also in 1984, there was a grand theft property
21 and report of false crime, which was a misdemeanor,
22 where the applicant received 36 months probation and 180
23 days in jail. The applicant did not disclose this
24 arrest and conviction. And just to make it clear, the
25 misdemeanor conviction was in April of 1984. Whereas

1 the robbery with use of a firearm was November 30th of
2 1984.

3 BOARD CHAIRMAN FLYNN: Okay. Mr. Baden, do you
4 want to explain why you didn't disclose?

5 MR. BADEN: The reason I didn't disclose was
6 because twice, once by an apartment manager that did a
7 background check on me for an apartment in California,
8 told me I no longer -- I didn't have a record showing.
9 Well, I verified that with the Riverside County Sheriff,
10 a deputy at the Riverside County Sheriff's Department
11 that told me the same thing. So it was my understanding
12 that I no longer needed to disclose.

13 BOARD CHAIRMAN FLYNN: So let me understand.
14 An apartment manager told you you didn't need to
15 disclose?

16 MR. BADEN: Well, no, an apartment manager told
17 me that I no longer -- well, she did say I didn't need
18 to disclose. But I went to the sheriff's department to
19 verify, and they told me the same. I was told the same
20 thing there, I no longer had to disclose.

21 BOARD CHAIRMAN FLYNN: Did you get anything in
22 writing?

23 MR. BADEN: No, I didn't. It was verbal.

24 BOARD CHAIRMAN FLYNN: Do you remember who the
25 deputy was?

1 MR. BADEN: No, sir, I don't.

2 BOARD CHAIRMAN FLYNN: Okay. What are you
3 doing currently for work?

4 MR. BADEN: I'm on Social Security, and I'm an
5 ordained pastor.

6 BOARD CHAIRMAN FLYNN: Okay. Any other arrests
7 besides that robbery one in 1984?

8 MR. BADEN: Not that I can remember.

9 BOARD CHAIRMAN FLYNN: Okay. And what was the
10 circumstances of the robbery?

11 MR. BADEN: I had just lost my mom. And I
12 allowed myself to be influenced.

13 BOARD CHAIRMAN FLYNN: Who did you rob?

14 MR. BADEN: I robbed a store.

15 BOARD CHAIRMAN FLYNN: Okay. Was anybody
16 injured?

17 MR. BADEN: No.

18 BOARD CHAIRMAN FLYNN: Okay. And what are you
19 doing for employment now?

20 MR. BADEN: I'm on Social Security. And, as I
21 say, I am an ordained pastor now. I don't get paid for
22 it. What I do is I do broadcast. I've been doing
23 broadcast over KKBV.

24 BOARD CHAIRMAN FLYNN: Okay. All right. Thank
25 you.

1 Any other questions from the Board?

2 BOARD MEMBER NIXON: Can I just -- I'm sorry.
3 Can I just confirm the name is Timothy Baden?

4 MR. BADEN: Yes.

5 BOARD MEMBER NIXON: Okay. So, I guess, I go
6 back to the original. Even if someone told you that you
7 didn't need to disclose anymore, the application states
8 "Have you ever been arrested?" I just have such a hard
9 time with, you know, not disclosing these that are even
10 arrested.

11 MR. BADEN: I can understand that, from having
12 sat here yesterday and listened, because I was told
13 yesterday I needed to call. And then for the few hours
14 that I've been listening today, I can understand that.

15 BOARD CHAIRMAN FLYNN: Any other questions?

16 BOARD MEMBER GRONAUER: Yeah, I have a
17 question. How much time did you do, how much time did
18 you build in prison?

19 MR. BADEN: I did eight and a half years.

20 BOARD MEMBER GRONAUER: Okay. So you were
21 around 29 years old when this robbery occurred, correct?

22 MR. BADEN: About 27, I think.

23 BOARD MEMBER GRONAUER: Okay. Where did you do
24 your time?

25 MR. BADEN: I did it in -- the last place I was

1 at was in Norco, California. But I was also, I started
2 out in Tehachapi. And I went to Donovan Correctional
3 Facility. And I paroled out of the facility in Norco.

4 BOARD MEMBER GRONAUER: Okay. And you are off
5 all paper now?

6 MR. BADEN: Yes, I am. I have been '96.

7 BOARD MEMBER GRONAUER: Okay. No problem.

8 Thank you.

9 BOARD CHAIRMAN FLYNN: Any other questions?

10 BOARD MEMBER GRONAUER: Well, you know, let me
11 make another statement. Okay. Because it always helps
12 to, because since everybody else is on the line, if you
13 don't mind, Mr. Chairman?

14 BOARD CHAIRMAN FLYNN: No, not at all.

15 BOARD MEMBER GRONAUER: Okay. You know,
16 listening, you know, I understand people in California
17 and Nevada, they run, property managers are supposed to
18 run background checks. That don't mean they do real
19 good. Some background checks for gun purchases don't
20 always come back properly, because they're not always
21 ran properly. And to go to a police department to run,
22 they could just run a local thing and say there's
23 nothing. Because you'd have to do -- I think, Ray would
24 understand, I mean the Chairman would understand a
25 Triple I or something like that to find out your

1 information.

2 So it is still is incumbent on the applicant,
3 on every applicant, to "Were you ever arrested?" Ever.
4 And most of our applicants sound very, very intelligent.
5 They sound intelligent enough to read the question and
6 write the answer.

7 I want to make sure everybody understands that.
8 I'm good. Thank you.

9 BOARD CHAIRMAN FLYNN: Okay. Any other
10 questions?

11 All right. Hearing none, I'll entertain a
12 motion.

13 BOARD MEMBER GRONAUER: Okay. My motion --
14 this is Gronauer.

15 BOARD CHAIRMAN FLYNN: Go ahead.

16 BOARD MEMBER GRONAUER: My motion is to deny
17 the appeal.

18 BOARD CHAIRMAN FLYNN: Okay. I have a motion
19 to deny. Do I have a second?

20 BOARD MEMBER NIXON: This is Nixon. I
21 reluctantly second. I just wish they would just. I
22 second.

23 BOARD CHAIRMAN FLYNN: Any further discussion?

24 Hearing none, I'll call a vote. All those in
25 favor of the motion, state "aye."

1 (Board members said "aye.")

2 BOARD CHAIRMAN FLYNN: The appeal is denied.
3 Mr. Baden, good luck to you. And, please, please, reply
4 next year, and remember to disclose.

5 MR. BADEN: I will. And thank you.

6 BOARD CHAIRMAN FLYNN: Okay. George Harvey,
7 number 150?

8 MR. HARVEY: Yes.

9 BOARD CHAIRMAN FLYNN: Okay. Mr. Harvey, do
10 you understand you're under oath?

11 MR. HARVEY: Yes, sir.

12 BOARD CHAIRMAN FLYNN: Okay. For the
13 investigator, can you please present?

14 MR. SALADINO: Investigator Saladino. The
15 applicant was denied for a December 22nd, 1989
16 transport/sell narcotics, slash, controlled substance,
17 out of California, at a felony level, where the
18 applicant received three years of probation. The
19 applicant did not disclose the arrest and conviction.
20 It was found on his fingerprint report.

21 BOARD CHAIRMAN FLYNN: Okay. Mr. Harvey, do
22 you want to explain why you didn't disclose?

23 MR. HARVEY: I didn't know. I didn't know.
24 Because I got out, and then around eighty -- but, I
25 think, '95 I started my own business. And ever since,

1 I've just been doing my own business. And I moved to
2 Las Vegas. And I haven't been in trouble. So it wasn't
3 nothing that I was thinking of. All I was thinking
4 about was trying to better myself, and that's what I
5 did.

6 BOARD CHAIRMAN FLYNN: You do remember you were
7 arrested, correct?

8 MR. HARVEY: I do and I don't. It was so long.
9 And I know that might sound crazy. But I, like I said,
10 I do and I don't.

11 BOARD CHAIRMAN FLYNN: Okay. What are you
12 doing for employment now?

13 MR. HARVEY: I'm self-employed here in Vegas.
14 I've been here 14 years and still run my same business
15 for 14 years. And I just opened up a nonprofit
16 corporation for my daughters. And that's what I'm
17 doing, just my business, self-employed. Still have the
18 same location.

19 And to be honest with you, I actually just went
20 to get the security job because I've never had a job,
21 and it was actually a bid, and I actually got the job
22 itself. And it ended up, turned out being good.

23 BOARD CHAIRMAN FLYNN: All right. Any other
24 questions from the Board?

25 Hearing none, I'll call for a motion.

1 BOARD MEMBER NIXON: This is Nixon. I move to
2 deny the appeal due to nondisclosure.

3 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
4 Do I have a second?

5 BOARD MEMBER BROWN: Brown will second.

6 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
7 I have a second. Any other discussion?

8 All right. Hearing none, I'll call for a vote.
9 All those in favor, state "aye."

10 (Board members said "aye.")

11 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
12 Mr. Harvey, please apply next year, and remember to
13 disclose.

14 MR. HARVEY: All right. You guys have a
15 wonderful day.

16 BOARD CHAIRMAN FLYNN: Okay. You, too.

17 Number 151, Stephen Mitchell. Mr. Mitchell,
18 are you here? Calling Stephen Mitchell, number 151?

19 All right. We'll trail that.

20 Mr. Lawrence Moore?

21 MR. MITCHELL: I'm here. I'm here. I'm here.

22 BOARD CHAIRMAN FLYNN: Who's this?

23 MR. MITCHELL: Stephen Mitchell.

24 BOARD CHAIRMAN FLYNN: Okay. Sir, do you
25 understand you're under oath? All right. You've got a

1 lot of background. So let's try it again.

2 Mr. Mitchell, do you understand you're under oath?

3 MR. MITCHELL: Yeah.

4 BOARD CHAIRMAN FLYNN: Okay. Investigator,
5 please proceed.

6 MR. SALADINO: Investigator Saladino. The
7 applicant was denied for a 1999 petty theft with prior
8 offenses, out of California. This was a felony level.
9 Convicted with three years probation, two years prison
10 suspended, 180 days jail suspended. The applicant did
11 not disclose this arrest. This was found on the
12 fingerprint report. In California, petty theft with
13 prior convictions can be charged as a felony.

14 In 1998, out of the California, there was a
15 petty theft with prior jail term. This was charged as a
16 misdemeanor, where the applicant was convicted, 36
17 months probation, 13 days jail and a fine. The
18 applicant was also sentenced to a work program.

19 In 1996, out of California, there was a
20 shoplifting charge, where it was reduced to a fight,
21 slash, challenge in a public place. The applicant did
22 not disclose this. It shows that the shoplifting charge
23 was dismissed. And the applicant was convicted of
24 fighting or challenge to fight in a public place,
25 receiving three days in jail.

1 Again in 1996, out of California, petty theft
2 of personal property, misdemeanor. The fingerprint
3 report says there was a conviction, with no other
4 disposition given.

5 In 2018, out of California, driving with no
6 license, a misdemeanor, where the applicant received a
7 fine and a five-day jail time. They did disclose this
8 on the application. The fingerprint report showed the
9 applicant was arrested for driving without a license and
10 driving on a suspended license five times: 2009, 2012
11 twice, 2013, and again in 2016.

12 BOARD CHAIRMAN FLYNN: Anything else?

13 MR. SALADINO: That's it.

14 BOARD CHAIRMAN FLYNN: Okay. Mr. Mitchell, why
15 didn't you disclose?

16 MR. MITCHELL: Well, the '90s stuff, that was
17 all ran concurrently, and it was dropped down to a
18 misdemeanor. I didn't know. I was straight from county
19 for like a year. I didn't know how far they went back.
20 Other than that, I would have reported that. And I
21 reported everything else about my driving. That was it.
22 And mostly I just have the driving tickets. But, you
23 know, in the '90s and stuff, I was staying in L.A. I
24 just had my first kid. I was doing anything I can to
25 get money. That was it. But other than that, I didn't

1 know how far they went back. I thought it was, you
2 know, like California, like 10 years or something like
3 that. But other than that.

4 BOARD CHAIRMAN FLYNN: Okay, sir. Just for
5 clarification, I mean I've seen the application several
6 times, and it says "Have you ever been arrested?" It
7 doesn't put a timeline on it. And I hear a lot, I hear
8 a lot today, this, you know, talking about --

9 MR. MITCHELL: Well, when you're coming from,
10 when you're coming from another state, you don't know
11 the rules exactly right off the back to where you are --
12 you kind of, you kind of assume that if they don't go
13 too far back, to where most of the states. Most of the
14 states go back no more than 10 years or 15 years, so.
15 So, you know.

16 BOARD CHAIRMAN FLYNN: All right. I'm not
17 going to get in an argument with you. What are you
18 doing for employment right now?

19 MR. MITCHELL: Right now, I work sanitation.

20 BOARD CHAIRMAN FLYNN: Okay. And how long have
21 you been doing that, sir?

22 MR. MITCHELL: All my life. But since I've
23 been out here, I've been doing that since I lost the
24 security job. So that's been a while now.

25 BOARD CHAIRMAN FLYNN: Okay. All right. Any

1 other questions from the Board?

2 MR. MITCHELL: Yeah. Well, not a question.
3 I'm sorry. A comment. Like it's kind of like a little
4 bias, because you -- I heard a lot of people cry, and
5 all that, telling their 30-year story, and you guys just
6 deny them like that. And what I'm saying is you only
7 denied them because of this, because they didn't tell
8 about it. Some of these people, they're 60 years old,
9 don't even remember it. But that's the way to go.

10 BOARD CHAIRMAN FLYNN: I appreciate your
11 comment. Thank you.

12 Any other questions from the Board?

13 MR. MITCHELL: Hm-m (negative). Just hurry up
14 and deny it.

15 BOARD CHAIRMAN FLYNN: All right. Sir, it's
16 not your time. It's the Board's time.

17 Okay. I'll entertain a motion, since there's
18 no questions.

19 BOARD MEMBER BROWN: This is Board Member
20 Brown. I will honor Mr. Mitchell's request and move to
21 deny the application. Or the...

22 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
23 Do I have a second?

24 BOARD MEMBER NIXON: I second.

25 BOARD CHAIRMAN FLYNN: Okay. I have a motion.

1 I have a second. Any other discussion?

2 Okay. All those in favor of the motion, state
3 "aye."

4 (Board members said "aye.")

5 BOARD CHAIRMAN FLYNN: Okay. Any opposed?

6 The motion carried. Mr. Mitchell, please
7 reapply in a year. And disclose everything, please.
8 That's what we require in Nevada.

9 Okay. Number 152, Lawrence Moore?

10 MR. MOORE: Yes, sir.

11 BOARD CHAIRMAN FLYNN: Good afternoon,
12 Mr. Moore. Are you aware you're under oath?

13 MR. MOORE: I'm sorry?

14 BOARD CHAIRMAN FLYNN: Are you aware you are
15 under oath? Did you take an oath before?

16 MR. MOORE: Oh, yes, sir. Yes, sir. Yes, sir,
17 I'm very aware, sir.

18 BOARD CHAIRMAN FLYNN: Okay. All right.
19 Investigator, please proceed.

20 MR. SALADINO: Investigator Saladino. The
21 applicant was denied for a 1998 bank robbery, out of
22 Texas, at a felony level, where the applicant was
23 convicted, five years 11 months prison term. This
24 arrest and conviction was not disclosed. The
25 fingerprint report showed the applicant received five

1 years and 11 months prison. On April 4th of the 2003,
2 he was released on a supervised release program.

3 In December 4th of 2003, out of Texas, he
4 received an aiding and abetting supervised release
5 violation. There was no, it wasn't categorized as a
6 misdemeanor, gross misdemeanor or felony. He did
7 receive 12 more months. This was not disclosed. And
8 the applicant did 12 months in a Federal Bureau of
9 Prisons. This was found on the fingerprint report.

10 Nothing further.

11 BOARD CHAIRMAN FLYNN: Okay. Mr. Moore, do you
12 want to explain why you didn't disclose?

13 MR. MOORE: Well, the charge, that happened so
14 long ago, like I mean like maybe like, what, 20 years
15 ago. And like I relocated. I relocated, once I got out
16 of prison, and moved to a different state, because it's
17 like, but they tell you like if you relocate from a
18 different state and change your life. Which I have
19 done. I moved to California, met my wife. We moved out
20 here. I think, think 2005 we moved out here. Got
21 married 2011. I got made head of security 2008, was
22 decorated 2008, employee of the month, employee of the
23 year 2007. All my jobs have been security out here.

24 And let me add, let me add, let them go back to
25 that 12 months. The reason why they gave me the 12

1 months is because the probation officer gave me a
2 choice. He said, "If you go to a treatment center and
3 give me 90 days sobriety, I'll keep you out on the
4 streets." Which I had done that successfully, graduated
5 the program, and he still went and put the -- he still
6 went and put the bench warrant out for my arrest.
7 Which, which when they got me back to Texas, they were
8 going to subpoena him. But I told them, no, because he
9 had gave me adequate enough time to get myself together,
10 and he could have locked me up. And that's why I was
11 like being a man about it. And I told the judge, I was
12 like, "Sir, look, I did what I did, he did what he did."
13 So the judge was like, "Okay. I'll give you 12 months,
14 cut you loose." And once I did that, I moved out here
15 on the west coast, ain't had a speeding ticket since
16 '05.

17 BOARD CHAIRMAN FLYNN: Okay. Are you living in
18 Las Vegas now?

19 MR. MOORE: It was one speeding ticket, one
20 speeding ticket, too.

21 BOARD CHAIRMAN FLYNN: Mr. Moore, are you
22 living in Las Vegas now?

23 MR. MOORE: Sir, I live across the street where
24 the Raiders' practice facility is at.

25 BOARD CHAIRMAN FLYNN: Okay. And what are you

1 doing for employment?

2 MR. MOORE: Well, currently, right now, I'm
3 union right now. So they got me on unemployment due to
4 the Covid thing right now. And I was working for CSC.
5 So. And I was working over at the Sphere.

6 BOARD CHAIRMAN FLYNN: Okay. All right.

7 MR. MOORE: And they pulled my from over there
8 at the Sphere. And I've been on unemployment ever
9 since, with Caesar's Palace.

10 BOARD CHAIRMAN FLYNN: All right. Thank you.
11 Any other questions from the Board?

12 BOARD MEMBER NIXON: This is Nixon for the
13 investigator. So he said he's been working security for
14 the last, since he's been here in Vegas, which has been
15 some time. Is that for a casino, or has that been --

16 MR. MOORE: A hotel resort, ma'am, on
17 Convention Center Drive, ma'am. I got plaques, I got
18 plaques, I got plaques. I've been on the honor roll out
19 here. I've been in the Cordon Bleu. I graduated the
20 Cordon Bleu, 2013 honor roll graduate. I got all my
21 certificates, everything. I'm decorated out here.

22 BOARD CHAIRMAN FLYNN: Any other questions?

23 BOARD MEMBER NIXON: So I'm assuming, then, he
24 was working for a casino, directly for a casino, not
25 subcontracted to a company. Because I also heard CSC.

1 MR. MOORE: Just --

2 BOARD MEMBER NIXON: Sir, this is for the
3 investigator.

4 Because I also heard CSC. And so I'm just a
5 little confused.

6 MR. SALADINO: Investigator Saladino.

7 MR. MOORE: Well, the security job that I
8 held --

9 BOARD CHAIRMAN FLYNN: Mr. Moore, please let
10 the investigator speak. Thank you.

11 MR. MOORE: Oh, I'm sorry.

12 MR. SALADINO: Investigator Saladino.
13 According to the applicant's application, he wrote down
14 the Royal Resort Hotel out here in Las Vegas from
15 October 23 of 2011 to November 15th of 2016, where he
16 did security. The reason for leaving, he put laid off.
17 The applicant was originally made provisional on
18 February 25th of 2020, because of the nondisclosure. He
19 was working for CSC until he was terminated on
20 March 10th of 2020 when we received the fingerprint
21 report.

