6 Board may discuss matters not appearing on the agenda but may
7 not act on the matters at this meeting. If the Board desires
8 the matters may be placed on future agenda for action.

9 Public comment will be limited to five minutes
10 per person at the discretion of the Chairperson but will not
11 be restricted according to viewpoint.

12 Are there any public comments in the south?

13 Okay. No public comment in the south.

14 Are there any public comments in the north?

15 Hearing there are no public comments we'll move to the next
16 agenda item.

17 Executive Director Ingram, can you please read
18 announcements and do report -- reports and updates.

19 MR. INGRAM: Yes, ma'am. Thank you.

20 First of all, I would like to go ahead and do
21 introductions of our staff. We'll start over here to my
22 right. We have Chief Lori Irizarry. And we have
23 Investigator Shelly Lancaster. We have Investigator
24 Assistant Stephanie Barroso. And over on my left we have

1 Investigator Zachary Swarthout and Supervisor Investigator
2 Vincent Saladino. We started calling him Vinnie because
3 that's what we know him by.

4 To my left is Board Counsel Mike Detmer. And I'm
5 Kevin Ingram.

6 Just a brief overview for the Board on our
7 transition out-of-state general fund. We are set to go live
8 October 6th. There was a little bit of a delay. However,
9 we've got all of those bugs worked out. So we'll be working
10 as an independent Board come October 6th for sure with a soft
11 opening of October 2nd to make sure all of the bugs are
12 worked out that we want.

13 Additionally, I would like to welcome our newest
14 court reporter, Ms. Kathy Jackson. Thanks for being with us
15 today. Ms. Jackson is in the north, and she's going to be
16 transcribing the meeting.

17 So I would ask anybody that is testifying to
18 speak slowly and clearly, stating your name and the spelling
19 of your last name please for the record when you -- when you
20 are first addressing the Board.

21 As far as the financials, the financials have
22 been provided to the Board. Does the Board have any
23 questions on financials?

24 Any questions in the north?

1 Okay. At this time I would like to ask Chief
2 Irizarry to cover our latest statistics for you. Thanks,
3 Lori.

4 MS. IRIZARRY: Chief Irizarry. I'm going to be
5 reading the statistics. There are some on the tables when
6 you signed in. If you didn't grab one it's also on our
7 website for those on the phone. On our website you go to the
8 meetings tab. On today's meeting underneath attachments, the
9 only attachment there will be the statistics. It's a
10 three-page document.

11 Okay. So starting on page one, this is going to
12 be the stats from the last Board meeting which was June to I
13 stated as of yesterday, so September 14th of 2020 -- 2021. A
14 whole year I missed.

15 So before the Board today the licensees that were
16 going for the 2021 Board meeting there were 73 applications
17 that were received. Of that 56 of them have been placed on
18 the agenda which would be six postponements, 11 withdrawals.
19 The withdrawals and postponements made up mainly of private
20 investigator and private patrolman license.

21 Postponements were for reasons for like somebody
22 to retake the exam. So they will most likely be at the next
23 Board meeting or someone is no longer employed with the
24 company and we also had fingerprints that were still pending

1 so they would not be agendized today.

2 Reasons for withdrawal, there was a person who
3 had a conflict with their current government employment and
4 two individuals decided not to move forward.

5 At this Board meeting we have the majority of
6 licensees going to into private patrolman category followed
7 by private investigator. We have no one at this Board
8 meeting going for a process serving license.

9 Working our way down, work card applications. I
10 just saw there's a typo. So the work card applications from
11 June 1st to September 10th was actually 3,581 total
12 applications. The number at the top there where it says
13 2,404, that was actually June statistics.

14 So this past quarter we have had increase of
15 1,177 work card applications which was a 49 percent increase
16 in the last three months prior to the quarter before. And
17 that's actually been the largest work card applications we've
18 received since June of 2019.

19 The main reason for the work card -- taking work
20 card applications is because Las Vegas mainly has opened back
21 up. So starting in June we had a lot more work card
22 applications for Allegiant Stadium, mainly in the security
23 industry. So Allegiant Stadium brought in a lot of work card
24 applications for us. Where Allegiant Stadium has festivals

1 and events. It also opens up activity on the strip. So we
2 have a lot more for that.

3 And right now we are gearing up for Life is
4 Beautiful, which is this weekend which has attributed to a
5 huge influx, somewhere between five to 600 new applications
6 that came in in the past month.

7 So just from August 1st to yesterday out of the
8 3,400 applications that, 3,500 applications that we received
9 1,600 of them have come from August 1st to today. That is
10 why you see a lot of individuals in a pending status.

11 The reason they are in a pending status is
12 because -- I'm sorry, not pending, provisional status is
13 because we haven't received their fingerprints back just yet
14 because they are going before the Board -- I'm sorry, we
15 haven't received the fingerprints back just yet because they
16 just got fingerprinted some time in August. Fingerprinting
17 is also taking about two months to get back to us from the
18 criminal repository.

19 After Life is Beautiful this weekend we will have
20 EDC in the middle of October, followed by Day N Vegas first
21 week in November. And we also in the north just passed Hot
22 August Nights and Night in the Country. That will be the
23 large influx of work cards.

24 On the second page, complaints and investigations

1 this past quarter. Complaints and investigations broke down
2 into basically five different types of categories. This
3 would be the first time that you notice there is a PILB staff
4 complaints. There are two on there. I mention all
5 complaints and investigations that the Board receives. I
6 touched on that one in particular. Those two had no
7 findings. It was actually another state agency they thought
8 was our staff. It actually wasn't. It was a gaming control
9 board security situation so it would not be with us. That's
10 why it was closed.

11 And the other one was regarding a work card
12 individual who thought his card should not be denied and had
13 a disgruntled moment. Still a complaint that was officially
14 filed with us.

15 The others make up, the majority of complaints
16 and investigations we have are going to be in the private
17 patrolman category which is 15 total. From that six of them
18 are still pending. Four have closed. Four have resulted in
19 audit. Audits can be, we have two that are going through the
20 audit paperwork process. When they mail stuff in we're
21 reviewing their personnel records and documents they send in.
22 And two audits were conducted onsite in the north from Pines
23 Check Hot August Night event and Night in the Country. And
24 then one has resulted in violation of citation at this time.

1 Out of the, all of the complaints, there's a
2 total of 24 of them, nine are still pending. Right now we
3 are averaging 42 days from when we receive a complaint or an
4 investigation is open until we officially close it or have a
5 final determination. Nine we've had no action or they have
6 closed. Four are those audits, one citation, one referred to
7 another state agency which would be that gaming control board
8 incident that we had.

9 On to page three, notice of violations. These
10 are the violations that would be issued to a licensee or a
11 work cardholder. There were three categories with three NRS
12 or NAC's that were violated. People not listed properly.
13 I'm sorry. People not -- I'm sorry. Individuals working for
14 a licensee without having an active work card. Either they
15 never had one to begin with or their card expired and they
16 were continuing to work for a licensee.

17 Individuals who took the initial firearm course
18 but did not qualify within the proper months so they were out
19 of their firearm recalls. And one individual or one company
20 got a violation for not having their license properly
21 displayed. It was a total of eight violations but the seven
22 licensees because one company got two violations so it's
23 seven licensees.

24 There was one audit conducted not onsite but one

1 audit conducted for a private patrolman licensee which was a
2 violation of \$7,000 which has been paid in full. The
3 violations for that audit were mainly roster issues and
4 personnel records that were not turned into us, were not
5 complete. That would be a violation of NRS 648.140
6 subsection (3) (b).

7 In the last section there is unlicensed activity
8 citations. There have been five unlicensed activity
9 citations issued this past quarter, three of which were for
10 private patrolman. One for private investigator and one for
11 a company that is conducting PI, private investigations and
12 private patrolman services in one, which was a total of
13 \$20,000. The first violation is 2,500 which was for four of
14 those offenders. And the fifth violator is a third or
15 subsequent offender which is a 10,000 dollar offense.

16 I don't want to elaborate on those too much
17 because they are still pending within their 30-day appeal
18 rights. So this breakdowns as three private patrolman, one
19 private investigator and one combined. That's what I got.
20 Thank you.

21 MR. INGRAM: Thanks, Lori.

22 The last information I would like to provide the
23 Board before we move on, item number, agenda item number 11
24 has been withdrawn. That person is no longer employed by the

1 company. So item number 11 we will not be hearing today.

2 The next one is item number 31. That's been
3 withdrawn. That person is no longer a corporate officer of
4 the company.

5 And item number 32 is being postponed to the next
6 regular scheduled Board meeting due to a fingerprint problem.
7 The fingerprints came back illegible and they are in the
8 process of resubmitting those.

9 And that's everything I have for the Board.
10 Thank you, Madam Chair.

11 BOARD CHAIR NIXON: Thank you. Agenda item
12 number 4, review of -- review and approve the transcripts.
13 Everybody has had the opportunity on the Board to review the
14 transcripts. Are there any questions or concerns with those?

15 I'm hearing no questions or no concerns. I will
16 open it up for a motion.

17 MS. CORTEZ: This is Officer -- Board Member
18 Cortez. This is Board Member Cortez. My apologies. I
19 motion to approve the minutes of September 11th. Oh, I'm
20 sorry, June 9th of 2021 as dictated.

21 BOARD CHAIR NIXON: We have a motion. Do we have
22 a second?

23 BOARD MEMBER GRONAUER: Gronauer. Second.

24 BOARD MEMBER BROWN: Board Member Brown. Second.

1 BOARD CHAIR NIXON: We have a motion and a
2 second. All in favor say aye.

3 (The vote was unanimously in favor of the
4 motion.)

5 BOARD CHAIR NIXON: Any opposed?

6 Motion passes. Transcript is approved.

7 Okay. So agenda item number 5, per NRS 648.166
8 subsection (b) motion to continue hearing of appeal citation
9 1001021. Is there --

10 MR. DETMER: Good morning. Mike Detmer from the
11 Attorney General's Office on behalf of Director Ingram. That
12 was for the record.

13 If -- Chair, if I might take over the
14 presentation of these agenda items.

15 And, Ms. Jackson, welcome to the Board. I
16 apologize in advance for how fast I speak. I will make every
17 effort to slow it down.

18 In referring to agenda item number 5, is there
19 anybody in the audience present for citation number I0010-21?
20 That's in the south.

21 Anybody in the north? With that Chair, if I may
22 proceed. Thank you, Chair.

23 This is before the Board for consideration of a
24 motion to continue. In this specific matter the respondent

1 was issued a citation on or about June 8th, 2021, and the
2 appeal board was filed on July 8th, 2021. Pursuant to NRS
3 648.166 the appeal hearing should be held on or about
4 October 19th, 2021. However, Board staff, as well as myself,
5 we are currently engaged in the preparation for a hearing at
6 the end of the month. That's going to require the
7 introduction of multiple witness testimony, as well as
8 exhibits. And given the mandatory dedication for the time
9 and resources it is being respectfully requested that this
10 matter be continued to the next available regularly scheduled
11 Board meeting.

12 And with that I submit. I'm happy to answer any
13 questions the Board may have.

14 THE REPORTER: I can't hear her.

15 MR. DETMER: Mike Detmer for the record.

16 Assuming that it's the same exact facts and circumstances for
17 the most part, if the Board was all in agreement with one but
18 for all of them then, yes, the Board could make a motion in
19 total.

20 THE REPORTER: Can you tell them that.

21 MR. DETMER: After we check to make sure that the
22 other respondents for those citations are not present to
23 speak and wish to object to the continuance.

24 Mike Detmer for the record. Are there any

1 persons present for items number 6 and 7, referring to
2 Citations I0051-21 or I0056-21?

3 Anybody up north?

4 MS. IRIZARRY: Chief Irizarry. I apologize.
5 They are letting me know from the north, if you could just
6 turn your mic on because they can't hear you. Thank you.

7 BOARD MEMBER CORTEZ: Did you want me to repeat?

8 THE REPORTER: Uh-huh.

9 BOARD MEMBER CORTEZ: Okay. This is Board Member
10 Cortez. My question was if we can combine items number 5, 6
11 and 7, it's my understanding that all the issues are pretty
12 much requesting the same matter to be postponed.

13 MR. DETMER: Mike Detmer for the record. That
14 was a correct statement as far as the recitation of the prior
15 discussion subsequent to which we had checked, pulled the
16 audios to see if anybody was present for those agenda items.
17 It appears to be in the negative. That is to say nobody is
18 present before those agenda items.

19 BOARD CHAIR NIXON: Okay. So this is Chair
20 Nixon. I'll entertain a motion on agenda item number 5, 6
21 and 7.

22 BOARD MEMBER BROWN: This is Board Member Brown.
23 I move that we continue the hearings of all three citations
24 contained in item numbers 5, 6 and 7.

1 BOARD MEMBER CORTEZ: This is Board Member
2 Cortez. I'll second the motion.

3 BOARD MEMBER GRONAUER: This is Board Member
4 Gronauer. I have a question. What date are we continuing it
5 to?

6 MR. DETMER: Mike Detmer for the record. Thank
7 you, Member Gronauer. That's a great question.

8 The request would be to the next regularly
9 scheduled meeting. If the Board would like to set up for a
10 different date we would, of course, accommodate to the best
11 of our ability.

12 MS. CORTEZ: This is Board Member Cortez. I'm
13 recommending that we postpone it until the next Board
14 meeting. Three months I think will be given enough time to
15 collect the information needed. If there's a continuance
16 requested at that time we'll entertain it at that meeting.

17 This is Board Member Cortez. If all of the Board
18 Members are in agreeance I'll motion to postpone it to the
19 next scheduled Board meeting to be determined, give or take
20 three months.

21 BOARD MEMBER BROWN: Board Member Brown. I'll
22 second the motion.

23 BOARD CHAIR NIXON: For the record, the next
24 Board meeting is December 8th and 9th.

1 So we have a motion. We have a second. All in
2 favor say aye.

3 (The vote was unanimously in favor of the
4 motion.)

5 BOARD CHAIR NIXON: Motion passes. The items 5,
6 6 and 7 are continued until December 8th meeting.

7 MR. DETMER: Thank you, Chair. And I thank the
8 Board.

9 BOARD CHAIR NIXON: Okay. Counsel Detmer, at
10 this time could you please swear in all witnesses.

11 MR. DETMER: It would be my pleasure, Madam
12 Chair.

13 For those who are about to testify please stand
14 and raise your right hand if you're testifying.

15 (All applicants and witnesses present were
16 sworn/affirmed.)

17 MR. INGRAM: Jordan, how many people do we have
18 in the north?

19 INVESTIGATOR JONES: We just have one individual.

20 MR. INGRAM: Swearing in?

21 INVESTIGATOR JONES: We just have one individual.

22 MR. INGRAM: Okay. Thank you.

23 MR. DETMER: Thank you very much. For those of
24 you who are possibly on the telephone line, if you could

1 please when you get on the line we'll reference you
2 understand that you're still under oath when it's your turn
3 to testify. Thank you.

4 BOARD CHAIR NIXON: Okay. Executive Director,
5 could you do a roll call for the folks that are on conference
6 calls and confirm they are under oath, please.

7 MR. INGRAM: Yes, Madam Chair. Thank you.

8 For those of you that are on the phone line right
9 now, if you could do your best to give us your name. So
10 unmute and speak slowly, and if you can spell your last name
11 I would appreciate that. Thank you.

12 MS. BERMAN: Gabbey Berman, B-e-r-m-a-n for
13 Protective Force International.

14 MR. INGRAM: Thank you, Gabbey.

15 Anyone else?

16 MR. WHITE: William Craig White, W-h-i-t-e.

17 MR. INGRAM: Thank you.

18 Anyone else?

19 MR. CRUZ: Edgar Cruz, with Special Enforcement
20 Security Services Group DBA Private Sector Security. Last
21 name is C-r-u-z.

22 MR. INGRAM: Thank you, Edgar.

23 Anyone else?

24 MS. WOOLLARD: Yes. Viper Family Security.

1 MR. INGRAM: I'm sorry. Ma'am, would you please
2 state your name again.

3 MS. WOOLLARD: Annette Woollard, W-o-o-l-l-a-r-d.
4 I'm with Viper Family Security Inc.

5 MR. INGRAM: Thank you, Annette.

6 MS. WOOLLARD: Thank you.

7 MR. INGRAM: Anyone else?

8 (Two people were speaking at the same time.)

9 MR. INGRAM: Yeah, I had two people speaking. Go
10 ahead and state your name one more time, sir.

11 MR. BOMBARD: Leon Bombard, B-o-m-b-a-r-d, APG
12 Security.

13 MR. INGRAM: Thank you, Leon.

14 And who else?

15 MR. ALAN CRUZ: Alan Cruz, A-l-a-n C-r-u-z with
16 Special Enforcement Security Services Group DBA Private
17 Sector Security.

18 MR. INGRAM: Thank you.

19 Anyone else?

20 MR. SCHRENZEL: Yes. This is Seth Schrenzel for
21 Viper Family Security.

22 MR. INGRAM: Thank you, Seth.

23 Anyone else?

24 MS. MOORE: Anna Moore with CoventBridge USA.

Thank you all. I know this is difficult on a conference bridge to not talk over everyone. You made it pretty easy, and we appreciate that.

Thank you, Madam Chair.

BOARD CHAIR NIXON: Okay. Thank you.

So now we're on to agenda item number 10. There's a request for exemption. Do we have Dan E. Taylor Junior in the audience. Thank you. Please come forward.

MR. TAYLOR: Good morning.

BOARD CHAIR NIXON: Okay. Mr. Taylor, it looks like you're requesting an exemption for DTA Security Services, license number 1067. And you're asking the Board to grant the exception to hire six active out of state peace officers to work elevated security position in Nevada during the 2022 CES events.

MR. TAYLOR: Yes, ma'am. That's correct.

BOARD CHAIR NIXON: Would you tell us a little bit about that.

MR. TAYLOR: Sure. So this is something that we have done for a number of years. This goes back probably, oh, in excess of 15 years. So there's a smaller group of

1 active duty out of state police officers who come in and
2 augment our teams in a specialized role. And many of
3 these -- most of them have, again, ten plus years of working
4 this event with us.

5 BOARD CHAIR NIXON: Okay. Board Members, does
6 anybody have a question?

7 BOARD MEMBER CORTEZ: I do. This is Board Member
8 -- I do. This is Board Member Cortez. Who are or what state
9 are these peace officers out of?

10 MR. TAYLOR: So we have two out of Illinois. One
11 out of Louisiana. One out of Texas. One out of New York.
12 And one out of Maryland.

13 BOARD MEMBER CORTEZ: So that's seven.

14 MR. TAYLOR: Okay. So it was --

15 BOARD MEMBER CORTEZ: So are you requesting for
16 six or for seven?

17 MR. TAYLOR: For six.

18 BOARD MEMBER CORTEZ: Okay. Of these six are
19 they currently POST certified?

20 MR. TAYLOR: Yes. Yes, ma'am.

21 BOARD MEMBER CORTEZ: Any disciplinary actions on
22 either of the officers being considered?

23 MR. TAYLOR: No.

24 BOARD MEMBER CORTEZ: This is for -- question for

1 counsel or the investigators. Are these officers required to
2 have a background check? Has that been done?

3 MR. INGRAM: We do not ask for active peace
4 officers to submit a background check in instances like this.

5 BOARD MEMBER CORTEZ: So this is Officer -- Board
6 Member Cortez again. So is the Board to make a decision
7 based on the applicant's testimony that they are going to be
8 dealing with the six individuals POST certified active duty
9 officers?

10 MR. INGRAM: Lori, did we receive some
11 documentation on it this year?

12 MS. IRIZARRY: Chief Irizarry. From my
13 understanding if these individuals were to be approved they
14 would need to go through the regular work card background
15 process to get fingerprinted and have their scopes still ran.
16 It has not been done as of yet though.

17 MR. INGRAM: For the record Kevin Ingram. So,
18 again, are these different peace officers that were used in
19 the past then? They do not currently have a work card?

20 MR. TAYLOR: They are not different, no, sir.
21 And so what we've done in the past is that they do have, in
22 fact, a PILB registered work card. It's been activated
23 during the time that they would be working at CES and then
24 deactivated. So we would put them on our employment roster

1 for that temporary period with a registered work card. And
2 then at the end of the event we've terminated their
3 employment and believe that their cards were deactivated at
4 that time.

5 MR. INGRAM: So these are the same six that have
6 been used in the past who have a work card that can still be
7 activated based on their original application years ago?

8 MR. TAYLOR: Yes, sir.

9 MR. INGRAM: For this period of time. Okay.
10 Thank you.

11 MR. TAYLOR: Yes, sir.

12 BOARD CHAIR NIXON: One quick question on that.
13 So if we said years ago would that still be within the five
14 years? Okay, gotcha.

15 BOARD MEMBER GRONAUER: This is Board Member
16 Gronauer. Mr. Taylor, I'm familiar, as most of us are
17 familiar with your past history, which is very good with CES.
18 It's different times. 2021, right after COVID, a lot of
19 people are unemployed in Nevada.

20 My concern is we're not hiring Nevadans who are
21 qualified, and we have plenty of them. And the police
22 departments all do overtime, and I'm trying to figure out why
23 we can't hire Nevadans rather than people from six different
24 states.

MR. TAYLOR: Right.

BOARD MEMBER GRONAUER: So if you can satisfy me with that I would be happy. Because I have no concern with you and your company, all right. It's just that I have a concern we're not taking care of our own people.

MR. TAYLOR: Yeah, absolutely. And so what these individuals bring that, one, they are active duty police officers. And absolutely, Las Vegas Metropolitan Police Department has -- we work all over the country. And I can say that, and this is home for us as well, that Metro has the best department that we have work with across the country, hands down.

What these individuals give us is the continuity, the history. We can go to special events. We have a great relationship with them. And, you know, we work the special events at Metro throughout the year on many many events, including CES. Our bill at CES with Metro special events is over six figures. So we -- and, again, we work with them throughout the year.

In this case though this is a situation where these individuals are assigned. We are able to work with the same individual in their roles throughout the event as opposed to bringing in different assignments. You know, with special events we get different officers of different things

1 because it isn't overtime, and so they are not able to commit
2 the same officer to these roles from day one through to the
3 last day.

4 BOARD MEMBER GRONAUER: I understand the
5 logistics. Being former Metro I understand how it works, and
6 you would get different officers each day. I still have a
7 problem with our unemployed people here or our qualified
8 people here to work, especially at this time. This is a
9 different time than 2019 in 2021.

10 So I do, I agree with your reasoning, still not
11 happy. Just so you know, it's just me, all right. Thank
12 you.

13 MR. TAYLOR: I understand. And just one more to
14 that. Again, you know, they are at a specialized level just
15 being active duty police. You know, we can't go out and hire
16 that directly. We can't hire active duty police directly.

17 And I can tell you that we -- we have, even
18 though they are, yes, there is a very large number of
19 unemployed in the state right now, we have had, and we've
20 been here now for 13 years. We have had the most difficult
21 time getting people to -- to actually apply and interview
22 with us since COVID. Since we returned in June we've had the
23 most difficult time than we've ever had and we just -- it's
24 like somebody turned the faucet off. We've been unable, and

1 that's just for our frontline staff. That's for our
2 frontline officers that are, you know, our standard officers
3 that are working standard post.

4 You just -- it's -- you know, we hope that now
5 that we've gotten past the -- the federal and state
6 assistance that we'll be able to pick back up and have some
7 showing that we're recruiting and hiring of the unemployed,
8 but up to this point it's been incredibly difficult.

9 BOARD CHAIR NIXON: Thank you, Mr. Taylor.

10 So in the interest of time we'll have to ask are
11 there any other questions? Any other follow-up?

12 Okay. If there are no other questions, I'll
13 entertain a motion.

14 BOARD MEMBER BROWN: This is Board Member Brown.
15 I move that we grant the allowance for DTA Security Services
16 to hire six active out of state peace officers to work in
17 elevated security positions during 2022 CES event.

18 BOARD MEMBER CORTEZ: This is Board Member
19 Cortez. I will second the motion.

20 BOARD CHAIR NIXON: So I have a motion. I have a
21 second. All in favor say aye.

22 All opposed?

23 BOARD MEMBER GRONAUER: Gronauer. No.

24 (The vote was in favor of the motion.)

1 BOARD CHAIR NIXON: So four in favor and one
2 denial. Your motion is passed, sir. Thank you and good
3 luck.

4 MR. TAYLOR: Thank you, ma'am.

5 BOARD CHAIR NIXON: So just a housekeeping note
6 here. We do only have this room until 4:30, and we have a
7 very stacked agenda. So we are going to make sure that we
8 focus on allowing everybody five minutes to speak and then,
9 you know, having to pull back. So we appreciate your support
10 in that. And if you have any questions let us know.

11 This is the agenda consent block vote. These are
12 potential items to be block vote and it's items 11 through
13 30. I'll ask now if there are any items that we want to pull
14 out as a Board.

15 MR. INGRAM: Just as a reminder, Chair, item
16 number 11 is withdrawn.

17 BOARD CHAIR NIXON: In this section I'll note
18 that I need to pull out items number 12, 13 -- 12, 13, 14 and
19 15 because I do need to recuse myself from these items. They
20 do involve Allied Universal which I am a part of. So just in
21 interest of being clear, I need to pull myself out of those.
22 So we'll block vote those four items after.

23 So any other items that we need to pull out?

24 Okay. So I will entertain a motion.

1 BOARD MEMBER BROWN: This is Board Member Brown.
2 I move that we approve and block items 16 through 30, with
3 items 12 through 15 being heard in a separate vote.

4 BOARD MEMBER GRONAUER: This is Gronauer. I'll
5 second the motion.

6 BOARD CHAIR NIXON: So I have a motion. I have a
7 second. All in favor say aye.

8 (The vote was unanimously in favor of the
9 motion.)

10 BOARD CHAIR NIXON: Okay. The motion passes.
11 Items number -- agenda items number 16 through 30 pass. If
12 there's any questions please let us know. The PILB will be
13 in contact with you for the next steps, okay.

14 Okay. On to items number 12 through 15. Again,
15 I'm recusing myself from those items number. But I will take
16 a motion.

17 BOARD MEMBER BROWN: Board Member Brown. I move
18 that we -- go ahead, Mr. Gronauer.

19 BOARD MEMBER GRONAUER: No, I'm with ya. Go
20 ahead.

21 BOARD MEMBER BROWN: This is Board Member Brown.
22 I move that we approve items 12 through 15.

23 BOARD CHAIR NIXON: I have a motion and I have a
24 second or do I have a second. Sorry.

1 BOARD MEMBER GRONAUER: This is Gronauer. I make
2 a second.

3 BOARD CHAIR NIXON: I have a motion. I have a
4 second. All in favor say aye.

5 (The vote was in favor of the motion.)

6 BOARD CHAIR NIXON: So the motion passes four,
7 with one recusal.

8 MR. INGRAM: Anyone on agenda items 12 through
9 30? If you're on the phone line or if you are present you
10 are free to go. You're also welcome to stay for the rest of
11 the meeting. Thank you.

12 Board Member Bezick, we're having a little
13 trouble hearing you on the phones. If we could get you to
14 speak up just a little bit, sir.

15 BOARD MEMBER BEZICK: Absolutely. Is that
16 better? Hello? Hello?

17 MR. INGRAM: Mr. Bezick, are you speaking right
18 now?

19 BOARD MEMBER BEZICK: Can you hear me?

20 MR. INGRAM: Can we get you to switch to a
21 different microphone maybe.

22 MEMBER BEZICK: Is that better? Hello? Is that
23 better? Can you hear me?

24 MR. INGRAM: That's a little bit better, yes.

BOARD MEMBER BEZICK: Okay.

MR. INGRAM: It's still very very faint.

BOARD MEMBER BEZICK: Very good.

BOARD CHAIR NIXON: Okay. Okay. So we will -- so corporate officers section, agenda item number 31, again, has withdrawn. And item number -- agenda item number 32 has been postponed.

So we're now moving to agenda item number 33. Is Mr. Schultz here? And is it -- are your partners with you?

MR. SCHULTZ: Yes, they are all here.

BOARD CHAIR NIXON: I'm so sorry. Come on up, gentlemen, please. Okay. Gentlemen, please remember the time constraints, but please tell us a little bit about yourself and what you're intending on doing.

MR. SCHULTZ: So I'll just start. My name is Josh Schultz. I sold my company, Archer West Security, in end of April 2021. The brothers here purchased the company, and so they are trying to get the, I guess the corporate, I don't know.

BOARD MEMBER CORTEZ: Name change.

MR. SCHULTZ: Yes. Sorry.

BOARD CHAIR NIXON: That's okay.

MR. SCHULTZ: And so that's -- do you need anything else from me? I'm going to stay on as a qualifying

1 agent.

2 BOARD CHAIR NIXON: Okay.

3 MR. SCHULTZ: But do you need anything else from
4 me or just from them?

5 BOARD CHAIR NIXON: Okay. Are there any
6 questions from the Board?

7 BOARD MEMBER CORTEZ: This is Board Member
8 Cortez. I have no questions.

9 BOARD CHAIR NIXON: Okay. Are there any
10 questions up north?

11 Okay. So if there are no questions I'll
12 entertain a motion.

13 BOARD MEMBER CORTEZ: This is Board Member
14 Cortez. I motion to the name change from Archer West
15 Security and Consulting Group, license number 1987 to GGS
16 LLC. Mr. Joshua R. Schultz is to remain as the qualifying
17 agent. Members to be approved are, my apologies if I miss --

18 MR. SWATCH: Inderjeet Swatch.

19 BOARD MEMBER CORTEZ: One more time. Oh,
20 Inderjeet Swatch, Parminder -- Parminder Sekhon and.

21 MR. SWATCH: Parminder Swatch.

22 BOARD MEMBER CORTEZ: Parminder Swatch. All
23 members are to be subject to statutory regulations and
24 requirements.

1 BOARD CHAIR NIXON: I have a motion. Do we have
2 a second?

3 BOARD MEMBER BEZICK: This is Bezick. I second.

4 BOARD CHAIR NIXON: We have a motion. We have a
5 second. All in favor say aye.

6 (The vote was unanimously in favor of the
7 motion.)

8 BOARD CHAIR NIXON: Thank you, gentlemen. Good
9 luck.

10 MR. SCHULTZ: Thank you.

11 BOARD CHAIR NIXON: Agenda item 34. Do we have
12 Mr. Harden and Mr. Kempel? There we go. Thank you. Thank
13 you, gentlemen. Welcome. Please tell us a little bit about
14 yourselves and what your intentions are.

15 MR. HARDEN: Good morning. My name James Harden.
16 I'm a qualifying agent, asking for status change with Bond
17 Security. This change is for corporate officer applying for
18 Nevada.

19 BOARD CHAIR NIXON: Okay.

20 MR. KEMPEL: Good morning. Doron Kempel. Thank
21 you for your time and for considering our request. Very
22 quickly, a few points. First of all, we take this process
23 very seriously as well as the domain. Let me start again or
24 was that okay? As well as domain of security and the

1 subdomain of patrolman, bodyguards, et cetera.

2 On that point, before immigrating to the United
3 States 25 years ago I was deputy commander for special ops in
4 the Israeli Military. So I have great familiarity with
5 security. I've seen action. I know what firearms can do. I
6 take it very seriously.

7 Secondly, advisors to Bond include some of your
8 prior colleagues, including head of secret service, former
9 head of U.S. Secret Service Mark Sullivan. Former deputy
10 director of the FBI John Pistole. Also former director of
11 the TSA. Heads of police for Chicago Jody Weiss. For New
12 York, Kelly. For Boston, Ed Davis. For Seattle, Kathleen
13 O'Toole. From Miami, Don Dalupa. There are more police
14 officers in every state. We have at least one former police
15 officer who's helping us liaison with the state.

16 I take that seriously and I was personally
17 embarrassed when we learned about our mistake in the State of
18 Nevada because these people trust me and I felt that I had
19 failed them. As soon as I learned that we made that mistake
20 I took immediate action.

21 Number one, we suspended all operations in
22 Nevada, not only bodyguards but anything. We were
23 immediately in dialogue with Mr. Ingram and his team.

24 Secondly, we suspended all advertising for

1 bodyguards nationwide. I suspended all interviews because
2 the media was very interested to talk about this interesting
3 topic, and we don't really offer bodyguard services. Though
4 we don't like to talk about that. Bodyguards are not the
5 heart of our service.

6 The heart of our service is offering people peace
7 of mind and helping them in situations that are below the 911
8 line. Let me give you an example. Ride sharing industry in
9 the United States, every month 60,000 911 calls, 60,000. How
10 many of those are legitimate emergencies, 0.8 percent. That
11 means that 59,200 dial 911 without it being an emergency.
12 This is the tip of a much deeper iceberg on an already very
13 burdened 911 system. That's where we step in. We help them.
14 We're by their side. But unfortunately speaking, if anything
15 goes bad then we escalate. We give 911 first responders
16 situational awareness of what's going on.

17 We've already handled about 50,000 cases since
18 2019. Most of them routine. Peace of mind. People are
19 worried. But about one, one and a half percent are
20 emergencies and we save lives.

21 With that we're taking this very seriously. We
22 immediately started licensing efforts across 30 of the major
23 states in the United States. I'm not going to say which ones
24 because then I'm going to get in trouble for the ones that

1 are not major, but you know what I mean. And we immediately
2 hired, not rented people like James as qualifying agents.

3 I'm happy to take any questions that you might
4 have for me. Thank you.

5 BOARD MEMBER CORTEZ: This is Board Member
6 Cortez. I do have a question for Mr. Kempel. The unlicensed
7 activity, talk to me about it. What was going on?

8 MR. KEMPEL: Can you repeat the question.

9 BOARD MEMBER CORTEZ: The unlicensed activity in
10 2019.

11 MR. KEMPEL: Yes. So basically what I failed to
12 mention is that I also reprimanded our lawyers. We have a
13 lot of lawyers and a lot of insurance lawyers given
14 everything that we're doing. Our lawyers without naming them
15 assured us that because these are not our bodyguards, they
16 are bodyguards -- for example most of the bodyguards are
17 bodyguards of the firm G4S now part of Allied Universal.
18 These are professional licensed people.

19 Basically whenever any one of our members,
20 consumers or corporate personnel, the bodyguard, we would
21 reach out for example to the company like G4S, and we would
22 share with them all of the details of the case. And then
23 they would find the right bodyguard. And then through our
24 call centers we would monitor the job from start to finish.

1 We have an app that sits on the phone of the bodyguard as
2 well as the consumer.

3 Thank you for your question. We have had no such
4 jobs in Nevada. So we were talking about it and it was an
5 interesting topic coming towards the election for the media
6 to talk about, but we didn't market it very much and it's not
7 the heart of our business. So at the time that Mr. Ingram
8 reached out to us we've done zero jobs in Nevada. However,
9 we were interviewed in Nevada, and one of the companies that
10 was working for G4S was also interviewed.

11 But when we did some jobs in other states, I just
12 described what the other jobs, if that was your point, could
13 be the person taking per cash out of their hair salon,
14 wanting somebody to escort her to the parking garage, custody
15 exchange. Go ahead, sorry, Ms. Nixon.

16 BOARD CHAIR NIXON: So what was the unlicensed
17 activity exactly in Nevada?

18 INVESTIGATOR SALADINO: Investigator Saladino,
19 S-a-l-a-d-i-n-o. The unlicensed activity stemmed from the
20 interview that was on one of our local news channel in the
21 way the website was set up.

22 The reason the dates look a little skewed was
23 when we finally got in touch with Mr. Kempel and Mike Staple,
24 they let me know that their New York office had been shutdown

1 due to the COVID pandemic. That's why they didn't receive it
2 in a timely manner. Once we made contact, Mr. Kempel and his
3 team were very responsive. We worked through the unlicensed
4 activity and started the licensing process at that time.

5 BOARD CHAIR NIXON: So it was basically an
6 interview and the website?

7 INVESTIGATOR SALADINO: Correct.

8 BOARD CHAIR NIXON: Okay. Thank you.

9 MR. INGRAM: It was an advertisement.

10 MR. KEMPEL: One more point, if I might, 30
11 seconds.

12 BOARD CHAIR NIXON: 30 seconds.

13 MR. KEMPEL: It's a very important point that Mr.
14 Gronauer raised earlier. Nevada is very important for us for
15 one of the reasons, we decided one of our call centers is in
16 this state, and from here we serve other states. So this is
17 very important for us, the state. And, of course, we see a
18 lot of opportunity for business taking care of individuals
19 who live here and other people who fly into Nevada.

20 BOARD CHAIR NIXON: Thank you, sir.

21 Any other questions from the Board?

22 BOARD MEMBER GRONAUER: This is for Mr. Ingram
23 and Investigator Saladino. So as far as PILB at this point
24 we are all squared away with this applicant?

1 MR. INGRAM: Yes, sir. They were issued a
2 citation. It was paid immediately. Immediately they started
3 the application process. So we are 100 percent squared away.

4 BOARD MEMBER GRONAUER: So they are staying in
5 their lane. Thank you. I appreciate it.

6 MR. INGRAM: Yes, sir.

7 BOARD CHAIR NIXON: Are there any other questions
8 from the Board?

9 Okay. No other questions. I'll entertain a
10 motion, please.

11 BOARD MEMBER GRONAUER: This is Gronauer. I
12 think I'm going to do it right. Thank you for that. So
13 number 34, TG-17 Incorporate DBA Bond and Our Bond, is that
14 right, is applying for a new corporate private patrolman
15 license. If approved James M. Harden --

16 MR. HARDEN: Yes, sir.

17 BOARD MEMBER GRONAUER: -- license number 2016 is
18 requesting that his individual license be kept in abeyance so
19 he may become the qualifying agent.

20 MR. HARDEN: Yes, sir.

21 BOARD MEMBER GRONAUER: The corporate officer to
22 be approved is Doron Kempel. This is subject, I would move
23 to approve.

24 BOARD CHAIR NIXON: We have a motion. Do I have

1 a second?

2 BOARD MEMBER CORTEZ: This is Board Member
3 Cortez. I will second the motion subject to all statutory
4 and regulatory requirements.

5 BOARD CHAIR NIXON: Okay. I have a motion. I
6 have a second. All in favor say aye.

7 (The vote was unanimously in favor of the
8 motion.)

9 BOARD MEMBER GRONAUER: Good luck.

10 BOARD CHAIR NIXON: Thank you. Good luck.

11 MR. HARDEN: Thank you very much.

12 BOARD CHAIR NIXON: Agenda item number 35. Is
13 Mr. --

14 MR. STRAKALUSE: Yeah.

15 BOARD CHAIR NIXON: Thank you, sir. I give a
16 reminder of the five minutes. Please tell us a little bit
17 about yourself and what you intend to do.

18 MR. STRAKALUSE: Good morning, Board. Kurt
19 Strakaluse, qualifying agent, license number 1662. I've been
20 licensed for many many years here. Emyreal Logistics came
21 to me and asked me to assist them with the changeover of
22 their employees into the work card process. So I was happy
23 to join them and have been working with them to ensure that
24 they have followed everything so far to the state.

1 And I have -- any questions from the Board that
2 you need about that process I'm here to answer further.

3 BOARD CHAIR NIXON: Are there any questions from
4 the Board?

5 I have one. What is it exactly that you guys do?

6 MS. O'GORMAN: Empyreal Logistics is a career
7 company. We move for cash for financial institutions.

8 BOARD MEMBER CORTEZ: Can I get your name for the
9 record. This is Board Member Cortez.

10 MS. O'GORMAN: Deidra O'Gorman.

11 BOARD CHAIR NIXON: Thank you.

12 Any other questions? So if there are no other
13 questions, I'll entertain a motion.

14 BOARD MEMBER BROWN: This is Board Member Brown.
15 I move that we approve a corporate private from patrolman
16 license to Empyreal Logistics, LLC and allow Kurt Strakaluse,
17 if I said that correctly, to place his individual license in
18 abeyance so he may become a qualifying agent.

19 BOARD CHAIR NIXON: Thank you.

20 I have a motion. Do I have a second?

21 BOARD MEMBER CORTEZ: This is Board Member
22 Cortez. I'll second the motion.

23 BOARD CHAIR NIXON: I have a motion. I have a
24 second. All in favor say aye.

1 (The vote was unanimously in favor of the
2 motion.)

3 BOARD CHAIR NIXON: Thank you. Congratulation.

4 MR. STRAKALUSE: Thank you.

5 BOARD CHAIR NIXON: Good luck to you.

6 Agenda item number 36, Execushield NV DBA is
7 probably already standing in front of us. John Harney,
8 sorry, come on up.

9 MR. HARNEY: How crazy it is unfortunately
10 because the mask is on I'm trying to figure out who's talking
11 half the time. I know I'm looking around.

12 BOARD CHAIR NIXON: Welcome, sir. Tell us a
13 little bit about yourself and your intentions.

14 MR. HARNEY: My name is John Harney. That's
15 H-a-r-n-e-y. Yeah, I'm applying to be a qualifying agent for
16 Execushield for both private patrol and private
17 investigation. I'm a retired Las Vegas Metro homicide
18 sergeant, retired just over a year.

19 Execushield is actually a company that's been --
20 it's a high integrity company out of Northern California that
21 a dear friend of mine that owns it. Daniel Gonzalez was his
22 name. And he's had the company about 20 years. It's a very
23 philanthropic company. They are involved in a lot of social
24 issues as well and animal rights and all of these other

1 things they try to help with.

2 As far as a lot of the activities they are
3 involved in is supporting law enforcement, providing free
4 training, et cetera. Unrelated to this licensing they also
5 have the security executive protection. And Maritime
6 Security is one of their specialties out in the Bay Area.

7 This came about, I don't even know why in the
8 last six months he convinced me that maybe we should do
9 something out here in Nevada. So I'm agreeing to go along
10 with that. It's a really fun and really interesting company,
11 so.

12 BOARD CHAIR NIXON: Thank you, sir.

13 Are there any questions from the Board?

14 BOARD MEMBER GRONAUER: This is Gronauer. Very
15 familiar name in law enforcement.

16 MR. HARNEY: Yes, sir.

17 BOARD MEMBER GRONAUER: Only because I want to be
18 careful where I'm walking. You have family members in law
19 enforcement?

20 MR. HARNEY: 13 of us.

21 BOARD MEMBER GRONAUER: Right, okay.

22 MR. HARNEY: I'm three generations in the State
23 of Nevada law enforcement. My grandfather was deputy
24 constable, deputy U.S. Marshal, commander of Nevada National

1 Guard at one point. My father was Nevada Highway Patrol and
2 he retired as administrative law judge. Every one of his
3 brothers were Nevada Highway Patrol. Virtually every one of
4 my male cousins was either Las Vegas Metro or Sparks or Reno
5 PD.

6 BOARD MEMBER GRONAUER: Was one of your uncles
7 shot on the Strip?

8 MR. HARNEY: No, sir.

9 BOARD MEMBER GRONAUER: Okay. And then was one
10 of your uncles with DMV?

11 MR. HARNEY: My father was John Harney.

12 BOARD MEMBER GRONAUER: Okay.

13 MR. HARNEY: DMV, no. Yes, sir.

14 BOARD MEMBER GRONAUER: He's retired too I
15 believe.

16 MR. HARNEY: Yes, sir, back in West Virginia now.

17 BOARD MEMBER GRONAUER: And I'm retired from
18 Metro. I believe you came on when I retired I believe. I
19 retired --

20 MR. HARNEY: Yeah. I think you were already
21 doing constable.

22 BOARD MEMBER GRONAUER: Yeah.

23 MR. HARNEY: Yes, sir.

24 BOARD MEMBER GRONAUER: All right. Well, you

1 were never under any of my supervision or anything like that?

2 MR. HARNEY: No, sir. We may have met in passing
3 20 years ago.

4 BOARD MEMBER GRONAUER: Maybe the academy or
5 something. Otherwise --

6 MR. HARNEY: No, sir.

7 BOARD MEMBER GRONAUER: Okay. Thank you. I just
8 want to make sure I'm not --

9 BOARD CHAIR NIXON: You're not related to him?

10 BOARD MEMBER GRONAUER: No.

11 MR. HARNEY: Obviously we did didn't stay for a
12 long time, involved in military law enforcement for --

13 BOARD MEMBER GRONAUER: The thing is that this is
14 a great name in law enforcement. I'm being honest with you
15 with that, okay.

16 MR. HARNEY: Yes, sir.

17 BOARD MEMBER GRONAUER: I'm proud of your whole
18 family. And you should be proud of your whole family. I
19 don't know about you, sir, I don't care.

20 MR. HARNEY: Fair enough.

21 BOARD CHAIR NIXON: Okay. Any other questions?
22 Okay. If there are no questions, I'll entertain
23 a motion.

24 BOARD MEMBER GRONAUER: Let me do the honors.

1 MR. HARNEY: Thank you, sir.

2 BOARD MEMBER GRONAUER: This is Gronauer. I make
3 a motion to approve Execushield Incorporated DBA Execushield
4 is applying for corporate private patrolman and private
5 investigator license, John E. Harney IV is applying for an
6 individual private patrolman and individual private
7 investigator license. If approved he has requested that his
8 individual license be placed -- licenses be placed in
9 abeyance so that he may become the qualifying agent and
10 corporate officer to be approved. John is John E. Harney the
11 IV subject to all statutory and regularity requirements.

12 BOARD CHAIR NIXON: We have a motion. Do we have
13 a second?

14 BOARD MEMBER CORTEZ: This is Board Member
15 Cortez. I motion or I approve the second.

16 BOARD CHAIR NIXON: We have a motion. We have a
17 second. All in favor say aye.

18 (The vote was unanimously in favor of the
19 motion.)

20 BOARD CHAIR NIXON: The motion passes.
21 Congratulations. Thank you very much.

22 BOARD MEMBER GRONAUER: Good luck to you.

23 BOARD CHAIR NIXON: Okay. If everyone will
24 indulge, we'll take a quick five-minute break. Thank you

1 all. Five minutes. We'll be back at ten after.

2 (Whereupon, a brief recess was taken.)

3 BOARD CHAIR NIXON: Thank you all. And welcome
4 back.

5 Agenda item 37, Charles E. Fox. Thank you, sir.

6 MR. FOX: Hi. Good morning.

7 BOARD CHAIR NIXON: If I could ask, are you under
8 oath?

9 MR. FOX: Yes, I am.

10 BOARD CHAIR NIXON: Okay. Thank you. Please
11 tell us a little bit about yourself.

12 MR. FOX: Sure. My name is Charles Fox, F-o-x.
13 And I'm the vice president of operations for CoventBridge
14 Group USA. And I am applying for private investigator's
15 license to be held in abeyance so I can become the qualifying
16 agent.

17 BOARD CHAIR NIXON: Are there any questions from
18 the Board?

19 BOARD MEMBER CORTEZ: Hi. Good morning. This is
20 Board Member Cortez.

21 MR. FOX: Good morning.

22 BOARD MEMBER CORTEZ: I see that you've been
23 working without -- without a registered work card. What was
24 that?

1 MR. FOX: Yeah. So I relocated here -- as the
2 vice president of operations I relocated here. We have a
3 licensing clerk and a licensing department that handles our
4 licensing. To be quite honest, they just did not know I
5 relocated. I was not performing investigative duties or any
6 type of responsibilities related to investigations.

7 We had a qualifying agent. That agent gave
8 notice that he was going to be leaving the organization. At
9 that time my licensing department contacted me and asked that
10 I become the qualifying agent. And in doing so we realized I
11 should have been licensed but during that time I was not
12 conducting any investigations.

13 BOARD CHAIR NIXON: Okay. But you were an active
14 employee?

15 MR. FOX: Yes. Yes. I was the vice president of
16 operations, yes.

17 BOARD CHAIR NIXON: Are there any other
18 questions?

19 Okay. I'll entertain a motion.

20 BOARD MEMBER BEZICK: This is Bezick. I --

21 BOARD MEMBER BROWN: Board Member Brown. I move
22 that we approve Charles C. Fox for individual private
23 investigator license and allow him to place that into
24 abeyance so he may become a qualifying agent for CoventBridge

1 USA Incorporated.

2 BOARD CHAIR NIXON: Okay. One question before we
3 make a final decision. Investigator, does it have the name
4 here? Quick question, is everything with the violation been
5 taken care of?

6 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
7 Yes.

8 BOARD CHAIR NIXON: Okay. So I have a motion.
9 Do I have a second?

10 BOARD MEMBER CORTEZ: This is Board Member
11 Cortez. I do motion that we second the approval. However, I
12 am going to make a suggestion that you make sure that you
13 stay on top of your license.

14 MR. FOX: I will.

15 BOARD CHAIR NIXON: I have a motion. I have a
16 second. All in favor say aye.

17 (The vote was unanimously in favor of the
18 motion.)

19 BOARD CHAIR NIXON: Your motion passes.
20 Congratulations.

21 MR. FOX: Thank you.

22 BOARD CHAIR NIXON: Okay. Agenda item number 38,
23 Anthony Blanco. Are you here? Thank you, sir. Mr. Blanco,
24 tell us a little about yourself.

1 MR. BLANCO: So myself, I've been a qualifying
2 agent for a manager in the State of California for ten years
3 now for a PPO license security company. Myself, I've
4 employed over 2,000 employees. As of right now our payroll
5 is 7.5 million a year. I'm also a licensed firearm baton
6 instructor through BSIS, Bureau for Security of Investigation
7 Services. I'm also Post BCA 32 certified.

8 And now I have a client that's going to be moving
9 over here to Nevada to open up some storefronts and also
10 medical clinics. So we're going to provide services for him.

11 BOARD CHAIR NIXON: Okay. Any questions from the
12 Board?

13 BOARD MEMBER CORTEZ: There is. This is
14 officer -- Board Member Cortez. Question for the
15 Investigator Swarthout. I'm sorry, Saladino. I just want to
16 make sure this is a typo. Mr. Blanco is applying for a
17 patrolman license not a private investigator license; is that
18 correct?

19 INVESTIGATOR SALADINO: That is correct. It's
20 private patrolman.

21 BOARD MEMBER CORTEZ: So a typo on the front.
22 Okay. That's all I needed. Thank you.

23 MR. GRONAUER: This is Board Member Gronauer.
24 DBA Security Enforcement Alliance. Is that a licensed

1 company now?

2 MR. BLANCO: No. Through State of Nevada, no.

3 BOARD MEMBER GRONAUER: I can't hear you, sir.

4 MR. BLANCO: Through the State of Nevada, no.

5 There's no activity currently on my part.

6 MR. GRONAUER: Mr. Ingram, he is in my mind
7 satisfied here about the DBA, a company that's not licensed
8 and does it have to be licensed?

9 MR. INGRAM: No. He can file for a DBA under an
10 individual license, and he's provided that information to us.

11 BOARD MEMBER GRONAUER: That's very nice. Thank
12 you.

13 MR. INGRAM: You're welcome. You're very nice as
14 well.

15 BOARD CHAIR NIXON: Oh, boy.

16 BOARD MEMBER GRONAUER: It's early yet.

17 BOARD CHAIR NIXON: That's what I'm afraid of.

18 So I have a quick question. It looks like here you -- you
19 reported an arrest in 2007 for delaying a peace officer.

20 Could you tell us a bit about that.

21 MR. BLANCO: Yeah. I was right out of high
22 school. It was a disgruntled disagreement between my
23 parents, and at that time I was trying to separate them. And
24 law enforcement, since I'm a lot taller than my father,

1 actually thought I was my father at the time and they placed
2 me to the side when I was trying to explain what was going
3 on. So they got me for delay of a peace officer.