22 BOARD MEMBER NIXON: Okay. Got it. Sorry.
23 Thank you. Okay.

24 BOARD CHAIRMAN FLYNN: Okay. Any other
25 questions?

1 MR. MOORE: Oh, sir, can I add? That 2011 was
2 the second time. The first time I worked at the Royal
3 Resort, like I said, was in 2006. That was the first
4 time. Now, like I say, when they ran -- back then, that
5 was the mob ran that hotel. So it was like, like it was
6 word of mouth. They hired me. And then like I held it
7 down. I held it down with no weapon for 10 years there
8 by myself. Which they made me head of security there at
9 the hotel.

10 BOARD CHAIRMAN FLYNN: Mr. Moore, no one is
11 questioning your work employment history. Thank you.

12 MR. MOORE: Oh, okay. I'm sorry.

13 BOARD CHAIRMAN FLYNN: All right. I believe
14 your employment history, I personally do.

15 All right. Any other questions from the Board?

16 All right. Hearing none, I'll call for a
17 motion.

18 BOARD MEMBER NIXON: This Commissioner Nixon.
19 I move that we uphold the denial, due to nondisclosure,
20 of Mr. Lawrence Moore.

21 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
22 Do I have a second?

23 BOARD MEMBER GRONAUER: Gronauer. Second.

24 BOARD CHAIRMAN FLYNN: All right. I have a
25 motion. I have a second. Any further discussion?

1 All right. Hearing none, I'll call for a vote.

2 All those in favor of the motion, state "aye."

3 (Board members said "aye.")

4 BOARD CHAIRMAN FLYNN: Okay. The motion
5 passes. Mr. Moore, please reapply in a year. Thank
6 you.

7 MR. MOORE: Thank you.

8 BOARD CHAIRMAN FLYNN: Mr. Ingram. Mr. Ingram,
9 we've been going over two hours. We're going to take a
10 bio break, five minutes.

11 MR. INGRAM: Sounds great. Thank you.

12 BOARD CHAIRMAN FLYNN: All right. We're on
13 break.

14 * * * * *

15 (A break was taken, 2:36 to 2:41 p.m.)

16 * * * * *

17 BOARD CHAIRMAN FLYNN: Hello. It's Ray. Can
18 you hear me?

19 MR. INGRAM: Yes, sir. Thank you, Chairman.

20 BOARD CHAIRMAN FLYNN: Okay. Do we need to do
21 anymore oaths, or are we good?

22 MR. INGRAM: I think, it's probably a pretty
23 good idea to do oaths again, because the last group to
24 call in was 2:30. So we might as well get that taken
25 care of before we move forward.

1 BOARD CHAIRMAN FLYNN: Okay.

2 MR. INGRAM: That will take us through agenda
3 item 172.

4 BOARD CHAIRMAN FLYNN: Okay. I'll leave it up
5 to you and Mr. Detmer. I'm going to go on mute.

6 MR. DETMER: Good afternoon. For those of you
7 who are about to testify, can you raise your right hand?
8 Do you hereby swear or affirm to tell the truth, the
9 whole truth, and nothing but the truth?

10 (Applicants and witnesses present were
11 sworn/affirmed.)

12 MR. INGRAM: And I'm sorry. Shannon, are you
13 back from break?

14 THE REPORTER: Yes. Yes, Kevin, I'm right
15 here. Thank you.

16 MR. INGRAM: Wonderful. So we'll go ahead and
17 take roll call now that everybody's been sworn in, make
18 sure everybody's back from our break.

19 So, Chair Flynn?

20 BOARD CHAIRMAN FLYNN: I'm here.

21 MR. INGRAM: Board Member Brown? Board Member
22 Brown?

23 Board Member Gronauer?

24 BOARD MEMBER GRONAUER: I'll say what the
25 attorney says, I'm present.

1 MR. INGRAM: You are a present.

2 Board Member Nixon?

3 BOARD MEMBER NIXON: I am here.

4 BOARD CHAIRMAN FLYNN: Oh, that's good.

5 BOARD MEMBER NIXON: I am here.

6 MR. INGRAM: Board Member Brown?

7 BOARD MEMBER BROWN: I am present. I was at
8 the time, but I was locked out of my phone. I'm trying
9 to remember my passcode.

10 MR. INGRAM: You were successful, sir.

11 BOARD CHAIRMAN FLYNN: Try one, two, three,
12 four.

13 MR. INGRAM: So we do have all the Board
14 members present, we do have a quorum, we do have legal
15 counsel with us, and our court reporter is ready, sir.

16 BOARD CHAIRMAN FLYNN: Okay. I believe, we're
17 153.

18 MR. INGRAM: Yes, sir.

19 BOARD CHAIRMAN FLYNN: All right. Gary
20 Territo, are you here, sir? Gary Territo?

21 All right. We will trail that one.

22 John Arzu?

23 MR. ARZU: Yes.

24 BOARD CHAIRMAN FLYNN: All right. Did I
25 pronounce that correct, sir?

1 MR. ARZU: Yes, sir.

2 BOARD CHAIRMAN FLYNN: Okay. Do you understand
3 you're under oath?

4 MR. ARZU: Yes, sir.

5 BOARD CHAIRMAN FLYNN: All right. I'll let the
6 investigator speak.

7 MR. SALADINO: Investigator Saladino. The
8 applicant was denied for a 1981 brandishing a firearm or
9 weapon, in California. This was charged as a
10 misdemeanor, where the applicant received 24 months
11 probation, 30 days in jail. The applicant did not
12 disclose this weapon conviction. This charge in
13 California can be charged as a felony or a misdemeanor.
14 Since the applicant received 24 months of probation, it
15 was charged as a misdemeanor.

16 In 1986, out of California, there was a charge
17 for alien smuggling. There was no level attached to it.
18 It was an arrest only. No charges were filed.

19 In 1987, out of California, there was a willful
20 cruelty to a child possibly causing death. This also
21 was charged as a misdemeanor, where the applicant was
22 convicted with 24 months probation, 65 days jail time
23 suspended.

24 In 1991, out of California, felony spouse
25 beating, slash, inflict corporal injury to spouse. This

1 was at a felony level. The applicant received a
2 prefiling deferral. The fingerprint report shows the
3 prosecution moved forward with the prefiling deferral,
4 which is a diversion program, and did not report
5 anything further.

6 In 1992, out of California, there was a felony
7 level insufficient funds for a check, where he was
8 convicted, two-year prison sentence. This also was not
9 disclosed.

10 In 1993, out of California, there was an
11 assault with a deadly weapon not a firearm causing
12 substantial bodily injury and battery as well. This was
13 dismissed due to a lack of -- to a delay.

14 In 2016, out of California, the applicant was
15 charged with offering a false instrument for filing,
16 slash, forgery. There was no disposition for this
17 charge.

18 The applicant was notified on June 5th, 2020
19 about a warrant. On July 28th, 2020, I spoke with the
20 applicant about the warrant. I was unsure if there was
21 a language or a comprehension issue. The applicant is
22 78 years old and stated his attorney is working on the
23 warrant and will get more information. The applicant
24 believes the warrant is a case of identity theft. The
25 applicant was made provisional but never worked for a

1 licensed company. He was not on anybody's roster.

2 That's it.

3 BOARD CHAIRMAN FLYNN: Okay. Vinny, you might
4 need to either change your batteries or put on a new
5 cover on your mic with your headset. You've got a lot
6 of background coming through when you speak.

7 MR. SALADINO: All right. Sorry about that. I
8 grabbed my headset now, my other one.

9 BOARD CHAIRMAN FLYNN: Okay. All right.
10 Mr. Arzu, what do you know about this warrant, or do you
11 know anything about it?

12 MR. ARZU: Yes. I applied for Section 8
13 housing, and they're the one that told me about this
14 warrant. And I told them people had been using my
15 identity. And I got the three credit agencies. And I
16 talked to my lawyer about it. I'm a member of a shield
17 at home. My lawyer told me that being a veteran, that
18 another veteran was using my identity.

19 BOARD CHAIRMAN FLYNN: Okay. What branch of
20 service did you serve our country?

21 MR. ARZU: I served in the United States Army
22 in Vietnam.

23 BOARD CHAIRMAN FLYNN: Well, thank you for your
24 service, sir. I appreciate that personally.

25 MR. ARZU: Thank you.

1 BOARD CHAIRMAN FLYNN: Why did you not disclose
2 these arrests?

3 MR. ARZU: Well, because I was a younger man.
4 And just had got out of the Vietnam service. And I was
5 attending counseling to get my mind back together. And
6 I was -- I had a lot of nervous and the scaredness in
7 me. And I was seeing a psychiatrist. And I went to
8 bank teller school, graduated, and started working at
9 the bank as a bank teller. And I had issues working at
10 the bank. I was hearing voices. And I worked for Bank
11 of America, main branch, in Van Nuys. And they let me
12 go because of my Vietnam experience, my problem after
13 the service.

14 BOARD CHAIRMAN FLYNN: And then I just want to
15 digress. Vinny, it's obviously not your headset. I
16 believe, it's Mr. Arzu's phone. My apologies.

17 MR. SALADINO: No problem.

18 BOARD CHAIRMAN FLYNN: Okay. What are you
19 doing now for employment, sir?

20 MR. ARZU: I'm a Salvation Army soldier and a
21 born again Christian for 25 years. I don't drink. I
22 don't smoke. And my drinking was my problem back there.
23 And I'm eventually here to work locally. And I
24 volunteer with the Salvation Army. And I went to
25 correction officer school. And I'm doing community

1 corrections.

2 BOARD CHAIRMAN FLYNN: Okay. Thank you.

3 MR. ARZU: You're welcome.

4 BOARD CHAIRMAN FLYNN: Any other questions from
5 the Board?

6 BOARD MEMBER NIXON: Sir, did you remember the
7 incidences that happened, you know, back in the early
8 '90s?

9 MR. ARZU: Yes, ma'am, I remember. But I have,
10 I have problems in the United States Army back there.
11 And I attend my, I was going to hospital, VA hospital
12 for treatment.

13 BOARD MEMBER NIXON: I understand that and, you
14 know, appreciate your service as well. But you did
15 remember these incidences at the time of the
16 application?

17 MR. ARZU: No, ma'am, I don't remember. I had
18 issues back there, because my wife left me for another
19 man. And I had, I was working doing security and armed
20 security. And I used my service weapon and shoot up in
21 the air. I ain't shot at nobody. I shot up in the air.
22 Because I was upset because she left me for another man.

23 BOARD MEMBER NIXON: Okay. So that was the
24 first one. Okay. Got it.

25 BOARD CHAIRMAN FLYNN: Okay. Any other

1 questions?

2 Hearing none, I'll seek a motion.

3 I'll seek a motion a second time.

4 BOARD MEMBER NIXON: This is Nixon. I move
5 that we uphold the denial based off of nondisclosure and
6 the amount of issues. Thank you.

7 BOARD CHAIRMAN FLYNN: Understood. All right.
8 I have a motion. Do I have a second?

9 BOARD MEMBER BROWN: Brown will second.

10 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
11 I have a second. Any discussion?

12 All right. Hearing none, I'll call for a vote.
13 All those in favor of the motion, say "aye."

14 (Board members said "aye.")

15 BOARD CHAIRMAN FLYNN: Any opposed, say "nay."

16 Okay. The motion carries. Mr. Arzu, good luck
17 to you. Please remember to disclose everything if you
18 decide to reapply in a year. You have a good day, sir.

19 MR. ARZU: Yes, sir. Thank you.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you for
21 your time and your service.

22 MR. ARZU: All right. Thank you. Bye-bye.

23 BOARD CHAIRMAN FLYNN: All right. Number 155,
24 Alex Robinson.

25 MR. ROBINSON: Yes.

1 BOARD CHAIRMAN FLYNN: Mr. Robinson, is that
2 you?

3 MR. ROBINSON: Yes, I'm here.

4 BOARD CHAIRMAN FLYNN: Okay. Do you understand
5 you're under oath?

6 MR. ROBINSON: Yes, sir.

7 BOARD CHAIRMAN FLYNN: Okay. All right. I'll
8 let the investigator proceed.

9 MR. MAXWELL: Investigator Maxwell. In 1986,
10 out of California, the applicant was charged with
11 possession of a narcotic controlled substance at the
12 felony level. Disposition showed was three years
13 probation. It was not disclosed. SCOPE showed the
14 applicant to be a convicted felon. He was made
15 provisional in error, but that was then rectified. The
16 felony conviction was not disclosed. The fingerprints
17 showed applicant was convicted of a felony and did three
18 years probation. This information was confirmed with
19 the applicant on the telephone. And he did not have
20 court documents from this 34-year-old arrest.

21 BOARD CHAIRMAN FLYNN: Okay. Mr. Robinson, why
22 didn't you disclose?

23 MR. ROBINSON: I didn't think you all went back
24 that far. But if I would have asked, I would have found
25 out you all went farther back. So at that time, I

1 thought it was probably 7 to 10 years. I'm sorry for
2 that.

3 BOARD CHAIRMAN FLYNN: Okay. What are you
4 doing for employment now?

5 MR. ROBINSON: Oh, right now, I'm on Social
6 Security. I'm not working at the time. But I'm
7 pursuing work now. So I want to get my guard card now.

8 BOARD CHAIRMAN FLYNN: Okay. How long have you
9 lived in Nevada?

10 MR. ROBINSON: Since 2013.

11 BOARD CHAIRMAN FLYNN: Okay. Thank you.

12 Any other questions from the Board?

13 All right. Hearing none, I'll accept a motion.

14 Call for a motion a second time.

15 BOARD MEMBER GRONAUER: Gronauer. I'll make a
16 motion.

17 BOARD CHAIRMAN FLYNN: Go ahead.

18 BOARD MEMBER GRONAUER: I'll make a motion to
19 deny the appeal.

20 BOARD CHAIRMAN FLYNN: Okay. All right. I
21 have a motion. Do I have a second?

22 BOARD MEMBER NIXON: This is Nixon. I second.

23 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
24 I have a second. Any further discussion?

25 Hearing none, I'll call for a vote. All those

1 in favor of the motion, state "aye."

2 (Board members said "aye.")

3 BOARD CHAIRMAN FLYNN: Any opposed, state
4 "nay."

5 Okay. Motion carries. Mr. Robinson, good luck
6 to you. And please disclose if you choose to reapply in
7 a year.

8 MR. ROBINSON: All right. Thank you.

9 BOARD CHAIRMAN FLYNN: Number 156, Michael
10 Strawberry?

11 MR. STRAWBERRY: Michael Strawberry here, sir.

12 BOARD CHAIRMAN FLYNN: Okay. Do you understand
13 you're under oath?

14 MR. STRAWBERRY: Yes, sir, I do.

15 BOARD CHAIRMAN FLYNN: Thank you.

16 All right. Investigator, please proceed.

17 MR. MAXWELL: Investigator Maxwell. In 2001,
18 out of California, the applicant was charged with the
19 offense of false checks, records, certificate,
20 et cetera, at a felony level. The disposition showed
21 that he received 56 days jail, which was suspended,
22 three years probation. He did disclose. The charge was
23 later reduced to a misdemeanor, then dismissed under
24 1203.4 PC. And this was disclosed on the application.

25 2006, out of California, he was charged with

1 carrying a concealed weapon in a vehicle. This was at
2 misdemeanor level. The disposition was a three-year
3 probation and a fine. And this was not disclosed.

4 The applicant was initially made provisional on
5 6-17 of 2020 and was hired by Dragon Master Security,
6 license number 1652, on 7-14 of this year. The arrests
7 were confirmed and found on the fingerprint report. He
8 was denied on 7-17-2020 and was terminated by Dragon
9 Master Security the same day.

10 BOARD CHAIRMAN FLYNN: Okay. Thank you.

11 Mr. Strawberry, do you want to tell us why you
12 didn't disclose that arrest?

13 MR. STRAWBERRY: Well, I was -- actually, I
14 guess, it was removed off my record, from what I was
15 told back when I had gotten arrested. So it was totally
16 removed, you know, off my record. And I had no
17 knowledge of it. When I came here to Vegas, I've been
18 working Sunrise Hospital, MGM, working with everyone. I
19 mean I've been doing securities, you know, practically
20 all my life. I was an LAPD officer prior to the arrest
21 when I had the concealed weapon, when I had the weapon
22 actually, and I had my badge with me and everything. So
23 I was technically working. I mean it was like, I mean I
24 was, been -- well, I had any badge and my gun, but it
25 wasn't, wasn't on me, but it was in my carry-on bag, so.

1 BOARD CHAIRMAN FLYNN: Who told you that you
2 didn't have to disclose? Now, I understand you did
3 disclose the felony. And it's more recent. And I do
4 appreciate that. I will take that into consideration.
5 I'm just curious, I mean not more recent, why you didn't
6 disclose the most recent arrest, which was for the CCW.
7 I'm confused.

8 MR. STRAWBERRY: Well, the CCW was a law. I
9 was under the impression that it was taken away as well.
10 It was, you know, it was, as far as I new. Put it that
11 way. I didn't know that that was still on my record.
12 It was supposedly, it had gotten taken care of. So.
13 And that's the only thing that I can imagine why. I
14 don't know why it came up, because it was pretty much
15 taken care of.

16 BOARD CHAIRMAN FLYNN: What do you mean by
17 pretty much taken care of? I don't understand.

18 MR. STRAWBERRY: Well, I mean what I'm saying
19 is I, when I got arrested, supposedly the case was a no,
20 it was taken away. So the weapon was with the case that
21 I was on, which I had gotten arrested for.

22 BOARD CHAIRMAN FLYNN: So for the investigator,
23 on that case, was it dismissed?

24 MR. STRAWBERRY: It was dismissed.

25 BOARD CHAIRMAN FLYNN: Oh, no, I'm asking the

1 investigator.

2 MR. MAXWELL: Investigator Maxwell. The
3 documentation I've got does not show a dismissal, sir.

4 BOARD CHAIRMAN FLYNN: Okay. And does it show
5 a fine, a forfeiture, time served?

6 MR. MAXWELL: All it shows, sir, is a
7 three-year probation and a fine.

8 BOARD CHAIRMAN FLYNN: Okay. All right. Got
9 it. All right. Mr. Strawberry, what are you doing for
10 employment right now, sir?

11 MR. STRAWBERRY: Well, sir, I had a stroke in
12 2018. So I had been working until, until I got notified
13 that I wasn't able to work here. So it's been two years
14 now since I've worked, so.

15 BOARD CHAIRMAN FLYNN: Okay. I'm sorry about
16 your stroke.

17 MR. STRAWBERRY: Thank you.

18 BOARD CHAIRMAN FLYNN: I hope you're
19 recovering.

20 MR. STRAWBERRY: I had two strokes. I had
21 another stroke in 2019. So, you know, I'm getting back,
22 trying to get back to work and do what I have to do,
23 sir.

24 BOARD CHAIRMAN FLYNN: Okay. What did you do
25 prior to the stroke?

1 MR. STRAWBERRY: I was working at Sunrise
2 Hospital, security, a public safety officer. And I was
3 working at MGM as well. So I was working at both
4 places. So that's where I had the stroke, when I was at
5 MGM, when I was rescuing some people from a car, a
6 burning car, and things like that. So I had the stroke
7 that night. And the following day, I went to Sunrise,
8 where I worked, Sunrise Hospital, where I worked. And I
9 was in the hospital for, you know, about a week and a
10 half. And then I had another stroke in 2019, in April.
11 So I was in the hospital for about a week and a half
12 there as well.

13 So I'm just, you know, fully recovering now
14 with meds and went to the doctor and everything. And I
15 was here at Planet 13 when I got the notice that I
16 wasn't able to work there, so. No other place had done
17 that, Sunrise or MGM had, or even the other, prior
18 security job I had, had anything as far as that's
19 concerned, as far as what happened here at Planet 13.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 Any other questions from the Board?

22 Yeah, go ahead.

23 All right. I guess, no questions. I will
24 entertain a motion.

25 BOARD MEMBER BROWN: This is Brown. I'll make

1 a motion. I move to deny the appeal.

2 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
3 Do I have a second?

4 BOARD MEMBER GRONAUER: Gronauer. Second.

5 BOARD CHAIRMAN FLYNN: All right. I have a
6 motion. I have a second. Any further discussion?

7 All right. Hearing none, I'll call for a vote.
8 All those in favor, state "aye."

9 (Board members said "aye.")