4 BOARD CHAIR NIXON: Got it. Thank you.

5 Any other questions from the Board?

6 Okay. If there's no other questions, I'll
7 entertain a motion.

8 BOARD MEMBER BROWN: This is Board Member Brown.
9 I move that we approve Mr. Anthony M. Blanco DBA Security
10 Enforcement Alliance's individual private patrolman license.

11 BOARD CHAIR NIXON: I have a motion. Do I have a
12 second?

13 BOARD MEMBER CORTEZ: This is Board Member
14 Cortez. I will second the motion subject to all regulatory
15 and statutory requirements.

16 BOARD CHAIR NIXON: Okay. I have a motion. I
17 have a second. All in favor say aye.

18 (The vote was unanimously in favor of the
19 motion.)

20 BOARD CHAIR NIXON: The motion passes.
21 Congratulations, Mr. Blanco. Good luck to you.

22 MR. BLANCO: Thank you.

23 BOARD CHAIR NIXON: Okay. Agenda item number 39,
24 Harold LaPointe. Please come up, sir. Welcome. So please

1 tell us a little bit about yourself and your intentions with
2 the license.

3 MR. LAPOINTE: My name is Harold LaPointe.
4 Currently I'm a field commander with Citywide Security and
5 account manager. I help basically with everyday duties like,
6 you know, training and showing like officers and, you know,
7 dealing with the owners and which is Greg here, not dealing
8 with, but you know like giving information and then telling
9 him what's happening.

10 But this I would like -- you know, I do
11 appreciate the opportunity to be here. And Greg here
12 actually did give me -- you know, he's given me the
13 opportunity to actually prove myself, not give me anything
14 but throughout the years of working for him actually I had to
15 prove myself on a day-to-day basis. I had to show him my
16 value everyday. And finally at this point to try to be
17 elevated in to getting a position of, you know, just moving
18 up in the company.

19 BOARD CHAIR NIXON: Fantastic.

20 MR. LAPOINTE: And he will be my mentor too and
21 like teaching me like on different financials and helping me
22 grow in that term, showing me what to do financially and --

23 BOARD CHAIR NIXON: Okay.

24 MR. LAPOINTE: -- he will guide me and teach me.

BOARD MEMBER GRONAUER: This is Gronauer. The gentleman with you is? Sir?

MR. MANUKIAN: Yes. My name is Greg Manukian, M-a-n-u-k-i-a-n. I'm the owner and director of operations for Citywide Security.

BOARD MEMBER GRONAUER: Do you agree with everything he said?

MR. MANUKIAN: Yes, sir.

BOARD CHAIR NIXON: Okay.

BOARD MEMBER BROWN: This is Board Member Brown. I have a question for Investigator Swarthout. Investigator Swarthout, do you know why and can we learn why the gaming control board objected to this gentleman.

INVESTIGATOR SWARTHOUT: I believe the objection was due to the arrest out of Georgia. He listed it was completely wiped when he finished the probation for the program.

BOARD MEMBER BROWN: Understood. Thank you.

BOARD CHAIR NIXON: I'm sorry. I have a question. You have several bankruptcies, Investigator Swarthout. Have those been cleared up?

INVESTIGATOR SWARTHOUT: Yes, they have all been discharged.

Any other questions?

Okay. If there are no questions, I'll entertain a motion.

BOARD MEMBER BEZICK: This is Bezick. This is Bezick. I make the motion that Harold LaPointe be approved for an individual private patrolman license and that his individual license be placed in abeyance so that he can become a qualifying agent for Citywide Security Services LLC, license number 1786.

BOARD CHAIR NIXON: Thank you.

I have a motion. Do I have a second?

BOARD MEMBER CORTEZ: This is Board Member Cortez. I second the motion subject to all statutory and regulatory requirements.

BOARD CHAIR NIXON: So we have a motion. We have a second. All in favor say aye.

(The vote was unanimously in favor of the motion.)

BOARD CHAIR NIXON: Thank you. Motion passes. Good luck to you sir.

MR. LAPOINTE: Thank you. And thank you for the

1 opportunity.

2 MR. MANUKIAN: Thank you, Board.

3 BOARD CHAIR NIXON: Absolutely. Okay. Item
4 number 40, Robert A. Marshall Junior. So this is one I do
5 not know Mr. Marshall. I just met him out in the hallway but
6 he is applying for a license for a company under Allied
7 Universal. So I will recuse myself again. But that being
8 said please tell us a little bit about yourself.

9 MR. MARSHALL: Good morning, Board Members.
10 Thank you for having me. My name is Robert Marshall,
11 M-a-r-s-h-a-l-l. I currently work for Allied Universal
12 Events Service which was Staff Pro as of last fall. Before
13 that I was with the Century Security, was able to meet Mr.
14 Ingram. I'm here applying for the QA for Allied Universal
15 Events Services.

16 BOARD CHAIR NIXON: Okay. Are there any
17 questions?

18 BOARD MEMBER CORTEZ: This is Board Member --

19 BOARD MEMBER BROWN: This is Board Member Brown.
20 Go ahead, Ms. Cortez.

21 BOARD MEMBER CORTEZ: No. Go ahead, Mr. Brown.

22 BOARD MEMBER BROWN: Mr. Marshall, a question for
23 you. Can you explain the arrest you had in 2002, please.

24 MR. MARSHALL: Pretty similar to the last

1 applicant, Mr. Blanco. The big guy sticks out in any -- any,
2 what do you call it, issue. Wrong place wrong time. I was
3 actually in crutches. Some friends brought me out of my
4 house because I was laid out in my house with a bummed leg.

5 There was a private party at a lounge. Two
6 ladies got in a scuffle and both parties tried to break each
7 other up. Later that week it was known one of the ladies had
8 a broken hand. And for some reason they picked me out of the
9 crowd, a guy with crutches. And my attorney goes because
10 you're the biggest guy there they remember. And these people
11 were known for false accusations. I paid restitution and was
12 cleared of everything and a year unsupervised probation.

13 BOARD MEMBER BROWN: Thank you, sir.

14 MR. MARSHALL: Yes, sir. Thank you.

15 BOARD MEMBER CORTEZ: This is Board Member
16 Cortez. That's pretty much what my question was. But second
17 degree assault and you were breaking up the fight?

18 MR. MARSHALL: Yes. There was a number of us
19 breaking it up. Again, I was in crutches because I was in a
20 stabilizer a week before that. Probably three or four weeks
21 before that I was in a car wreck and my friends brought me
22 out.

23 BOARD MEMBER CORTEZ: So because one of the
24 victims received a broken arm, wrist, whatnot you were the

1 one blamed for that?

2 MR. MARSHALL: Yes.

3 BOARD MEMBER CORTEZ: Were any other individuals
4 blamed or were they cited or arrested?

5 MR. MARSHALL: No.

6 BOARD MEMBER CORTEZ: So it was just three
7 parties, the two fighting and yourself?

8 MR. MARSHALL: Yes. How --

9 BOARD MEMBER CORTEZ: Did you know them?

10 MR. MARSHALL: No, I did not. I think the
11 friends I was with, the so-called friends of the people I was
12 with must have gave them my name because they had issues with
13 the system because they would not come to back me up. My
14 attorney tried to get them to help me out. He said your
15 friends aren't your friends because they're not helping you
16 out. I'm like, well, I didn't really know them. I only knew
17 the one. He was a friend that owned the limo. So the other
18 two were just acquaintances. So they kind of hung me out to
19 dry. So my attorney is like if you -- if you don't plead
20 guilty or restitution you can see jail time without their
21 help. Yeah.

22 BOARD MEMBER CORTEZ: Were you disappointed in
23 the attorney? Just kidding.

24 MR. MARSHALL: He was a friend.

1 BOARD MEMBER CORTEZ: Just kidding. We'll stop
2 right there. We'll stop right there. Thank you.

3 MR. MARSHALL: Wrong place wrong time is all I
4 can say. And these people are known for that but anyway.

5 BOARD CHAIR NIXON: Okay. Any other questions?

6 Okay. If there are no other questions, I'll
7 entertain a motion.

8 BOARD MEMBER CORTEZ: This is Board Member
9 Cortez. I am motioning that we approve Mr. Marshall for
10 individual private patrolman license and that it be placed in
11 abeyance to become a qualifying agent for Staff Pro Inc., DBA
12 Allied Universal Event Services license number 1433. That
13 all matters be subject to statutory and regulatory
14 requirements.

15 BOARD CHAIR NIXON: I have a motion. Do I have a
16 second?

17 BOARD MEMBER BROWN: This is Board Member Brown.
18 I'll second.

19 BOARD CHAIR NIXON: Okay. I have a motion and I
20 have a second. All in favor say aye.

21 (The vote was in favor of the motion.)

22 BOARD CHAIR NIXON: Okay. And then I recuse
23 myself. So it passes three to one. Congratulations, sir.

24 MR. MARSHALL: Thank you.

1 BOARD CHAIR NIXON: The PILB will get with you
2 for the next steps.

3 Okay. Item number 41, Thomas Werner.

4 MR. WERNER: Good morning.

5 BOARD CHAIR NIXON: Agenda number 20 or 41, jeez.
6 Up north. Thank you, sir. Please tell us a little bit about
7 yourself, Mr. Werner.

8 MR. WERNER: Hi. My name is Tom Werner. I'm
9 retired from the San Diego Police Department. Additionally
10 I'm retired from the U.S. Army.

11 MR. INGRAM: Mr. Werner, we are not able to hear
12 you.

13 Lori, do we control the volume on that one too?
14 Can you get a little closer to the mic, sir, and try again.

15 MR. WERNER: How is this. Can you hear me?

16 MR. INGRAM: No, not really.

17 Jordan, is there another mic up towards the dias
18 that he might be able to try.

19 BOARD MEMBER BEZICK: You may have to turn that
20 one on.

21 MR. WERNER: Can you hear me now?

22 MR. INGRAM: You want to it try again.

23 MR. WERNER: Can you hear me? Hello?

24 MR. INGRAM: Technical difficulties.

1 Thanks everyone for your patience. This is a
2 brand new room for us and we're trying to work out all the
3 kinks here. I apologize for the delay.

4 Mr. Werner, would you like to go ahead and state
5 your name and tell us a little bit about yourself.

6 MR. WERNER: Yes, sir. My name is Werner. I'm
7 applying for a private patrolman license. I'm retired from
8 the San Diego Police Department. Additionally, I'm retired
9 from the U.S. Army Reserves.

10 The last 17 years I was in the army reserves. I
11 was assigned to the army's criminal investigation division,
12 and I hope to become the qualifying agent for Surefox North
13 America.

14 MR. INGRAM: Mr. Werner, we're still having a
15 little bit of difficulty hearing you. Maybe get closer to
16 the mic. Maybe go ahead and lower your mask.

17 MR. WERNER: How is that?

18 MR. INGRAM: Much better. Thank you.

19 MR. WERNER: Okay. I'm sorry. My name is Tom
20 Werner. I'm retired from the San Diego Police Department.
21 Additionally I served 35 years in the Army Reserves. I am
22 hoping to become the qualifying agent for Surefox North
23 America.

24 BOARD CHAIR NIXON: Thank you, sir.

Are there any questions from the Board?

BOARD MEMBER CORTEZ: This is Board Member Cortez. I do have a question, Mr. Marshall. I'm sorry, Mr. Werner. I notice that the '80s were a little challenging for you. Do you want to give me a little bit of a background on what occurred starting with the '80s, the 1980s, the disturbing the peace in Louisiana.

MR. WERNER: Yes, ma'am. I was -- at that time I think I was 19 years old. I was assigned to Fort Polk, Louisiana. Me and a friend of mine went downtown to Leesville, Louisiana one night and he was assaulted. The police were involved, and I was not arrested. However, approximately two weeks after this incident I was notified by my company commander that there was a warrant for my arrest.

I went to the local court and I think the fine for the violation was \$43 or \$45. I had a bench trial and they found me not guilty. So I think I would chalk it up to being at the wrong place at the wrong time.

BOARD MEMBER CORTEZ: Got it. Thank you, sir, for the interruption. I'm also noticing a 1982 trespass charge. Charges were dismissed. But more interesting I would like to hear about the 1983, the DUI out of Oakland.

MR. WERNER: Yes, ma'am. I take full responsibility for that. I was young and stupid and after

1 that incident it was an eye opener, and nothing like that has
2 happened since.

3 BOARD MEMBER CORTEZ: What were you under the
4 influence of?

5 MR. WERNER: Alcohol.

6 BOARD MEMBER CORTEZ: Okay. Thank you.

7 BOARD CHAIR NIXON: Okay. Are there any other
8 questions?

9 If there's no other questions, I'll entertain a
10 motion.

11 BOARD MEMBER BEZICK. This is Bezick. I make a
12 motion a motion that Thomas Werner be approved for individual
13 private patrolman license and that license be placed in
14 abeyance and he may become the qualifying agent for Surefox
15 North American Inc., license number 2910.

16 BOARD CHAIR NIXON: Thank you, sir.

17 I have a motion. Do I have a second?

18 BOARD MEMBER CORTEZ: This is Board Member
19 Cortez.

20 BOARD MEMBER BROWN: Board Member Brown. Second.

21 BOARD CHAIR NIXON: I have a motion and several
22 seconds. All in favor say aye.

23 (The vote was unanimously in favor of the
24 motion.)

1 BOARD CHAIR NIXON: Thank you. Congratulations,
2 sir.

3 MR. WERNER: Thank you, ma'am.

4 BOARD CHAIR NIXON: Good luck to you.

5 MR. WERNER: Thank you.

6 BOARD CHAIR NIXON: Okay. Item number 42 is
7 Edgar Cruz.

8 MR. EDGAR CRUZ: Edgar Cruz is here. Present.

9 BOARD CHAIR NIXON: Okay. And Alan Cruz?

10 MR. ALAN CRUZ: Allan Cruz. Present.

11 BOARD CHAIR NIXON: Thank you, gentlemen. Please
12 choose one of you to tell us a little bit about yourself and
13 what your intentions are with the license.

14 MR. EDGAR CRUZ: This is Edgar Cruz. I recently
15 retired LAPD after serving 18 years. And since 2008 I've
16 been present and owner of Special Enforcement Security
17 Services Group until this present day. Our growth is
18 expanding to other states that, therefore, we are seeking
19 licensing in Nevada.

20 BOARD CHAIR NIXON: Yeah. If you're not talking
21 can you please put your phone on mute. Okay. Thank you.

22 Are there any questions from the Board?

23 BOARD MEMBER GRONAUER: This is Board Member
24 Gronauer. Mr. Cruz, why did you retire with 18 years on?

1 MR. EDGAR CRUZ: After 18 years I've owned the
2 company from 2008 and the gross has been tremendously
3 financial simple for me versus 18 years in the LAPD, and I
4 want to pursue this for me, for my family and my grand kids.

5 BOARD MEMBER GRONAUER: Financially it makes
6 sense. So you were able to retire with your type of PERS
7 system that we have; is that correct?

8 MR. WERNER: That is correct, sir.

9 BOARD MEMBER GRONAUER: Okay. No problem. Thank
10 you.

11 BOARD CHAIR NIXON: Thank you.

12 Are there any other questions? Okay. If there's
13 no other questions I'll entertain a motion.

14 BOARD MEMBER CORTEZ: This is Board Member
15 Cortez. I motion that we approve Edgar Cruz for individual
16 private patrolman license and that he be placed in abeyance
17 so that he also can become the qualifying agent. Officers to
18 be approved are Edgar Cruz and Alan S. Cruz subject to all
19 statutory and regulatory requirements. And this is for the
20 new corporate private patrolman for Special Enforcement
21 Security Services DBA Private Sector Security.

22 BOARD CHAIR NIXON: Thank you.

23 I have a motion. Do we have a second?

24 BOARD MEMBER BEZICK: This is Bezick. I second.

1 BOARD MEMBER BROWN: Board Member Brown. I
2 second.

3 BOARD CHAIR NIXON: I have a motion. I have a
4 second. All in favor say aye.

5 (The vote was unanimously in favor of the
6 motion.)

7 BOARD CHAIR NIXON: Okay. The motion passes.
8 Congratulations, gentlemen. The PILB will be in touch with
9 you shortly. Thank you.

10 MR. EDGAR CRUZ: Thank you.

11 BOARD CHAIR NIXON: Okay. Item number 43, Sherry
12 Rowley.

13 MS. ROWLEY: Good morning.

14 BOARD CHAIR NIXON: Good morning. We have Sherry
15 Rowley. We have Jon C. Nelson. And who else is joining us?

16 MR. ROWLEY: Brett Rowley.

17 BOARD CHAIR NIXON: Thank you. Please tell us a
18 little bit about yourself and what your intentions are.

19 MS. ROWLEY: Sherry Rowley with Off Duty
20 Services. We're applying for the new corporate private
21 patrolman license. And Jon Nelson is going to apply for the
22 individual to be our qualified manager if approved.

23 MR. ROWLEY: Obviously there's a significant back
24 story. I'll wait until for questions to begin.

BOARD MEMBER GRONAUER: This is Board Member Cortez. Let's go ahead with the back story.

MR. ROWLEY: Well, I would love to say we were coming here to cleanly apply for a license and wish us well and move forward. Obviously we have made a series of mistakes leading up to this. We tried to comply from the moment we were notified until today. We're hoping we can get back in the good graces and move forward.

So the back story is March of '19 we didn't do business in Nevada. We are licensed in 37 states. We've been in business 20 years. We are a business well north of \$100,000,000 and we were notified by a customer in '19 asking if we can provide services in Nevada.

We have a process. We work with active duty police officers who we register as security guards and provide that service for higher level of service. Every state manages police officers working off duty in a different way. So our first step is is to contact the licensing board, ask how that's managed.

Clearly we made a huge mistake in that process, and it was our understanding mistakenly, that the Board didn't govern police officers working off duty. In that environment we moved forward. We obtained a business license and we began doing business in the state.

1 Fast forward to January '21. The Board
2 identified us working in Las Vegas at a Chase Bank which was
3 a customer and identified that we had to have a security
4 license in order for the person to be working there. We
5 ceased services, went out and found a subcontractor who is a
6 licensed Nevada company.

7 While we were beginning the application process,
8 inserted them in the process. Realized we had made a second
9 mistake which in order to utilize a subcontractor to provide
10 services we still had to have the security license. So we
11 were notified of that. So we ceased all the services in the
12 State of Nevada. We were assessed the 2,500 dollar fine for
13 that. We immediately paid the fine. We've been working
14 through the application process.

15 Jon is our qualified manager in the State of
16 Washington. He's a 27-year retired Washington State Trooper.
17 He's worked with us for a number of years. He passed his
18 test. We completed the application process, and we're here
19 to do it the right way and to move forward.

20 I assure you we are an honest and ethical
21 company. We recognize we made a mistake, and we're here to
22 fix it and move forward.

23 BOARD MEMBER CORTEZ: Thank you. I do see the
24 fine and fees were paid within a month so I do appreciate

1 that.

2 I do have another question. This is Board Member
3 Cortez by the way for the record. Mr. Nelson, we do have a
4 sensitive subject that was an incident that occurred in 2001.
5 It has been dismissed. Who was the victim?

6 MR. NELSON: Who was the victim? Do you want her
7 name?

8 BOARD MEMBER GRONAUER: No. Family member?
9 Girlfriend?

10 MR. NELSON: No. My name is Jon Nelson, and I am
11 retired trooper of 27 years. While on duty as a trooper I
12 made a stop. And the female was a female person, and I made
13 the stop, did not write a citation. Left, went home and then
14 30 days later I was arrested.

15 BOARD MEMBER CORTEZ: Okay. So from January to
16 today --

17 BOARD MEMBER GRONAUER: That's a comma not a
18 period. Keep going.

19 BOARD MEMBER CORTEZ: Okay.

20 MR. NELSON: So I was arrested for a rape and
21 false imprisonment. There's a back story to this. And the
22 back story is my wife at the time had applied for a school
23 position in a school district. The president of the school
24 board was Debbie Edwards. Her husband happened to be the

1 sheriff of Thurston County, long long time sheriff.

2 So five women put in for this job. My wife is
3 the only one that met the minimum qualifications of that job
4 and she knew it and her friends are the other four and they
5 all kind of knew it. She did not get the job. Another lady
6 got the job. So my wife filed a grievance. And on Tuesday
7 morning we had a court hearing, a grievance hearing in court
8 and I went to jail Monday night.

9 And there was some insight, scuttlebutt. I went
10 to jail for obvious reasons because the grievance was against
11 Debbie Edwards, the president of the school board. And so I
12 go to jail. They do their stuff. I go to jail. Made a lot
13 of allegations. So the first court hearing the -- the person
14 making the allegations had wrote a statement, like a ten-page
15 statement.

16 In court the judge asked her because there's
17 crossed out stuff, and then there's handwritten stuff under
18 there. And under -- oh, she said she did not do that. Lots
19 of stuff on the statement was changed. You could tell it was
20 scribbled out, literally scribbled out and handwritten in
21 different handwriting underneath. She said she did not do
22 that. The detective said he didn't do it.

23 So I was released from jail on bond. And then
24 the criminal investigation started. The first investigation

1 was by the Thurston County Sheriff's Office. So that went
2 through a couple of months, however long it was. I was on
3 administrative leave for about nine months. So the state
4 patrol cannot start their investigation until the criminal
5 investigation is done in Thurston County. It was completed.
6 All charges were dropped.

7 I actually had a knock on my door one day and a
8 guy standing there says I can help you on this. I asked him
9 how did you find me. He told me. I said, well, you need to
10 contact the Thurston County Sheriff's Office or state patrol.
11 He did. They put a wire on. He was actually a boyfriend of
12 the girl's cousin. They put a wire on him. He was in the
13 car with his girlfriend and this other female that made the
14 allegations. And then it -- she stated she wanted to sue the
15 state, get a million dollars and travel the world was her
16 exact wordage on the wire and some other things.

17 So slowly they dropped all charges. State patrol
18 did their investigation. Their investigation went through
19 and all charges were dropped, and I continued as a trooper.
20 The FBI filed for -- they wanted my case file. I went
21 through a grand jury. They got the case file. They did an
22 investigation, and I was totally exonerated from the FBI, and
23 I retired two years ago as a trooper.

24 BOARD MEMBER CORTEZ: Any impact for the

1 retirement? Just kidding.

2 MR. NELSON: Yeah.

3 BOARD MEMBER CORTEZ: Okay. Thank you.

4 BOARD MEMBER GRONAUER: Two questions. First
5 off, I didn't get your name, sir.

6 MR. ROWLEY: Brett Rowley. My wife and I --

7 BOARD MEMBER GRONAUER: Okay. I didn't see it on
8 the application. So you did a good presentation.

9 Now, Mr. Nelson?

10 MR. NELSON: Yes, sir.

11 BOARD MEMBER GRONAUER: Okay. How long after you
12 were reinstated the state troopers, okay, did you retire?

13 MS. ROWLEY: I was exonerated in 2001 and I
14 retired in 2019.

15 BOARD MEMBER GRONAUER: That says volumes right
16 there. Thank you.

17 BOARD CHAIR NIXON: Any other questions?

18 BOARD MEMBER BROWN: This is Board Member Brown.
19 I believe it's just some type of mistake and I want to make
20 sure.

21 Ms. Rowley, on your application you listed that
22 your physical address is the same as your mailing address.
23 Although, they are different two addresses but just a mark in
24 the wrong box or did you have something later?

1 MS. ROWLEY: It must be mailing address, a PO?

2 BOARD MEMBER BROWN: No. The mailing address
3 shows 1908 Avenue D.

4 MS. ROWLEY: Oh, okay.

5 BOARD MEMBER BROWN: And the physical address is
6 different.

7 MS. ROWLEY: Okay. 1908 Avenue D is our office,
8 yes. That is our correct. 8100 Katy, Texas 77493. I'm not
9 sure. Maybe it was a mistake. Yeah, I think I probably
10 marked the wrong box. Yeah, sorry.

11 BOARD MEMBER BROWN: Okay. Thank you.

12 BOARD CHAIR NIXON: Okay. Are there any other
13 questions?

14 Okay. Thank you. If there are no other
15 questions, I'll entertain a motion.

16 BOARD MEMBER GRONAUER: This is Gronauer. I make
17 a motion to approve Off Duty Services Incorporated as
18 applying for a new corporate private patrolman license. Jon
19 C. Nelson is applying for an individual private patrolman
20 license. If approved he is requesting his individual license
21 be placed in abeyance so that he may become the qualifying
22 agent. The corporate officer to be approved is Sherry D.
23 Rowley, subject to all statutory and regulatory requirements.

24 BOARD CHAIR NIXON: I have a motion. Do we have

1 a second?

2 BOARD MEMBER CORTEZ: This is Board Member
3 Cortez. I'll second the motion.

4 BOARD CHAIR NIXON: I have a motion. I have a
5 second. All in favor say aye.

6 (The vote was unanimously in favor of the
7 motion.)

8 BOARD CHAIR NIXON: Motion passes. Thank you.
9 Congratulations. Good luck.

10 Okay. Agenda item number 44, Sec One Security
11 Group. Is Mr., I'm assuming there's a long list. Okay.

12 MR. HEALEA: Good morning. My name is Michael
13 Healea. I'm applying for the private patrolman license. I'm
14 currently the director of operations for Integrity Global
15 Security. We have several accounts with over 100 employees
16 now here in Nevada. We also just opened up in California as
17 well as. So I'm a corporate officer out there as well.

18 BOARD CHAIR NIXON: Okay. Board, are there any
19 questions? And I'm assuming the rest of the group is with
20 you as well.

21 MR. HEALEA: Yeah. We have Kyle Hardy here.
22 He's the owner the Security. If you could step up.

23 BOARD CHAIR NIXON: We don't bite much. Thank
24 you.

Board, are there any questions?

BOARD MEMBER GRONAUER: You look so familiar.
Take your mask down for a second.

MR. HEALEA: Counsel over here was looking
straight at me in the eyes and I was looking over my head
like is there a TV behind me.

MR. DETMER: Municipal judge from the eye.

BOARD MEMBER GRONAUER: Oh, yeah, in Henderson.

MR. HEALEA: As long as you guys like him.

BOARD MEMBER GRONAUER: He was a great judge.
Okay. We've never done business together or anything?

MR. HEALEA: No, sir, I don't believe so.

BOARD MEMBER GRONAUER: Sir?

MR. HARDY: No.

BOARD MEMBER GRONAUER: Okay. No problem. I
just wanted to make sure.

BOARD CHAIR NIXON: Any other questions?

BOARD MEMBER GRONAUER: What is your name, sir?

MR. HARDY: Kyle Hardy.

BOARD MEMBER GRONAUER: This is Gronauer. And
you own the company?

MR. HARDY: Yes, sir, license 1562.

BOARD MEMBER GRONAUER: Okay. No problem. Thank
you.

1 BOARD MEMBER CORTEZ: I do note on Mr., is it
2 Healea?

3 MR. HEALEA: It's pronounced Healea.

4 BOARD MEMBER CORTEZ: Okay. I do note that there
5 are several bankruptcies.

6 Investigator Saladino, are those taken care of?

7 INVESTIGATOR SALADINO: Investigator Saladino.
8 Yes, they are discharged.

9 BOARD CHAIR NIXON: Thank you.

10 Any other questions?

11 Okay. If there are no other questions, I'll
12 entertain a motion.

13 BOARD MEMBER GRONAUER: This is Gronauer. Item
14 number 44, a motion to approve Sec One Security LLC is
15 applying for a new corporate private patrolman license.
16 Michael W. Healea is applying for an individual private
17 patrolman license. If approved he's requesting that his
18 individual license be placed in abeyance so that he may
19 become the qualifying agent. Members to be approved are
20 Michael W. Healea, Terry J. Goodlad and Kyle D. Hardy and
21 Joshua Healea. This is subject to all statutes and
22 regulatory requirements.

BOARD MEMBER CORTEZ: This is Board Member Cortez.

BOARD MEMBER BROWN: Board Member Brown. I'll second.

BOARD CHAIR NIXON: I have a motion. I have a second. All in favor say aye.

(The vote was unanimously in favor of the motion.)

BOARD CHAIR NIXON: Thank you. Congratulations.

MR. HEALEA: Thank you.

BOARD CHAIR NIXON: Can we have a sidebar real quick.

Okay. We're off to other business. Agenda item 45. Executive Director Ingram, if you could give us an overview of this please.

MR. INGRAM: Thank you, Madam Chair.

This is for discussion and deliberation of the factors for considering for approval and/or denial of registered -- a registration issued pursuant to NRS 648.1493, including but not limited to nondisclosure of criminal history.

During the last Board meeting there was discussion by the Board that we wanted to kind of talk out why certain registered work card appeals were denied and felt

1 that a true failure to disclose on occasions had kind of
2 handcuffed the Board into finding anyone that failed to
3 disclose any portion on their work card application they felt
4 that it had to be responded with an uphold of the denial.

5 And the Board had wished to discuss on the record
6 maybe considering some other factors or other ideas on how
7 the Board might find during the appeals section for the
8 registered work card.

9 Mr. Detmer, do you have anything more to add to
10 that?

11 MR. DETMER: Mike Detmer for the record. I
12 apologize. I have a hard time speaking with the mask on. If
13 the Board is comfortable with me proceeding this way.

14 Mr. -- excuse me. Director Ingram has done a
15 fantastic job as far as relaying the agenda item as I recall
16 it. When it comes to the determination of viability for a
17 registration card, the statute 648.1493 actually relays the
18 factors for determination. The Board as is my recollection
19 was -- was doing its job in considering all the variables
20 that speak towards viability and it had started focusing, not
21 focusing but one of the factors of determination was
22 nondisclosure of a prior.

23 This is a factor for determination but by its
24 mere existence my understanding would be should not be an

1 automatic disqualifier. As the Board again can and should
2 take into consideration all facts and circumstances. If
3 there's a nondisclosure of an individual that who didn't
4 disclose an event that happened 100 years ago, of course I'm
5 speaking by pure exaggeration, that's a different -- that's
6 something to take into consideration for someone who didn't
7 factor in a crime that committed -- he was convicted of
8 yesterday. So it's a balancing. It's a weighing all of the
9 facts and circumstances.

10 This is just in summary. As the Board progresses
11 through this agenda item I'm happy to answer any question or
12 that I may possibly be assistance of.

13 BOARD CHAIR NIXON: So could I ask a quick
14 procedural question then. As a part of deliberation and
15 discussion of this what are we trying to accomplish? Are we
16 changing anything or are we just trying to as a Board come to
17 a consensus of how we want to move forward?

18 MR. DETMER: Mike Detmer for the record. I don't
19 believe it was a -- we're on. I don't believe it was a
20 desire or decision to make a bright line as far as how the
21 Board is going to rule on these. As if you were to do that
22 one might argue that is a rule of general applicability which
23 would be codified or should be codified by regulation.

24 My understanding was while a specific for

1 possible action, I believe that was just in case. This gives
2 you more range as far as what can be done is that the idea
3 was that this would just be a discussion as far as the
4 factors the Board takes into consideration when determining
5 whether to uphold or deny or grant or object to the
6 registration.

7 BOARD CHAIR NIXON: Thank you.

8 BOARD MEMBER GRONAUER: Yeah, I believe -- this
9 is Gronauer. I believe some of the problems we've had in the
10 past few years has been that we start denying people because
11 they failed to disclose certain then comes in the California
12 Penal Code.

13 Now, I understand how our investigators this last
14 time really clarified that fairly well because it says when
15 you're, I can't remember the code number, but when you
16 receive this and say we've dismissed your charges or
17 exonerated or whatever the heck it is at that time you still
18 were arrested for it and you're dismissed.

19 And on that now, I believe when they receive that
20 notice the person receives notice from California. What it
21 says is that you still have to report your arrest on
22 applications. If I'm correct in that or no?

23 INVESTIGATOR SALADINO: Investigator Saladino.
24 So included in penal code 1203.4, the last little sentence on

1 it says further, if this order is granted pursuant to the
2 provisions of 1203.4 the defendant is required to disclose
3 the above conviction in response to any direct question
4 contained in any questionnaire or application for public
5 office or for licensure any state local agency or for
6 contracting with the California State Lottery.

7 BOARD MEMBER GRONAUER: Thank you, Investigator
8 Saladino. I wanted to make sure that was clear.

9 You know, that's a big deal because a lot of
10 people that's what they use, you know, and I don't blame
11 them. I mean once I'm exonerated or cleared and I get a
12 Court order I can understand them saying, well, I don't have
13 anything to worry about. But they have to read the whole
14 thing, just like they have to read our whole application.
15 That creates, you know, some type of problem, but I don't see
16 it as a problem now that it's clearly delineated where it's
17 stated.

18 I think some of the things were also, I agree
19 with our -- it's hard to believe this but I agree with our
20 attorney, that we have to -- we have to take in the entire
21 scope of it. You know, there's discussion sometimes about
22 what is time and business. You know, we say that quite
23 often. I mean is two years the time or five years, ten years
24 or whatever. Well, then it's not only time and distance --

1 and without the penal code but time and distance it's also
2 severity of the crime.

3 Now we've had murder people, people who were
4 arrested for murder did 20 years in prison, were fine for ten
5 years, you know, that's a whole different story. But, you
6 know, so that could be, okay, we can get away with that. I
7 mean, get away with, we can just say that's applying to time
8 and distance. That's fine, are good. Some people were
9 trying to explain also.

10 So the idea to me is that's all we had to do is
11 just clear up some of the way we think because there's been a
12 couple of times where all of us have sat here and said I hate
13 doing this but you didn't report this, you know, and that
14 creates a problem.

15 Now if you don't report a crime from 20 years ago
16 I don't really have a real problem -- I don't have a problem
17 with that unless it's something to do with moral turpitude
18 or, you know, armed robbery and things that you served time
19 for you should remember that. Once you build time you always
20 remember building time. I never met an ex-prisoner that
21 didn't remember how much time they built and where they built
22 it. So how much time you served in prison -- I'm sorry. I'm
23 talking my street stuff.

24 The idea to me is so I think all we had to was

1 just clarify some of that gray area because we all can see
2 time and distance as something different. But then we have
3 to add in all of the other factors. I think when we make
4 that decision, and I believe Mr. Detmer, our attorney, has
5 told us before you have to tell us why you went with that,
6 not just time and distance but why.

7 That's my conclusion in this. I don't know how
8 the people up north feel about it. And I would like some
9 other interjection. I'm done.

10 BOARD MEMBER CORTEZ: This is Board Member
11 Cortez. I do have a couple of comments and piggyback off of
12 Board Member Gronauer. I don't know who to address this
13 question to. But on the application does it state regardless
14 of what state your criminal history comes from, regardless of
15 the time and distance you are to report because I think a lot
16 of the people who are from out of state are like, oh, that
17 happened in a different state. I don't need to report it
18 here. Is that clearly stated because a lot of people like to
19 say, well, according to PC or according to this, okay, does
20 the State of Nevada and these are requirements. So just out
21 of curiosity, does the application clearly state regardless
22 of the state the crime was committed?

23 MS. IRIZARRY: Chief Irizarry. On the paperwork
24 card application it states, I'll kind of read it to you

1 verbatim. Pursuant to NAC 648.339 the Board may deny, that's
2 bold and underlined, an application if an applicant has been
3 convicted of a felony or a crime involving moral turpitude or
4 illegal use or possession of a dangerous weapon.

5 There's three questions that are asked after
6 that. One, have you ever been convicted of a felony charge.
7 Answer no. Number two, have you ever been convicted of a
8 crime involving the illegal use or possession of a dangerous
9 weapon, yes or no. And question number three, which I
10 believe is what you're referring to. Have you ever been
11 arrested, had any criminal citations, indictment and/or
12 orders to appear in court. In the chart below list all
13 arrests, citations and/or orders to appear in court. Failure
14 to list all events could result -- could result in the denial
15 of your registration application.

16 List all charges regardless of how long ago the
17 incident occurred. List all charges regardless of what state
18 it occurred in. List all charges and/or citations regardless
19 if you were placed in handcuffs. List all charges regardless
20 if they were expunged, dismissed or denied. List all charges
21 regardless if dismissed under California PC 1203.4. Do not
22 list parking or minor moving violations.

23 BOARD MEMBER CORTEZ: Thank you, Chief Irizarry.
24 You answered my question and it's pretty clear.

1 My thoughts as far as how we want to go about
2 this as a Board, my opinions are the time and distance of the
3 event, obviously the severity of the actions. Every case is
4 going to be different. In my opinion I need to know how old
5 you were at the time of the incidents. I need to know how
6 old you are today. Your level of maturity then and now.
7 What have you done between time and distance.

8 I do believe and, again, every circumstance is
9 different. Five years is a little too soon. And, again, you
10 have to consider your time or your age. Where are you in
11 life? What are you trying to do? Are you still in the
12 criminal mindset or are you still truly trying to move on
13 beyond your mistakes?

14 So the severity of action does play a large part.
15 How old you were. How long ago was it. And then I also need
16 in your testimony, I need to know where are we at with your
17 level of integrity. You failed to report your criminal
18 history. It's pretty clear. Actually, it's not pretty
19 clear. It is clear in black and white. There are Spanish
20 interpreters so that can help you in a different language.
21 Was it a moral turpitude. Was it weapons related. Was it a
22 negotiated case, stuff about level or nature I think that
23 plays into my decision making.

24 I just need to know whether you were honest or

1 not. Just mention it. I'm not judging you as a person. I'm
2 judging the behavior at the time it was committed. Now, if
3 this behavior became a career now we're on a different story,
4 and I'm not going to take much consideration based off
5 nothing has changed.

6 So with that -- with that I'll just submit that's
7 my opinion.

8 BOARD CHAIR NIXON: Any other Board Members,
9 discussion?

10 BOARD MEMBER BROWN: This is Board Member Brown.
11 And I believe I may be the cause of all of this. I
12 understand time and distance, the type of crime committed. I
13 can't quote specific cases that we've had, but there have
14 been cases where we had a gentleman applying to be a security
15 officer. He's 63 years old and he had a minor consuming
16 arrest when he was 18 years old which he failed to disclose.

17 On one hand I understand, hey, you didn't read
18 the fine print. You failed to disclose that's an issue.
19 What I was worried about is, okay, this is a long time ago.
20 Is it really all that big of a deal. But we have a thing
21 where we would quote a lot of times based on past practice
22 we're going to deny this.

23 Well, I -- I just -- there's sometimes that I
24 feel that we don't need to do that. We don't need to stand

1 on past practice for that if somebody has, you know, done 57
2 odd years of good living after a minor arrest that they
3 didn't put down. I don't want to be tied down by we have
4 done this in the past, past practices that we have to deny
5 that person. And I believe that was my issue with the whole
6 thing. Thank you.

7 BOARD CHAIR NIXON: Thank you.

8 BOARD MEMBER CORTEZ: This is Board Member
9 Cortez. I forgot to mention I completely agree with that. I
10 was uncomfortable denying one last Board meeting exactly
11 because of that. I don't remember what I did a month ago.
12 So trying to figure out what I did 25 years ago is going to
13 be a challenge.

14 However, I do agree with you spent time in jail.
15 You have law enforcement contact, how do you not remember
16 that? It's -- it's not a positive event. So you are going
17 to remember it. Again, we're talking about a senior citizen.
18 That was a long time ago. There's a lot more life events
19 that have occurred between then and now. I would take that
20 into consideration. Was it honest, oh, crap I forgot to
21 mention that. It was dismissed or it was this. I'll take
22 that into consideration, again, where you're at, what you're
23 trying to do with your work card and what exactly are you
24 applying to get to reverse the denial.

1 So I think we all have a pretty good idea of what
2 we need to consider. I -- I agree with Board Member Brown.
3 I don't want to be limited as to past practices, as quite
4 honestly I don't agree with past practices. There was a
5 gentleman that I reluctantly agreed to deny it, but I do
6 believe he's back so I'm glad to see him back.

7 BOARD CHAIR NIXON: Okay. Board Member Bezick,
8 do you have?

9 BOARD MEMBER BEZICK: Obviously each case is
10 different. But to me everything hinges on the severity of
11 the crime. So it's very dependent on how severe the crime
12 was, not necessarily time and distance. Even if you
13 committed a major crime 40 years ago I think that should be
14 listed. You can't say, oh, I forgot about that because I
15 think it's merely impossible to forget about.

16 BOARD CHAIR NIXON: Okay. Do you have more?

17 BOARD MEMBER CORTEZ: Board Member Cortez again.
18 We're stressing the failure to report. That's an integrity
19 issue. You're applying for a work card. You're going to be
20 in some sort of safety security situation and if I can't
21 trust you to tell me exactly what has occurred in your past
22 life how am I going to trust you to do the right thing with a
23 work card. So that's where I will stand if I get testimony
24 of.

1 BOARD CHAIR NIXON: So I think, you know, I agree
2 with the entire Board. It has been kind of disheartening
3 sometimes to deny folks that, you know, had a bad check
4 writing incident 20, 30 years ago and didn't remember. And
5 so I think I agree that it depends on the severity, the type
6 of crime and time and distance. So I think, you know, I'm
7 not sure how we move forward but yeah, I think --

8 MR. DETMER: Just for discussion.

9 BOARD CHAIR NIXON: So, you know, I think we're
10 all in agreement that, you know, we can start looking at this
11 more individualized. I do think it was a little more
12 difficult to do that when we're over-the-phone because it's
13 hard to see people and understand, you know, if they
14 understand the gravity of not, you know, noting everything
15 down. So I think it's a little bit easier when folks are in
16 person. So I do appreciate that we're now back in person.

17 I would say one thing. I went to go get a
18 license a while ago where I had to go get fingerprints. And
19 while at that fingerprint location, you know, there was a
20 young lady in front of me. And she said I had a DUI, you
21 know, years ago but I don't know if I put it on. And the
22 actual person that was helping her with her fingerprints
23 said, oh, don't worry about it. It was over ten years ago.

24 And I think that sometimes is where we get that

1 whole, well, the PILB told me I didn't need to do it because
2 it's over ten years. I don't think it's us or, you know, the
3 staff. I think it's, you know, they're at a fingerprint
4 place. It's an off duty or, you know, an offshoot of what we
5 do. So I don't know that if that's a training issue because
6 they have agents that are, you know, that are working for
7 them.

8 So, you know, I almost wonder if we shouldn't
9 have some kind of training session on that and what they
10 should note or what they should tell applicants when they ask
11 those questions. Either prefer them to the PILB directly or
12 tell them they don't know, but to give some sort of advice is
13 problematic, so.

14 MR. INGRAM: Kevin Ingram. We can definitely
15 reach out to our fingerprint associates and have a discussion
16 on that, absolutely. Thank you.

17 BOARD CHAIR NIXON: Okay. Any further discussion
18 on this agenda item? Thank you, everyone.

19 So we're going to head into the registration
20 appeals. That's the next agenda item. So if you're here for
21 that please standby. We're going to take, because we're
22 really ahead of the thing, so we'll take until 11:20 and
23 we'll come back. And then we'll go ahead and swear everybody
24 back in or just make sure everyone is sworn in. So thank

1 you. We'll see you back at 11:20.

2 (Whereupon, a brief recess was taken.)

3 BOARD CHAIR NIXON: All right. Everyone I want
4 to make sure that we have everyone. And I'm sorry I cannot
5 see the court reporter.

6 Kathy, are you ready?

7 THE REPORTER: Yes, I'm ready.

8 BOARD CHAIR NIXON: Okay. Mr. Detmer, do we want
9 to make sure we have everybody sworn in.

10 MR. DETMER: For those who are going to testify
11 please stand up and raise your right hand.

12 (Whereupon, the oath was administered.)

13 MR. DETMER: This goes for the north as well, if
14 there is anybody up there.

15 BOARD MEMBER BEZICK: Yeah, we have Mr. Clark
16 here and he has accepted the pledge.

17 MR. DETMER: Thank you.

18 (Whereupon, the oath was administered.)

19 BOARD CHAIR NIXON: Okay. Thank you, everyone.
20 Welcome back.

21 This is a second part of the meeting where we do
22 registration appeals. First on -- do we have anybody on the
23 phone for this?

24 MR. INGRAM: Is there anyone on the phone for the

1 work card appeals at this time?

2 MR. CORMIER: Yes, Thomas Cormier.

3 MR. INGRAM: Anyone else?

4 MR. JAMES WHITE: James White.

5 MR. CORMIER: Thomas Cormier.

6 MR. INGRAM: Can you please let us know what
7 agenda item you are.

8 MR. CORMIER: I just know they told me to be on
9 the phone at 11:00 o'clock.

10 MR. INGRAM: Okay, Thomas, we'll find you.

11 MR. CORMIER: Okay. Thank you.

12 MR. INGRAM: 49.

13 MR. JAMES WHITE: And James White as well.

14 BOARD CHAIR NIXON: Is it James White or William
15 White?

16 MR. JAMES WHITE: James White, J-a-m-e-s.

17 MR. INGRAM: Thank you, James.

18 Is there anyone else on the call for work card
19 appeal?

20 MR. WILLIAM WHITE: William White, number 61.

21 MR. INGRAM: Thank you, William.

22 Last call for anyone on the phone for work card
23 appeal. Thank you.

24 BOARD CHAIR NIXON: Thank you.

1 Just a quick reminder if you are on the phone
2 please mute your phone. Do not put us on hold because we'll
3 hear your music and it will disrupt the meeting. So thank
4 you for that.

5 Okay. First agenda item 46, Clark Brandt or
6 Brandt Clark.

7 MR. CLARK: Brandt Clark.

8 BOARD CHAIR NIXON: Are you in the room?

9 MR. CLARK: Pardon me?

10 INVESTIGATOR JONES: He's up here in the north,
11 yes.

12 BOARD CHAIR NIXON: Okay. Welcome, sir. Tell
13 us -- and just, again, sorry, another reminder. We're
14 limiting people's times for discussion to five minutes. So,
15 sir, tell us a little bit about yourself and why you're here
16 today.

17 MR. CLARK: Oh, basically I applied for a job
18 with the High Sierra Patrol.

19 BOARD CHAIR NIXON: We can't hear him.

20 MR. INGRAM: That microphone is still not
21 working, Jordan.

22 Sir, do you want to pull your mask down and see
23 if we can hear you on the microphone.

24 MR. CLARK: Basically I applied at High Sierra

1 Patrol and I'm basically --

2 MR. INGRAM: Yeah, we still cannot hear.

3 Jordan, can we set up another mic, please.

4 BOARD MEMBER BEZICK: Come up here.

5 INVESTIGATOR JONES: I'm going to have him come
6 up here.

7 MR. CLARK: Oh, sorry. I'm not used to this.

8 INVESTIGATOR JONES: You're fine. Technical
9 difficulties.

10 MR. CLARK: Sit right here?

11 INVESTIGATOR JONES: You can sit right here.

12 MR. CLARK: Sit where?

13 INVESTIGATOR JONES: Just right here on the
14 chair. This is your mic.

15 MR. CLARK: All right.

16 INVESTIGATOR JONES: And you're live.

17 MR. CLARK: Okay.

18 INVESTIGATOR JONES: Just get a little closer.

19 MR. CLARK: Pardon?

20 INVESTIGATOR JONES: Just get a little closer to
21 the mic.

22 MR. CLARK: I'm not used to this.

23 All right. So what is the question now?

24 INVESTIGATOR JONES: Can you repeat the question,

1 please. Technical difficulties.

2 (Lost connection to Las Vegas.)

3 BOARD CHAIR NIXON: Okay. So we're back on.

4 We're on item number 46.

5 Mr. Brandt Clark, I can see you. Are you -- can
6 you go ahead and speak and see if we can hear you.

7 MR. CLARK: Yeah. Can you hear me?

8 BOARD CHAIR NIXON: Yes, sir. Thank you. Please
9 go ahead and tell us a little bit about yourself. Again,
10 please remember we have the five minutes.

11 MR. CLARK: Okay. Basically I moved here from
12 California. I'm actually a physical therapist. I'm actually
13 licensed in California and Nevada. But, you know, I haven't
14 found the right job.

15 And I applied at High Sierra Patrol, and I like
16 the people there. And I've done -- I was Oceanside PD. I
17 was there for a while. And I thought, gee, this would be a
18 great fit. But when I looked at the application and I talked
19 with the person, the guy at the private investigator's
20 licensing board in Carson City, he said because of, I think
21 it was about 31 years ago I was at my friend's marina. It
22 was late at night. And I just came from the shooting range
23 some hours before and I forgot to unload my pistol.

24 And the sheriffs came by because there had been

1 some break-in's at the marina, and they asked me if I was --
2 that my car. I was standing outside my Corvette. I said
3 yeah. They said can we look inside your car. I said yeah,
4 sure. They said you know you have a loaded gun back there.
5 And I said oh, boy. They were really nice about it.

6 And so basically they charged me with having a
7 loaded firearm in the back of my Corvette which I, like I
8 say, it wasn't something intentional. I just forgot about
9 it.

10 So when I -- when I went to, before the judge he
11 just said, well, this has not occurred before. He said you
12 gotta be really careful when you come from a shooting range
13 and make sure you unload your weapon. I just said I know. I
14 was -- I just forgot it.

15 Anyway, I was fined \$50, and I was told not to do
16 it again, and I think that was about 31 years ago. And it's
17 never occurred since. I've always been extra careful since
18 then. That's about all I can refer on that. So I don't know
19 what else I can tell you.

20 BOARD CHAIR NIXON: Okay. Thank you, sir.

21 Board, are there any questions for Mr. Brandt or
22 Mr. Clark?

23 BOARD MEMBER GRONAUER: Board Member Gronauer.
24 Mr. Clark, if you do get your work card what do you plan on

1 doing with it?

2 MR. CLARK: I'm sorry, what?

3 BOARD MEMBER GRONAUER: If you get approved for
4 the work card what is your -- what are your plans?

5 MR. CLARK: Well, my plans basically was they
6 want to hire me at High Sierra for a nighttime shift and
7 train me. I thought gee whiz. That would be great. So
8 that's my plan. So then probably see if I can't find a
9 physical therapy job during the day. But this would be a
10 night thing. I think the shift was like 8:00 to 4:00 in the
11 morning. I thought that would be great.

12 You know, I'm on social security but I need to
13 work. I'm one of these people I need to work. And I just
14 thought, no, this would be a great service, and it's kind of
15 a nice rapport with the people at High Sierra. I thought
16 this would be a good job for me.

17 BOARD MEMBER GRONAUER: All right. Sir, if you
18 get hired by High Sierra what are you being hired as? What
19 position?

20 MR. CLARK: Pardon?

21 BOARD MEMBER GRONAUER: What position would that
22 be?

23 MR. CLARK: That would be -- that would be an
24 unarmed patrol I think in Incline Village, you know, security

1 property, that sort of thing, just nighttime patrol. Make
2 sure that gates are locked and there's no vagrants and no
3 people there and that sort of thing.

4 BOARD MEMBER GRONAUER: All right. Thank you.

5 BOARD CHAIR NIXON: Thank you, sir.

6 Are there any other questions from the Board?

7 Okay. If there are no other questions, I'll
8 entertain a motion.

9 BOARD MEMBER BEZICK: This is Bezick. I make a
10 motion that we grant the work card for Brandt Clark.

11 BOARD CHAIR NIXON: I have a motion. Do I have a
12 second?

13 BOARD MEMBER CORTEZ: This is Board Member --

14 BOARD MEMBER BROWN: Board Member Brown. I'll
15 second.

16 BOARD CHAIR NIXON: I have a motion. I have a
17 second. All in favor say aye.

18 (The vote was in favor of the motion.)