10 BOARD CHAIRMAN FLYNN: Okay. Any opposed, say
11 "nay."

12 Okay. Motion carries. Mr. Strawberry, good
13 luck to you. Please reapply in a year, and include
14 everything.

15 MR. STRAWBERRY: All right. Thank you, sir.

16 BOARD CHAIRMAN FLYNN: Thank you.

17 All right. Number 157, Eddie Thomas.

18 Mr. Thomas, are you here?

19 MR. THOMAS: That's me, sir.

20 BOARD CHAIRMAN FLYNN: Okay. Do you understand
21 you're under oath?

22 MR. THOMAS: Yes, sir.

23 BOARD CHAIRMAN FLYNN: Okay. The investigator,
24 please proceed.

25 MR. MAXWELL: Investigator Maxwell. The

1 applicant was arrested in 1993, out of California, for
2 carrying a concealed weapon on his person. This was at
3 misdemeanor level. Disposition showed one year
4 probation and a fine. This was not disclosed, and we do
5 not have court docs.

6 In 2006, out of Washington, possession with
7 intent to distribute marijuana, felony level, 14 months
8 custody, three years supervised release. This one was
9 disclosed.

10 January 2009, out of Washington, probation
11 violation, unknown level. The applicant entered a
12 guilty plea on 2-10 of '09 and was sentenced to 60 days,
13 with credit for time served, and 30 months supervised
14 release. This was not disclosed.

15 The applicant disclosed the felony conviction
16 on his application and was not made provisional.
17 Arrests were found and confirmed with the fingerprint
18 report.

19 BOARD CHAIRMAN FLYNN: Okay. Unless you're one
20 of the applicants being heard right now, I need you to
21 put your phones on mute. Thank you.

22 Mr. Thomas.

23 MR. THOMAS: Yes.

24 BOARD CHAIRMAN FLYNN: Why didn't you disclose?

25 MR. THOMAS: You know what, sir, I just totally

1 forgot about it. Like I've been listening to the other,
2 the guys and the ladies on the phone. I just, it was so
3 long ago, I just, just didn't put it on there. But with
4 the marijuana, I did disclose everything there. I'm
5 sorry about that.

6 BOARD CHAIRMAN FLYNN: Well, how long have you
7 lived in Las Vegas?

8 MR. THOMAS: Well, sir, I was going to tell you
9 a little bit about how I made my journey here. I'm an
10 ex-CFL and NFL football player. First of all, I made
11 poor choices back then and bad decisions. And moving
12 from there, after being, my marijuana conviction, I was
13 in the Seattle area coaching kids football and a chef
14 until present. Me and my wife decided to move here to
15 Las Vegas before the pandemic in February. I was hired
16 by Safe working at the Allegiant field with the Raiders
17 and doing security with the Raiders, UNLV and concerts.

18 And that's what brought me here. We were going
19 to buy property. Well, we still are. But the pandemic
20 kind of slowing the income down. But I am hired through
21 Safe. But they need, I needed a PILB card, so they told
22 me to apply for it.

23 And, once again, that's how I made my journey
24 here with my wife.

25 BOARD CHAIRMAN FLYNN: Okay. And then, for the

1 investigator, let me make sure I understand this. He
2 did disclose the felony, but he neglected to disclose
3 the misdemeanor?

4 MR. MAXWELL: Investigator Maxwell. That is
5 correct, sir.

6 BOARD CHAIRMAN FLYNN: Okay. Thank you.

7 And then, just for my own edification,
8 Mr. Thomas, how long did you play for the NFL?

9 MR. THOMAS: Oh, I played from 1990. I got
10 drafted in 1990 to Cleveland. And then from Cleveland,
11 I went up to Edmonton, won a couple Grey Cup rings, went
12 to the Superbowl in '93 with the Chargers. We lost to
13 the Niners. Stan Humphreys was our quarterback. I'm a
14 gunner, meaning I run up and down the field, special
15 teams, defensive back. I went up to D.C. Lions in '94,
16 '5, Grey Cup. Played with Detroit Arena League, Detroit
17 Lions. And Winnipeg through '98 to 2000.

18 And then I retired. And that's when I got in a
19 little bit of trouble with the marijuana situation. And
20 like my mother said, I made a poor decision, I mean a
21 bad decision and poor choice. And I'm just trying to
22 move on, and me and my wife, and work mostly, you know,
23 you guys. Ray, I don't know what's going to happen, but
24 work for the Raiders, who my good friend got me in to
25 work with those guys security. And here I am.

1 BOARD CHAIRMAN FLYNN: All right. Thank you.

2 MR. THOMAS: You're welcome.

3 BOARD CHAIRMAN FLYNN: Any other questions from
4 the Board?

5 Hearing no questions from the Board, I'll
6 entertain a motion.

7 Call for a motion a second time.

8 BOARD MEMBER NIXON: This is Commissioner
9 Nixon, or Board Member Nixon. I make a motion to
10 decline the appeal for Mr. Thomas.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
12 Do I have a second?

13 BOARD MEMBER GRONAUER: Gronauer. Second.

14 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
15 I have a second. Any other discussion?

16 All right. All in favor of the motion, state
17 "aye."

18 (Board members said "aye.")

19 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
20 Mr. Thomas, you can probably tell by the inflection of
21 the voices, this was not a popular decision. I just
22 wish you would have disclosed everything. Please
23 reapply in a year. And good luck to you. I'd like to
24 see you reapply. And if you disclose everything, I will
25 probably lean towards it. You have a good day, sir.

1 MR. THOMAS: Thank you.

2 BOARD CHAIRMAN FLYNN: Okay. All right.
3 Number 158, Schlinda Maxwell?

4 MS. MAXWELL: Present.

5 BOARD CHAIRMAN FLYNN: All right. Ms. Maxwell,
6 do you understand you're under oath?

7 MS. MAXWELL: Yes, I do.

8 BOARD CHAIRMAN FLYNN: Okay. I'll let the
9 investigator speak.

10 MR. SALADINO: Investigator Saladino. The
11 applicant was denied for a 1998 burglary and impersonate
12 to make other liable, out of the California, where they
13 were convicted, three years probation and 90 days
14 suspended jail sentence. The applicant did not disclose
15 this arrest and conviction. This was found on the
16 fingerprint report. Both of the charges are considered
17 wobblers in California, so they can be charged as
18 felonies or misdemeanors.

19 The applicant was contacted on April 13th via
20 email with the details of her case, to include phone
21 numbers and case number. The applicant did not provide
22 any court documents to show if the charges were a felony
23 level or misdemeanors. And then she was denied.

24 BOARD CHAIRMAN FLYNN: Okay. Ms. Maxwell, do
25 you want to explain why you didn't disclose your

1 arrests?

2 MS. MAXWELL: I had, I believed I had typed it
3 in on the website. But when I received -- I did receive
4 their email today. I was going through my old emails.
5 My phone wasn't working at that time. So that's the
6 only reason why I didn't disclose it to you.

7 It was a misdemeanor charge. I did 10 days in
8 jail. I had used a credit card. I was dealing with the
9 wrong type of people, and they talked me into using a
10 credit card for money. And when I went into the store
11 to use it, when the gentleman went to use the card, I
12 ran out of the store. And he ran after me and got my
13 license plate. And a few months later, I got arrested
14 for that. And I did the 10 days. So, I believe, I was
15 in jail for 10 days.

16 And then, after that, I started working
17 nonstop. I currently am working for CSC. I've been
18 working for CSC since 2012, I believe, or 2013. I just
19 recently got my guard card, though, last year. But I've
20 been doing security with them for the past eight years.

21 BOARD CHAIRMAN FLYNN: And where were you doing
22 the work, was it in California?

23 MS. MAXWELL: Yes, I've been doing it in
24 California. And they had asked if I wanted to work for
25 EDC. And so I went and I had got my fingerprinting done

1 and whatnot. And like I said, I believed I had put it
2 on the application. I know I typed it in. But I don't
3 believe it saved it. So I apologize for that.

4 BOARD CHAIRMAN FLYNN: Okay. Are you currently
5 living in California, or are you living in Nevada?

6 MS. MAXWELL: I'm currently living in
7 California. But I'm looking to seek employment in
8 Nevada with CoreCivic. I wanted to see if I could
9 become a correctional officer. But I need to have my
10 guard card and, not only that, go through the process
11 and whatnot, which I'm doing right now in California.

12 So that's the reason why I would like to get my
13 guard card.

14 BOARD CHAIRMAN FLYNN: Okay. Thank you.

15 All right. Any other questions from the Board?

16 All right. Hearing none, I'll call for a
17 motion.

18 Call for a motion a second time.

19 BOARD MEMBER GRONAUER: This is Gronauer.

20 BOARD CHAIRMAN FLYNN: Go ahead.

21 BOARD MEMBER GRONAUER: I make a motion for
22 denial. You've got to fill out the application.

23 BOARD CHAIRMAN FLYNN: All right. I have a
24 motion. Do I -- I need a second.

25 BOARD MEMBER NIXON: This is Nixon. I second.

1 BOARD CHAIRMAN FLYNN: All right. I have a
2 motion and second. Any further discussion?

3 Hearing none, I'll call for a vote. All those
4 in favor, state "aye."

5 (Board members said "aye.")

6 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
7 All right. Ms. Maxwell, good luck to you. Please
8 reapply in a year.

9 MS. MAXWELL: Okay. Thank you.

10 BOARD CHAIRMAN FLYNN: Okay. All right.
11 Number 159, Jim Sullivan?

12 MR. SULLIVAN: Hello, sir.

13 BOARD CHAIRMAN FLYNN: Mr. Jim Sullivan, is
14 that you?

15 MR. SULLIVAN: Yes, sir.

16 BOARD CHAIRMAN FLYNN: Okay. Do you understand
17 you're under oath?

18 MR. SULLIVAN: Yes, sir.

19 BOARD CHAIRMAN FLYNN: Okay. Investigator,
20 please proceed.

21 MR. JONES: Thank you. Investigator Jones.
22 The applicant was denied for a felony attempt to commit
23 assault with a deadly weapon here in Nevada in November
24 of 2005. This was not disclosed, but we do have court
25 documents.

1 BOARD CHAIRMAN FLYNN: Okay. Mr. Sullivan, why
2 didn't you disclose this arrest, this felony arrest?

3 MR. SULLIVAN: I didn't know what I'm doing
4 that time, boss. And I went to the school for the
5 domestic violence. And I have a probation for two
6 years, and I have done that. Then, I've been starting
7 work here and keep busy of my life, you know, doing --
8 yeah.

9 BOARD CHAIRMAN FLYNN: Okay. What are you
10 doing? You said you're working. What are you doing for
11 employment, sir?

12 MR. SULLIVAN: Sir, I was working right now at
13 the sushi restaurant right here in Spring Mountain.

14 BOARD CHAIRMAN FLYNN: Okay.

15 MR. SULLIVAN: I was a sushi chef.

16 BOARD CHAIRMAN FLYNN: All right. Any other
17 questions from the Board?

18 MR. SULLIVAN: But I was applying for a
19 security card, but I was denied for it. I don't know
20 why.

21 BOARD CHAIRMAN FLYNN: You were denied because
22 you forgot to disclose that arrest.

23 MR. SULLIVAN: Oh.

24 BOARD CHAIRMAN FLYNN: Yeah.

25 MR. SULLIVAN: I'm so sorry, sir.

1 BOARD CHAIRMAN FLYNN: That's okay. I mean
2 when they ask you if you've ever been arrested, you have
3 to disclose. It doesn't mean we're going to deny you
4 because you were arrested. We're more concerned about
5 honesty, which is an important part of the being a
6 security officer.

7 MR. SULLIVAN: Okay. Sorry. I'm really sorry,
8 sir.

9 BOARD CHAIRMAN FLYNN: Okay.

10 MR. SULLIVAN: I did not know.

11 BOARD CHAIRMAN FLYNN: Any other questions from
12 the Board?

13 MR. SULLIVAN: No, sir.

14 BOARD CHAIRMAN FLYNN: No, Mr. Sullivan, I'm
15 speaking to the Board. Thank you.

16 Any other questions from the Board?

17 BOARD MEMBER NIXON: So I just want to make
18 sure I understand. This is Nixon. The applicant did
19 have a guard card previously, and maybe the incident
20 happened while he had his guard card, and so when he
21 knew that his guard card expired, he reapplied, and
22 that's when it was denied?

23 BOARD CHAIRMAN FLYNN: Mr. Maxwell?

24 MR. JONES: Investigator Jones.

25 BOARD CHAIRMAN FLYNN: Sorry.

1 MR. JONES: You're fine. The applicant, that
2 is correct, the applicant did have a previous work card.
3 But it goes back further than our database shows. So
4 I'm not sure when it expired. But probably as Member
5 Nixon has stated.

6 BOARD MEMBER NIXON: Okay. I see. Okay. All
7 right. Thank you.

8 BOARD CHAIRMAN FLYNN: Any other questions?
9 Okay. Now I'll entertain a motion.

10 BOARD MEMBER NIXON: This is Nixon. I move
11 that the --

12 BOARD MEMBER BROWN: Brown will move to deny.

13 BOARD MEMBER NIXON: I second.

14 BOARD CHAIRMAN FLYNN: Okay. Any further
15 discussion?

16 All right. Call for a vote. All those in
17 favor of the motion, state "aye."

18 (Board members said "aye.")

19 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
20 Mr. Sullivan, good luck to you. Remember to disclose
21 when you apply in a year.

22 MR. SULLIVAN: All right, sir. Thank you very
23 much, sir.

24 BOARD CHAIRMAN FLYNN: You're welcome.

25 All right. Number 160, Aaron Harris?

1 Mr. Harris, are you here? Call Mr. Harris one more
2 time?

3 Okay. I'll trail that.

4 Number 161, Deborah Newman? Deborah Newman,
5 are you here?

6 Okay. I'll trail that.

7 162, Nicolas Catchings?

8 MR. CATCHINGS: Yes, here.

9 BOARD CHAIRMAN FLYNN: Okay. Mr. Catchings, do
10 you understand you're under oath?

11 MR. CATCHINGS: Yes.

12 BOARD CHAIRMAN FLYNN: Okay. I'll leave it up
13 to the investigator.

14 MR. SALADINO: Investigator Saladino.

15 BOARD CHAIRMAN FLYNN: Go ahead.

16 MR. SALADINO: The applicant was denied for an
17 April 28th, 2012 inflict corporal injury to spouse or
18 cohabitant, out of California. This charge is a wobbler
19 in California, meaning it can be charged either as a
20 felony or as a misdemeanor. The applicant was
21 convicted, received three years probation, eight days in
22 jail. This was not disclosed. And no court documents
23 were provided to show if it was charged as a misdemeanor
24 or a felony.

25 That's it.

1 BOARD CHAIRMAN FLYNN: Mr. Catchings, why
2 didn't you disclose?

3 MR. CATCHINGS: I apologize for not putting
4 that on the application. But I think --

5 BOARD CHAIRMAN FLYNN: I'm sorry. There was
6 background. I couldn't hear you.

7 MR. CATCHINGS: I said I apologize about not
8 putting that on the application. But I do have all the
9 paperwork that says I completed it.

10 BOARD CHAIRMAN FLYNN: No, I understand you
11 completed it. But I want to know, and I accept your
12 apology, I just want to know why you didn't disclose.

13 MR. CATCHINGS: I didn't think that -- when I
14 went to court before I moved out here from California,
15 they said that everything was expunged, basically, that
16 nothing showed on my record.

17 BOARD CHAIRMAN FLYNN: Do you have paperwork
18 showing that it was expunged?

19 MR. CATCHINGS: I probably do.

20 BOARD CHAIRMAN FLYNN: Well, if you've got
21 paperwork showing it expunged, I would submit that.
22 Well, let's see what happens.

23 Any other questions from the Board?

24 All right. No questions from the Board. Then,
25 I will entertain a motion.

1 BOARD MEMBER BROWN: This is Brown. I move to
2 deny the appeal.

3 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
4 Do I have a second?

5 BOARD MEMBER NIXON: This is Nixon. I second.

6 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
7 I have a second. Any further discussion?

8 Okay. Hearing none, I'll call for a vote. All
9 those in favor of the motion, state "aye."

10 (Board members said "aye.")

11 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
12 Okay. Mr. Catchings, you can reapply in a year. Find
13 that paperwork that shows it was expunged. When you
14 find that paperwork, submit that with your application
15 along with your disclosure next year.

16 MR. CATCHINGS: Okay. Thank you.

17 BOARD CHAIRMAN FLYNN: You have a good day,
18 sir. Thank you for your time.

19 Number 163, Darion Fennoy?

20 MR. FENNOY: Here.

21 BOARD CHAIRMAN FLYNN: Did I pronounce your
22 name correctly, sir?

23 MR. FENNOY: Yes.

24 BOARD CHAIRMAN FLYNN: Okay. I'll let the
25 investigator take over.

1 MR. SALADINO: Investigator Saladino.

2 BOARD CHAIRMAN FLYNN: Go ahead.

3 MR. SALADINO: The applicant was denied for a
4 2011 carry concealed weapon on person, out of
5 California. This was a misdemeanor, where the applicant
6 was convicted and received three years probation, 90
7 days suspended and a fine. This was not disclosed. It
8 was found on the fingerprint report.

9 In 2012, out of California, the applicant was
10 charged with theft, where it was later reduced to fight,
11 slash, loud noise or offensive words. This was a
12 misdemeanor charge, where they were found guilty and
13 received a fine.

14 2013, out of California, possession of
15 narcotics, slash, controlled substance. This was a
16 misdemeanor. The applicant was able to complete a drug
17 program in lieu of being charged. So, then, being that
18 he completed the drug program, there was no criminal
19 charges filed.

20 The applicant, since he didn't disclose his
21 arrest history, he was made provisional on
22 September 27th of '19. The applicant worked for Reliant
23 Security, license number 1902, from October 10th of '19
24 to 10-28 of '19. The applicant was denied on 11-5 of
25 '19 when the fingerprint report was received.

1 Nothing further.

2 BOARD CHAIRMAN FLYNN: Okay. Mr. Fennoy, why
3 don't you let us know why you didn't disclose these
4 three arrests.

5 MR. FENNOY: For the weapon, I thought it was
6 already expunged, because the court paper said that.
7 Well, I got court papers, or I can go get court papers
8 saying that it was expunged. Because I have an active
9 guard card in California right now. And so I wasn't
10 told that it was expunged. Now, as far as for the other
11 ones, I thought, just because I finished my classes and
12 things like that, it was expunged, to me. That's what I
13 was told.

14 BOARD CHAIRMAN FLYNN: Okay. Please
15 understand, just because it's okay in California doesn't
16 mean it's okay in Nevada. We have different states,
17 different laws, different constitutions.

18 MR. FENNOY: Yes.

19 BOARD CHAIRMAN FLYNN: Are you still living in
20 California, sir?

21 MR. FENNOY: No, not right now.

22 BOARD CHAIRMAN FLYNN: Okay. So you're in
23 Las Vegas?

24 MR. FENNOY: Yes.

25 BOARD CHAIRMAN FLYNN: What are you doing for

1 employment?

2 MR. FENNOY: Well, I'm doing the temp agency
3 right now. And I just recently got my OSHA card for
4 construction.

5 BOARD CHAIRMAN FLYNN: Okay. Thank you.

6 Any other questions from the Board?

7 BOARD MEMBER BROWN: Mr. Chairman, can I make a
8 redundant statement?

9 BOARD CHAIRMAN FLYNN: Yeah, please.

10 BOARD MEMBER BROWN: This is Board Member
11 Brown. And I've actually pulled up the application,
12 because I've heard this so many times now. But it says
13 "If you have ever been arrested, any criminal citation,
14 indictments or orders to appear"; and under it, it gives
15 a list of things. And, one, it says "List all charges
16 regardless if they were expunged, dismissed or denied."
17 We're hearing so many people believing that they were
18 expunged. But our application actually says so.