19 BOARD CHAIR NIXON: Any opposed?

20 BOARD MEMBER GRONAUER: This is Gronauer. No.

21 BOARD CHAIR NIXON: Okay. The motion passes
22 three to one. Mr. Brandt, good luck -- Mr. Clark, good luck.

23 Sorry. Correction for the record. It's four to
24 one.

1 Agenda item number 47, Mr. George Clay. Are you
2 here? Please tell us a little bit yourself and why you're
3 here.

4 MR. CLAY: So I've worked security in the State
5 of California since 1992. I had a -- back when the sheriffs,
6 the Metro use to issue cards, I had one of those back in the
7 early '90s as well. Back in 2007, so 14 years ago, I was
8 contacted by somebody on My Space, which kind of tells you
9 how long ago that was. And the birthday on there said they
10 were 17. So I waited for the birthday change to 18 until I
11 answered the e-mail or instant message from them. I ended up
12 meeting them one time.

13 And then I was later contacted by Metro because
14 apparently she had gotten pregnant by somebody else, and she
15 actually turned out to be 14, even though they found multiple
16 birth dates with different birth dates on it. I ended up
17 pleading guilty to unlawful contact with a minor but it's no
18 probation. No registration. No nothing. So my
19 understanding is that is what was prohibiting me from getting
20 my card here.

21 BOARD CHAIR NIXON: Okay. Thank you.

22 Are there any questions from the Board?

23 BOARD MEMBER GRONAUER: Mr. Clay, correct?

24 MR. CLAY: Yes, sir. I believe I talked to you

1 last year as well.

2 BOARD MEMBER GRONAUER: I believe so, yeah.

3 MR. CLAY: Yes, sir.

4 BOARD MEMBER GRONAUER: What are you planning on
5 doing with this work card?

6 MR. CLAY: So I live here but I mostly work in
7 California. And one of the gentlemen I work for in
8 California has a license here for event staffing stuff. And
9 like he's got, what is it, EDC coming up and some other
10 things that he needs supervisors for it. So it would be
11 mainly for me to come up here and help run events, run
12 security details for that kind of thing, not so much a
13 day-to-day work issue.

14 Just because I have my own -- I still own my own
15 security company in California. I believe Investigator Jones
16 has verified that. And it's -- like I said, it's mostly just
17 going to be for coming up to work special events, that kind
18 of a thing, not necessarily a day-to-day operation thing.

19 BOARD CHAIR NIXON: Quick question. The company
20 that you work for, they are licensed here?

21 MR. CLAY: Yes, ma'am. Events -- it's either
22 Events Staffing Professionals or Events Security
23 Professionals. I think there was something where they had to
24 change the name to kind of qualify under the PILB's ruling.

BOARD CHAIR NIXON: Okay. Thank you.

Are there any other questions?

BOARD MEMBER GRONAUER: One thing. You said you talked to me before.

MR. CLAY: I believe on last year's over the phone Board hearing there were you and a couple of other people.

BOARD MEMBER GRONAUER: Okay. All right.

MR. CLAY: And I was told wait a year to reapply.

BOARD MEMBER GRONAUER: Okay. I wanted to make sure it wasn't that you and I had personal contact.

MR. CLAY: No. No, sir. I remember your name from last year's, from the meeting.

BOARD MEMBER GRONAUER: Usually you can't pronounce. Okay. Thank you.

MR. CLAY: Gronauer, correct. Yes, sir.

BOARD CHAIR NIXON: Okay. So let's move forward. Any other questions for Mr. Clay?

BOARD MEMBER CORTEZ: Not so much for the application. This is Board Member Cortez. I do have a question. My apologies, I thought I had it up on the 2020 transcript, does anybody have a copy to read what the denial was for.

MS. IRIZARRY: Investigator Jones in the north

1 should have it.

2 MR. CLAY: I believe Mr. Gronauer put out time
3 and distance at the time.

4 Well, that's a unique name, sir. You don't run
5 into a lot of Gronauers.

6 MS. IRIZARRY: Chief Irizarry. Jordan, do you
7 have a the transcript there for Cortez as she had questions
8 on it?

9 INVESTIGATOR JONES: I do not. I was having
10 technical difficulties trying to print it out. I'm trying to
11 pull it up now.

12 BOARD MEMBER CORTEZ: Okay. I pulled it up.
13 Board indulgence.

14 BOARD MEMBER GRONAUER: While you're pulling that
15 up, this is Gronauer. I have another question here. Since a
16 year ago have you had any trouble at all?

17 MR. CLAY: I haven't been in -- that's the only
18 trouble I've been in my entire life.

19 BOARD MEMBER GRONAUER: The denial, that's what
20 I'm talking about now.

21 MR. CLAY: No, sir.

22 BOARD MEMBER GRONAUER: All right. What kind of
23 work are you doing now?

24 MR. CLAY: I work armed security in California.

1 I run my own company in California. And I help him run
2 specialty -- like right now currently I'm technically
3 supposed to be in Long Beach to help run events.

4 BOARD MEMBER GRONAUER: Okay.

5 MR. CLAY: Because he's gone back to Iowa to move
6 houses.

7 BOARD MEMBER GRONAUER: You have a card in
8 California?

9 MR. CLAY: Yes. Like I said, I'm actually --
10 Investigator Jordan Jones actually talked to me about it.
11 I'm listed as the principal for Metropolitan Public Safety in
12 California.

13 BOARD MEMBER GRONAUER: All right. Thank you.

14 MR. CLAY: Thank you.

15 BOARD MEMBER CORTEZ: This is Board Member
16 Cortez. I have no more questions.

17 BOARD CHAIR NIXON: Okay. If we have no more
18 questions for agenda item number 47, I'll entertain a motion.

19 BOARD MEMBER BROWN: Board Member Brown. Because
20 Mr. Clay has done what we asked him, returned in a year,
21 hasn't had any problems, I move that we grant the appeal.

22 BOARD CHAIR NIXON: I have a motion. Do I have a
23 second?

24 BOARD MEMBER GRONAUER: Gronauer. Second.

1 BOARD CHAIR NIXON: I have a motion. I have a
2 second. All in favor say aye.

3 (The vote was unanimously in favor of the
4 motion.)

5 BOARD CHAIR NIXON: The motion passes.
6 Congratulations, sir. Good luck to you.

7 MR. CLAY: Can I ask one quick question? I know
8 EDC or something is coming up later this month. Will this be
9 in process in time for that so I can let my boss know?

10 MR. INGRAM: We'll be in touch with you within a
11 day or two.

12 MR. CLAY: Okay. Thank you very much.

13 MR. INGRAM: Uh-huh.

14 BOARD CHAIR NIXON: Agenda item number 48,
15 Maribel Molina. Okay. Ms. Molina, please tell us a little
16 bit about yourself and what you're need for getting a work
17 card.

18 MS. MOLINA: Okay. So my name is Maribel Molina.
19 I applied for a clerical position at Legal Process Service.
20 They extended me the job. However they said I needed to pass
21 the background check with you. I did disclose that I had
22 something 20 plus years ago. And when I went to apply and
23 disclosed everything and they told me it was going to be an
24 automatic denial, to do an appeal. I missed the June one and

1 so here I am for this one.

2 BOARD MEMBER CORTEZ: This is Board Member
3 Cortez. Hi. Good morning. Ms. Molina, can you give me some
4 information on the fraud. Did it happen to be gang related?

5 MS. MOLINA: No. I was on public assistance.
6 They had like a back to work program. I started working but
7 still receiving assistance. And a couple years later I got a
8 letter in the mail saying I need to appear in court for that
9 and it ended up being a felony which was only about \$4,000 or
10 so, so I did probation, community service and paid
11 restitution. That closed up.

12 Then years later, I don't remember exactly what
13 year, I just my, I gave like a three-year window time frame.
14 I went to Tijuana, Mexico just to spend the day, eat.
15 Crossing the border back is when they arrested me because
16 they said I had a warrant out for my arrest which I knew
17 nothing of.

18 BOARD MEMBER CORTEZ: Thank you.

19 BOARD CHAIR NIXON: Okay. Are there any further
20 questions for Ms. Molina?

21 BOARD MEMBER CORTEZ: This is Board Member
22 Cortez. I motion that we overturn the appeal for Maribel
23 Molina. She is appealing the denial for restriction.

24 BOARD CHAIR NIXON: Does anybody have any further

1 questions? Okay. No further questions.

2 BOARD MEMBER CORTEZ: Once again, this is Board
3 Member Cortez making a motion to overturn the denial for
4 Ms. Maribel Molina's work card.

5 BOARD CHAIR NIXON: Okay. We have a motion. Do
6 we have a second?

7 BOARD MEMBER GRONAUER: Gronauer. Second.

8 BOARD CHAIR NIXON: I have a motion. I have a
9 second. All in favor say aye.

10 (The vote was unanimously in favor of the
11 motion.)

12 BOARD CHAIR NIXON: It's passed.
13 Congratulations. Good luck to you.

14 MS. MOLINA: Thank you.

15 BOARD CHAIR NIXON: Okay. Item number 49, Thomas
16 Cormier.

17 MR. CORMIER: Yes.

18 BOARD CHAIR NIXON: Okay. Sir, tell us a little
19 bit about yourself and what -- what you're going to do with
20 your work card.

21 MR. CORMIER: Yeah, my name is Thomas Cormier.
22 I'm 51 years of age. I've been driving limos since 2014.
23 I'm trying to get my guard card because my wife has been a
24 labor and delivery nurse for 35 years. She works at Mountain

1 View Hospital. Yeah, I know a lot of the bosses over there,
2 the one told me that she could use me as security over there.

3 So if I get my appeal card she would hire me
4 because right now I'm doing like two jobs. Since me and my
5 wife's, you know, schedules are just hectic so I'm trying to,
6 you know, limit it down.

7 We've been in Vegas since 2006. We bought a
8 house about seven years ago. And I went to Lot Burn here. I
9 had them seal my records. And they told me specifically that
10 if that question ever came up on application to put no. I
11 wasn't trying to be dishonest about it or hide it from
12 anybody or anything.

13 I mean, obviously I'm not the same person I was
14 when those things happened as I am today. But they told me
15 specifically that to put no, any questions about my history
16 came up so that's why I did it. I didn't do it because I was
17 trying to be dishonest or deceive anybody.

18 BOARD CHAIR NIXON: Okay. Are there any
19 questions for Mr. Cormier?

20 BOARD MEMBER BROWN: This is Board Member Brown.
21 I have a question for Investigator Jordan.

22 INVESTIGATOR JONES: Yes, sir.

23 BOARD MEMBER BROWN: Investigator Jordan, on some
24 of Mr. Cormier's arrests, under disclosed you have NA. I'm

1 trying to decide or figure out why it was not applicable for
2 him to disclose those.

3 MR. CORMIER: Is that question for me?

4 INVESTIGATOR JONES: Investigator Jones. I --

5 BOARD MEMBER BROWN: The question is for
6 Investigator Jones.

7 INVESTIGATOR JONES: For numbers seven, eight and
8 nine on your report those are incorrect. The only one that
9 should be not applicable is number six because that was a
10 juvenile, but it did show up on the fingerprint report. So I
11 did want to have that on your report, but it was not required
12 to be disclosed as he was a juvenile.

13 BOARD MEMBER BROWN: Okay. So the others are
14 typos. They should read no or should they read yes.

15 INVESTIGATOR JONES: Give me -- can you tell them
16 to give me just one second.

17 BOARD MEMBER BEZICK: He's looking at his
18 paperwork. Give him one second to respond.

19 INVESTIGATOR JONES: Can you hear me?

20 BOARD CHAIR NIXON: Yes, we can.

21 INVESTIGATOR JONES: On the original application
22 he did not disclose any arrests. And with his appeal letter
23 he only disclosed the 1991 assault, the 1999 delivery and the
24 2009 solicitation.

1 BOARD MEMBER BROWN: Thank you, Investigator
2 Jordan.

3 My question would be, Mr. Cormier, after your
4 denial and you listed some arrests, why didn't you list the
5 others?

6 MR. CORMIER: Because they are not me. I found
7 out that my brother had been using my name. And when the --
8 I think whoever I was talking to on the phone called me he
9 started pointing out all of these cases. And I'm like that
10 ain't me. That ain't me. And he was just spouting all these
11 cases out and they are not me.

12 BOARD MEMBER BROWN: So your brother was arrested
13 pretending to be you for some of these charges?

14 MR. CORMIER: Yes, several times as I found out
15 and he's actually locked up right now.

16 BOARD CHAIR NIXON: So this is Board Member
17 Nixon. And, you know, forgive my ignorance, but don't they
18 run fingerprints when they arrest you?

19 MR. CORMIER: Not if they let you go. I guess
20 when they let you go they just put out one for your arrest
21 and then you have to deal with this.

22 MS. IRIZARRY: Chief Irizarry. If I may. Board
23 Member Brown, to answer your question, the reason why the
24 '04, the '89 and the '88 had a disposition of NA was because

1 of the applicant's reasoning saying it wasn't him. I'm
2 referring back to his actual note within the file.

3 Investigator Jones explains to the applicant we
4 based your background off of your fingerprint results. So,
5 yes, it should have come back to his fingerprint results.
6 This particular incident we did not look him up with the name
7 check. A name check would be a name, date of birth and
8 social only. These results were from his actual
9 fingerprints.

10 Because the applicant was stating it's not me it
11 comes back on his fingerprint report as such that's why we
12 indicated NA on those three arrests, but those arrests as you
13 see in your report were listed on his fingerprint report that
14 we got back.

15 BOARD MEMBER BROWN: Thank you, chief.

16 BOARD MEMBER CORTEZ: This is Board Member
17 Cortez. Mr. Jones, Investigator Jones, do we have
18 information as far as an attempt to provide the brother's
19 information as to the alleged that he was the one committing
20 these crimes? I don't know if it was clear or not. Did the
21 applicant indicate other than his statement this was my
22 brother, are there court papers supporting that?

23 INVESTIGATOR JONES: Investigator Jones.

24 MR. CORMIER: Yeah, when he went on my name back

1 then --

2 BOARD CHAIR NIXON: Sir? Sir, this is for --

3 MR. CORMIER: Okay.

4 BOARD CHAIR NIXON: This question is for the --

5 MR. CORMIER: Okay.

6 BOARD CHAIR NIXON: Thank you.

7 INVESTIGATOR JONES: Investigator Jones. I have
8 not received any court documents. But on the fingerprint
9 report it does show his brother, William Cormier, as one of
10 the also known aliases.

11 BOARD MEMBER CORTEZ: Okay. Thank you.

12 Mr. Cormier, again, I just need a little bit of
13 clarification. I read verbatim what the application
14 indicates. Any kind of legal contact, any kind of court
15 appearance regardless of the disposition, whether it was
16 dismissed, it was heard or adjudicated, found guilty,
17 dismissed, whatever the case may be, it clearly states you
18 need to report it. I don't know if you heard my testimony
19 earlier but integrity --

20 MR. CORMIER: Yes, I actually did. And that's
21 why I was like, oh, okay. That kind of cleared up a lot
22 because I went to a -- I went to a --

23 BOARD CHAIR NIXON: Sir? Sir, please let her
24 finish her question. Thank you.

MR. CORMIER: Okay.

BOARD MEMBER CORTEZ: I don't know if it was so much a question. It was more of a statement that that's -- it's problematic for me to make a sound judgment on giving you a work card when you failed one of the basic information. Given a work card you're going to be given a higher level of responsibility. If you can't be honest on something that is clear in English that gives me a little bit of problem. So go ahead. I'll let you respond but please make it brief.

MR. CORMIER: That's why I said earlier, when I had my record sealed they specifically told me that I didn't have to disclose any of that no matter what that case is.

BOARD MEMBER CORTEZ: Okay. I'm going to interrupt you. And then, again, this is one last time for everybody's information. Who told you to not to disclose such?

MR. CORMIER: The law firm here. I have it somewhere. I paid to have my records sealed.

BOARD MEMBER CORTEZ: Okay. Let me stop you right there. Did you ask any staff from the PILB Board for clear instructions as to what the application states as far as indicating your report for law enforcement contact?

MR. CORMIER: No. As far as --

BOARD MEMBER CORTEZ: That's all I needed to

1 know. Thank you so much. I understand the situation.

2 BOARD CHAIR NIXON: Okay. Are there any other
3 questions?

4 Okay. I'll entertain a motion.

5 BOARD MEMBER CORTEZ: This is Board Member
6 Cortez. I'm going to motion to uphold the denial as
7 previously indicated. I need everything to be listed on the
8 application as clearly stated. I also know that PILB staff
9 is more than willing to assist any applicant questions. As a
10 matter of fact, we'll be hearing another one of an applicant
11 that was incredibly diligent reaching PILB staff to make sure
12 that the applicant was correct.

13 BOARD CHAIR NIXON: Okay. So we have a motion.
14 Do I have a second?

15 BOARD MEMBER GRONAUER: Gronauer. I'll second.

16 BOARD CHAIR NIXON: Motion and second. All in
17 favor say aye.

18 (The vote was unanimously in favor of the
19 motion.)

20 BOARD CHAIR NIXON: Okay. Mr. Cormier, your
21 denial has been upheld which means you will not receive your
22 work card. Sir, I would recommend that you figure out the
23 concern with your brother. I think all of us have issue with
24 the fact that they ran fingerprints and it showed up as you.

1 So until that's cleared up you're more than welcome to come
2 back in a year, but until you come back with a solid answer
3 and paperwork to remedy that I think we're all going to have
4 issue with that. So good luck to you, sir. Thank you.

5 MR. CORMIER: Yep. Thank you.

6 BOARD CHAIR NIXON: Item number 50, Yshonda Cobb.
7 Are you in the room or on the phone?

8 UNIDENTIFIED SPEAKER: I'm sorry?

9 BOARD CHAIR NIXON: This is 50, Yshonda Cobb.
10 That's not you, correct? Okay. So is Yshonda Cobb in the
11 room or on the phone? Okay. We'll go ahead and trail number
12 50.

13 Item number 51, Abe, okay. Thank you, sir.
14 Could you pronounce your last name for me.

15 MR. MAGSAYO: Magsayo.

16 BOARD CHAIR NIXON: Magsayo. Thank you, sir.
17 Please tell us a little bit about yourself and what your
18 intentions are.

19 MR. MAGSAYO: Thanks from Robert, Katherine and
20 everyone in the family and thank you for giving me the
21 opportunity to speak to you guys.

22 You know, about myself, you know, I'm the only
23 person that didn't join the military. I was born at Mather
24 Air Force Base. My brothers were retired navy. My father is

1 a master sergeant in the army for -- they work for a general
2 in the guard.

3 And as for me, you know, I'm in a career field
4 that store manager. I travel and help other stores and I've
5 been doing it for quite a long time, and I really want to
6 transition to a security field. There's opportunities for me
7 out there. And I feel that this is a place where I need to
8 start before, you know, I get too deep and find out that
9 there's an issue with my background.

10 I should have disclosed, you know, the
11 application back in 1999 or somewhere around there. It's
12 just in retail that I've grown. It's, we do extensive
13 background in all 50 states. A lot happened from here and
14 there. And, you know, if I knew how this process went I
15 would have definitely put that on there. I really truly
16 forgot to put that on there. And I apologize.

17 BOARD MEMBER GRONAUER: Yes, sir. This is
18 Gronauer. Can you explain the situation, what this
19 transporting controlled substance.

20 MR. MAGSAYO: Yeah. So I actually was working
21 security back in the days. And, you know, I was a kid and,
22 you know, I was really friends with everyone in my community.
23 I met this guy. You know, he was really cool. I just needed
24 a car. And, you know, he sold me a car for, you know, really

1 cheap and had I had a better thought process too and had more
2 intelligence to inspect the vehicle that would have never
3 happened and I did time for that. I did 30 days, and I also
4 went to probation.

5 And since then, you know, I didn't go back to the
6 security. I was a dispatch security back then. And I
7 started my career in retail.

8 BOARD MEMBER GRONAUER: It says -- just to
9 follow-up, it says transport controlled substance. You said
10 a car.

11 MR. MAGSAYO: Yes, sir. So when I got pulled
12 over in that vehicle that wasn't registered to me, they
13 searched the vehicle and thought I was that person.
14 Everything was in there and, you know, disclosed under a
15 tire. And when I tried to explain to the officer there's no
16 way I can get through that person. I was just a kid back
17 then.

18 BOARD MEMBER GRONAUER: What do you plan on doing
19 with the work card now?

20 MR. MAGSAYO: You know, I have a lot of friends,
21 you know, in the security field, and I'm greatly influenced
22 into that. I feel myself that, you know, I fit so and
23 there's a lot of things that happen nowadays. We need a
24 security that can embrace the community and be a good speaker

1 and help everybody. We don't need someone that, you know,
2 just tell them and delegate everybody. That just causes --

3 BOARD MEMBER GRONAUER: Okay. So you want to
4 work in security, right?

5 MR. MAGSAYO: Yes, sir.

6 BOARD CHAIR NIXON: Are there any other questions
7 from the Board?

8 I have a question, sir. Why didn't you disclose
9 this information during the application process?

10 MR. MAGSAYO: What? I'm sorry, Tammy. Say that
11 again.

12 BOARD CHAIR NIXON: Why did you not disclose this
13 information during the process?

14 MR. MAGSAYO: And I should have. And, you know,
15 like I said, I did a background in retail. I'm a retail
16 store manager. We give a background in all 50 states and I
17 really should have. I just didn't think about it, yeah.

18 BOARD CHAIR NIXON: Okay. So you just didn't
19 think to put it on?

20 MR. MAGSAYO: Yeah.

21 BOARD CHAIR NIXON: Okay. Any other questions?

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez. Mr. Magsayo, we are the same age and you appear to
24 be a smart gentleman. Shoulda, coulda, woulda, did you not

1 understand on the application to state that?

2 MR. MAGSAYO: I did understand.

3 BOARD MEMBER CORTEZ: So it was pretty much --

4 MR. MAGSAYO: I just -- I just --

5 BOARD MEMBER CORTEZ: -- forget it. I'm not
6 interested. If they catch me they catch me, if not if not?

7 MR. MAGSAYO: It wasn't like that. It was, you
8 know, after, you know, I do a background in retail. I was
9 thinking about my background is truly clear so I wouldn't
10 think it's going to, you know, be, appear. I thought I could
11 move forward in life. I want to -- I want to make a
12 difference and this is important to me.

13 BOARD MEMBER CORTEZ: So you messed up and you're
14 trying to hopefully move forward from the --

15 MR. MAGSAYO: Absolutely.

16 BOARD MEMBER CORTEZ: -- mistake.

17 Okay. Second question. What was the substance
18 that was being -- what was the controlled substance?

19 MR. MAGSAYO: It was cocaine.

20 BOARD MEMBER CORTEZ: And how much was found in
21 the vehicle?

22 MR. MAGSAYO: I want to say it's small, very
23 small because I would have done prison time, yeah.

24 BOARD MEMBER CORTEZ: So basically possession of

1 controlled substance because it was your registered vehicle?

2 MR. MAGSAYO: My vehicle wasn't registered at the
3 time.

4 BOARD MEMBER CORTEZ: So it was an unregistered
5 vehicle but you were driving it?

6 MR. MAGSAYO: Yeah. I was hoping that the person
7 that, you know, owned the car.

8 BOARD MEMBER CORTEZ: Yeah, unfortunately that's
9 not how it works. You're driving it. It's yours. Got it.
10 Thank you.

11 BOARD CHAIR NIXON: Are there any other
12 questions?

13 Okay. No other questions, I'll entertain a
14 motion. Do we have a motion?

15 BOARD MEMBER BROWN: This is Board Member Brown.
16 I move that we grant the appeal and allow him to get his work
17 card.

18 BOARD CHAIR NIXON: I have a motion. Do I have a
19 second?

20 BOARD MEMBER CORTEZ: This is Board Member
21 Cortez. I am going to second the motion. However, I would
22 strongly recommend that, again, you're my age. You no longer
23 have luxury to make these kind of mistakes, especially held
24 to a higher standard. Please dot your I's and cross your T's

1 but I will motion that the, the reversal of the denial.

2 BOARD CHAIR NIXON: Okay. Does anybody want to
3 revisit the motion? Oh, I'm sorry, the reason for the
4 motion. I'm sorry.

5 Board Member Brown?

6 BOARD MEMBER BROWN: Yes, ma'am. Sorry. I've
7 got static in my phone. Say again, please.

8 BOARD CHAIR NIXON: Can you give us the reasoning
9 for your motion.

10 BOARD MEMBER BROWN: The reason for my motion is
11 time and distance. It was 22 years ago. It's granted a
12 felony but on a minor side in my opinion.

13 BOARD CHAIR NIXON: Okay.

14 BOARD MEMBER BROWN: I believe there's been
15 enough time and distance from that even though he failed to
16 disclose it.

17 BOARD CHAIR NIXON: Okay. All right. We have a
18 motion. We have a second. All in favor say aye.

19 (The vote was in favor of the motion.)

20 BOARD CHAIR NIXON: Okay. All opposed?

21 BOARD MEMBER GRONAUER: Gronauer. No.

22 BOARD CHAIR NIXON: Nixon. No.

23 Okay. So three to two. It passes. But I will
24 tell you, you know, my reason for no is because you made a

1 choice. You knew that it was in your background and you made
2 a decision to not disclose. So that's my reason.

3 Again, I'm with Board Member Cortez. You know,
4 it's your responsibility to disclose. It's very clear on the
5 paperwork. So going forward please make sure you do so.

6 BOARD MEMBER GRONAUER: And, again, if I may my
7 reason for no. Drugs were found in a tire. It's not going
8 to be a small amount of drugs if you're talking about
9 cocaine. That's just my past experience, okay, not
10 transporting but arresting. So I'm sorry but and also you
11 should have been able to disclose it. Thank you.

12 MR. MAGSAYO: Thank you.

13 BOARD CHAIR NIXON: Thank you, sir. The PILB
14 will get in contact with you.

15 Okay. Agenda item number 52, Mr. Finley. Adam
16 Finley, are you in the room or on the phone? Okay. One more
17 time. Mr. Finley? Okay. We'll go ahead and trail.

18 Agenda item number 53, Anthony Wong. Good
19 afternoon, sir.

20 MR. WONG: How are you doing today?

21 BOARD CHAIR NIXON: Good. Tell us a little bit
22 about yourself and what your intentions are.

23 MR. WONG: My name is Anthony Wong. I'm 27. I'm
24 appealing for the work card. I just want to get my work card

1 back, get to work and take care of my family.

2 BOARD CHAIR NIXON: Are there any questions from
3 the Board?

4 BOARD MEMBER CORTEZ: Board Member Cortez.
5 Mr. Wong, why did you fail to disclose any of your criminal
6 history when it was clearly stated on the application to do
7 such?

8 MR. WONG: I wasn't sure. I thought when the
9 cases were dismissed from when you were in court I thought
10 that was fine from there. And go ahead.

11 BOARD MEMBER CORTEZ: Did you make an attempt to
12 call any of the PILB staff?

13 MR. WONG: Yes, I did actually.

14 BOARD CHAIR NIXON: Did you speak to anyone?

15 MR. WONG: Yes. I'm not sure but they told me
16 just put if you've been convicted of any crime or anything
17 like that. But as in me being dismissed or, you know,
18 something like that I thought in my mind really it's
19 dismissed. Why does it need to be written down.

20 BOARD MEMBER CORTEZ: Thank you.

21 MR. WONG: Yes, ma'am.

22 BOARD CHAIR NIXON: Are there any other
23 questions?

24 BOARD MEMBER BROWN: Board Member Brown.

1 Mr. Wong?

2 MR. WONG: Yes, sir.

3 BOARD MEMBER BROWN: Tell me about the
4 discharging of a firearm in a structure prohibited area July
5 of '19.

6 MR. WONG: That was on the freeway in Las Vegas.
7 I was actually driving the car, and one of my passengers
8 discharged their weapon and then we got arrested for that.
9 We -- the case was dismissed. It wasn't me. I mean it was
10 definitely the other person. There's a video record of it
11 and everything like that.

12 BOARD MEMBER CORTEZ: This is Board Member
13 Cortez. Regarding the same incident were you aware your
14 passenger had a weapon in the vehicle?

15 MR. WONG: No.

16 BOARD MEMBER CORTEZ: Was it a road rage
17 incident?

18 MR. WONG: No.

19 BOARD MEMBER CORTEZ: Why did the passenger
20 discharge his gun?

21 MR. WONG: I don't know. There was music on. I
22 guess he must have been feeling the music and just rolled
23 down the window and shot it in the air. It wasn't --

24 BOARD MEMBER CORTEZ: I don't know the details of

1 the case. What was the structure prohibited area?

2 MR. WONG: It was just on the freeway. We were
3 getting on the freeway, and then he just rolls down the
4 window and just bam, and I didn't have any control over that
5 or anything like that.

6 BOARD MEMBER CORTEZ: So there were other drivers
7 on the freeway at that time?

8 MR. WONG: Yes.

9 BOARD MEMBER CORTEZ: Carrying a concealed
10 weapon, 2017. Talk to me about that.

11 MR. WONG: That was in California, I believe in
12 Stockton. I was pulled over. I had an air freshener in the
13 -- from the rear view mirror and so I get it was an
14 obstruction of vision I guess from when I was driving. So he
15 takes me out of the car. And I said what's the problem. And
16 he was like, well, you've got an air freshener in the window
17 and that's the obstruction of view.

18 So I said all right. So he takes me out of the
19 car. And then I have a gun in my backpack under the seat and
20 then he finds it from there but it was in my name and
21 everything like that.

22 BOARD MEMBER CORTEZ: It was registered?

23 MR. WONG: To me.

24 BOARD MEMBER CORTEZ: Weapon?

MR. WONG: Yes, ma'am.

BOARD MEMBER CORTEZ: You terminated probation in 2021.

MR. WONG: Yes, ma'am.

BOARD MEMBER CORTEZ: Recently, a couple of months ago.

MR. WONG: Yes, ma'am.

BOARD MEMBER CORTEZ: What are you doing now?

MR. WONG: I work for a pool company, and I also do security. I was actually doing security already. And then I guess he looked in my background and was like, whoa, I guess I gotta stop you from working. So I said, all right, no problem. He said go ahead and appeal it. And I said I'll let you know from there.

BOARD MEMBER CORTEZ: Thank you. I have no more questions.

MR. WONG: Yes, ma'am.

BOARD MEMBER GRONAUER: Mr. Wong, my problem -- this is Gronauer. My problem is you have a history of this weapon stuff in 2017 and it says carrying concealed weapon in vehicle. You said it was registered to you but apparently

1 you didn't have a permit for it.

2 MR. WONG: No. That was registered to me.

3 BOARD MEMBER GRONAUER: It's registered but you
4 have to have a permit to carry.

5 MR. WONG: Yes. Yes.

6 BOARD MEMBER GRONAUER: You didn't have it?

7 MR. WONG: No, I did not have it.

8 BOARD MEMBER GRONAUER: But you did have the gun?

9 MR. WONG: Yes.

10 BOARD MEMBER GRONAUER: Under your seat in a
11 backpack?

12 MR. WONG: Yes.

13 BOARD MEMBER GRONAUER: In 2019 it just so happen
14 you're driving a car when a friend of yours is a passenger.

15 MR. WONG: Yep.

16 BOARD MEMBER GRONAUER: And there's another
17 weapon involved.

18 MR. WONG: Yep, but that wasn't me, I mean.

19 BOARD MEMBER GRONAUER: It's your car?

20 MR. WONG: Right.

21 BOARD MEMBER GRONAUER: It's your friend, okay.

22 MR. WONG: Yeah. I don't even hang out with
23 those people anymore.

24 BOARD MEMBER GRONAUER: What you do now and what

1 you did then are two different things, okay. But I'm looking
2 at it going, okay, you should know who gets in your car.

3 MR. WONG: Yes, sir.

4 BOARD MEMBER GRONAUER: All right. I have -- I
5 just have my own problems with it. Two gun things in three
6 years -- in two years and you say the obstruction. But
7 there's got to be something to receive 36 months probation
8 and it wasn't terminated until May of 2021. And then it just
9 says to me there's something else that might be going on
10 there. Thank you.

11 MR. WONG: All right.

12 BOARD CHAIR NIXON: Sir, Board Member Nixon. You
13 know, the application, and I'm looking at it, and it very
14 clearly states list all charges regardless if they were
15 expunged or dismissed --

16 MR. WONG: Okay.

17 BOARD CHAIR NIXON: Or denied. List of all
18 charges regardless if they were dismissed or reduced under
19 California Penal Code. List all charges regardless of what
20 state it occurred in. List all charges, charges and/or
21 citations regardless if placed in handcuffs. There's a lot
22 of all in there. And so for me, you made a decision to, you
23 know, become your own lawyer or just, you know, disregard the
24 paperwork. It says list everything.

BOARD CHAIR NIXON: So that's just my opinion.
But I'll entertain a motion.

BOARD MEMBER CORTEZ: This is Board Member
Cortez. I am going to motion that we uphold the denial, the
reason being time and distance. The situations of going on
in 2019, 2017, more so the fact that you failed to disclose.
I understand you are misunderstood as far as what the clear
applicant states.

I do see that you're young. I am -- it's nice to
see that you are trying to make a positive move in the right
direction. However, based on the fact that you didn't
disclose it.

MR. WONG: Okay.

BOARD MEMBER CORTEZ: And I needed all of the
facts. So at this time I am going to recommend that we
uphold the denial.

BOARD CHAIR NIXON: I have a motion. Do I have a
second?

BOARD MEMBER BROWN: This is Brown. I'll second.

BOARD CHAIR NIXON: I have a motion. I have a
second. All in favor say aye.

(The vote was unanimously in favor of the
motion.)

MR. WONG: Thank you.

BOARD CHAIR NIXON: Thank you. Have a good day.
Good luck to you.

Item number 54, Eric Acevedo-Casarez. Good
afternoon, sir.

MR. ACEVEDO-CASAREZ: Good afternoon, everyone.

BOARD CHAIR NIXON: So please tell us a little
bit about yourself and why you're here.

MR. ACEVEDO-CASAREZ: My name is Eric
Acevedo-Casarez. I'm 31. I've been in Vegas since last
February with my wife and kids. I applied to work at
Allegiant Stadium and they gave to me a provisional while the
investigation was ongoing. I was stopped from working a
couple of events ago because my criminal record popped up and
Vincent from PILB reached out to me. He asked me about my
2007 felony charge.

I explained to him what happened briefly. We had
maybe like a ten or 15-minute phone call. I received a
letter in the mail to disclose the information. I tried to
reach out to Vincent via phone a couple of times and I left
him a voicemail, and he never got back to me.

I do understand -- after I filled out the
application and sent it in because I pulled out my records

1 because I wanted to have them for today that I didn't put
2 everything on there, just the 211 charge that I was charged
3 for in 2007.

4 BOARD CHAIR NIXON: Okay. Any questions from the
5 Board?

6 BOARD MEMBER CORTEZ: Yes. This is Board Member
7 Cortez. Did you bring the paperwork today.

8 MR. ACEVEDO-CASAREZ: Yes. I have my expungement
9 letter and my criminal history record with me also.

10 BOARD MEMBER CORTEZ: Question for Mr. --
11 Investigator Saladino. Do you have the paperwork?

12 INVESTIGATOR SALADINO: Investigator Saladino.
13 Correct, I do have the 1203.4 dismissal paperwork.

14 BOARD MEMBER CORTEZ: Okay. Thank you.

15 BOARD MEMBER GRONAUER: Just for clarification,
16 can you read what it says, Mr. Saladino.

17 INVESTIGATOR SALADINO: So number six on the
18 penal code, it says that the order is granted under
19 provisions of either penal code section 1203.4 or 1203.4 (a).
20 The defendant is released from all penalties and disabilities
21 resulting from the offense except as provided in penal code
22 section 12021 and 12021.1, vehicle code 13555, and dismissal
23 does not permit the person to own, possess or have in his or
24 her control a firearm if prevented by penal code sections

1 12021 or 1201.1.

2 In addition as required by the penal code section
3 299 (f), relief under the penal code section 17 1203.4 and
4 1203.4 (a) does not release the defendant from the separate
5 administrative duty to provide samples, print impressions
6 under DNA and forensic identification database.

7 If the defendant is found guilty by a tier of
8 fact, not guilty by reason of insanity or pled no contest to
9 a qualifying offense as defined in the penal code.

10 It also says, number five, the defendant is
11 required to disclose the above conviction in response to any
12 direct questioning contained in any questionnaire or
13 application for public office or licensure by any state or
14 local agency or for contracting with the California State
15 Lottery.

16 BOARD MEMBER CORTEZ: Okay. Thank you.

17 BOARD MEMBER GRONAUER: Let me ask you, okay,
18 what was the circumstances of the robbery.

19 MR. ACEVEDO-CASAREZ: I was 17 at the time. My
20 girlfriend at the time, her brother was involved in a similar
21 case prior to him and I meeting. One time in '07, it was
22 maybe like 11:00 a.m., maybe 10:00 a.m., May or June, I did
23 not know he was off some drugs the night before. So the next
24 day he was feeling antsy. He was --

1 BOARD MEMBER GRONAUER: Just get to the robbery.

2 MR. ACEVEDO-CASAREZ: So, you know, we exchanged
3 words. You know, he basically said prove yourself and
4 whatnot. So me at the time being 17, I'm not going to say I
5 was a kid, but I was a teenager. That, you know, okay, we
6 went on -- we proceeded with the day. We saw these two
7 gentlemen on the street on Washington and L.A. This happened
8 in Los Angeles. And, you know, we approached the gentlemen.
9 We exchanged words with them.

10 BOARD MEMBER GRONAUER: Okay. That's good. Let
11 me ask you one more thing. You have this paperwork that you
12 were dismissed.

13 MR. ACEVEDO-CASAREZ: I have the original
14 paperwork.

15 BOARD MEMBER GRONAUER: Did you read it?

16 MR. ACEVEDO-CASAREZ: I read the paperwork, sir.

17 BOARD MEMBER GRONAUER: And that last paragraph
18 didn't mean anything to you submitting your application?

19 MR. ACEVEDO-CASAREZ: Being here since last year,
20 this is my first time applying for -- second time, excuse me,
21 for a security position out here. The first time was last
22 year at Excaliber Hotel and Casino. They never asked me for
23 a work card at the casino. And I even spoke with one of the
24 managers there. He said that's not required here. You'll be

1 okay.

2 I worked maybe for like a month or so with him.
3 I was still training. Then the country shutdown with COVID
4 and stuff. So come back around this year I applied for a
5 position in security in Allegiant Stadium. In the
6 application I did not include my charges because being
7 dismissed and being out here I wasn't sure.

8 BOARD MEMBER GRONAUER: Thank you.

9 BOARD CHAIR NIXON: Any other questions?

10 Okay. With no other questions, I'll entertain a
11 motion.

12 BOARD MEMBER CORTEZ: This is Board Member
13 Cortez. Did you indicate what you plan on doing with the
14 work card?

15 MR. ACEVEDO-CASAREZ: No, I haven't been asked.

16 BOARD MEMBER CORTEZ: And that's my question.

17 MR. ACEVEDO-CASAREZ: I want to continue working
18 at Allegiant Stadium. I am currently a medical assistant at
19 Red Fox Surgery Center. I have a wife and we have two boys
20 and we recently had a daughter three weeks ago today. So I
21 just want to provide extra income for my family and I.

22 BOARD MEMBER CORTEZ: Okay. With that said
23 you're absolutely, not only does the application state it,
24 but paperwork you brought, the last sentence indicates --

MR. ACEVEDO-CASAREZ: Yes, ma'am.

BOARD MEMBER CORTEZ: -- to include it. We just denied somebody for the exact same situation. This occurred when you were 17. You're right. It doesn't really excuse the behavior. You never got to the actual robbery point. What was this battery charge?

MR. ACEVEDO-CASAREZ: It was a 2011 felony charge with weapon.

BOARD MEMBER CORTEZ: Against?

MR. ACEVEDO-CASAREZ: Against two other gentlemen. It was two -- two victims, two suspects.

BOARD MEMBER CORTEZ: Gang related?

MR. ACEVEDO-CASAREZ: No, it was not gang related. The other victim -- sorry. The other suspect, himself, he was gang affiliated. I've never been in a gang myself or affiliated. He -- he was the -- at the time as it was told to me by LAPD and the arresting officers. He separated his case from mine. So I speak for myself on this because we had our cases separated at the time. So we both appeared at separate court cases and all of that so we --

BOARD MEMBER CORTEZ: Understood. It was a fight amongst you guys. It was battery charges?

MR. ACEVEDO-CASAREZ: It wasn't a fight that escalated. The suspect number one, he's the one in the

1 altercation and I have my paperwork here. He's the one that
2 did most of the physical confrontation with the suspects.

3 BOARD MEMBER CORTEZ: Okay. But you were
4 involved in a battery.

5 MR. ACEVEDO-CASAREZ: Yeah, I was involved in the
6 '07 case.

7 BOARD MEMBER CORTEZ: With all of that said,
8 14-year difference, I'm hearing that you are trying to make a
9 difference. You have a family which that makes more of a
10 difference for me because a parent and a father needs to be
11 involved and financial help is a huge contributing factor.
12 So at this time I am going to motion that we reverse the
13 denial and that we grant Mr. Acedevo-Casarez his work card.

14 BOARD CHAIR NIXON: I have a motion. Do I have a
15 second?

16 BOARD MEMBER BEZICK: This is Bezick. I second.

17 BOARD CHAIR NIXON: I have a motion. I have a
18 second. All in favor say aye.

19 (The vote was unanimously in favor of the
20 motion.)

21 BOARD MEMBER NIXON: Congratulations. Good luck
22 to you.

23 MR. ACEVEDO-CASAREZ: Thank you all. I
24 appreciate it.

1 BOARD MEMBER NIXON: The motion has been passed.

2 MR. ACEVEDO-CASAREZ: Thank you.

3 BOARD CHAIR NIXON: Okay. Agenda item number 55,
4 James White. Are you on the phone?

5 MR. JAMES WHITE: Yes, ma'am. I'm on the phone.

6 BOARD CHAIR NIXON: Okay. Thank you, sir. Tell
7 us a little bit about yourself and what you intend to do with
8 your work card.

9 MR. JAMES WHITE: Yes, ma'am. I am currently
10 awaiting to start some cyber security classes. I currently
11 work for an organization Cash and Carry in Southern Nevada.
12 I am a security officer there. When -- hopefully if my work
13 card is granted the appeal I am, with my experience that I
14 have had in California, I have about seven years of
15 experience in security ranging from unarmed and armed and
16 patrol.

17 You know, I've been wanting to get into a
18 supervisor position. You know, I've been doing it for some
19 time, and I think it's time for me to definitely take my life
20 in the next direction. You know, I do have three boys. One
21 that is in California with his mother, you know, but I do
22 still take care of. So I'm trying to lead a better role life
23 for them.

24 BOARD CHAIR NIXON: Okay. Thank you. Board, is

1 there any questions?

2 BOARD MEMBER BEZICK: Yeah, this is Bezick.
3 Mr. White, can you describe the details of your domestic
4 battery in 2017.

5 MR. JAMES WHITE: Yes. The domestic charge that
6 I had in 2017 was an argument basically in the Jack in the
7 Box parking lot in California in Chino Hills. Police was
8 called to my house which was in 13051 Ramona Avenue. It
9 wasn't called by my son's mother at the time. It was called
10 by her sister I believe. I was arrested for whatever reason.
11 The reason why I know that the judge did drop the charges,
12 sir, was because there was no evidence of any domestic.

13 BOARD CHAIR NIXON: Okay.

14 BOARD MEMBER CORTEZ: I have a question. On 2020
15 it looks like you were arrested or convicted, I'm sorry, of
16 carrying a concealed weapon in a vehicle. Why did you not
17 disclose that?

18 MR. JAMES WHITE: Yes, ma'am, I was convicted of
19 that charge there. Honestly I thought I did write that on my
20 application when I did my application for my work card. All
21 of my applications that I have submitted since I've been
22 living in Las Vegas all have that record on there. So that
23 honestly, ma'am, was, you know, my mistake. My mind has been
24 in 1,000 places since I moved to Las Vegas. I definitely

1 apologize. You know, I will take my consequences for my
2 actions, you know, either way if it's positive or negative,
3 ma'am.

4 BOARD CHAIR NIXON: Okay. Thank you. And it
5 looks like, and I'm sorry, Saladino, we have not received the
6 paperwork from him yet.

7 INVESTIGATOR SALADINO: Investigator Saladino.
8 So I do have the court docs for the misdemeanor, carrying a
9 concealed weapon. Probation, based on the court docs that I
10 received from the San Bernardino website, it shows that the
11 probation ended August 12th of '21. The applicant had stated
12 it completed early in June, and that was just if he had the
13 paperwork for it I wanted that. But it shows he was off
14 paper August 12th of '21.

15 BOARD CHAIR NIXON: Okay. Board, any other
16 questions?

17 Okay. There are no questions -- actually, I do.
18 Can you explain the events that happened on 2020 that they
19 found a concealed weapon in your vehicle.

20 MR. JAMES WHITE: Yes, ma'am. At that time I was
21 working for a company called Top West Patrol. I was an armed
22 security officer for a parking structure. At the time I was
23 homeless. Like I did explain to the officer, I was off of
24 work at 7:00 a.m. in the morning. Like I said, I was

1 homeless so I was sleeping in my car offsite until I was able
2 to go to my fiance's house at the time to, you know, take a
3 shower and change clothes.

4 Like I said, I was an armed officer. So when I
5 got off of work I took my gun off and I put it inside of my
6 gun case. And I had just put it in my back seat because like
7 I showed the officers when they checked my trunk my trunk was
8 full of all of my belongings, you know, clothes, shoes, my
9 uniforms, you know, different stuff that I did carry with me.

10 BOARD CHAIR NIXON: Okay. Thank you, sir. Is
11 there any --

12 MR. JAMES WHITE: Yes, ma'am.

13 BOARD CHAIR NIXON: Any questions from the Board?

14 MR. JAMES WHITE: And also if I may include, they
15 did have all of my registration, all my certificates.
16 Everything was valid. The gun was registered in my name,
17 registration was with the gun, and they also had my
18 certificates for my being armed for my company as well.

19 BOARD CHAIR NIXON: Okay. Okay. Any further
20 questions?

21 Okay. Board, I will entertain a motion.

22 BOARD MEMBER BEZICK: This is Bezick. Motion to
23 grant the work card for Mr. White based on the fact that he's
24 completed his probation.

1 BOARD CHAIR NIXON: I have a motion. Do I have a
2 second?

3 BOARD MEMBER BROWN: This is Board Member Brown.
4 I'll second.

5 BOARD CHAIR NIXON: Okay. I have a motion. I
6 have a second. All in favor say aye.

7 BOARD MEMBER BEZICK: Aye.

8 BOARD MEMBER BROWN: Aye.

9 (The vote was not in favor of the motion.)

10 BOARD MEMBER CORTEZ: This is Board Member
11 Cortez. I oppose.

12 BOARD MEMBER GRONAUER: Gronauer. No.

13 BOARD CHAIR NIXON: Nixon. No.

14 Okay. It's three to two. So I'm sorry at this
15 time, Mr. White, we're not going to be able to grant your
16 appeal.

17 MR. JAMES WHITE: Okay.

18 BOARD MEMBER CORTEZ: The motion was to grant
19 him -- so the reversal of the denial and it was a three to
20 two nay.

21 MR. DETMER: Mike Detmer for the record. We're
22 going over the procedural circumstances that happened for the
23 motion. So if the motion was one way and the motion didn't
24 pass, the assumption would be the alternative but it's

1 probably cleaner to make it a motion to show what the action
2 is.

3 BOARD MEMBER GRONAUER: Let's clean it up.

4 BOARD CHAIR NIXON: Okay. So --

5 BOARD MEMBER GRONAUER: This is Gronauer again.
6 I make a motion to deny the appeal of James White, who
7 applied for registration. It was denied prior. James White
8 is appealing the decision to the Board pursuant to NRS 648.
9 My reason for that is it's too soon and with the weapons
10 involved, 2020, it kind of requires that.

11 BOARD MEMBER CORTEZ: This is Board Member
12 Cortez. I am going to support the motion to uphold the
13 denial. Time and distance and I do -- time and distance of
14 the or time and distance of your incident and failure to
15 disclose. And, again, I -- I would like to encourage you to
16 reapply and --

17 BOARD CHAIR NIXON: So we have a motion. We have
18 a second. All in favor of upholding the denial say aye.

19 (The vote was in favor of the motion.)

20 BOARD CHAIR NIXON: All opposed?

21 BOARD MEMBER BEZICK: Nay.

22 BOARD MEMBER BROWN: No.

23 BOARD CHAIR NIXON: Okay. So three to two to
24 uphold the motion.

1 Again, Mr. White, your appeal has been denied.
2 You are more than welcome to come back in a year and apply
3 again. Please at that time make sure that you disclose all
4 arrests and/or convictions, any interactions with law
5 enforcement. Thank you, sir.

6 MR. JAMES WHITE: Yes, ma'am.

7 BOARD CHAIR NIXON: Thank you.

8 MR. JAMES WHITE: Thank you.

9 MR. INGRAM: Lori, am I correct -- Kevin Ingram
10 for the record. Am I correct that item 56 and beyond were
11 told to appear today at 1:00 o'clock?

12 MS. IRIZARRY: That's correct. I believe we have
13 a few that are 56, 57 and 58 possible in the audience. But,
14 yes, they are to appear at 1:00 o'clock.

15 MR. INGRAM: Okay.

16 BOARD CHAIR NIXON: Okay. So we're going to
17 continue. If someone is not in the audience we'll trail
18 until the end and then call them back up. So I've seen some
19 people walk in so we probably need to do another swearing.

20 Okay. So let me call -- do we want to call
21 attendance who is here right now?

22 Okay. So we're going to move forward with a
23 couple of more agenda items because we have some folks that
24 are supposed to come in at 1:00 o'clock or that were told to

1 show up at 1:00 o'clock. So we appreciate you guys are here
2 early. But we want to see who we have here with us.

3 Lenny Corella? No.

4 Marieka Grigsby? You're here, okay. Hang on one
5 second.

6 Mark Miller? Okay.

7 And Paris Maxwell. Okay. So you're here. So
8 we'll go to 29 and then we'll -- that should take us -- and
9 then we'll -- who are you, sir?

10 BOARD MEMBER CORTEZ: You're item number 75.

11 BOARD CHAIR NIXON: You're a ways down. So we're
12 going to go in order, but we'll try to see who is here right
13 now.

14 And so, Lenny Corella is not here, right. So
15 we'll trail that item. We'll wait. Just wait, please.
16 Okay.

17 Marieka Grigsby, are you here? Please come on
18 up, ma'am.

19 MS. GRIGSBY: Good morning.

20 BOARD CHAIR NIXON: Afternoon. Good afternoon.
21 Sorry.

22 MS. GRIGSBY: I have an ARP card.

23 BOARD CHAIR NIXON: Okay. Ms. Grigsby, please
24 tell us a little bit about yourself and what your intentions

1 are.

2 MR. DETMER: Madam Chair?

3 MS. GRIGSBY: My name is --

4 BOARD CHAIR NIXON: Sorry. Hang on one second.

5 MR. DETMER: I apologize for the interruption.

6 Ms. Grigsby, were you here earlier for the swearing in?

7 MS. GRIGSBY: Yes, sir.

8 BOARD CHAIR NIXON: I'll confirm this. Yeah.

9 No. No. You're actually -- sorry. Go ahead.

10 MS. GRIGSBY: My name is Marieka Grigsby. I am
11 from Denver, Colorado. I work for HSS Security. I secured
12 Michael Hancock, who is the Denver Mayor of Colorado. I did
13 that for two and a half years.

14 When I came -- I transferred down here to Vegas
15 with HSS no one told me that the State of Nevada goes back
16 18 years. Well, I tried to disclose everything that I've
17 done in my past, but there was one specific thing that
18 Mr. Zachary, who was my investigator, contacted me on which I
19 did not know it was on my record because I was not arrested
20 for it.