19 Thank you.

20 BOARD CHAIRMAN FLYNN: Well, thank you for
21 making the statement, and thank you for putting it in
22 the record. I am aware of that. And, actually, we
23 added that two years ago because of people claiming they
24 didn't know. Thank you.

25 All right. Any other statements or questions

1 from the Board?

2 Hearing none, I'll call for a motion.

3 BOARD MEMBER BROWN: This is Brown. I'll move
4 to deny the appeal.

5 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
6 Do I have a second?

7 BOARD MEMBER NIXON: Nixon. I second.

8 BOARD CHAIRMAN FLYNN: Okay. Motion and a
9 second. Any further discussion?

10 Hearing none, I'll call for a vote. All those
11 in favor of the motion, please state "aye."

12 (Board members said "aye.")

13 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
14 Mr. Fennoy, can you reapply in a year. Please disclose
15 everything.

16 MR. FENNOY: Okay.

17 BOARD CHAIRMAN FLYNN: All right. 164, Brandi
18 Johnson, are you here? Brandi Johnson, number 164, are
19 you here?

20 Okay. Number 165, Tony Burden? Tony Burden,
21 are you here?

22 MS. JOHNSON: I'm here. Did you hear me?

23 BOARD CHAIRMAN FLYNN: Who's this?

24 MS. JOHNSON: This is Brandi Johnson.

25 BOARD CHAIRMAN FLYNN: Okay. Good afternoon,

1 ma'am.

2 MS. JOHNSON: Good afternoon.

3 BOARD CHAIRMAN FLYNN: Okay. Are you aware
4 you're under oath?

5 MS. JOHNSON: Yes, I am.

6 BOARD CHAIRMAN FLYNN: Okay. Investigator,
7 please take over.

8 MR. JONES: Investigator Jones. The applicant
9 was denied for an arrest in June of 2018. This resulted
10 in three charges, the first being discharging of a gun
11 in or on a public thoroughfare or in a public place.
12 This was at the misdemeanor level and was not disclosed.
13 The second was a false report of a crime, also a
14 misdemeanor. They did disclose this, but no disposition
15 was found on the fingerprint report or SCOPE. The final
16 charge for this arrest was a false statement to
17 obstructing a public official. This was a misdemeanor,
18 which was also disclosed, but no disposition was found
19 on the fingerprint report or SCOPE.

20 In July of 2016, the applicant was arrested for
21 battery. This was at the misdemeanor level, but was
22 dismissed after diversion and all requirements were met.
23 And this was disclosed.

24 BOARD CHAIRMAN FLYNN: So if I understand
25 correctly, the one that was wasn't disclosed was the

1 discharge of firearm in 2018?

2 MR. JONES: Correct. And the final charge was
3 in 2012 for petty larceny, at the misdemeanor level. No
4 disposition was found on the fingerprint report or
5 SCOPE.

6 The applicant was made provisional. However,
7 this was corrected when the fingerprint report came
8 back, as she was on the two rosters, and was terminated
9 appropriately.

10 BOARD CHAIRMAN FLYNN: Okay. Ms. Johnson, why
11 didn't you disclose the most recent charge in 2018,
12 discharging a firearm?

13 MS. JOHNSON: I thought I did put it on there
14 as well as the others. So I'm not too sure. And I did
15 my paper, as in I wrote it and brought it back in. So I
16 know that. I probably, I probably didn't write it on
17 there out as detailed. But I know I put it on there.

18 BOARD CHAIRMAN FLYNN: Did you do a paper
19 application, or did you do a computer application?

20 MS. JOHNSON: I did a paper application and
21 brought it back in.

22 BOARD CHAIRMAN FLYNN: Okay. I'll give you the
23 benefit of the doubt.

24 For the investigator, is her application there?
25 Could you take a look.

1 MR. JONES: If you give me just one moment, I
2 will pull it up.

3 BOARD CHAIRMAN FLYNN: Yeah, I certainly will.

4 MR. SALADINO: Chairman, this is Investigator
5 Saladino.

6 BOARD CHAIRMAN FLYNN: Yeah, go ahead.

7 MR. SALADINO: I'm currently looking over the
8 written application that's been scanned into her
9 profile. And everything -- we have a petty larceny.
10 Let's see. Have you ever been arrested? She circled
11 yes. Petty larceny, trespassing, wrong police, wrong
12 info to police, paid a fine. That was all she
13 disclosed.

14 MS. JOHNSON: Well, exactly what I was saying,
15 I put it all on there as in detailed as possible,
16 because the lady told me, as I was sitting there, do not
17 make it go past, like don't make it look like that.
18 Like, you know, she's like, make it detailed, but not as
19 detailed, because you don't want it to go past the paper
20 line. There was only so much paper line to write in.
21 So I was detailing, as it said on there, that writing,
22 or disclosing wrong information to the police. Which
23 that was one of my charges for the 2018. Which they
24 said that's what it was, because they dismissed all the
25 other charges. What I was going for was disclosing the

1 wrong information to the police officer.

2 BOARD CHAIRMAN FLYNN: So for the investigator
3 or one of the investigators, so I'm confused. Was the
4 discharge a firearm and the other charges all connected
5 to the same arrest?

6 MR. JONES: Investigator Jones. That is
7 correct. The discharging of the gun, the false report
8 and the false statement were all part of the same
9 arrest.

10 BOARD CHAIRMAN FLYNN: Okay. And not having an
11 application in front of me, did she use all the space
12 provided?

13 MR. SALADINO: Mr. Chair, Investigator
14 Saladino.

15 BOARD CHAIRMAN FLYNN: Yes.

16 MR. SALADINO: No, there was more lines below,
17 where she would have wrote in more.

18 BOARD CHAIRMAN FLYNN: Okay.

19 MR. SALADINO: And, you know, we do tell them
20 to, you know, disclose everything they can, and, you
21 know, if it's something that we know is going to be a
22 denial, an investigator will come out and talk to them
23 and tell them how to proceed from there, if it's
24 disclosed right when they turn in their application.

25 BOARD CHAIRMAN FLYNN: Okay. Thank you. I

1 just wanted to get that on the record. I'm aware. And
2 I also know that there's been times where we've used an
3 addendum sheet. So.

4 All right. Any other questions from the Board?

5 Hearing none, I'll entertain a motion.

6 BOARD MEMBER NIXON: This is Nixon. I move
7 that we uphold the denial of Ms. Brandi Johnson.

8 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
9 Do I have a second?

10 BOARD MEMBER BROWN: Brown will second.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
12 I have a second. Any other discussion?

13 Okay. Hearing none, I'll call for a vote. All
14 those in favor, state "aye."

15 (Board members said "aye.")

16 BOARD CHAIRMAN FLYNN: Okay. Ms. Johnson,
17 please reapply in a year. Use all the space. Disclose
18 everything.

19 MS. JOHNSON: Okay.

20 BOARD CHAIRMAN FLYNN: Thank you for your time,
21 ma'am. You have a good day.

22 MS. JOHNSON: Thank you.

23 BOARD CHAIRMAN FLYNN: Okay. Number 165, Tony
24 Burden. Mr. Burden, are you here?

25 MR. INGRAM: Chairman Flynn?

1 BOARD CHAIRMAN FLYNN: If you're not
2 Mr. Burden, you need to place your phone on mute,
3 please. Thank you.

4 Call one more time, Mr. Tony Burden, number
5 165?

6 Okay. Kevin, I show one, two, three, four,
7 five, I show six that we're trailing on this sheet. I'd
8 like to call them now if you show the same.

9 MR. INGRAM: That would be great to proceed
10 with the trailed items.

11 BOARD CHAIRMAN FLYNN: Okay. Number 145,
12 Stephanie Amaya, are you here?

13 MR. INGRAM: Chairman Flynn?

14 BOARD CHAIRMAN FLYNN: Yes.

15 MR. INGRAM: We do have item 140 from the
16 previous page trailed as well.

17 BOARD CHAIRMAN FLYNN: Oh, okay. Let me. All
18 right. Number 140. So we got seven. All right. Let's
19 catch up on these.

20 Is Jesse Sierra here? Jessie Sierra, number
21 140?

22 Okay. I'll entertain a motion.

23 BOARD MEMBER NIXON: This is Nixon. I move
24 that we uphold the denial.

25 BOARD CHAIRMAN FLYNN: Okay. I have a motion.

1 Do I have a second?

2 BOARD MEMBER BROWN: Brown seconds.

3 BOARD CHAIRMAN FLYNN: Okay. Any further
4 discussion?

5 If not, I'll call for a vote. All those in
6 favor of the motion, state "aye."

7 (Board members said "aye.")

8 BOARD CHAIRMAN FLYNN: Okay. Motion carried.

9 Number 145, Stephanie Amaya? Stephanie Amaya,
10 are you here?

11 Call for a motion.

12 BOARD MEMBER NIXON: Chairman, it sounds like
13 someone's trying to. Can we call her again maybe?

14 BOARD CHAIRMAN FLYNN: All right. Stephanie
15 Amaya, are you here?

16 Okay. I'm not hearing anything. I'll call for
17 a motion.

18 BOARD MEMBER GRONAUER: Gronauer. Motion to
19 deny.

20 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
21 Do I have a second?

22 BOARD MEMBER NIXON: Second. This is Nixon.

23 BOARD MEMBER BROWN: Brown will second.

24 BOARD CHAIRMAN FLYNN: Okay. Nixon seconds.

25 Any further discussion?

1 Hearing none, I'll call for a vote. All those
2 in favor, state "aye."

3 (Board members said "aye.")

4 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
5 Marian Williams, are you here?

6 (There was an outside interruption.)

7 BOARD CHAIRMAN FLYNN: I cannot hear a word
8 that person is saying, if somebody can help me.

9 BOARD MEMBER BROWN: They're talking in the
10 background, Mr. Chairman, commenting on our decisions.
11 It's somebody with an open line.

12 BOARD CHAIRMAN FLYNN: Okay. I think, they
13 left.

14 All right. Marian Williams, are you here?

15 Okay. I'll call for a motion.

16 BOARD MEMBER GRONAUER: Gronauer.

17 BOARD MEMBER BROWN: This is Brown. I move to
18 deny.

19 BOARD CHAIRMAN FLYNN: Okay. Second?

20 BOARD MEMBER GRONAUER: Second.

21 BOARD CHAIRMAN FLYNN: Gronauer seconds. Any
22 further discussion?

23 Hearing none, call for a vote. All those in
24 favor, state "aye."

25 (Board members said "aye.")

1 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
2 Gary Territo, are you here? Mr. Territo,
3 number 153?

4 All right. I'll call for a motion.

5 BOARD MEMBER NIXON: This is Nixon. I move
6 that we uphold the appeal, or the denial.

7 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
8 Do I have a second?

9 BOARD MEMBER BROWN: Brown will second.

10 BOARD CHAIRMAN FLYNN: All right. Any further
11 discussion?

12 Okay. Hearing none, call for a vote. All in
13 favor, state "aye."

14 (Board members said "aye.")

15 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
16 Aaron Harris, are you here, number 160, Aaron
17 Harris? Mr. Harris?

18 Okay. I'll call for a motion.

19 BOARD MEMBER NIXON: I move that we uphold the
20 denial.

21 BOARD CHAIRMAN FLYNN: Okay. I need a second.

22 BOARD MEMBER BROWN: Brown will second.

23 BOARD CHAIRMAN FLYNN: Okay. I have a motion
24 and second. Any further discussion?

25 Hearing none, call for a vote. All those in

1 favor, state "aye."

2 (Board members said "aye.")

3 BOARD CHAIRMAN FLYNN: Motion carries.

4 Deborah Newman, are you here? Deborah Newman,
5 161?

6 Okay. I'll call for a motion.

7 BOARD MEMBER GRONAUER: Gronauer. Motion for
8 denial.

9 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
10 Do I have a second?

11 BOARD MEMBER NIXON: I second.

12 BOARD MEMBER BROWN: Brown seconds.

13 BOARD CHAIRMAN FLYNN: Okay. Nixon seconds.

14 Any further discussion?

15 Hearing none, I'll call for a vote. All those
16 in favor, state "aye."

17 (Board members said "aye.")

18 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

19 Number 165, Tony Burden. Tony Burden, are you
20 here? Mr. Burden?

21 Okay. I'll call for a motion.

22 BOARD MEMBER NIXON: I move that we uphold the
23 denial. This is Nixon.

24 BOARD CHAIRMAN FLYNN: Okay. Do I have a
25 second?

1 BOARD MEMBER GRONAUER: Gronauer.

2 BOARD MEMBER BROWN: Brown will second.

3 BOARD CHAIRMAN FLYNN: Okay. Gronauer seconds.

4 Any further discussion?

5 Hearing none, I'll call for a vote. All those
6 in favor, state "aye."

7 (Board members said "aye.")

8 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

9 I believe, we already heard number 166. Is
10 that correct, Mr. Ingram?

11 MR. INGRAM: That is correct.

12 BOARD CHAIRMAN FLYNN: All right. Number 167,
13 Kenyoda ("Ken-yoh-deh") King, if I'm pronouncing that
14 correctly.

15 MS. KING: It's "Ken-yah-deh."

16 BOARD CHAIRMAN FLYNN: "Ken-yah-deh." Good
17 afternoon, ma'am. How are you?

18 MS. KING: I'm doing pretty good.

19 BOARD CHAIRMAN FLYNN: Okay. Investigator,
20 please take over.

21 MR. MAXWELL: Investigator Maxwell. Sorry.
22 Investigator Maxwell.

23 BOARD CHAIRMAN FLYNN: Go ahead.

24 MR. MAXWELL: The applicant was arrested in
25 2013, out of Iowa. The charge was theft, at the felony

1 level. There was no disposition available. This was
2 disclosed on the application, but it did not show up on
3 the fingerprint report.

4 2006, out of the Iowa, use of a deadly weapon,
5 a misdemeanor, two days jail. This was not disclosed.

6 2010, out of Iowa, assault, intent to inflict
7 serious injury, misdemeanor. Substance abuse evaluation
8 and restitution, two years suspended prison sentence,
9 suspended fine, two years probation. Probation shows it
10 being revoked on 9-17 of 2012. Time served 999 days per
11 the fingerprint report. This was not disclosed.

12 4-24-2018, out of Iowa, disorderly conduct,
13 misdemeanor. There was a fine. And this was not
14 disclosed.

15 The applicant was not made provisional due to
16 the disclosure of the felony conviction. This did not
17 show up on the fingerprint report. The other arrests
18 were on the fingerprint report but were not disclosed by
19 the applicant.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 Ma'am, do you want to explain as to why you
22 didn't disclose?

23 MS. KING: Absolutely. Well, when I came
24 there, that was the first time that I filled out an
25 application. And as far as knowing the dates, I didn't,

1 this was my first time filling it out, so as far as the
2 knowing the dates for those charges, I didn't know them
3 off the head. So. I did the application in the office.
4 I did all the fingerprints and everything that --

5 (There was an outside interruption.)

6 MS. KING: I'm sorry? I didn't hear you.

7 BOARD CHAIRMAN FLYNN: I didn't say anything.

8 That wasn't me.

9 MS. KING: Oh. Okay. So far as like the dates
10 or anything, I didn't know them, but off the back of my
11 head, and I didn't want to lie, so I just, I didn't
12 actually write them. And the lady at the front desk
13 already told me that, yeah, she let me know in the
14 beginning that I was going to get denied and come up
15 before the Board. And she said I'd be able to explain
16 it then. So.

17 But, yeah, totally transparent with all of my
18 charges. It's just the date. I didn't have all my
19 paperwork in front of me. But I do now. So whatever
20 you guys want to know, I'm open.

21 BOARD CHAIRMAN FLYNN: Okay. And just so you
22 know, I've been doing this for a few years. I've
23 accepted people for admitting what they've done and not
24 including the date, because I understand people forget
25 dates. But they do remember being in jail, they

1 remember being arrested, they remember going before the
2 court.

3 MS. KING: Oh, yes.

4 BOARD CHAIRMAN FLYNN: Are you in Las Vegas now
5 or California?

6 MS. KING: I am in Las Vegas now.

7 BOARD CHAIRMAN FLYNN: Okay. And what do you
8 do for employment, ma'am?

9 MS. KING: I work in -- I work at Voltaire.

10 BOARD CHAIRMAN FLYNN: Okay.

11 MS. KENYODA: I'm on PCA right now because of
12 the clients that I had got Covid. So I have small
13 children, so I had to step back from that.

14 BOARD CHAIRMAN FLYNN: No, I understand that.

15 Okay. Any other questions from the Board?

16 MS. KING: As I stated before, whatever you
17 guys want to know, I'm open. I have all my paperwork in
18 front of me.

19 BOARD CHAIRMAN FLYNN: Any other questions from
20 the Board?

21 All right. I'll entertain a motion.

22 (There was an outside interruption.)

23 BOARD MEMBER FLYNN: You need to put your phone
24 on mute. Either that or we need to call the meeting.
25 So you need to put your phone on mute.

1 (There was an outside interruption.)

2 MR. INGRAM: Whoever is on their phone right
3 now, you need to mute so that we can continue the
4 hearing. If you continue to speak, we will close the
5 hearing and no one will be heard. Please mute your
6 phones at this time.

7 (There was an outside interruption.)

8 BOARD CHAIRMAN NADEAU: And who are you, sir?

9 MS. KING: Are we continuing?

10 BOARD CHAIRMAN FLYNN: I don't know, Ms. King.
11 We're trying to hear your case, but there's a whole
12 bunch of people that are chirping in on your behalf.

13 MS. KING: Jesus. Well, I don't know them, so.

14 BOARD CHAIRMAN FLYNN: Well, I haven't had
15 anybody else come in with fans today.

16 MR. INGRAM: I think, they hung up, Chairman.

17 BOARD CHAIRMAN FLYNN: Like I said, it was kind
18 of interesting. She's got a lot of fans. We haven't
19 had any others today.

20 BOARD MEMBER NIXON: Chairman, did you ask for
21 a motion?

22 BOARD CHAIRMAN FLYNN: No, not yet. Not yet.
23 I was asking if there was any question from the Board.

24 BOARD MEMBER NIXON: Okay.

25 BOARD CHAIRMAN FLYNN: Before the fans chirped

1 in.

2 BOARD MEMBER GRONAUER: Mr. Chairman?

3 (There was an outside interruption.)

4 BOARD MEMBER GRONAUER: Gosh. Mr. Chairman?

5 BOARD CHAIRMAN FLYNN: Yes. Who's this?

6 BOARD MEMBER GRONAUER: Bobby G., Gronauer.

7 BOARD CHAIRMAN FLYNN: Yeah?

8 BOARD MEMBER GRONAUER: Okay. That gentleman
9 who was making all that, he's been saying that for about
10 five people now. So I don't think it's on Ms. King,
11 just so you understand. I heard it several times with
12 several people.

13 BOARD CHAIRMAN FLYNN: I believe you. One of
14 my weaknesses is my hearing. So I heard it that time.
15 All right.

16 BOARD MEMBER GRONAUER: I just wanted to listen
17 to her. So if we have to take her singly, and that's
18 it. But I don't believe he had anything to do with her.

19 BOARD CHAIRMAN FLYNN: Okay. All right.
20 Ms. King, we had a lot of interruptions. I tell you
21 what, I will give you a moment if there's anything you
22 want to add for us before we continue, because of the
23 interruptions and I lost my train of thought.

24 MS. KING: I'm just, I'm open to transparency,
25 whatever you guys want to ask me. As I stated before, I

1 don't know anything about the disruption. So, yeah.

2 That's what I have to say.

3 BOARD CHAIRMAN FLYNN: Okay. And then, again,
4 I mean you disclosed one of the arrests, which was the
5 felony. Why didn't you disclose the other ones? That's
6 the issue that's here is the nondisclosure.

7 MS. KING: Like I said, I didn't want to lie on
8 the paperwork as far as putting everything. I wanted to
9 put exactly what it was. Because it's not like I
10 haven't talked about it before. I've been in prison.
11 So I talked about my past, stuff like that, my juvenile
12 detentions, and talked about it. It's not like I'm
13 trying to hide it. I'm public with it. Like even on
14 social media, I'm public with my charges and everything
15 that I have done and, you know, and my transformation in
16 life. I have a letter from the Governor of Iowa
17 restoring my citizen rights. I have countless like
18 certificates from everything I've done over the years.
19 I mean it's not like I'm trying to hide it. Like I
20 said, I'm open and transparent to anything. It doesn't
21 matter what it is. What you guys have to ask me, I'm
22 open to it.