21 It was a message that I had sent to my daughter's
22 dad in regards to what my daughter had done. And he told me
23 he was going to come by my house. Well, he didn't show up to
24 my house. So I sent him a message. I didn't know that he

1 had me in this group. I'd never go through the group, okay,
2 to see who is all in this group. Come to find out it was a
3 girl that was in my daughter's dad's group that I was dating
4 her baby's dad and she wanted revenge because he wasn't
5 interested in her anymore.

6 So when I sent the text to my baby's dad, telling
7 him I'm going to beat, excuse my French. I'm going to beat
8 your ass when I see you because your daughter has done
9 something to break the law. And you're a pastor now. Do you
10 want to be doing your daughter's eulogy because if she keeps
11 doing this up she's going to be gone.

12 So the girl seen the message because it went to
13 everybody in the group. The police contact me by phone,
14 telling me to come down and pick up a ticket. I come down.
15 I pic up a ticket. I go. The D.A. contacts me. She tells
16 me come to her office. So I go to her office. Excuse me, I
17 was in an accident so I'm in a lot of pain. Please for give
18 me.

19 I go to her office. And I showed her the text
20 message that I had sent to my baby's dad. And she seen that
21 it went to everybody in the text message. So she seen that
22 it was like a revenge thing. It was like a revenge thing
23 like she was trying to get at me to get me caught or
24 whatever.

1 So the D.A., the city attorney, the D.A., whoever
2 she was, she told me don't text her. As a matter of fact
3 just remove yourself from the group. So I don't deal with
4 group text message anymore. So when Mr. Zachary contacted me
5 about it I was like I don't even know. I had disclosed
6 everything that I've ever did. This was not -- I didn't know
7 what the court wanted. So I didn't know if this was on my
8 record. You know what I mean. It was -- it was shocking to
9 me that it was even on here because I never went to see a
10 judge behind it, you know.

11 BOARD CHAIR NIXON: Okay.

12 MS. GRIGSBY: So that's what happened there. I'm
13 open -- my life is an open book. I have --

14 BOARD MEMBER BROWN: Ms. Grigsby?

15 MS. GRIGSBY: Yes, sir.

16 BOARD MEMBER BROWN: Ms. Grigsby, this is Board
17 Member Brown. You've been explaining a misdemeanor charge as
18 it appears on here. You weren't denied for failure to
19 disclose. You were denied because you have the felony on
20 your record for theft, not threats.

21 MS. GRIGSBY: Okay.

22 BOARD MEMBER BROWN: Don't tell me about the
23 theft. Briefly tell me about the theft.

24 MS. GRIGSBY: The threat just stated what I had

1 stated to the Board just a few minutes ago, that the text
2 message was not for her.

3 BOARD MEMBER BROWN: Ms. Grigsby?

4 BOARD MEMBER GRONAUER: You're misunderstanding.

5 MS. GRIGSBY: Oh, the theft?

6 BOARD MEMBER BROWN: No, not threat. Theft as in
7 stealing.

8 MS. GRIGSBY: Okay. I understand that case.

9 Well, back in --

10 BOARD MEMBER BROWN: 1991.

11 MS. GRIGSBY: Okay. Back in 1991 I was hanging
12 around with the wrong people, okay. I had a friend of mine
13 that had went -- was going to Montgomery Wards, okay. She
14 had been going to Montgomery Wards for a while to the point
15 they had started watching her.

16 So one day she calls me and asks me to give her a
17 ride to the store. I ain't tripping. You know what I'm
18 saying. I have money in my -- you know, I have a credit
19 card. I can buy stuff if I wanted to. So I didn't know that
20 she was stealing. You see what I'm saying. So when I went
21 to walk out of the store they stopped both of us. I got
22 charged as an accessory because I was with her. Do you see
23 what I'm saying.

24 I was placed on probation. I completed the

1 probation. I paid off the restitution. Even though I didn't
2 have anything I was still charged because I was with here.

3 BOARD CHAIR NIXON: Okay.

4 MS. GRIGSBY: So with that being said, I changed
5 my life completely. I went back to school. I have an
6 associate's degree in general studies. I want to work with
7 kids that are at risk. Like I said, I don't have any
8 friends. Y'all want to be my friends? Because I'm down here
9 in Vegas, I don't have no friends. I don't have no family
10 down here.

11 BOARD CHAIR NIXON: Thank you, ma'am. I
12 appreciate it.

13 Board, are there any questions?

14 BOARD MEMBER GRONAUER: Ms. Grigsby, what would
15 you do with the card if you get it granted?

16 MS. GRIGSBY: I want to go back and work with HSS
17 because I have seniority within HSS Security. So I want to
18 go back to working with security at HSS because I don't want
19 to lose my seniority that I already have. And I enjoy
20 working with people. I have a good rapport with people
21 because if I did my --

22 BOARD MEMBER GRONAUER: Okay. I have one more
23 question.

24 MS. GRIGSBY: Uh-huh.

1 BOARD MEMBER GRONAUER: This is Gronauer. One
2 more question. What were you very unhappy about during the
3 process. You said that you -- Nevada does not -- it is
4 Nevada. Nevada does not want anybody to work in Nevada.

5 MS. GRIGSBY: At the time --

6 BOARD MEMBER GRONAUER: You were upset.

7 MS. GRIGSBY: Yeah, I was upset because it was
8 like Denver didn't look at it, you know, because it had been
9 over ten years. Do you see what I'm saying? So they didn't
10 look at it. And then to come here and nobody tells me that
11 Nevada goes back to when you're 18 years of age. I'm like,
12 well, they don't want nobody to work here because people have
13 committed crimes in their past. Nobody is perfect. And
14 people either commit -- continue to repeat the cycle.

15 BOARD MEMBER GRONAUER: You didn't tell me why
16 you were upset, because of the process?

17 MS. GRIGSBY: Yes, I was upset because of the
18 process.

19 BOARD MEMBER GRONAUER: Okay. And you did the
20 application?

21 MS. GRIGSBY: Yes, sir.

22 BOARD MEMBER GRONAUER: Okay. And so what is the
23 problem? You did the application. And it says any arrests.
24 And apparently you -- you put your arrest on your

1 application. It says here yes. I don't know. You disclosed
2 it.

3 MS. GRIGSBY: I disclosed it. But at the time I
4 could not remember -- I could not remember the year.

5 BOARD MEMBER GRONAUER: You disclosed it, okay.
6 Thank you. That's good. I appreciate your answer.

7 MS. GRIGSBY: Yes, sir.

8 BOARD MEMBER GRONAUER: It's time. You heard
9 that all day long.

10 MS. GRIGSBY: Yes, sir.

11 BOARD MEMBER GRONAUER: It's not just you. It's
12 everybody.

13 MS. GRIGSBY: I understand, sir.

14 BOARD MEMBER GRONAUER: We're good.

15 BOARD CHAIR NIXON: Okay. Are there any other
16 questions?

17 Okay. If there's no other questions, I'll
18 entertain a motion.

19 BOARD MEMBER CORTEZ: This is Board Member
20 Cortez. I would like to motion that we reverse the denial
21 and grant Ms. Grigsby the work card.

22 MS. GRIGSBY: Thank you, Jesus. Thank you,
23 Jesus.

24 BOARD CHAIR NIXON: I have a motion. Do I have a

1 second?

2 BOARD MEMBER GRONAUER: Gronauer. Second.

3 BOARD MEMBER BROWN: Board Member Brown. I'll
4 second.

5 BOARD MEMBER GRONAUER: Okay. And, Mr. Brown, do
6 you have a reason for it?

7 BOARD MEMBER BROWN: My reasoning would be time
8 and distance. It's 30 years ago. She did disclose it.
9 Although she doesn't like the process, this is part of the
10 process. I'm sorry for that. Everybody has to go through
11 it. But it was 30 years ago. Hasn't been in trouble much
12 since. Good luck to you.

13 MS. GRIGSBY: Thank you, sir. Have a blessed
14 day, y'all.

15 BOARD CHAIR NIXON: So we need to take a vote,
16 okay.

17 Okay. So we have a motion. We have a second.
18 All in favor say aye.

19 (The vote was unanimously in favor of the
20 motion.)

21 BOARD CHAIR NIXON: Any opposed?

22 Okay. Congratulations. Good luck to you.

23 MS. GRIGSBY: Thank you all. You guys have a
24 blessed day.

Mr. Paris Maxwell, are you in the room? Thank you, sir. Can I just confirm that you're under oath.

MR. MAXWELL: Yes.

BOARD CHAIR NIXON: Thank you. Okay. Please tell us a little bit about yourself and what your intentions are with the work card.

MR. MAXWELL: My name is Paris Maxwell. I'm 57 years old. And I'm here to appeal my -- to get my guard card so I can continue working at Allegiant Stadium.

BOARD CHAIR NIXON: Okay. Board, are there any questions?

BOARD MEMBER CORTEZ: This is Board Member Cortez. I do have a question. Hi, Mr. Maxwell. How are you?

MR. MAXWELL: I'm good.

BOARD MEMBER CORTEZ: So we have a little, some situations that occurred. Let's start with the '83, the petty theft, what occurred?

MR. MAXWELL: Petty theft?

BOARD MEMBER CORTEZ: Are you Paris Maxwell?

MR. MAXWELL: Yes.

BOARD MEMBER CORTEZ: I have three. June in California, received 24 months of probation.

MR. MAXWELL: I don't recall no petty theft.

BOARD MEMBER CORTEZ: Investigator Saladino, is there information? Do I have the wrong information?

INVESTIGATOR SALADINO: Investigator Saladino. You do have the correct information.

BOARD MEMBER CORTEZ: Okay. So what about in 1986, a felony charge of transport to sell narcotic controlled substance.

MR. MAXWELL: I did time for that.

BOARD MEMBER CORTEZ: You did do time?

MR. MAXWELL: I did time. I did my year of parole. And I haven't been in no trouble since then.

BOARD MEMBER CORTEZ: Okay. What happened? What was the controlled substance?

MR. MAXWELL: It was cocaine.

MR. MAXWELL: I was hanging with some people. And the guy I was with, the police was looking for him. They pulled up on us. They found a gun. They took me to jail. My attorney appeared for me. The judge told him this man hasn't been in trouble for years. Why are you bothering him. Threw the case out.

BOARD MEMBER CORTEZ: Were you in the vehicle as a passenger?

MR. MAXWELL: No. We was standing outside.

BOARD MEMBER CORTEZ: Oh, outside the vehicle.

MR. MAXWELL: He was looking for the guy that I was talking to.

BOARD MEMBER CORTEZ: Got it.

MR. MAXWELL: When they pulled up he just so happened to.

BOARD MEMBER CORTEZ: And you have, again, no recollection of being --

MR. MAXWELL: No.

BOARD MEMBER CORTEZ: -- 24-hour -- 24 months of

1 probation in the State of California in the year of 1983 for
2 an incident of petty theft. You're denying that still?

3 MR. MAXWELL: Yes. If it was I probably was
4 17 years old, 18.

5 BOARD MEMBER CORTEZ: So is that a maybe or is
6 that a no?

7 MR. MAXWELL: I'm going to say a no. I don't
8 recall.

9 BOARD MEMBER CORTEZ: Okay. Investigator
10 Saladino, did that come up on the prints, background check?

11 INVESTIGATOR SALADINO: Investigator Saladino.
12 Correct. It was 1982 out of Fresno. And it was, ended up
13 receiving stolen property. It was reduced to a petty theft.
14 It was discharged July 19th of '84 with 24 months
15 supervision. No fine.

16 BOARD MEMBER CORTEZ: So, again, Mr. Maxwell,
17 this is Board Member Cortez. Do you not recall reporting to
18 your probation officer for two years?

19 MR. MAXWELL: No, I don't.

20 BOARD MEMBER CORTEZ: All right. Fair enough.
21 Thank you.

22 BOARD CHAIR NIXON: So I'm sorry if I missed the
23 earlier question on why did you not disclose any of these.

24 MR. MAXWELL: Because it was -- like I said, it

1 was all over 40 years ago.

2 BOARD CHAIR NIXON: Well, the last one was in
3 2004 and a felony.

4 MR. MAXWELL: 2004, that was here to be correct?

5 BOARD CHAIR NIXON: Yes, it was in Nevada.

6 MR. MAXWELL: That was the one that was
7 dismissed, correct?

8 BOARD CHAIR NIXON: Okay. But it says on -- on
9 the application.

10 MR. MAXWELL: I just -- I just didn't even think
11 it would show up.

12 BOARD CHAIR NIXON: Okay. Any other questions?

13 BOARD MEMBER GRONAUER: Are you now a registered
14 ex-felon?

15 MR. MAXWELL: No, I'm not. Well, yes, I am. I
16 am.

17 BOARD MEMBER GRONAUER: Okay. Are you registered
18 in Nevada?

19 MR. MAXWELL: Yes.

20 BOARD MEMBER GRONAUER: Do you have your pink
21 card with you?

22 MR. MAXWELL: I don't have it with me.

23 BOARD MEMBER GRONAUER: Do you know you're
24 supposed to carry it all the time?

MR. MAXWELL: No.

BOARD MEMBER GRONAUER: Okay. You gotta follow the application. You gotta follow the rules. And that pink card is very important. All it takes is a police officer to stop you on the street. I know you're an ex-felon so let me see your card. You don't have it. It's like you can't walk. You can't do anything. It's like not having a driver's license. You can't drive a car. I think you know that, okay.

MR. MAXWELL: Yes, sir.

BOARD MEMBER GRONAUER: All right. Thank you.

BOARD CHAIR NIXON: Okay. Any further -- I'm sorry. Any further questions?

Okay. With no further questions, I'll entertain a motion.

BOARD MEMBER BROWN: This is Board Member Brown. I move that we uphold the denial based on Mr. Maxwell's failure to follow the rules, court orders and others.

BOARD CHAIR NIXON: I have a motion. Do I have a second?

BOARD MEMBER GRONAUER: Gronauer. Second.

BOARD CHAIR NIXON: Okay. I have a motion. I have a second. All in favor say aye.

(The vote was unanimously in favor of the

1 motion.)

2 BOARD CHAIR NIXON: Motion passes. Sorry.
3 Please come back in a year and make sure you note all your
4 convictions or arrests.

5 Okay. So we did have some people that were
6 supposed to call in or come in at 1:00. It's not quite
7 1:00 yet. So we'll continue on and come back and do a roll
8 call on the phones.

9 Okay. I'm going to go back and trail on the
10 trail items because I do see some people that came in.

11 Ms., I'm going to say Ms. Yshonda Cobb, are you
12 in the room? Yshonda Cobb? Okay. We'll go ahead and trail.
13 Are you on the phone? I'm sorry. Okay. I'm going to go
14 ahead and trail until the end.

15 Adam Finley, are you in the room or on the phone?

16 Okay. Lenny Corella? Lenny Corella? Okay.

17 All right. Mark Miller?

18 Okay. The next agenda item is agenda item number
19 60, Timothy Pearl. Are you in the room?

20 MR. PEARL: I am.

21 BOARD CHAIR NIXON: Okay. Please come forward.
22 I do believe that you just recently came in. Are you under
23 oath, sir?

24 MR. PEARL: Yes, I guess. Nobody has sworn me

1 in.

2 BOARD CHAIR NIXON: Okay. Yeah.

3 MR. PEARL: But I will be.

4 MR. DETMER: For all those who are about to
5 testify please raise your right hand.

6 (Whereupon, the oath was administered.)

7 BOARD CHAIR NIXON: Okay. Again, this is agenda
8 item number 60, Timothy Pearl. Please go ahead and tell us
9 about yourself and why you're here.

10 MR. PEARL: I'm here. My name is Tim Pearl. I
11 moved here from Sonora, California. My mother is 95, lives
12 in Henderson. That's why I came here. And I guess the
13 incident was that back in '89 or something like that. I had
14 gotten pulled over with a friend and there was a loaded gun
15 in the car and it was mine. They took him. He had a
16 warrant. They let me go. It was a misdemeanor at the time
17 in California and a fixed blade was a felony, believe it or
18 not.

19 And I never disclosed it on any application and,
20 you know, I had a hazmat license for ten years. You know, in
21 2001 it happened, and I just never disclosed it, and nobody
22 ever called me on it. So I came to Nevada and here I am.

23 BOARD CHAIR NIXON: Board, is there any questions
24 of Mr. Pearl?

1 BOARD MEMBER CORTEZ: This is Board Member
2 Cortez. I do have questions. Mr. Pearl, so you didn't
3 disclose it on the application but when you were asked about
4 it you gave detailed information.

5 MR. PEARL: Uh-huh.

6 BOARD MEMBER CORTEZ: Why didn't you put it on
7 the application?

8 MR. PEARL: Because I never even thought about it
9 because, like I said, I never put it on any application.

10 BOARD MEMBER CORTEZ: Right. Did you read this
11 application?

12 MR. PEARL: You know, it was a little convoluted
13 in some parts that I really didn't understand. And, you
14 know, if you had -- don't do misdemeanors. Then I read
15 something on -- I Google it. It says after ten years don't
16 worry about it in Nevada.

17 BOARD MEMBER CORTEZ: Okay. Stop right there
18 with the Google. Did you read everything on the application
19 in its entirety?

20 MR. PEARL: Yeah.

21 BOARD CHAIR NIXON: Okay. So let me list these
22 for you. It says list all charges regardless of how long ago
23 the incident occurred. This is on the application. If you
24 do not recall the exact date give an approximate year. List

1 all charges regardless if they were expunged, dismissed or
2 denied. List all charges if they were dismissed or reduced
3 under California Penal Code. List all charges regardless of
4 what state it is in. List all citations, charges regardless
5 if placed in handcuffs.

6 Do not list minor or moving violations and
7 include any open or active cases including warrants.

8 Which part of that is diluted, sir?

9 MR. PEARL: Probably -- probably my brain reading
10 it all and it just didn't, you know.

11 BOARD CHAIR NIXON: Okay. Thank you, sir.

12 Any further questions?

13 BOARD MEMBER CORTEZ: More of a statement. This
14 is Board Member Cortez. I will accept that reasoning for
15 number one and two being it was in '87 and '89 but not one
16 for the '21. That's all I'm going to state.

17 BOARD CHAIR NIXON: Sir, are you aware of your
18 latest charge, sir?

19 MR. PEARL: The one I went to jail for?

20 BOARD CHAIR NIXON: Contempt of court, 2021.

21 MR. PEARL: Yeah, I guess. That's when the
22 pandemic. It was for no registration.

23 BOARD CHAIR NIXON: Okay.

24 MR. PEARL: Is that?

BOARD MEMBER CORTEZ: Right. Understood. Thank you.

MR. PEARL: Okay.

BOARD CHAIR NIXON: Are there any other questions?

BOARD MEMBER BROWN: Board Member Brown.

BOARD CHAIR NIXON: Yes, sir.

BOARD MEMBER BROWN: This is Board Member Brown. Mr. Pearl, based on your last statement are you still awaiting some type of action on the 2021 case?

MR. PEARL: No. I guess not.

BOARD MEMBER BROWN: You bonded out. What has happened?

MR. PEARL: Nothing. Like I said, I went to jail and that was -- I paid the fine and that was it. I was in Henderson I went.

BOARD CHAIR NIXON: So --

BOARD MEMBER BROWN: Did you get any relief for the work referral? You were supposed to do the work referral.

MR. PEARL: That was the deal that I had made.

1 And when I -- the court had closed down. It was at the
2 height of the pandemic, and they put it on for three months
3 and nobody ever said anything. And I had moved, and I'm not
4 trying to make up excuses, but this is how it happened, and
5 then I got picked up.

6 BOARD CHAIR NIXON: Okay. So hang on one second.

7 Investigator Saladino, is this still pending?
8 Are you left on this latest charge?

9 INVESTIGATOR SALADINO: I believe the court
10 records show from Henderson Municipal Court that he did just
11 have to pay a fine.

12 BOARD CHAIR NIXON: Does that help, Board Member
13 Brown?

14 BOARD MEMBER BROWN: Yes, it does. I don't
15 believe it's through any fault of his if he didn't get any
16 relief during the pandemic.

17 BOARD CHAIR NIXON: Okay. Any further questions?

18 Okay. No further questions, I'll entertain a
19 motion.

20 BOARD MEMBER CORTEZ: This is Board Member
21 Cortez. I am going to motion that we uphold the denial at
22 this time for the time and distance of the incident not
23 disclosed in 2021, 1999 and 1987.

24 BOARD CHAIR NIXON: I have a motion. Do I have a

1 second?

2 BOARD MEMBER BROWN: Board Member Brown. Second.

3 BOARD CHAIR NIXON: I have a motion. I have a
4 second. All in favor say aye.

5 (The vote was unanimously in favor of the
6 motion.)

7 BOARD CHAIR NIXON: Mr. Pearl, you're more than
8 welcome to come back in one year. But at this time we're
9 going to uphold the denial of your work card.

10 MR. PEARL: Okay. Go ahead.

11 BOARD CHAIR NIXON: When you return in a year
12 please make sure that you note everything, whether it was
13 arrest or conviction or any legal, so, on your application.

14 MR. PEARL: Okay.

15 BOARD CHAIR NIXON: Thank you, sir. Have a good
16 day.

17 William White, are you -- item number 61, William
18 White.

19 MR. WILLIAM WHITE: I'm here on the phone, ma'am.

20 BOARD CHAIR NIXON: Oh, thank you, sir.

21 Mr. White, tell us a little bit about yourself and why you're
22 here.

23 MR. WILLIAM WHITE: My name is William White.

24 I'm originally from California. I'm 47 years old. I have a

1 ten-month old son. I'm armed and discharge from the military
2 from the California National Guard. I do have a professional
3 background in the medical field for about 11 years. I
4 relocated here to Las Vegas to pretty much put a distance
5 from my past and, you know, follow-up with my family here in
6 Las Vegas and I would like to appeal.

7 BOARD CHAIR NIXON: Thank you, sir.

8 Board, do you have any questions?

9 BOARD MEMBER CORTEZ: This is Board Member
10 Cortez. Mr. White, question. Let's start with the 1993, the
11 battery with bodily harm. Who was the victim? I don't need
12 the name.

13 MR. WILLIAM WHITE: Her name is Camille.

14 BOARD MEMBER CORTEZ: I'm sorry?

15 MR. WILLIAM WHITE: Her name is Camille.

16 BOARD MEMBER CORTEZ: I said I don't need the
17 name. But I'm asking who the victim on the battery was. Was
18 it a family member? Friend? Stranger from a fight? Guard?

19 MR. WILLIAM WHITE: Okay. Yes. Well, it was a
20 friend. It was a friend. And it was obviously one Saturday
21 morning and the reason we were both getting at each other.
22 She went home. And that's when I found out the charges were,
23 you know, being pressed against me. It was probably
24 something I could have done too, but I got put on probation

1 for that. I did a 52-week anger management class and to
2 comply with probation. My investigator has maybe possibly
3 paperwork for that and dismissal.

4 BOARD MEMBER CORTEZ: Okay. And what was the
5 extent of the bodily harm? Are we suffering long-term
6 effects or?

7 MR. WILLIAM WHITE: No, ma'am. No long-term
8 effects, none. These --

9 BOARD MEMBER CORTEZ: Is that what the victim
10 would say?

11 MR. WILLIAM WHITE: The victim, no. She had
12 bruise on her cheek.

13 BOARD MEMBER CORTEZ: Sir, we're having a hard
14 time hearing you. I don't know. Maybe you if you just speak
15 a little bit slower.

16 MR. WILLIAM WHITE: Sorry, ma'am. Is this
17 better?

18 MR. INGRAM: Mr. White, are you on speaker phone
19 by chance?

20 MR. WILLIAM WHITE: I am, sir. Do you want me to
21 take it off?

22 MR. INGRAM: Yeah, take it off speaker phone. It
23 makes it a lot easier for us to understand. Thank you.

24 MR. WILLIAM WHITE: I apologize. Okay. I'm on

1 phone.

2 BOARD MEMBER CORTEZ: Much better. Okay. This
3 is still Board Member Cortez. 1996, possession with a
4 switchblade, what happened with that?

5 MR. WILLIAM WHITE: Yes, ma'am. I was driving
6 with a friend. I don't recall what we were doing that day,
7 but I know just, you know, a nice sunny day. And we got
8 pulled over in front of an airport. After searching our car,
9 you know, the officer had told us that it was high danger
10 area. So we kind of understood why he was pulling us over
11 because we were two young kids with bald heads.

12 But he searched the car and found underneath my
13 seat a switchblade knife. It was a surprise to me too. I
14 had forgot that I had that item, and that's pretty much all
15 that entailed.

16 BOARD MEMBER CORTEZ: Oh, jail time for that,
17 okay.

18 2010, written crimes with intent to terrorize.
19 Tell me about that.

20 MR. WILLIAM WHITE: Well, unfortunately this one
21 took place. My mom was on her deathbed. Somebody had owed
22 her money. I had a conversation over telephone. The person
23 did not want to help out with my mom's request. So I kind of
24 got mad at the person and made a statement. My intentions

1 weren't -- it's easy to know left to right, but I understand
2 how they went right. The person had feared for their life
3 and I pled guilty to that. Complied with the probation, with
4 the Court and everything. I haven't seen the person since.

5 BOARD MEMBER CORTEZ: Okay. And in 2012, I do
6 know the D.A. rejected the charges, but out of curiosity do
7 you know the victim?

8 MR. WILLIAM WHITE: That would be child's mom.

9 BOARD MEMBER CORTEZ: Okay. We'll leave it at
10 that. Thank you.

11 BOARD CHAIR NIXON: Quick question. Investigator
12 Saladino, on -- on the bottom of the criminal history it says
13 the applicant did disclose his arrest. And then on the
14 letter it says he did your undisclosed weapons conviction.