23 BOARD CHAIRMAN FLYNN: Okay. And what was your
24 last arrest, what do you recall your last arrest being?

25 MS. KING: I'm now thinking, because I wrote it

1 down, it said 2018. And, I think, it was in March.

2 BOARD MEMBER NIXON: It was disorderly conduct,
3 2018.

4 BOARD CHAIRMAN FLYNN: Okay.

5 MS. KING: Okay. I just wanted to make sure
6 that was the right one. Okay. 2018, disorderly
7 conduct.

8 BOARD CHAIRMAN FLYNN: And what were the
9 circumstances of that arrest, ma'am?

10 MS. KING: The circumstances, I was eight and a
11 half months pregnant, high-risk pregnancy during that
12 time. And my -- I have -- my two teenagers were in high
13 school. They were being trolled by a group who calls
14 themself PPE. And they were messing with my kids for
15 the last five, six months, and whatever. We have police
16 reports, and whatever. And on the last day of school
17 for summer out, they decided they were going to jump
18 them. There were three boys and seven girls involved.
19 I picked my kids up from the bus area where they're
20 dropped off. I'm sitting in my truck. And as my kids
21 stepped off the public transportation, these three boys
22 and seven girls attacked them.

23 Imagine being a mother, and I'm eight and a
24 half months pregnant, watching your two daughters
25 getting beat up by a group of kids. Huh-uh. My

1 disorderly conduct was jumping out of my vehicle trying
2 to save my kids.

3 BOARD CHAIRMAN FLYNN: Okay. Were you arrested
4 or cited?

5 MS. KING: I was arrested. They actually maced
6 all of us. I was arrested.

7 BOARD CHAIRMAN FLYNN: And what police
8 department was this?

9 MS. KING: This was in Davenport, Iowa.

10 BOARD CHAIRMAN FLYNN: Okay. All right.

11 MS. KING: And I was eight and a half months
12 pregnant, and I needed to save my teenagers from this
13 group, who are known as, they called theirselves the PPE.
14 It was weird.

15 BOARD CHAIRMAN FLYNN: And what happened when
16 you went to court on that?

17 MS. KING: I'm sorry. Did you say something
18 else?

19 BOARD CHAIRMAN FLYNN: Yeah, I wanted to know
20 what happened when you went to court on that case.

21 MS. KING: I didn't really go to court. My
22 lawyer, he gave me this -- I was eight and a half months
23 pregnant when this happened. So everybody was trying to
24 close it. It was not seen as, oh, my God, she's the
25 lupus of society. I was seen as I was protecting my

1 babies.

2 BOARD CHAIRMAN FLYNN: Okay. Thank you.

3 Any other questions from the Board, now that
4 we've not some quiet going on?

5 All right. Hearing no questions, I'll
6 entertain a motion.

7 BOARD MEMBER GRONAUER: Gronauer. I'll make a
8 motion.

9 BOARD CHAIRMAN FLYNN: Go ahead.

10 BOARD MEMBER GRONAUER: I'm sorry for all the
11 stuff that was going on in Ms. King's stuff. But the
12 nondisclosure, I have to make a motion to deny the
13 appeal.

14 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
15 Do I have a second?

16 BOARD MEMBER BROWN: This is Brown. I'll
17 second.

18 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
19 I have a second. Any further discussion?

20 Okay. Call for a vote. All those in favor,
21 state "aye."

22 (Board members said "aye.")

23 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
24 Ms. King, I'm sorry. You can reapply in a year. Please
25 disclose everything. If you don't remember the date,

1 just write the charge.

2 Okay. Number 168, Devauntae Scroggins? And I
3 apologize if I butchered that name. Number 168,
4 Scroggins?

5 Okay. I will trail that.

6 169, Bradley Laverne?

7 MR. LAVERNE: Here. I'm present, sir.

8 BOARD CHAIRMAN FLYNN: Okay. Do you understand
9 you're under oath, Mr. Laverne?

10 MR. LAVERNE: Yes. Yes, sir.

11 BOARD CHAIRMAN FLYNN: Okay. Investigator,
12 please proceed.

13 MR. MAXWELL: Investigator Maxwell. The
14 applicant was arrested in 2002 in Kentucky. The charge
15 was theft by deception, at felony level. Disposition
16 shows two years prison, less 160 days for credit for
17 time served. This was not disclosed.

18 2012, out of California, child cruelty with
19 possible injury or death, at felony level, 365 days
20 jail, four years probation. This was disclosed, but we
21 do not have court docs. This was actually partially
22 disclosed on the probation/parole section of the
23 application.

24 2009, California, DUI at misdemeanor level, 48
25 hours jail, three years probation. This was disclosed.

1 The DUI and child cruelty were partially
2 disclosed, but not their level of severity. And so the
3 applicant was initially made provisional. The arrests
4 were found and confirmed with the fingerprint report.
5 Applicant was made provisional on 12-11 of '19. He was
6 listed on ESI Security, license number 700, roster as
7 employed from 12-18-19 to 1-23-19, at which time we
8 notified the licensee that the card was denied, and he
9 was terminated.

10 BOARD CHAIRMAN FLYNN: Mr. Laverne, why don't
11 you explain the child cruelty, so I can understand it
12 better.

13 MR. LAVERNE: What had happened, sir, is that,
14 what had happened, sir, is that, unfortunately, a buddy
15 of mine that I went to basic training and we continued
16 in the military -- I was in, I'm a United States Army
17 combat veteran, Operation Iraq Freedom, if you will,
18 sir. And my good friend was killed in combat at that
19 time in Afghanistan. I did not know how to deal with
20 death very well at that time. He was a very close
21 friend of mine. Like I said, we went to the military
22 together.

23 I was heavily drinking. My stepson came
24 outside, was smarting off to me. And I said, "Please
25 get away from me," at which time my ex-father-in-law

1 proceeded to call the sheriff and make false
2 allegations. When the sheriff pulled up, natural
3 instinct of any combat soldier, if you folks will, he
4 jumped at me, made a threat towards me. And I ended up
5 back-handing him in front of the sheriff's department.

6 BOARD CHAIRMAN NADEAU: Okay. Why didn't you
7 disclose some these arrests?

8 MR. LAVERNE: I was told by ESI at the time,
9 sir, which is the security company I was working for,
10 that because they were so old, that they should not be a
11 problem and I did not need to disclose them. And I was
12 told that by the owners of ESI.

13 BOARD CHAIRMAN FLYNN: Well, I just want to
14 make sure I get this correctly. ESI Security told you
15 not to disclose these?

16 MR. LAVERNE: Right. Because I explained to
17 them how old they were. And they said, "Well, it
18 shouldn't be a problem. You should be okay to get your
19 PILB. You don't need to disclose them."

20 BOARD CHAIRMAN FLYNN: Okay. All right. We
21 will definitely follow up on that.

22 MR. LAVERNE: Had I known to do that, I would
23 have done it, sir.

24 BOARD CHAIRMAN FLYNN: Okay.

25 MR. LAVERNE: I was just going by the direction

1 was employer at the time.

2 BOARD CHAIRMAN FLYNN: All right.

3 MR. LAVERNE: And I do show remorse for my
4 actions. That was a long time ago. I realize I made a
5 mistake, folks. But I have been trying to prepare very
6 much for this hearing, because I really want to be a
7 security officer. And I was a security officer in
8 Stockton, California for a great many years.

9 And I've been working in a nightclub part-time
10 as a bouncer. It's not really security, but it is, kind
11 of deal. They don't require a PILB, but. And I have a
12 very good rapport with my current employer, up until
13 COVID-19 hit and the bars got shut down. That's why I'm
14 currently not working.

15 BOARD CHAIRMAN FLYNN: Okay. Thank you.

16 Any other questions from the Board?

17 Hearing none, I'll call for a motion.

18 BOARD MEMBER NIXON: This is Nixon. I move
19 that we uphold the denial. I go back to the form. It
20 can't be any clearer. And thank you for your service,
21 sir. I appreciate your efforts. But you have to
22 disclose. So that's my motion.

23 BOARD CHAIRMAN FLYNN: I have a motion. Do I
24 have a second?

25 BOARD MEMBER BROWN: Brown will second.

1 BOARD MEMBER GRONAUER: Gronauer. Okay.

2 BOARD CHAIRMAN FLYNN: All right. Brown
3 seconds. Any further discussion?

4 Okay. Hearing none, I'll call for a vote. All
5 those in favor of the motion, state "aye."

6 (Board members said "aye.")

7 BOARD CHAIRMAN FLYNN: Okay. Motion passes.
8 Okay. Sir, you can reapply in a year. We will
9 definitely follow up on your statement about ESI and
10 make sure that they -- we'll get to the bottom of that
11 one.

12 Is that correct, Mr. Ingram?

13 MR. INGRAM: Yes, sir.

14 BOARD CHAIRMAN FLYNN: Okay.

15 MR. LAVERNE: Okay. Well, with that being said
16 and it not being my fault, folks, I know you already
17 made a motion and all that, but that being said, you
18 know, that was not my fault. That was the fault of the
19 employer. So I don't understand why you guys are still
20 denying me when I'm not the one who is at fault here.
21 It's the employer.

22 BOARD CHAIRMAN FLYNN: I'll be blunt.

23 MR. LAVERNE: Yeah.

24 BOARD CHAIRMAN FLYNN: We're going to follow
25 up. And we'll find out what their version of this story

1 is. Do you know what the name of the employee that told
2 you that?

3 MR. LAVERNE: I don't.

4 BOARD CHAIRMAN FLYNN: Okay.

5 MR. LAVERNE: They no longer work there.

6 BOARD CHAIRMAN FLYNN: Well, how do you know
7 that?

8 MR. LAVERNE: Oh, I see ESI all time. They're
9 all over Reno, so. They do all the events in Reno.

10 BOARD CHAIRMAN FLYNN: Okay. We will follow up
11 on your statement, sir.

12 MR. LAVERNE: Okay.

13 BOARD CHAIRMAN FLYNN: Thank you.

14 MR. LAVERNE: So when do I get to apply again?

15 BOARD CHAIRMAN FLYNN: Number 170, Christopher
16 Moore. Mr. Moore, are you here? Christopher Moore,
17 number 170?

18 Okay. We'll trail that.

19 Number 171, Kenneth Bryant, are you here?

20 MR. MAXWELL: Mr. Chair, Investigator Maxwell.

21 BOARD CHAIRMAN FLYNN: Yes.

22 MR. MAXWELL: Mr. Bryant actually withdrew his
23 appeal. He's actually returned back to California, and
24 he is no longer seeking a work card in Nevada.

25 BOARD CHAIRMAN FLYNN: Okay. I'll let the

1 record show that he's withdrawn.

2 Number 172, Lavelle Pearson? Mr. Pearson,
3 Lavelle Pearson?

4 Okay. Trail that.

5 Kevin Theophile? And if I mispronounced that,
6 my apologies. Kevin Theophile?

7 MR. INGRAM: Mr. Chairman, Kevin Ingram.

8 BOARD CHAIRMAN FLYNN: Yeah.

9 MR. INGRAM: I think, we probably ought to go
10 ahead and swear item numbers 173 through 184 real
11 quickly before we proceed.

12 BOARD CHAIRMAN FLYNN: All right. And with
13 that, we've been going 90 minutes. I'm going to get the
14 Board take a bio break. Because we don't get breaks.
15 We got to listen to the phone.

16 MR. INGRAM: Thank you.

17 BOARD MEMBER NIXON: Thank you.

18 BOARD CHAIRMAN FLYNN: All right. We're on a
19 five-minute bio break.

20 MR. INGRAM: Shannon, are you still good to
21 proceed with the swearing in?

22 MR. DETMER: Sorry, Director. Was that
23 directed to me? You kind of broke up a little bit.

24 MR. INGRAM: I said, Shannon Taylor, are you
25 okay to move forward with the swearing in?

1 (There was an outside interruption.)

2 MR. INGRAM: Anybody that's on the agenda,
3 please put your phone on mute right now. Thank you.

4 What I was asking, Shannon, is we'll go ahead
5 and do the swearing in right now, on the record, with
6 you, while the Board's on break, if you're okay with
7 that.

8 THE REPORTER: Oh, I see what you're saying.
9 Absolutely. Yes.

10 MR. INGRAM: Okay. Mr. Detmer, will you go
11 ahead and swear those that are on the phone call right
12 now for calling in at the 3:30 mark. Will you go ahead
13 and swear them in, please, sir.

14 MR. DETMER: It would be my pleasure.

15 For those of you who are about to testify,
16 please raise your right hand. Do you hereby swear or
17 affirm to tell the truth, the whole truth, and nothing
18 but the truth?

19 (Applicants and witnesses present were
20 sworn/affirmed.)

21 MR. INGRAM: Okay. Thank you very much. We'll
22 be on a bio break for the next four minutes. Hang
23 tight, and the Board will be back in session here
24 shortly.

25 * * * * *

1 (A break was taken 3:59 to 4:01 p.m.)

2 * * * * *

3 BOARD CHAIRMAN FLYNN: It's Ray Flynn. I'm
4 back.

5 MR. INGRAM: Thanks, Ray.

6 BOARD MEMBER NIXON: This is Nixon. I'm back.

7 (There was an outside interruption.)

8 BOARD MEMBER BROWN: If you can hear me, this
9 is Brown, and I'm back.

10 BOARD CHAIRMAN FLYNN: Okay. Thank you.

11 MR. INGRAM: You're on the call right now. And
12 if you'll place your phone on mute, please.

13 UNIDENTIFIED: I what?

14 MR. INGRAM: Please place your phone on mute
15 and until called upon. Thank you.

16 (There was an outside interruption.)

17 MR. INGRAM: Okay. If you continue to make
18 those kind of comments, the Board will cease the
19 meeting, and everyone else on the agenda will be at a
20 loss, because of your inappropriate interactions.
21 Please keep your phone on mute, so we can finish the
22 Board meeting.

23 Mr. Detmer, are you back on the call?

24 MR. DETMER: Yes.

25 MR. INGRAM: Thank you.

1 Shannon, are you ready to go?

2 THE REPORTER: Yes, I am.

3 MR. INGRAM: Chairman, we have a quorum, and we
4 may proceed.

5 BOARD CHAIRMAN FLYNN: All right. I'm going to
6 call those four that we were trailing. And then we'll
7 finish up the day.

8 MR. INGRAM: Thank you, sir.

9 BOARD CHAIRMAN FLYNN: With the remainder.

10 All right. Devauntae Scroggins, are you here?
11 Devauntae Scroggins?

12 Okay. I'll call for a motion.

13 BOARD MEMBER BROWN: This is Brown.

14 BOARD MEMBER NIXON: This is Nixon.

15 BOARD MEMBER BROWN: I move to uphold the
16 denial.

17 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
18 Do I have a second? Do I have a second, please?

19 BOARD MEMBER NIXON: Yes, I second. Sorry.

20 BOARD CHAIRMAN FLYNN: Okay. Nixon seconds.

21 Any other discussion?

22 Hearing none, I'll call for a vote. All those
23 in favor of the motion, state "aye."

24 (Board members said "aye.")

25 BOARD CHAIRMAN FLYNN: Okay. Christopher

1 Moore. Mr. Moore, are you here? Mr. Moore?

2 All right. I'll call for a motion.

3 BOARD MEMBER NIXON: I move we uphold the
4 denial.

5 BOARD CHAIRMAN FLYNN: Okay. Do I have a
6 second?

7 BOARD MEMBER BROWN: Brown. Second.

8 BOARD CHAIRMAN FLYNN: Thank you.

9 Any further discussion?

10 Hearing none, I'll call for a vote. All those
11 in favor of the motion, state "aye."

12 (Board members said "aye.")

13 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

14 Number 172, Lavelle Pearson. Mr. Pearson, are
15 you here? Lavelle Pearson?

16 Okay. Hearing, not hearing, I'll call for a
17 motion.

18 BOARD MEMBER NIXON: I move we uphold --

19 BOARD MEMBER BROWN: Brown.

20 BOARD CHAIRMAN FLYNN: Go ahead, Nixon.

21 BOARD MEMBER NIXON: Sorry. I move we uphold
22 the denial.

23 BOARD CHAIRMAN FLYNN: Okay. Do I have a
24 second?

25 BOARD MEMBER BROWN: Brown seconds.

1 BOARD CHAIRMAN FLYNN: Okay. Any further
2 discussion?

3 Hearing none, I'll call for a vote. All those
4 in favor of the motion, state "aye."

5 (Board members said "aye.")

6 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

7 Kevin Theophile, are you here? Number 173,
8 Kevin Theophile?

9 Okay. I'll call for a motion.

10 BOARD MEMBER NIXON: I move that we uphold the
11 denial.

12 BOARD CHAIRMAN FLYNN: Okay. Do I have a
13 second?

14 BOARD MEMBER BROWN: Brown seconds.

15 BOARD CHAIRMAN FLYNN: Okay. And any further
16 discussion?

17 Okay. Hearing none, I'll call for a vote on
18 the motion. All those in favor, state "aye."

19 (Board members said "aye.")

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 I believe, Mr. Ingram, we're up to 174?

22 MR. INGRAM: That is correct.

23 BOARD CHAIRMAN FLYNN: Okay. And everybody's
24 been sworn in that's here?

25 MR. INGRAM: That is correct.

1 BOARD CHAIRMAN FLYNN: Okay. Number 174,
2 Gentlebreeze Ung-Watson? Ung-Watson, are you here?

3 Okay. We'll trail that one.

4 Artura Demoss? Artura Demoss?

5 Okay. We'll trail that.

6 Reve Wilson?

7 MS. WILSON: Here.

8 BOARD CHAIRMAN FLYNN: Did I pronounce your
9 name, Reve ("Reev")?

10 MS. WILSON: It's "Reh-vay."

11 BOARD CHAIRMAN FLYNN: Okay. My apologies,
12 Ms. Wilson.

13 MS. WILSON: That's all right.

14 BOARD CHAIRMAN FLYNN: Okay. Do you understand
15 you're under oath?

16 MS. WILSON: Yes.

17 BOARD CHAIRMAN FLYNN: Can I have -- I'll let
18 the investigator give their report.

19 MS. WILSON: Okay.

20 MR. MAXWELL: Investigator Maxwell. The
21 applicant was arrested in 2007, out of California, for
22 appropriation of lost property. This was a misdemeanor.
23 Disposition showed 10 days jail, one year probation.
24 This was not disclosed. We do not have court docs.

25 2011, out of Louisiana, attempted felony left,

1 felony level, six months suspended sentence, one year
2 probation. This was not disclosed.

3 The applicant did not disclose the arrests.
4 These were found on the fingerprint report. She was
5 initially made provisional on 10-14 of 2019 but was not
6 added to any roster. She was denied 10-16 of 2019.

7 BOARD CHAIRMAN FLYNN: Okay. Thank you.

8 Ms. Wilson, do you want to explain to us why
9 you didn't disclose?

10 MS. WILSON: I knew I was arrested. To be
11 truthful, I didn't even remember like when and what
12 years or anything. I just knew it was in Louisiana.
13 And I didn't even remember the one in California. That
14 one's new to me now.

15 And then tomorrow will make a year that I've
16 been out here in Vegas. So I just really didn't think,
17 because I haven't been in trouble in so long.

18 And I did get my provisional when I moved out
19 here, and I had started working at the Mandalay Bay
20 doing security. But then, when I got hired at a second
21 job, that's when I was told that my guard card wasn't
22 going to come and something showed on my background.
23 But I never knew what it was until now.

24 BOARD CHAIRMAN FLYNN: Okay. Are you employed
25 now, or?

1 MS. WILSON: Yes, I'm employed.

2 BOARD CHAIRMAN FLYNN: And what do you do,
3 ma'am?

4 MS. WILSON: I do janitorial. I work at the
5 Grandview time share.

6 BOARD CHAIRMAN FLYNN: Okay. All right. Any
7 other questions from the Board?

8 MS. WILSON: No, I just didn't know what I had
9 and what years. I just know it's been a while.

10 BOARD CHAIRMAN FLYNN: Okay. All right. Let
11 me see if any of the Board members have questions for
12 you, ma'am.

13 MS. WILSON: Okay.

14 BOARD CHAIRMAN FLYNN: Any other questions from
15 the Board?

16 Okay. Hearing none, I'll entertain a motion.

17 BOARD MEMBER NIXON: This is Board Member
18 Nixon. I move that we uphold the denial. One, time and
19 distance. And, two, nondisclosure.

20 BOARD CHAIRMAN FLYNN: Okay. Thank you.

21 I have a motion. Do I have a second?

22 BOARD MEMBER BROWN: Brown. Second.

23 BOARD CHAIRMAN FLYNN: Okay. Any further
24 discussion?

25 Okay. Hearing none, I'll call for a vote. All

1 those in favor of the motion, state "aye."

2 (Board members said "aye.")

3 BOARD CHAIRMAN FLYNN: Motion carries. All
4 right. Ms. Wilson, you can reapply in a year. Please
5 disclose those two arrests next time you come.

6 MS. WILSON: It was 2007 and two thousand and
7 whatever?

8 BOARD CHAIRMAN FLYNN: 11.

9 MS. WILSON: Okay. All right. Thank you.

10 BOARD CHAIRMAN FLYNN: All right. You have a
11 good day, ma'am. Thank you.

12 All right. Mr. Heard, Sederick Heard, number
13 177? Mr. Heard?

14 Okay. I'm going to trail that.

15 Jerome Raines?

16 MR. RAINES: Yes, I'm here.

17 BOARD CHAIRMAN FLYNN: Okay. Mr. Raines, are
18 you aware you're under oath?

19 MR. RAINES: Yes.

20 BOARD CHAIRMAN FLYNN: Okay. I'll let the
21 investigator chime in.

22 MR. JONES: Thank you. This is Investigator
23 Jones. The applicant was denied for a felony burglary
24 charge in California in 2007. The disposition and
25 severity do not show on the fingerprint report, but the

1 applicant states that he was incarcerated.

2 In 2009, the applicant was arrested for
3 burglary again. The fingerprint report does not show
4 severity or disposition. And the applicant did not
5 disclose.

6 In 2010, the applicant was arrested in
7 California for violation of felony parole. The
8 fingerprint report does not show the severity or
9 disposition. And the applicant did not disclose.

10 The applicant was denied previously from a 2019
11 application. So he is back to the Board to try again.

12 BOARD CHAIRMAN FLYNN: Okay. Mr. Raines, we
13 denied you once before for not disclosing. Why didn't
14 you disclose this time, again?

15 MR. RAINES: Last time, I was denied for the
16 first felony in 2007. I don't know, I don't know of the
17 one in 2009. I don't know of any other one. That was
18 the only one I had. So I don't know if that's my
19 brother or not. I was on probation for that.

20 BOARD CHAIRMAN FLYNN: What about the other
21 charges? There's a total. It shows you've been, unless
22 I'm incorrect, it shows you've been arrested four times.

23 MR. RAINES: Yeah, I didn't hear the other two.
24 I heard the one in 2007 and 2009.

25 BOARD CHAIRMAN FLYNN: Okay. I'll give you the

1 benefit of the doubt.

2 Investigator, could you remind him what the
3 other two charges are.

4 MR. JONES: Sure. We have the burglary in
5 2007, the burglary in 2009. There is a felony burglary
6 that was two months later. The fingerprint does not
7 show if that was the same charge. And then, again, in
8 2010, violation of felony parole.

9 BOARD CHAIRMAN FLYNN: Okay. So, Mr. Raines,
10 what you're saying is, if I understand you correctly, to
11 your belief, you only have one charge?

12 MR. RAINES: Yes.

13 BOARD CHAIRMAN FLYNN: And then the parole
14 violation had to do with that one charge?

15 MR. RAINES: Yes.

16 BOARD CHAIRMAN FLYNN: Okay. Are you still on
17 parole?

18 MR. RAINES: No. I've been off for a while.

19 BOARD CHAIRMAN FLYNN: Okay. Are you required
20 to register as an ex-felon?

21 MR. RAINES: I don't believe so.

22 BOARD CHAIRMAN FLYNN: Okay. Are you currently
23 living in Nevada?

24 MR. RAINES: Yes, I'm in Nevada now.

25 BOARD CHAIRMAN FLYNN: Okay. And what do you

1 do for employment, sir?

2 MR. RAINES: I work at ESI as event services.

3 BOARD CHAIRMAN FLYNN: Okay. Any other
4 questions from the Board?

5 BOARD MEMBER BROWN: Chairman, this is Brown.
6 I want to make sure that I understand. There's one
7 charge of burglary, and the other three that we see are
8 violations of parole of the same offense, it just
9 doesn't appear that way, except for the fourth?

10 BOARD CHAIRMAN FLYNN: I'm leaning towards the
11 other charges. I'm not, and I'm not sure. I don't have
12 the paperwork in front of me. But maybe the
13 investigator can chime in. I think, they're all related
14 to the one charge.

15 MR. JONES: Yes, Investigator Jones. The 2007
16 burglary shows a different reason. The 2009 arrest,
17 which shows two years incarcerated in prison.

18 BOARD CHAIRMAN FLYNN: Okay. You haven't been
19 in trouble since two thousand and -- when was your last
20 parole violation, what year?

21 MR. RAINES: I believe, it was 2010. Oh, no,
22 2009, and I went into 2010.

23 BOARD CHAIRMAN FLYNN: Okay. You haven't been
24 in any trouble for 10 years?

25 MR. RAINES: No, I haven't been in any trouble,

1 but traffic tickets.

2 BOARD CHAIRMAN FLYNN: Okay. All right. Any
3 other questions from the Board?

4 Okay. I'll entertain a motion.

5 BOARD MEMBER BROWN: This is Brown. I move to
6 uphold the denial.

7 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
8 Do I have a second?

9 BOARD MEMBER NIXON: This is Nixon. I second.

10 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
11 I have a second. Any discussion?

12 Okay. Hearing none, call for a vote. All
13 those in favor, state "aye."

14 (Board members said "aye.")

15 BOARD CHAIRMAN FLYNN: Okay. Mr. Raines, I'll
16 just speak for myself. I think, we need a little more
17 distance with your felony. If you apply again in a
18 year, and you list everything as required, I'm only
19 speaking for myself, I'll probably see this differently.
20 Good luck to you, sir, and you have a good day.

21 Number 179, Elbert Taylor?

22 MR. TAYLOR: I'm here.

23 BOARD CHAIRMAN FLYNN: Elbert Taylor, are you
24 here, sir?

25 MR. TAYLOR: I'm here.

1 BOARD CHAIRMAN FLYNN: We're going to trail
2 that one.

3 Number 180, Michael Garcia, are you here?

4 BOARD MEMBER NIXON: Chairman, I do have a lot
5 of noise, but, I think, he said he's here.

6 MR. INGRAM: Mr. Chairman?

7 MR. GARCIA: Garcia, 180, is here.

8 BOARD CHAIRMAN FLYNN: I'm going to -- this is
9 Ray Flynn, everybody. All right. Number 179, Elbert
10 Taylor, are you here?

11 MR. TAYLOR: I'm here.

12 BOARD CHAIRMAN FLYNN: All right. Thank you,
13 sir. Do you understand you're under oath?

14 MR. TAYLOR: Yes, sir.

15 BOARD CHAIRMAN FLYNN: Thank you. All right.
16 And the investigator, please proceed.

17 MR. SALADINO: Investigator Saladino.

18 BOARD CHAIRMAN FLYNN: Yeah.

19 MR. SALADINO: The applicant was denied for a
20 1998 first-degree burglary, out of California, where the
21 applicant was sentenced to 17 years in prison. This was
22 not disclosed on the application.

23 1993, out of the Tennessee, there was another
24 first-degree burglary, at a felony level. He was
25 convicted, four years in prison. The applicant did not

1 disclose this arrest. After reviewing the fingerprint
2 report, the applicant served a term in Tennessee from
3 '93 to '97 and then was convicted again in California
4 for the above charge.

5 1992, in Tennessee, forgery. This was an
6 arrest only. No charges were filed.

7 1990, in Tennessee, aggravated robbery, two
8 counts. Again, this was just an arrest where no charges
9 were filed.

10 1990, out of Tennessee, unlawful possession of
11 a weapon. Again, this was an arrest with no charges
12 filed.

13 1987, attempt to commit a felony, out of
14 Tennessee, where the applicant received two years of
15 confinement. This was a felony and not disclosed.

16 In 1984, out of the Tennessee, there was a
17 burglary at a misdemeanor level, where they were
18 sentenced to nine months of jail.

19 The applicant did not disclose any of his
20 arrest history. He was made provisional on 2-27 of '20.
21 He did not work for any licensed company during his
22 provisional status. All the arrests and convictions
23 were found on the applicant's fingerprint report, and
24 then he was denied.

25 Nothing further.

1 BOARD CHAIRMAN FLYNN: Mr. Taylor, why didn't
2 you disclose anything?

3 MR. TAYLOR: I disclosed the last time I was in
4 prison. But I thought it was in '92. He said it was
5 '98. I thought it was 1992 all the way up to 2012. I
6 did my time. I put that on there. Well, I applied to
7 One Stop, because they were going to help me pay for it,
8 and I thought that she did put it on there. I told her
9 about it, but I don't know if she put it on there or
10 not.

11 BOARD CHAIRMAN FLYNN: So you're saying
12 somebody else filled out your application, you didn't?

13 MR. TAYLOR: No, I didn't, I didn't do the -- I
14 went to One Stop, and they were going to help me pay for
15 it. And we did the paperwork together. She asked me
16 the questions, and she just wrote in down. That's what
17 I thought she did.

18 BOARD CHAIRMAN FLYNN: Did you sign the
19 application?

20 MR. TAYLOR: Yes, I signed the application.

21 BOARD CHAIRMAN FLYNN: Did you read all the
22 entries when you signed it?

23 MR. TAYLOR: Well, I, to be honest with you, I
24 didn't, because I felt that she did everything
25 correctly. And she gave me the check and the

1 application. I took it down to the place and I turned
2 it in.

3 BOARD CHAIRMAN FLYNN: Okay. This is a painful
4 lesson when you have somebody else fill out your
5 application for you.

6 MR. TAYLOR: I understand that, both helping
7 me.

8 BOARD CHAIRMAN FLYNN: Okay. All right. Are
9 you living in Nevada now?

10 MR. TAYLOR: Yes, I am.

11 BOARD CHAIRMAN FLYNN: What do you do for
12 employment, sir?

13 MR. TAYLOR: Well, I'm working two jobs. I
14 work for a warehouse. And starting Monday, I start
15 working for Bennett as a maintenance crew.

16 BOARD CHAIRMAN FLYNN: Thank you. Any other
17 questions from the Board?

18 MR. TAYLOR: No, sir. I've been off of parole
19 since, I've been off parole for seven years, and I
20 haven't been in any trouble. I worked in California as
21 a security guard for five years. And I didn't even know
22 anything about, I forgot all about all the arrests that
23 was in Tennessee. Really I did.

24 BOARD CHAIRMAN FLYNN: Okay. I, like I said --
25 well, I already said what I said. All right. Let me

1 see if any of the other Board members have questions,
2 sir.

3 MR. TAYLOR: Yes, sir.

4 BOARD CHAIRMAN FLYNN: Any other questions from
5 the Board?

6 All right. Hearing none, I'll call for a
7 motion.

8 BOARD MEMBER NIXON: This is Board Member
9 Nixon. I move that we uphold the denial of -- well,
10 that we uphold the denial.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
12 Seeking a second.

13 BOARD MEMBER BROWN: Brown will second.

14 BOARD CHAIRMAN FLYNN: All right. Any further
15 discussion?

16 Hearing none, I'll call for a vote. All those
17 in favor of the motion, state "aye."

18 (Board members said "aye.")

19 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
20 Mr. Taylor, good luck to you. You can reapply in a
21 year. Please fill out the application yourself. Don't
22 depend on other people to fill out important paperwork.

23 MR. TAYLOR: Yes, I understand that. Thank
24 you.

25 BOARD CHAIRMAN FLYNN: Okay. Good luck. Good

1 luck to you, sir.

2 MR. TAYLOR: Thank you.

3 BOARD CHAIRMAN FLYNN: Number 180, Michael
4 Garcia, are you here?

5 MR. GARCIA: Yes, sir. Present, 180, Michael
6 Garcia.

7 BOARD CHAIRMAN FLYNN: Okay. Are you aware
8 you're under oath?

9 MR. GARCIA: Yes, sir.

10 BOARD CHAIRMAN FLYNN: Okay. Investigator,
11 please proceed.

12 MR. SALADINO: Investigator Saladino. In 2008,
13 out of California, there was a charge for possession of
14 marijuana for sale. This was at a felony level, where
15 the applicant received 16 months prison sentence. This
16 was not disclosed.

17 In 1996, out of California, CCW in a vehicle.
18 This was a misdemeanor, found guilty where the applicant
19 received three years of probation. This also was not
20 disclosed.

21 2006, out of California, possession of
22 marijuana for sale. This was reduced to a misdemeanor,
23 received three years of probation.

24 October 7th of '18, out of Nevada, there was a
25 possession Schedule I, II, III or IV controlled

1 substance. This was reduced to a misdemeanor. Court
2 documents show that he was convicted of possession of a
3 dangerous drug. And the case was closed on 1-22 of
4 2020.

5 2012, out of Nevada, coercion by force. This
6 was started off as a felony, was found guilty of
7 misdemeanor coercion no force. Court documents show
8 that the charge was reduced to a misdemeanor, where he
9 was sentenced to 25 hours of community service. This
10 case was closed on 4-18 of '13.

11 The applicant did not disclose his arrest
12 history. The out-of-state convictions were found on the
13 fingerprint report. Local arrest history for the
14 misdemeanors were reviewed, and the applicant was made
15 provisional. Once the fingerprint report was received,
16 the applicant's provisional was revoked and denied. And
17 he's here for his appeal.

18 Nothing further.

19 BOARD CHAIRMAN FLYNN: Okay. Mr. Garcia, why
20 didn't you disclose anything?

21 MR. GARCIA: Well, to be honest with you, sir,
22 all that was supposed to be put behind me, down to a
23 misdemeanor. And on the application, it said there that
24 I had a felony, which I was going to put down, but it
25 got dropped to a misdemeanor. Right now, the felony

1 that I have, it's going under review for Proposition 64.
2 I got the deputy in charge in West Covina, California
3 taking care of whatever they need to take care of so I
4 could go back to work.

5 BOARD CHAIRMAN FLYNN: Okay. I know the
6 application says "any arrests."

7 MR. GARCIA: Right. And as you're seeing --

8 BOARD CHAIRMAN FLYNN: Why didn't you -- I'm
9 just curious. Why didn't you disclose any of your
10 arrests of your history?

11 MR. GARCIA: Because I, for sure, I thought, I
12 already thought about a month ago that my expungement
13 was supposed to be done for my 2006 arrest, which I
14 violated in 2008. I didn't call in to my probation
15 officer one day. And ever since then, my attorney that
16 I had hired had passed away. And all this time, I've
17 had numerous jobs. I worked at Disneyland. I worked
18 for the City of L.A. And they do a thorough background
19 there, and everything came back clean. And I was even
20 going to purchase a firearm one time, but I didn't do
21 that, I didn't have enough money.

22 And right now, the Raiders stadium is holding
23 my position as the lead to run the whole stadium over
24 there as soon as this is cleared up. And I've already
25 gone through all the paperwork and stuff, which includes

1 CR-106 info, CR-106, all the forms that are provided to
2 me for to get expungement for my record, for a clear
3 request. And it's in motion right now. It's everything
4 is going to go actually next month today. On my
5 birthday, October 2nd, everything should be taken care
6 ever.

7 BOARD CHAIRMAN FLYNN: All right. But you
8 understand that today, at the hearing, when we have to
9 make a decision, there's no expungement, all this stuff
10 is on your record?

11 MR. GARCIA: Right. I understand.

12 BOARD MEMBER NIXON: And can I state, can I
13 make a statement real quick? Again, this is so
14 frustrating, because even on the application it says,
15 even if it was expunged, if you've been arrested, to
16 note it. So it's just. This is Nixon making a
17 statement. Sorry.

18 BOARD CHAIRMAN FLYNN: No, that's okay.

19 All right. Any other questions from the Board?

20 All right. Hearing none, I'll call for a
21 motion.

22 BOARD MEMBER NIXON: I move we uphold the
23 denial.

24 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
25 Do I have a second?

1 BOARD MEMBER BROWN: Brown. Second.

2 BOARD CHAIRMAN FLYNN: Okay. Any further
3 discussion?

4 Hearing none, I'll call for a vote on the
5 motion. All those in favor, state "aye."

6 (Board members said "aye.")

7 BOARD CHAIRMAN FLYNN: And, Mr. Garcia, when
8 you apply in a year, you understand, even though it's
9 expunged, as our application says, you need to disclose.

10 MR. GARCIA: Yes, sir. I understand that, sir.

11 BOARD CHAIRMAN FLYNN: Good luck to you, sir.
12 Thank you.

13 Number 181.

14 BOARD MEMBER NIXON: Chairman?

15 BOARD CHAIRMAN FLYNN: Yeah.

16 BOARD MEMBER NIXON: Chairman, this is Nixon.
17 I, unfortunately, have another meeting that I cannot
18 miss. So I will have to drop off for the last few.

19 BOARD CHAIRMAN FLYNN: I appreciate your
20 service the last two days. This has been an aggressive
21 agenda. I don't know if Kevin's going to be on my
22 Christmas card list this year. But thank you.

23 BOARD MEMBER NIXON: Nor mine. But it's, as
24 always, a pleasure. Thank you guys. Have a good
25 evening.

1 BOARD CHAIRMAN FLYNN: Okay. Be safe.

2 BOARD MEMBER GRONAUER: Tammy?

3 BOARD CHAIRMAN FLYNN: All right. I just want
4 to confirm, before we go forward, we have a quorum?
5 There are three of us here. Mr. Detmer, is that
6 correct?

7 BOARD MEMBER GRONAUER: Tammy?

8 MR. DETMER: That would be my count, Chairman,
9 yes.

10 BOARD CHAIRMAN FLYNN: All right. Thank you.

11 BOARD MEMBER NIXON: It sounds like Bobby's
12 trying to ask me a question before I hang up.

13 BOARD MEMBER GRONAUER: Yes. All I was going
14 to say, can I go with you?

15 BOARD MEMBER NIXON: No, you need the quorum.
16 Take care.

17 BOARD MEMBER GRONAUER: Oh, okay.

18 BOARD CHAIRMAN FLYNN: Good one.

19 BOARD MEMBER NIXON: Bye.

20 BOARD CHAIRMAN FLYNN: All right. Number 181,
21 Linda Lopez, are you here?

22 UNIDENTIFIED MAN: I might as well go, too.

23 MS. LOPEZ: I am. I'm here.

24 BOARD CHAIRMAN FLYNN: Please do.

25 All right. Ms. Lopez, do you realize you're

1 under oath?

2 MS. LOPEZ: Yes, I do.

3 BOARD CHAIRMAN FLYNN: Okay. I'll let the
4 investigator take over.

5 MR. MAXWELL: Investigator Maxwell. The
6 applicant was arrested in 1992, out in California. The
7 charge was vandalism. It was a misdemeanor.
8 Disposition was 24 months probation. This was not
9 disclosed.

10 The next two items are linked. On April 4th,
11 1997, out of California, one charge was false ID to
12 specific peace officers, misdemeanor level. Disposition
13 showed probation, jail. This was not disclosed. The
14 second charge was accessory. This was at the felony
15 level. The disposition showed 450 days jail, which was
16 suspended, and five years probation. This was not
17 disclosed. But the applicant did provide court
18 documentation when asked. The conviction was later
19 reduced to a misdemeanor and dismissed under 1203.4 PC.
20 And as I said, the application did provide the court
21 documentation showing that.

22 In 1999, in California, a fraud to obtain aid,
23 felony level, 20 days jail, 72 months probation. This
24 was not disclosed.

25 2011, January 2011, California, DUI, alcohol,

1 drugs, misdemeanor, 19 days jail, three years probation,
2 not disclosed.

3 July 2011, California, driver's license
4 suspended, et cetera, DUI, special violation,
5 misdemeanor, 30 days jail, 48 months probation, not
6 disclosed. The disposition did show that on 12-2 of
7 2016 the conviction was set aside and dismissed under
8 1203.4.

9 The arrests were not disclosed. SCOPE showed
10 the applicant is a convicted person, which was confirmed
11 with the fingerprint report. And the applicant was not
12 made provisional.

13 BOARD CHAIRMAN FLYNN: Okay. Ms. Lopez, do you
14 want to tell me why you didn't disclose anything?

15 MS. LOPEZ: Why I did not disclose anything is
16 because I had -- all those cases have been expunged and
17 dismissed. I had an FBI report. With my cases, they
18 were held up since 2005. I didn't know that --

19 BOARD CHAIRMAN FLYNN: All right. You heard
20 the statements before. And on the application it says
21 list all arrests, including those that have been
22 expunged.

23 MS. LOPEZ: Right. So I didn't. I didn't.
24 Well, it's probably my fault altogether. I take
25 responsibility for that. I don't recall exposing any of

1 them.

2 BOARD CHAIRMAN FLYNN: Okay.

3 MS. LOPEZ: Because I was under this effect
4 that they were all expunged and dismissed. Since I'm 55
5 this year, I didn't figure that I needed to, if it was
6 expunged and dismissed. You know, I never had --

7 BOARD CHAIRMAN FLYNN: All right. Well, you're
8 required to. Let me see if --

9 MS. LOPEZ: Yes.

10 BOARD CHAIRMAN FLYNN: What are you doing now,
11 currently, for a job?

12 MS. LOPEZ: I have an LLC to do Lyft here in
13 Las Vegas. And I now work for the Golden Entertainment
14 two years as an EVS utility porter at Stratosphere.

15 BOARD CHAIRMAN FLYNN: Okay.

16 MS. LOPEZ: And my record is clean, so. I
17 just, when they had it, an opportunity came up to become
18 a security guard over at the stadium, I applied. First
19 thing, they gave me a telephone interview. And then all
20 the things that they required, I did that. So then,
21 when the club card came back, it came back with that
22 work fair card, which was a felony. Which they say if
23 you ever plead guilty to a felony and have it reduced to
24 a misdemeanor and expunged, you are still not entitled
25 to receive like, I guess, the gun charge, or whatever

1 like that. You have to go for something different, I
2 guess, now. So I have to go back to the FBI, Department
3 of Justice, and it's where I started, to get that
4 cleared. So.

5 BOARD CHAIRMAN FLYNN: In the state of
6 Nevada -- in the State of Nevada, you are required, even
7 if you believe they're expunged, and -- but we don't
8 have any record of expungement. But even if you believe
9 they're expunged, you need to report them.

10 MS. LOPEZ: Yeah, I do have, I have my whole
11 FBI printout, which I could have provided at that time.
12 I still have it today. But if I don't get a chance to
13 work at the stadium, I'll just wait and then try it
14 again next year. I mean I've been listening to all
15 these cases. And had I known, I don't have a problem
16 expunging, I mean disclosing it, because it has been
17 expunged. And I can prove that. And if that was the
18 case, I would not have, you know, I would have just
19 provided the paperwork, wrote it on the paper, and put
20 it down there, because that's only the right thing to
21 do. And everything was expunged.

22 BOARD CHAIRMAN FLYNN: Okay.

23 MS. LOPEZ: I even drove a cab here. I drove a
24 cab here in Vegas when I first came. But that's the
25 reason how I found out that those 2000 cases, or 2005

1 cases weren't expunged, because the taxi authority, the
2 lady who gave me a paper, told me to challenge my
3 record. That's where I am now, that's how I got to
4 where I am today. Thanks.

5 BOARD CHAIRMAN FLYNN: Thank you. Let me see
6 if there's any questions from my fellow Board members.

7 Any other questions from the Board?

8 All right. Hearing none, I'll call for a
9 motion.

10 BOARD MEMBER GRONAUER: Gronauer.

11 BOARD MEMBER BROWN: This is Brown. I move
12 that we uphold the denial.

13 BOARD CHAIRMAN FLYNN: Okay. All right.

14 BOARD MEMBER GRONAUER: Gronauer. Second.

15 BOARD CHAIRMAN FLYNN: All right. I have a
16 motion. I have a second. Any further discussion?

17 All right. Hearing none, I'll call for a vote.
18 All those in favor, state "aye."

19 (Board members said "aye.")

20 BOARD CHAIRMAN FLYNN: Okay. Motion carries.

21 All right. Ms. Lopez, you know what to do in a year.

22 Thank you for your time, ma'am. You have a good day.

23 MS. LOPEZ Thank you. You guys have a great
24 day.

25 BOARD CHAIRMAN FLYNN: Thank you.

1 All right. Kelvin Butler, number 182?

2 MR. BUTLER: How are you doing?

3 BOARD CHAIRMAN FLYNN: Mr. Butler, I'm doing --
4 tired. Thank you for being here. And thank you for
5 your patience. Do you understand you're under oath?

6 MR. BUTLER: Yes.

7 BOARD CHAIRMAN FLYNN: Okay. I'm going to turn
8 it over to the investigator.

9 MR. SALADINO: Investigator Saladino.

10 BOARD CHAIRMAN FLYNN: Go ahead.

11 MR. SALADINO: The applicant was denied for a
12 2015 possession of a controlled substance with intent to
13 sell, out of Nevada. This was a felony. The applicant
14 received four years probation, four years 19 months
15 prison suspended. This was disclosed. And we have
16 court documents.

17 In 2009, possession of drug not introduced into
18 commerce, was a misdemeanor, pled guilty, took classes,
19 received a fine, 50 hours community service. Court
20 documents also confirm this.

21 2010, out of Nevada, possession of drug not
22 introduced into commerce and domestic battery. The
23 applicant pled to reduced charges. The applicant was
24 sentenced to DV classes, drug counseling and community
25 service. The court documents verify that as well.

1 2011, out of Nevada, robbery and conspiracy to
2 commit robbery. This was dismissed. And court
3 documents show that it was dismissed.

4 2012, out of Nevada, possession of a drug not
5 commerce and not introduced into commerce. It was a
6 misdemeanor, found guilty, sentenced, suspended jail
7 sentence, counseling, community service. The court
8 documents also verify that.

9 7-7 of '12, out of Nevada, another misdemeanor
10 drug conviction. The applicant just received credit for
11 time served in that case.

12 2014, out of Nevada, felony robbery. This
13 charge was reduced to petty larceny misdemeanor. The
14 applicant was sentenced to pay restitution, complete
15 impulse control counseling and stay out of trouble.
16 Court documents show he had a financial hardship and
17 picked up a new possession of marijuana charge and
18 served 60 days.

19 2015, out of Nevada, another possession of
20 drugs. It was a misdemeanor. Found guilty. And,
21 again, credit for time served.

22 2017, possession of Schedule I, II and obtain
23 or use ID of another to avoid, slash, delay. This was a
24 felony level charge, but the D.A. did not file charges.
25 The court documents verify that as well.

1 4-17 of '20, out of Nevada, false statement to
2 obstruct a public officer. This was a misdemeanor.
3 This case was also dismissed, and the court documents
4 show that.

5 The applicant did not disclose that he was
6 arrested. Oh, I'm sorry. The applicant did disclose
7 that he was arrested and violated his probation. He did
8 not disclose the arrest. It was a felony. And he was
9 convicted.

10 In total, applicant had 29 local arrests and 10
11 citations. At the time of this report, we did not have
12 the fingerprint report. However, we do have the
13 fingerprint report, and we only have the local arrests
14 that are listed on the form.

15 Nothing further.

16 BOARD CHAIRMAN FLYNN: Okay. Mr. Butler,
17 anything you want to say?

18 MR. BUTLER: A lot of those charges was me
19 being young, you know, going through a situation. Well,
20 there's really no excuses. You know, you go through
21 phases in life. You know, and it made me understand
22 then. And then I'm 32 years now and being in jail up
23 here. You know, so, honestly, I tell you them was all
24 mistakes. I should never have been using drugs or
25 hanging out with the wrong crowd, you know.

1 BOARD CHAIRMAN FLYNN: I understand that. And,
2 but I also know that you've had recent police activity.
3 Can you explain those?

4 MR. BUTLER: Recent police activity can just
5 only be me getting pulled over, driving with no license.
6 But 2016, 2015, since I was 16, was actually what as far
7 as I got. That was a felony. And I got caught with
8 drugs. And it was supposed to be a gross misdemeanor.
9 I did my time out at Desert. I got out of there. And
10 since then -- I got out in like 2019, April 20th. And
11 since then, I was working at Cornerstone. And right
12 now, I'm employed at Vons off of Maryland Parkway and
13 Twain in Las Vegas, Nevada.

14 BOARD CHAIRMAN FLYNN: Okay. Why do you want
15 to be a security officer?

16 MR. BUTLER: Honestly, I like security. You
17 know, a lot of my buddies security. And, you know, I'm
18 kind of a big dog myself, you know. And already I like
19 it. I'm really a protector. Like my family, I got a
20 lot in them in my family as protectors, that they look
21 up to me, oh, Kelvin, he's going to save the day, you
22 know.

23 So really it's a job that I've really been
24 wanting for years. But I would do a failure and made a
25 mistake early. And I didn't have a roll model or bug in

1 my ear, like, oh, Kelvin, don't do this, don't do that.
2 You have to bump your heard in order, you know, to learn
3 as your old man, that, the mistake that you went
4 through. If you don't learn from them, you're never
5 going to learn.

6 You know, so, honestly, I like security. It's
7 better than Vons. Like I work at the Vons grocery
8 store. You know, like I said, I'm pretty -- six foot
9 four, you know, guard and security. I got a lot of
10 friends that work out there in L.A., bouncers. They're,
11 "You can get a security and make good money." But the
12 problem, I have to get the guard's card to better my
13 life, you know.

14 So if you guys give me the opportunity today, I
15 promise you, there will never be no more failures or a
16 mishappening or a misunderstanding with the police or
17 anything. I learned, in order for me to be around my
18 kids or my family, I can't do BS, I can't be -- you
19 know, there ain't no excuses, basically.

20 BOARD CHAIRMAN FLYNN: All right. Thank you.
21 Let me see if the rest of the Board has any questions of
22 you, sir.

23 Any other questions from the Board?

24 BOARD MEMBER GRONAUER: Yeah, the most recent
25 one was, that I can see, was April of 2020. That was

1 just a couple months ago, with the false statement to
2 obstruct a public officer. What's that about?

3 MR. BUTLER: That right there is the officer.
4 I didn't give him a false statement. I told him my
5 name. And on the 2020, of this year, 4-20? It was
6 like, well, I was downtown on Fremont. And me and my
7 girl was talking, or we was having a disagreement. And
8 the police just come in and out of the blue just stops
9 me for no apparent reason. If I'm not, you know,
10 wrongness, I'm not doing nothing, harming anybody,
11 personal property or harming anybody, period, you
12 shouldn't have no reason to stop me or jazz me about the
13 problem with my sweetheart. If I want to go grow braids
14 in my hair, if I wanted, you know, to look the way I
15 want to look, don't judge me. You just have a
16 conversation with me before you just judge me. Don't
17 just think that you have a badge, you can just --

18 BOARD MEMBER GRONAUER: Hold on. Hold on.
19 Hold on.

20 MR. BUTLER: -- do this to me.

21 BOARD MEMBER GRONAUER: Hold on. I asked you
22 one thing, what was it about. That's all. You know, I
23 feel --

24 MR. BUTLER: That's what it was about, sir.

25 BOARD MEMBER GRONAUER: You said you and your

1 girlfriend were having a disagreement. So, apparently,
2 the police came out of nowhere. All right. So
3 something happened after that. So I'm fine with it.
4 Don't worry about it. Thank you.

5 MR. BUTLER: All righty.

6 BOARD CHAIRMAN FLYNN: Okay. Any other
7 questions from the Board?

8 Hearing none, I'll entertain a motion.

9 BOARD MEMBER BROWN: Brown will make a motion.
10 I move to uphold the denial.

11 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
12 Do I have a second?

13 BOARD MEMBER GRONAUER: Second.

14 BOARD CHAIRMAN FLYNN: Any further discussion?

15 Hearing none, I'll call for a vote. All those
16 in favor, state "aye."

17 (Board members said "aye.")

18 BOARD CHAIRMAN FLYNN: Okay. Mr. Butler, you
19 can reapply in a year. Try not to have any police
20 contact in the next year.

21 MR. BUTLER: Okay. Thank you.

22 BOARD CHAIRMAN FLYNN: Good luck to you, sir.
23 Appreciate you being here today and your patience.

24 MR. BUTLER: All right. Thank you.

25 BOARD CHAIRMAN FLYNN: Okay. Number 183, Ryan

1 Prentiss, are you here? Mr. Prentiss, are you here?

2 MR. PRENTISS: Prentiss.

3 BOARD CHAIRMAN FLYNN: Yeah, is this Ryan
4 Prentiss?

5 MR. PRENTISS: Yes, it is, this is Ryan
6 Prentice.

7 BOARD CHAIRMAN FLYNN: Okay. Do you understand
8 you're under oath?

9 MR. PRENTISS: Yes, sir.

10 BOARD CHAIRMAN FLYNN: Okay. I'll let the
11 investigator take over. I think, I remember this case.
12 Go on.

13 MR. MAXWELL: Investigator Maxwell. The
14 applicant previously appeared before the Board in March
15 of 2017. Mr. Chair, would you like me to read the old
16 work card denial report?

17 BOARD CHAIRMAN FLYNN: No. It had to do with a
18 DUI. I just want to know what's happened since then and
19 if he did disclose it on the new application.

20 MR. MAXWELL: Okay, sir. 8-31 of 2017, state
21 of Nevada, the charge was a DUI, misdemeanor, 30-day
22 jail sentence, which was suspended, and 69 hours
23 community service. This was not disclosed, but we do
24 have court documentation for this.

25 Like I said, the denial was upheld in March of

1 2017 for his previous denial, and he was told that he
2 could reapply in March of 2018. His previous denial
3 report is attached, and he hasn't had a DUI since his
4 last appearance. He was not made provisional.

5 BOARD CHAIRMAN FLYNN: All right. I'm just a
6 little confused. Did he disclose the DUI this time?

7 MR. MAXWELL: Negative, sir.

8 MR. PRENTISS: Sir, I went to the police
9 station. I got my paperwork from the police station,
10 all my charges, and I put them all on there. All my
11 charges I got from back when I was younger till now, I
12 put all my charges on that paperwork, sir. It was, I
13 know it was a lot, but I made sure I went down to the
14 police station and got the paperwork that, you know,
15 stated all my charges. And I sat down and I wrote them
16 all on my paperwork. I remember that, because I've
17 still got the paperwork in my car.

18 BOARD CHAIRMAN FLYNN: All right. And then you
19 handed this paperwork in with -- and you handed this
20 paperwork in with the application?

21 MR. PRENTISS: No. No, sir. I wrote down
22 everything that was on the paperwork that I got from the
23 county jail. The county jail gave me, you know -- I
24 forgot the word. How do you say the word? All my, my
25 whole record. I went and got my whole record from

1 there. I had to pay them money. And everything I had
2 on that paperwork, sir, I put on there. All my charges,
3 I put on there. And I don't know.

4 BOARD CHAIRMAN FLYNN: You're saying you put
5 down the DUI on your application?

6 MR. PRENTISS: I'm sure I did. Because
7 everything, all the paperwork, all my charges, I wrote
8 down on that paper. Because, like I said, I went down
9 to the county jail and I paid to get all my record. I
10 paid to get my record. They're on there.

11 BOARD CHAIRMAN FLYNN: Mr. Prentiss, relax. I
12 want to ask the investigator something.

13 Mr. Maxwell, do we have a list that he wrote
14 out everything that he did, or a printout from the
15 county that he submitted with his application?

16 MR. MAXWELL: Investigator Maxwell. Yes, sir,
17 we have the arrest history form that the gentleman
18 filled out. And I'm just going over it now to make sure
19 I didn't miss anything. So if you could just bear with
20 me a second, sir.

21 BOARD CHAIRMAN FLYNN: Yeah, I recall we denied
22 him because he didn't list his arrest, including his
23 DUI, and we asked him to come back in a year because it
24 was a misdemeanor. So he's waited two years. And,
25 obviously, he's disclosed some things, right, because

1 you got a list there?

2 MR. MAXWELL: Yes, sir, he disclosed everything
3 that was on his previous arrest. I'm not seeing the
4 2017 DUI, but I'm just going to double make sure in case
5 I missed it.

6 MR. INGRAM: Mr. Chair, Kevin Ingram, for the
7 record. I'm looking at the application that he
8 completed. He did not list the 2017 DUI. He listed a
9 DUI for 4-4-2007. And that's the only DUI he listed.
10 He did list --

11 BOARD CHAIRMAN FLYNN: He listed all the other
12 crimes he committed, right? He had a bunch as a kid.

13 MR. INGRAM: Correct. He listed the 2009, the
14 two in 2009, the DUI in 2007, DMV charge, yeah, 6-25-07,
15 and a possession in 1994. No DUI for 2017 was listed.

16 MR. PRENTISS: Okay. Sir, was it for the
17 county jail or for north town? You know what I mean,
18 because I don't remember. You know, I don't know if it
19 was the north town or Metro. Because, like I said, I
20 went down and got the Metro paperwork. And I filled out
21 all I could do. I think, I even had extra papers, to
22 fill them out, from the lady.

23 BOARD CHAIRMAN FLYNN: Mr. Prentiss?
24 Mr. Prentiss?

25 MR. PRENTISS: Yes, sir.

1 BOARD CHAIRMAN FLYNN: We'll sort this out. I
2 recall your case. I even remember about the DUI. So.
3 I got other Board members here. But, I believe, you
4 tried to do the right thing.

5 MR. PRENTISS: Yes, I have. You know, I've
6 been changed. You all told me to stay out of trouble
7 for a year and come back. I stayed out of trouble for
8 almost two and a half years.

9 BOARD CHAIRMAN FLYNN: I know. You haven't
10 been in trouble since 2017. And I appreciate you coming
11 back. All right?

12 MR. PRENTISS: Yes, sir.

13 BOARD CHAIRMAN FLYNN: So hold on a second.
14 Let me. You just need to be quiet for a little bit
15 while we sort this out.

16 MR. PRENTISS: Yes, sir.

17 BOARD CHAIRMAN FLYNN: All right. Anything you
18 want to add?

19 BOARD MEMBER BROWN: Chairman, I have a
20 question for Investigator Maxwell, when he's ready.

21 BOARD CHAIRMAN FLYNN: Yeah. Mr. Maxwell?

22 MR. MAXWELL: Yes, sir.

23 BOARD MEMBER BROWN: As I understand this, he
24 has listed all of his offenses on his previous
25 application. But in the meantime, while he was told to

1 wait and not do anything wrong for a year, he got
2 another DUI. And that is what he has failed to
3 disclose. Do I understand that correctly?

4 MR. MAXWELL: That is correct, sir.

5 BOARD MEMBER BROWN: Okay. Thank you. I just
6 wanted to make sure I understood that. So he disclosed
7 everything on his previous application. But this new
8 one, that happened in his waiting period to apply again,
9 he has not disclosed. Thank you.

10 MR. MAXWELL: Yes, sir.

11 BOARD CHAIRMAN FLYNN: Do you understand that,
12 Mr. Prentiss, you did not disclose this last arrest?

13 MR. PRENTISS: I don't, I don't understand.
14 Because I haven't, I haven't pulled a DUI. Okay. In
15 2017. No, no, no, no. I haven't been in no trouble. I
16 was working. I worked at Savers for three, almost three
17 years straight. And I ain't been in trouble.

18 BOARD CHAIRMAN FLYNN: All right. What date do
19 you show for the DUI, Mr. Maxwell?

20 MR. MAXWELL: The date on the fingerprint
21 report is August 31st of 2017, sir.

22 BOARD CHAIRMAN FLYNN: Okay. And that is the
23 arrest, not a continuation of the case?

24 MR. MAXWELL: That is the arrest date as shown
25 on the fingerprint report, sir.

1 BOARD CHAIRMAN FLYNN: All right. Does it show
2 what agency arrested him or where he was booked?

3 MR. MAXWELL: Las Vegas Metro.

4 BOARD CHAIRMAN FLYNN: Okay. All right. Do
5 you understand that, Mr. Prentiss?

6 MR. PRENTISS: Yeah, I understand, but I don't
7 remember that. Like I say, I've been working for almost
8 three years. And I ain't been in no trouble. I've been
9 working.

10 BOARD CHAIRMAN FLYNN: Is there a disposition
11 on the DUI?

12 MR. MAXWELL: The disposition just states that
13 it was guilty at trial and he was found guilty.

14 BOARD CHAIRMAN FLYNN: No sentence on it?

15 MR. MAXWELL: Nothing on the fingerprint
16 report, sir. But let me just refer to the court
17 documents.

18 BOARD CHAIRMAN FLYNN: Okay.

19 BOARD MEMBER BROWN: Mr. Chairman, this is
20 Brown. On his work card denial report it shows a
21 disposition of 30 days in jail, suspended, 69 hours of
22 community service.

23 BOARD CHAIRMAN FLYNN: All right. Thank you.

24 MR. MAXWELL: That is correct, sir.

25 BOARD CHAIRMAN FLYNN: Is that on the

1 spreadsheet, or are you looking on the something else,
2 Mr. Brown?

3 BOARD MEMBER BROWN: I'm looking at the actual
4 work card denial report by Investigator Maxwell.

5 BOARD CHAIRMAN FLYNN: Gotcha. Okay. Thank
6 you.

7 All right. Any other questions from the Board?

8 All right. I call for a motion.

9 BOARD MEMBER GRONAUER: Gronauer.

10 BOARD MEMBER BROWN: This is Brown, and I move
11 to uphold the denial.

12 BOARD CHAIRMAN FLYNN: Okay. I have a motion.
13 Do I have a second?

14 Mr. Gronauer, are you here?

15 BOARD MEMBER GRONAUER: Yes, I'm here. I
16 can't, I can't second it.

17 BOARD CHAIRMAN FLYNN: Okay. Neither can I.
18 Motion dies. I'll call for another motion.

19 BOARD MEMBER GRONAUER: I'll make a motion.
20 This is Gronauer. I make a motion to grant the denial.
21 Grant the appeal. I'm sorry.

22 BOARD CHAIRMAN FLYNN: Okay. Do you want to
23 put a reason on there, for the record?

24 BOARD MEMBER GRONAUER: Yeah. For the reason
25 is, you know, I know it just says to disclose this one.

1 But he went through all the lengths of getting all the
2 other reports and putting them all on there. I think,
3 you can tell just how he is, a little bit hyper, at
4 least it seems to me over the phone. I think, he just
5 blew it off by accident. I don't really think it
6 intentional, or else he would have put all the other
7 things on there are, trying to stay out of trouble. I
8 think, he should have remembered about it. But I'm good
9 with it right now since he went through all the extra
10 trouble.

11 BOARD CHAIRMAN FLYNN: Okay. All right. I
12 have a motion. Do I have a second?

13 All right. For the purposes of moving this
14 forward, I will second. Which is unusual, but there's
15 only three of us. Any further discussion?

16 Hearing none, I'll call for a vote. All those
17 in favor of the motion to uphold the appeal, "aye."

18 BOARD MEMBER GRONAUER: If wasn't for the
19 uphold of the appeal. It was to grant the appeal.

20 BOARD CHAIRMAN FLYNN: That's what I meant.
21 I'm tired. Thank you. No, you're correct.

22 All those in favor of granting the appeal, say
23 "aye." Aye.

24 BOARD MEMBER GRONAUER: Aye.

25 BOARD CHAIRMAN FLYNN: Those opposed?

1 BOARD MEMBER BROWN: Nay.

2 BOARD CHAIRMAN FLYNN: Okay. Passes two to
3 one. Good luck, Mr. Prentiss. Stay out of trouble.
4 Don't let us down.

5 MR. PRENTISS: Oh, I got it?

6 BOARD CHAIRMAN FLYNN: You got it, sir.

7 MR. PRENTISS: Oh, thank God. Thank you, sir.
8 Thank you.

9 BOARD CHAIRMAN FLYNN: All right. Stay out of
10 trouble.

11 Number 184, Monica McDaniels, are you here?

12 MS. MCDANIELS: Here.

13 BOARD CHAIRMAN FLYNN: Okay. Do you understand
14 you're under oath?

15 MS. MCDANIELS: Yes.

16 BOARD CHAIRMAN FLYNN: Okay. I'll leave it to
17 the investigator.

18 MR. SALADINO: Investigator Saladino.

19 BOARD CHAIRMAN FLYNN: Go ahead.

20 MR. SALADINO: The applicant did disclose the
21 arrests that follow.

22 2005, out of California, possession of
23 concentrated cannabis, at the time was a felony, where
24 they were convicted, received three years of probation.

25 2008, out of the California, possession of

1 cocaine for sale. This was a felony. And they were
2 convicted, receiving five years of probation.

3 2005, out of California, exhibiting deadly
4 weapon not a firearm, misdemeanor. This was a probation
5 violation. The charge for exhibiting deadly weapon was
6 not filed. The applicant's probation was revoked. And
7 there was no further disposition on the fingerprint
8 report.

9 2006, out of California, battery of a
10 spouse/ex-spouse. Again, this was just an arrest, and
11 no charges were filed.

12 2008, battery of a spouse/ex-spouse, out of
13 California, misdemeanor. They, again, looked at this as
14 a probation violation, and they just revoked the
15 probation.

16 2010, trespass, occupied property without
17 consent, loiter, another probation violation, an arrest
18 only. No charges were filed.

19 2011, out of California, grand theft from a
20 person. This was a felony level. Convicted, five more
21 years of probation.

22 2011, out of California, possession of narcotic
23 controlled substance. There was no level given to this
24 one. This was an arrest only and found on the
25 fingerprint report.

1 2014, out of California, possession of a
2 controlled substance without prescription. This was a
3 misdemeanor. And it was found on the fingerprint
4 report.

5 The applicant did disclose her arrests, her
6 arrest history, and disclosed that she had felonies.
7 During this whole process, the applicant was very rude
8 during her application process, cursing at staff and
9 being extremely vulgar. We explained, tried to explain
10 the appeal process and have her have her chance in front
11 of the Board. And, again, as in the report, says very
12 rude to staff.

13 That's it.

14 BOARD CHAIRMAN FLYNN: Okay. Ms. McDaniels,
15 I'll give you a chance to speak.

16 MS. MCDANIELS: I don't know about the rude to
17 staff part. The guy told me I was going to get denied
18 as soon as he seen me. He didn't even know me. He
19 didn't even run my background. He just looked at the
20 paper and said I was going to get denied.

21 Everything else, I put every arrest I ever had.
22 And I never got arrested ever since 2014.

23 BOARD CHAIRMAN FLYNN: Okay. And do you
24 understand you can be denied for arrests? We are not
25 California.

1 MS. MCDANIELS: Okay. But I disclosed. I
2 didn't know that, see, I didn't know. I just knew that
3 I was supposed to disclose everything. And I put
4 everything that I knew I ever got arrested for on the
5 paper.

6 BOARD CHAIRMAN FLYNN: Okay. And then can you
7 explain why you cursed out our staff?

8 MS. MCDANIELS: I don't remember cursing them
9 out. But I do remember telling him that it's not fair
10 what he's saying to me, because they don't, they never
11 even ran my background yet.

12 BOARD CHAIRMAN FLYNN: Okay.

13 MS. MCDANIELS: An Asian guy. It was an Asian
14 guy.

15 BOARD CHAIRMAN FLYNN: Okay. Well, and you're
16 here. So why don't you explain to me why we should give
17 you a chance, with your lengthy arrest history,
18 including arrests within the last 10 years?

19 MS. MCDANIELS: I've been trying to stay out of
20 trouble. I don't live in California no more. I moved
21 to Nevada. And I never got in trouble in Nevada for
22 nothing else ever. I've never been to jail.

23 BOARD CHAIRMAN FLYNN: All right. How long
24 have you lived in Nevada?

25 MS. MCDANIELS: For eight years, since 2012.

1 BOARD CHAIRMAN FLYNN: Okay. And what do you
2 do for employment, ma'am, where do you work?

3 MS. MCDANIELS: I work at ABM Janitorial for
4 the Raiders stadium, but we can't do anything right now
5 because they can't have anything.

6 BOARD CHAIRMAN FLYNN: Gotcha. Okay.

7 Any other questions from the Board, besides me?
8 I'm done.

9 Okay. Hearing none, I'll entertain a motion.

10 BOARD MEMBER GRONAUER: Gronauer. I'll make a
11 motion.

12 BOARD CHAIRMAN FLYNN: Go ahead.

13 BOARD MEMBER GRONAUER: I'll make a motion to
14 deny the appeal. I'll just put to it, the last arrest,
15 again, was in 2014. If was in California but still is
16 for narcotics, and there's been a previous history of
17 narcotics. So at this time, it's a little bit too
18 early.

19 BOARD CHAIRMAN FLYNN: Got you.

20 All right. I have a motion. Do I have a
21 second?

22 BOARD MEMBER BROWN: Brown seconds.

23 BOARD CHAIRMAN FLYNN: Okay. Any further
24 discussion?

25 All in favor of the motion, say "aye."

1 (Board members said "aye.")

2 BOARD CHAIRMAN FLYNN: Okay. Motion carries.
3 Ms. McDaniels, thank you for your time. You can reapply
4 in a year. Let's see what happens as we get more time
5 and distance since your narcotics charges. You have a
6 good day, ma'am.

7 Okay. Number 185, Maria -- did we do this one,
8 Kevin, or?

9 MR. INGRAM: Yes, sir. We're at the point
10 where we have three items trailed, 174, 175 and 177.
11 And then we go right into Board comment, future agenda
12 items and public comments, sir.

13 BOARD CHAIRMAN FLYNN: All right. But we
14 already did Maria Torres Arellano?

15 MR. INGRAM: That is correct.

16 BOARD CHAIRMAN FLYNN: Okay. All right. I've
17 got 174, 175, 177. All right.

18 Gentlebreeze Ung-Watson, are you here?
19 Mr. Watson?

20 Okay. I'll seek a motion.

21 BOARD MEMBER GRONAUER: Gronauer. I make a
22 motion for denial.

23 BOARD CHAIRMAN FLYNN: Okay. Do I have a
24 second?

25 BOARD MEMBER BROWN: Brown seconds.

1 BOARD CHAIRMAN FLYNN: Any discussion?

2 Hearing none, call for a vote. All those in
3 favor of the motion, state "aye."

4 (Board members said "aye.")

5 BOARD CHAIRMAN FLYNN: Mr. Demoss, are you
6 here? Artura Demoss, number 175?

7 Okay. Call for a motion.

8 BOARD MEMBER BROWN: This is Brown. I move
9 that we uphold the denial.

10 BOARD CHAIRMAN FLYNN: Okay. Do I have a
11 second?

12 BOARD MEMBER GRONAUER: Yeah. Gronauer. I'm
13 sorry.

14 BOARD CHAIRMAN FLYNN: Okay. And any further
15 discussion?

16 Hearing none, call for a vote. All in favor of
17 the motion, state "aye."

18 (Board members said "aye.")

19 BOARD CHAIRMAN FLYNN: Okay. Motion carried.
20 And, I believe, what, 177, Kevin?

21 MR. INGRAM: That's correct.

22 BOARD CHAIRMAN FLYNN: All right. Sederick
23 Heard, are you here? Mr. Heard?

24 Not hearing, I'll call for a motion.

25 BOARD MEMBER GRONAUER: Gronauer. I'll make a

1 motion for denial.

2 BOARD CHAIRMAN FLYNN: Okay.

3 BOARD MEMBER BROWN: Brown seconds.

4 BOARD CHAIRMAN FLYNN: All right. Any further
5 discussion?

6 Hearing none, call for a vote. All those in
7 favor of the motion? Aye.

8 BOARD MEMBER BROWN: Aye.

9 BOARD CHAIRMAN FLYNN: I'm sure he said "aye."
10 All right. Motion carries.

11 BOARD MEMBER GRONAUER: Mr. Chairman, before
12 you go any further, can I just ask a question?

13 BOARD CHAIRMAN FLYNN: Yeah, please.

14 BOARD MEMBER GRONAUER: Numbers 172 and 173, I
15 had them marked that we trailed them. Did I make a
16 mistake?

17 BOARD CHAIRMAN FLYNN: Well, we did trail them,
18 and then we ended up voting to deny them.

19 BOARD MEMBER GRONAUER: Okay. I didn't cross
20 them off. Thank you.

21 BOARD CHAIRMAN FLYNN: Okay. Kevin, please
22 tell me under 187 you don't have a lot.

23 MR. INGRAM: I don't have a lot.

24 I did want to mention that, again, with the
25 finalization of the regulation changes that went over to

1 LCB, we will be calling for a special meeting. I'll
2 send out a request for dates available for that to be
3 able to notice of intent to act to adopt those.

4 The other thing, I wanted to take just a
5 minute. I know it's been a long day. I wanted to thank
6 Board staff for doing such a great job. Putting all
7 this stuff together was very difficult. It was
8 basically combining two different Board meetings along
9 with three Board meetings worth of appeals. It was very
10 difficult. It was very labor-intensive. I want to
11 thank the Board for your indulgence and having the time
12 to get through all of this to prevent additional
13 backlog. This was very difficult on everybody and quite
14 agonizing, to be blunt.

15 And I just want to thank everybody involved. I
16 think, everyone did a great job. Thank you.

17 BOARD CHAIRMAN FLYNN: All right. Thank you.

18 And I can only add kudos to staff as well as
19 the Board.

20 I do have a question. Are we caught up, or do
21 we, if we were to start another one, do we got more
22 appeals?

23 MR. INGRAM: We are all caught up on appeals as
24 of right now. The only appeals that will be heard in
25 December will be the ones post this Board meeting.

1 BOARD CHAIRMAN FLYNN: Okay. Thank you.

2 All right. If there isn't anything else, I'll
3 call for public comment.

4 MS. JONES: This is Theresa Jones.

5 BOARD CHAIRMAN FLYNN: Mr. Detmer, do we need
6 to want to read that paragraph or just call for public
7 comment?

8 MR. DETMER: Mike Detmer, for the record. You
9 can call for public comment.

10 BOARD CHAIRMAN FLYNN: All right. I just
11 wanted to make sure you're with us. I was testing you.

12 MR. DETMER: Thanks, Chairman.

13 BOARD CHAIRMAN FLYNN: Okay. Yeah. He's
14 playing with his Lego set. Okay.

15 BOARD MEMBER BROWN: Mr. Chair, it sounded like
16 somebody was trying to say something as you were trying
17 to get counsel.

18 BOARD CHAIRMAN FLYNN: All right. I will --
19 well, I've got the counsel. All is I have to do is call
20 for public comment. We're at the end of the day.
21 Understand we cannot take any action in public comment,
22 but we will listen to you.

23 Is there any public comment?

24 MS. JONES: Yes. This is Theresa Jones. I
25 just want to piggyback on Kevin Ingram. This was

1 brutal. And I applaud everyone, the Board, Executive
2 Director and the investigators, on a well-done job
3 getting through all of the appeals.

4 BOARD CHAIRMAN FLYNN: Theresa, being one of
5 our fans that's at every one of our meetings, and you
6 sit through these, I appreciate you being here. I
7 appreciate what you do for your association. And thank
8 you for your comments.

9 MS. JONES: Thank you.

10 BOARD CHAIRMAN FLYNN: All right. I'll call
11 for a motion for adjournment.

12 MS. DUNN: Wait a minute. Did you hear me,
13 sir?

14 BOARD CHAIRMAN FLYNN: No, I didn't.

15 MR. DUNN: My name is Christopher Dunn. I was
16 number 131.

17 BOARD CHAIRMAN FLYNN: Yes, Mr. Dunn, I'll let
18 you speak.

19 MR. DUNN: Okay. Thank you. First of all, I
20 would like to thank the Board and the Board staff for a
21 job well done. It's been a long day for you guys. I
22 recognize that.

23 One thing, though, I would like to suggest.
24 And I don't know whether to present it to you as a
25 problem and then not present a solution, because I don't

1 know the solution. I mean that's not really the right
2 thing to do. But, I guess, what I'll do is present it
3 as a consideration for you guys. And you probably have
4 already thought about it. In conducting these boards in
5 the manner in which you have just done, you allow too
6 many riffraff to have interruption ability in a formal
7 proceeding. It also drags on for quite some time and
8 runs late.

9 I do not know the solution. And I know you
10 guys are aware of this. You guys put in the long day
11 and the hard times doing this. And I'm not taking
12 anything away from you. You guys did a great job. And
13 I've listened the entire time.

14 Somehow, maybe Nevada has a budget to provide
15 an information technology guru who can somehow fix this
16 for you and prevent the backlog of people sitting and
17 listening to the other cases. Immediately behind mine,
18 somebody complained about the Board's determination for
19 my particular situation, and he was very different than
20 I am.

21 I don't know. I guess, it's also been long, a
22 long day for me in listening to you guys. I hope I have
23 provided something of value to you in my rambling here.

24 BOARD CHAIRMAN FLYNN: Okay. Thank you, sir,
25 for your comments. And you understand, we cannot take

1 action. But your comments are in the record.

2 All right. Is there any other public comment?

3 Okay. Hearing none, I will call for a motion
4 to adjourn.

5 BOARD MEMBER BROWN: This is Brown. I move to
6 adjourn the meeting.

7 BOARD CHAIRMAN FLYNN: Do I have a second?
8 Bobby?

9 Well, I'll second. We may have lost him due to
10 a battery issue.

11 Well, Mr. Detmer, you're going to have to work
12 some more.

13 MR. DETMER: Mike Detmer, for the record.
14 Chairman, as far as adjournment goes, I often see those
15 as board action. But oftentimes, other boards, I don't
16 even see them on the agenda. So that, and if it's not
17 on the agenda, the Board doesn't have to continue in
18 perpetuity. To develop it for an action item, I mean
19 with those that are present, I'm sure you could take a
20 vote and, with the existing members, have that
21 constitute as an effective motion and action.

22 BOARD CHAIRMAN FLYNN: Okay. All right. All
23 those in favor of adjourning, say "aye." Aye.

24 BOARD MEMBER BROWN: Aye.

25 BOARD CHAIRMAN FLYNN: All right. Thank you

1 for being here. Motion carries.

2 Thank you, Shannon. You did a great job.

3 THE REPORTER: Thank you very much. Everybody
4 be safe out there.

5 BOARD CHAIRMAN FLYNN: I'm signing off.

6 * * * * *

REPORTER'S CERTIFICATE

I, SHANNON L. TAYLOR, a Nevada Certified Court Reporter, Nevada CCR #322, do hereby certify:

That I was present via teleconference on Wednesday, September 2, 2020, at 9:00 a.m. and took stenotype notes of the second day of a two-day Teleconference Meeting of the State of Nevada Private Investigators Licensing Board;

That I thereafter transcribed the aforementioned stenotype notes into typewriting as herein appears, and that the within transcript, consisting of pages 362 through 726, is a full, true, and correct transcription of said stenotype notes of said second day of a two-day meeting;

I further certify that I am not an attorney or counsel for any of the parties, not a relative or employee of any attorney or counsel connected with the actions, nor financially interested in the actions.

DATED: At Carson City, Nevada, this 3rd day of November, 2020.

SHANNON L. TAYLOR
Nevada CCR #322, RMR