15 INVESTIGATOR SALADINO: Investigator Saladino for
16 the record. That was a typo. When the applicant came into
17 the office he did list his arrest. He did have his court
18 documents in order. He had the 3.4 documents and everything.
19 He was explained the process and that's why he's here today.

20 BOARD CHAIR NIXON: Got it. Thank you.

21 Are there any further questions from the Board?

22 Okay. If there's no further questions, I'll
23 entertain a motion.

24 BOARD MEMBER GRONAUER: This is Gronauer. This

1 is 61, right? I have a motion -- according to the motion I
2 just want to say this is a perfect example, you have a quite
3 lengthy history here, but there's time and distance in it,
4 but you reported all of it, even though you had 1203.4
5 California dismissal. So it's -- you followed the rules
6 explicitly. And I gotta say it's one of the very few people
7 that have done that.

8 So with that I make a motion to uphold -- no,
9 deny that the -- reverse the denial of William White, applied
10 for registration was denied. William White is appealing the
11 decision of the Board. And that's my motion and for the
12 reasons I stated. There is time and distance and also you
13 disclosed everything. I think that's great.

14 BOARD CHAIR NIXON: Okay. So I have a motion.
15 Do I have a second?

16 BOARD MEMBER CORTEZ: This is Board Member
17 Cortez. I absolutely second the motion and I concur.

18 BOARD CHAIR NIXON: So I have a motion. I have
19 second. All in favor say aye.

20 (The vote was unanimously in favor of the
21 motion.)

22 BOARD CHAIR NIXON: Okay. So, Mr. White, your
23 appeal has been upheld. You will be issued reversed. No,
24 it's appealed. Thank you. You will get your work card, sir.

1 The PILB will contact you shortly.

2 MR. WILLIAM WHITE: I appreciate it. Thank you
3 for the time. Thank you so much.

4 BOARD CHAIR NIXON: Thank you.

5 MR. WILLIAM WHITE: Yes, ma'am.

6 BOARD CHAIR NIXON: Curtisa Henry, are you in the
7 audience, please, or on the phone?

8 Okay. David Munizza?

9 MR. MUNIZZA: Munizza.

10 BOARD CHAIR NIXON: Are you down south? Up
11 north?

12 INVESTIGATOR JONES: He's up here in the north.

13 BOARD CHAIR NIXON: So are we going to have him
14 just come to your station?

15 INVESTIGATOR JONES: Correct.

16 That microphone is not working. If you want to
17 come over here.

18 MR. MUNIZZA: What do you want me to do?

19 INVESTIGATOR JONES: You can just sit next to me.

20 MR. MUNIZZA: Okay. Thank you. Hi. My name is
21 David.

22 BOARD CHAIR NIXON: Okay. Sir, please go ahead
23 and tell us a little bit about yourself and what your
24 intentions are.

1 MR. MUNIZZA: I have a hard time hearing my stuff
2 but --

3 BOARD CHAIR NIXON: I'm sorry. I can't hear you.

4 MR. MUNIZZA: I have a hard time hearing my stuff
5 but here it is. It's like my name is David Munizza. I'll
6 start forward and I'm going to work backwards. It's like
7 I've got 27 years clean.

8 MR. INGRAM: I'm sorry, sir.

9 Jordan, we can't hear his testimony.

10 MR. MUNIZZA: Sorry about that. I'm going to
11 start at the present and work backwards, if it's okay with
12 the Board, because you guys have my information there.

13 I have 27 years clean. I'm active in NA. I'm
14 part of our region. I'm the -- I'm the webmaster, head of
15 public relations, and I'm in charge of the phone lines.

16 As you can tell many years ago, in the '90s I was
17 busted for drugs. It's not the highlight of my life. But
18 since then, like I said, I've been a productive member of
19 society. I went to school, and I became a respiratory
20 therapist. I'm licensed in California. I'm licensed in
21 Nevada to be a respiratory therapist. I've served our
22 community with COVID. And, you know, that's -- that's really
23 all I have to say for that. If you guys have any questions
24 that's what I'm here for, but I'm kind of nervous, so.

1 BOARD CHAIR NIXON: Okay. Thank you, sir.

2 Board, are there any questions?

3 BOARD MEMBER BEZICK: Sir, what's the details of
4 the 1979 arrest for suspicion of kidnapping?

5 MR. MUNIZZA: Yeah. We were -- I was in Palm
6 Springs and I was young. I was 18. And we were in front of
7 a Swenson's and basically a case of mistaken identity. I
8 have my, the original court document here which states that
9 they dismissed it because the state did not have current
10 evidence on it. I have it in my packet here. I sent you
11 guys a copy of the -- a copy of it, but I have the original
12 document with me.

13 BOARD CHAIR NIXON: Okay. Are there any other
14 questions?

15 Sir, I have one. You know, these are pretty
16 serious, you know, charges here. I'm wondering why none of
17 this was disclosed at the time of application?

18 MR. MUNIZZA: Why what?

19 INVESTIGATOR JONES: Why didn't you disclose it
20 originally.

21 MR. MUNIZZA: I did.

22 BOARD MEMBER BROWN: This is Board Member Brown.
23 It was disclosed according to the documents.

24 MR. MUNIZZA: I disclosed it.

1 BOARD CHAIR NIXON: Oh, okay, gotcha. Okay.
2 Sorry about that. Information obtained by speaking to the
3 applicant.

4 Okay. Okay. All right. Any other questions?
5 Okay.

6 BOARD MEMBER GRONAUER: This is Board Member
7 Gronauer. Mr. Munizza, you say you're in a program now and
8 you've been clean for how long?

9 MR. MUNIZZA: 27 years. My clean date is
10 March 7th, 1994. That was the day that I was remanded to
11 custody on my -- on the charges for the -- for the drugs.

12 BOARD MEMBER GRONAUER: Congratulations on that.

13 MR. MUNIZZA: Thank you, sir.

14 BOARD MEMBER GRONAUER: That's a difficult road.
15 Everyday is a difficult road, even after 27 years. Okay. I
16 appreciate that. And what program are you in now?

17 MR. MUNIZZA: Narcotics Anonymous. I brought my
18 Coin with me too. It's my savior.

19 BOARD MEMBER GRONAUER: All right. Thank you.

20 BOARD CHAIR NIXON: Board, any other questions?

21 Okay. If there are no other questions, I'll
22 entertain a motion.

23 BOARD MEMBER BEZICK: Yeah, this Bezick. I move
24 that we grant --

1 BOARD MEMBER BROWN: This is Board Member Brown.

2 BOARD MEMBER BEZICK: Go ahead, Board Member
3 Brown.

4 BOARD MEMBER BROWN: No. You go ahead,
5 Mr. Bezick. You got more out.

6 BOARD MEMBER BEZICK: I move we grant the work
7 card for Mr. Munizza based on time and distance and the fact
8 that he's been rehabilitated.

9 BOARD CHAIR NIXON: I have a motion. Do I have a
10 second?

11 BOARD MEMBER GRONAUER: Gronauer. Second.

12 BOARD MEMBER BROWN: Board Member Brown. Second.

13 BOARD CHAIR NIXON: So we have a motion and
14 several seconds. All in favor say aye.

15 (The vote was unanimously in favor of the
16 motion.)

17 BOARD CHAIR NIXON: Congratulations, Mr. Munizza.
18 And congratulations for all of your hard work. You have --
19 you'll be issued your work card. Thank you so much.

20 MR. MUNIZZA: Thank you very much. I appreciate
21 it from the Board. Thank you.

22 BOARD CHAIR NIXON: Take care.

23 Jonathan Smith, are you in the room. Thank you,
24 sir? Sir, please tell us a little bit about yourself and

1 your intention for your work card.

2 MR. SMITH: I'm 38 years old. I've been here in
3 Vegas for about almost six years now. Originally from
4 California where my crime occurred. I was convicted of a
5 felony for receiving stolen property. There was a group of
6 friends and myself. One of the gentlemen had access to keys.
7 He worked at a car dealership. Something that was supposed
8 to be a couple of days of joyriding turned into a few weeks
9 until we were eventually caught.

10 Once I did get my sentence, I was sentenced to
11 probation. I unfortunately didn't finish. I was close
12 towards the end. I had a warrant for my arrest. It took me
13 probably six to eight months I believe until I turned myself
14 in, which is one of the toughest decisions I ever made. I
15 also feel like it helped me I guess you could say face things
16 head on. Make better decisions. Accept responsibility for
17 the consequences that of my actions that I made.

18 After that time and serving my time I've never
19 been in trouble with the law since then, other than a couple
20 of traffic tickets. I began my career in retail. I was the
21 butcher block supervisor at Albertson's for almost ten years.
22 Since I've lived here in Vegas I am the meat manager,
23 full-time meat manager at Smart and Final. Was just recently
24 awarded the Customer Service Associate of the Year Award.

1 I am applying for my card because I'm looking to
2 buy a home next year. And I was offered a position at the
3 Allegiant Stadium. And this is the first job I've actually
4 encountered to where, yes, my felony background has kind of
5 prevented me from it. So I'm here today to hopefully get
6 your guys' blessing on getting my card.

7 BOARD CHAIR NIXON: Thank you, sir.

8 Are any questions from the Board?

9 BOARD MEMBER GRONAUER: This is -- this is
10 Gronauer. This crime happened when you were, what, 19 years
11 old?

12 MR. SMITH: Right. I was going to say around 19,
13 20.

14 BOARD MEMBER GRONAUER: Do you have a family now?

15 MR. SMITH: A wife, yes, sir. I've been married
16 for about 15 years.

17 BOARD MEMBER GRONAUER: Are you on paper now?

18 MR. SMITH: On paper?

19 BOARD MEMBER GRONAUER: Parole and probation?

20 MR. SMITH: No, sir.

21 BOARD MEMBER GRONAUER: You didn't know what it
22 meant so I know you're not.

23 MR. SMITH: No. I'm sorry.

24 BOARD MEMBER GRONAUER: And you have steady jobs

1 and everything else since 2001. I applaud you. Thank you.

2 MR. SMITH: I appreciate it. Thank you.

3 BOARD CHAIR NIXON: Any other questions?

4 Okay. If there's no other questions, I'll
5 entertain a motion.

6 BOARD MEMBER GRONAUER: This is Gronauer.

7 BOARD MEMBER BROWN: This is Board Member Brown.

8 I move that we grant the appeal and allow him to get his work
9 card.

10 BOARD CHAIR NIXON: Thank you. I have a motion.

11 Do I have a second?

12 BOARD MEMBER GRONAUER: Gronauer. Second.

13 BOARD CHAIR NIXON: Okay. I have a motion. I
14 have a second.

15 BOARD MEMBER BROWN: This is Brown. I probably
16 am going to get asked for this, but the reason that I'm doing
17 it is because you disclosed it and there's 20 years distance
18 between.

19 BOARD CHAIR NIXON: Thank you.

20 BOARD MEMBER BROWN: Sorry, Madam Chair.

21 BOARD CHAIR NIXON: No problem. Thank you.

22 I have a motion. I have a second. All in favor
23 say aye.

24 (The vote was unanimously in favor of the

1 motion.)

2 MR. SMITH: I really appreciate it.

3 BOARD MEMBER GRONAUER: I like the meat at
4 Albertson's.

5 BOARD CHAIR NIXON: Juan Davis. Thank you,
6 Mr. Davis. Can I just confirm that you're under oath. Did
7 you swear to be under oath?

8 MR. DAVIS: I didn't, no.

9 BOARD CHAIR NIXON: You just walked in?

10 MR. DAVIS: Yes, I just walked in.

11 (Whereupon, the oath was administered.)

12 BOARD CHAIR NIXON: Thank you, sir. Tell us a
13 little bit about yourself and your intention for the work
14 card.

15 MR. DAVIS: I'm 41 years old. I recently moved
16 to Henderson, Nevada from New York. I do have a bit of a
17 criminal background but that is not who I am today. In 2000
18 I was convicted of drug sale. 2004 also, same charge. And
19 2008 with contempt of court.

20 What I'm trying to do is put all of that stuff
21 behind me. That's not who I am today. And I came to Las
22 Vegas because my wife, she's a school teacher at CCSD. I
23 already had my security license in New York. And I thought
24 it would be an easy journey to move and obtain a license

1 which was not the case. So I did get denied by the Board.

2 So I'm here to let you guys know that I do have a
3 certificate of good conduct from New York State. And I do
4 have my license still and it's still operational in New York
5 State and I just need my work card.

6 BOARD CHAIR NIXON: Okay. Thank you, sir.

7 Any questions from the Board?

8 BOARD MEMBER GRONAUER: It's Gronauer.

9 Mr. Davis, what are you doing now for employment?

10 MR. DAVIS: Uber.

11 BOARD MEMBER GRONAUER: I can't hear.

12 MR. DAVIS: Uber.

13 BOARD CHAIR NIXON: Uber.

14 MR. DAVIS: Uber ride-sharing.

15 BOARD MEMBER GRONAUER: I thought you were
16 yelling at me. Uber, okay. No problem. I like the idea
17 that you came back to do it. And also all of these things
18 are listed and you have the paperwork. Okay. So I'll take
19 the head and spit it out. And what do you plan on doing with
20 the card?

21 MR. DAVIS: Unarmed security.

22 BOARD MEMBER GRONAUER: Yeah, where?

23 MR. DAVIS: I had recently got an offer, well,
24 not recently. When I first came to Nevada I had applied and

1 got an offer from Securitize.

2 BOARD MEMBER GRONAUER: Uh-huh.

3 MR. DAVIS: So when I applied I got denied.

4 Then, of course, that offer was off the table.

5 BOARD MEMBER GRONAUER: Are you an ex-felon?

6 MR. DAVIS: Ex-felon, yes.

7 BOARD MEMBER GRONAUER: Are you a registered
8 ex-felon in Nevada?

9 MR. DAVIS: No, not at all.

10 BOARD MEMBER GRONAUER: Got it.

11 MR. DAVIS: Registered ex-felon?

12 BOARD MEMBER GRONAUER: Register yourself with
13 the police department. If you're an ex-felon now you have to
14 register as an ex-felon in the State of Nevada.

15 MR. DAVIS: Okay. I didn't know that. Even if
16 it --

17 BOARD MEMBER GRONAUER: Have the police
18 department do it.

19 MR. DAVIS: Even if it happened New York State?

20 BOARD MEMBER GRONAUER: Yeah. You're an
21 ex-felon.

22 MR. DAVIS: I didn't know that.

23 BOARD MEMBER GRONAUER: If you're an ex-felon
24 from anywhere you have to register in the state.

MR. DAVIS: Okay.

BOARD MEMBER GRONAUER: All right. And if you do register, when you do register carry that card with you all the time. Carry the card. They will give you a card.

BOARD MEMBER CORTEZ: A pink card?

BOARD MEMBER GRONAUER: Yes, a pink card.

MR. DAVIS: Is it a pink card?

BOARD MEMBER GRONAUER: Yes.

MR. DAVIS: And that is to let anyone know that I am an ex-felon.

BOARD MEMBER GRONAUER: If you get stopped and somebody talks to you and they're gonna say are you an ex-felon? You say yeah. Let me see the card. You have to carry it with you. It's like having a driver's license driving a car.

MR. DAVIS: Okay. That's the first of my knowledge. I didn't know that.

BOARD MEMBER GRONAUER: It's like sex offenders, everything, no matter where it happened you still have to register in the state.

BOARD CHAIR NIXON: Oh, sorry. Go ahead.

BOARD MEMBER GRONAUER: All you have to do is go to the Metropolitan Police Department. I don't know where. Just give them a call. You know, call the 311 number, all

1 right. Just dial 311. Ask them where you register as an
2 ex-felon, and they will send you to it. It will cost you a
3 few bucks. I don't know what it is, but it's going to save
4 you a lot of problems down, all right. It's not going to
5 hinder your employment. If you get this card it shouldn't
6 hinder anything. With that --

7 BOARD CHAIR NIXON: Are there any other
8 questions?

9 BOARD MEMBER CORTEZ: This is Board Member
10 Cortez. I do have a question. Mr. Davis, is there a reason
11 why you failed to disclose the 2007, 2009 or '98 and a '98
12 incident to what occurred. One occurred in September and one
13 occurred in June.

14 MR. DAVIS: '98?

15 BOARD MEMBER CORTEZ: Criminal contempt, second
16 degree. You got three years probation. Possession of stolen
17 property. You might have mentioned that one but it was not
18 disclosed on the application. I will say you disclosed all
19 of it except for is there a reason? I don't want to list
20 these?

21 MR. DAVIS: No. No. No.

22 BOARD MEMBER CORTEZ: Oh, okay.

23 MR. DAVIS: It's not that I didn't want to list
24 those. I didn't have my rap sheet in front of me. That's

1 all.

2 BOARD MEMBER CORTEZ: Okay. Thank you.

3 MR. DAVID: But I would have put it down. That's
4 not a problem.

5 BOARD MEMBER CORTEZ: Okay.

6 MR. DAVIS: And I think the 2007, that should be
7 all wrapped into the 2008, if I'm not mistaken.

8 BOARD MEMBER CORTEZ: Everything was completed
9 based off the investigator's notes. I'm curious. You did
10 all of it, impressive, which you got three.

11 MR. DAVIS: Okay.

12 BOARD MEMBER CORTEZ: Which I get it.

13 MR. DAVIS: Those were misdemeanors, correct?

14 BOARD MEMBER CORTEZ: Yes, that is correct.

15 MR. DAVIS: Yeah, I just didn't have my rap sheet
16 in front of me.

17 BOARD MEMBER CORTEZ: I get it. Understood.

18 Thank you.

19 BOARD CHAIR NIXON: Are there any other
20 questions?

21 Okay. If there are no other questions, I'll
22 entertain a motion.

23 BOARD MEMBER CORTEZ: This is Board Member
24 Cortez. I will motion to reverse the denial and grant the

1 work card for Mr. Davis based off time and distance of
2 incidences, the majority of incidences disclosed and
3 information provided by disclosure.

4 BOARD CHAIR NIXON: I have a motion. Do I have a
5 second?

6 BOARD MEMBER BROWN: Brown. I'll second.

7 BOARD CHAIR NIXON: Okay. I have a motion. I
8 have a second. All in favor say aye.

9 (The vote was unanimously in favor of the
10 motion.)

11 BOARD CHAIR NIXON: Okay. So the motion passes,
12 sir. You'll be issued your work card. Congratulations.

13 MR. DAVIS: Thank you. I appreciate it.

14 BOARD CHAIR NIXON: Kamonte Kelly? Okay. Sir,
15 tell us a little bit about yourself. And you are sworn,
16 right?

17 MR. KELLY: Yeah.

18 BOARD CHAIR NIXON: Okay. Tell us a little bit
19 about yourself and what your intentions are with the card.

20 MR. KELLY: My name is Kamonte Kelly. I'm 29.
21 I'm from California. I'm pretty much here try to get a guard
22 card so I can be a security guard.

23 I had few issues in the '80s, late into some of
24 my adult. 2011-12 I got convicted for attempt robbery. I

1 went to prison, came home year and a half, got in trouble.
2 On my way home I was in a bad area. Got pulled over for not
3 stopping at a stop sign and got caught with a gun. They sent
4 me back to prison. And here I am, and I've been out of
5 trouble ever since then.

6 BOARD CHAIR NIXON: Okay. Board, are there any
7 questions?

8 BOARD MEMBER BROWN: Board Member Brown. I do
9 have a question. Sir, in 2018 when you were convicted of two
10 counts of battery, charge of domestic battery which reduced
11 the battery after completing the requirements for the case,
12 why did you fail to disclose that one, because it sounds bad,
13 the battery?

14 MR. KELLY: Oh, that part, it kind of does, but
15 I'm not going to lie. I didn't think that would have popped
16 up. I tried to forget about that. It was a situation
17 between me and my girlfriend. An argument happened in a
18 public place. They said it was a domestic dispute, but I was
19 trying to hurry up and get back to work. So I took the
20 domestic violence class, completed it and been cool ever
21 since. We aren't even together, so.

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez.

24 BOARD MEMBER BROWN: Thank you.

1 BOARD MEMBER CORTEZ: I'm sorry, Mr. Brown. Were
2 you done?

3 BOARD MEMBER BROWN: I am. Thank you.

4 BOARD MEMBER CORTEZ: Board Member Cortez. Did
5 you indicate the incident in 2018 that you didn't think it
6 was going to come up, that's why you didn't list it?

7 MR. KELLY: That's not why I didn't list it.
8 Sometimes I forget about it, but I didn't think it would come
9 up anyway.

10 BOARD MEMBER CORTEZ: Thank you.

11 BOARD CHAIR NIXON: So do you have a question?

12 BOARD MEMBER GRONAUER: Just for Investigator
13 Swarthout. Zachary -- Investigator Swarthout, your notes
14 said about warrants. Do you have anything to update that?
15 He currently has two active have warrants out of Las Vegas
16 Municipal Court, moving violation. He was given a citation
17 on 1-2 2020 for convicted person of registration.

18 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
19 Yes, I do. So the two warrants are still active as of
20 yesterday for traffic.

21 BOARD MEMBER GRONAUER: Okay. Thank you.

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez. Are you aware of that?

24 MR. KELLY: No, ma'am, I'm not.

1 BOARD MEMBER CORTEZ: Okay. Thank you.

2 BOARD CHAIR NIXON: Okay. So are there any other
3 questions?

4 MR. KELLY: Yeah, I have one. Those warrants are
5 for traffic or for not registering?

6 BOARD CHAIR NIXON: You have two for traffic
7 tickets and then one for not registering.

8 MR. KELLY: I disagree with that because when I
9 got pulled over I did go register. They made me register as
10 a felon. When I came home again I had to re-register my
11 address.

12 BOARD CHAIR NIXON: Okay. So, you know,
13 unfortunately that has nothing to do with the Board. We just
14 take the information that we're given. So that's something
15 that you're going to have to clear up with Las Vegas
16 Municipal Court. And, you know, clear that up with them.

17 So are there any questions from the Board?

18 BOARD MEMBER GRONAUER: Just a question. Sir, do
19 you have your card on you?

20 MR. KELLY: They never told me. I'm surprised.

21 BOARD MEMBER GRONAUER: It says you were arrested
22 for that, for convicted person and registration.

23 MR. KELLY: But not -- they didn't give me a
24 card. They didn't say anything.

1 BOARD MEMBER GRONAUER: No, they are not going to
2 give it to you. You have to go get it.

3 MR. KELLY: Get it from?

4 BOARD MEMBER GRONAUER: I gave this advice to
5 somebody earlier. Here's what you do. Call 311 because I
6 don't know the exact number to call.

7 MR. KELLY: Uh-huh.

8 BOARD MEMBER GRONAUER: You dial 311. It's a
9 nonemergency number and ask them. You'll just get an
10 operator from Metro, okay, and ask them where you go to
11 register as an ex-felon. You're going to have to do that.
12 You've already been arrested for it. They are going to do it
13 again.

14 MR. KELLY: I didn't get arrested for it. They
15 gave me a ticket and I --

16 BOARD MEMBER GRONAUER: Okay. Well, you got a
17 ticket for it. It's an arrest. Citations are an arrest.
18 Just in lieu of going to jail you're getting a ticket, okay,
19 like a driving violation and everything else, just so you
20 understand.

21 MR. KELLY: Yes, sir.

22 BOARD MEMBER GRONAUER: You know, it's a little
23 confusing but you've got to do it. And you've got these
24 warrants to clear up in municipal court.

1 BOARD CHAIR NIXON: So are there any other
2 questions from the Board?

3 Okay. If there's no other questions, I'll
4 entertain a motion.

5 BOARD MEMBER BROWN: This is Board Member Brown.
6 I move that we uphold the denial on the basis that there's
7 still legal action pending.

8 BOARD CHAIR NIXON: So I have a motion. Do I
9 have a second?

10 BOARD MEMBER BEZICK: Yeah, this is Bezick. I
11 second.

12 BOARD CHAIR NIXON: So I have a motion. I have a
13 second. All in favor say aye.

14 (The vote was unanimously in favor of the
15 motion.)

16 BOARD CHAIR NIXON: So, Mr. Kelly, because you
17 still have pending warrants out there we have to go ahead and
18 uphold the denial of your card. Please take care of those
19 and then work very closely with staff and they will help you.
20 Reapply again in one year, okay.

21 MR. KELLY: All right.

22 BOARD CHAIR NIXON: Thank you, sir. Good luck to
23 you.

24 Okay. So before we flip to the next page, I'm

1 just going to go through the list that we've already trailed
2 to see if anybody is here or on the phone. If you are here
3 please let me know.

4 Yshonda Cobb, are you in the room or on the
5 phone?

6 Okay. Adam Finley?

7 Lenny Corella?

8 Mark Miller?

9 MR. MILLER: Here.

10 BOARD CHAIR NIXON: And is that Mark Miller?

11 MR. MILLER: Yes. This is Mark Miller.

12 BOARD CHAIR NIXON: Okay.

13 MR. INGRAM: Mr. Miller, are you currently on
14 your speaker phone?

15 MR. MILLER: Yes. I'll take it off.

16 MR. INGRAM: Thank you, sir.

17 BOARD CHAIR NIXON: And also, sir, are you under
18 oath? Have you been sworn in?

19 MR. MILLER: Yes. Oh, no, I have not yet.

20 MR. DETMER: Mr. Miller, if you could please
21 raise your right hand.

22 (Whereupon, the oath was administered.)

23 MR. DETMER: Thank you.

24 BOARD CHAIR NIXON: Okay. So, Mr. Miller, go

1 ahead and tell us a little bit about yourself and your
2 intentions with the work card, please.

3 MR. MILLER: I'm 34 years old from California.
4 I've been out here for about maybe five months. I moved out
5 here because my best friends came out here. So I kind of
6 wanted to start a life out here too. I was previously a
7 security officer at a mental hospital in California, and I'm
8 just trying to continue to do that out here.

9 BOARD CHAIR NIXON: Okay. Board, are there any
10 questions for Mr. Miller?

11 BOARD MEMBER CORTEZ: This is Board Member
12 Cortez. Mr. Miller, is there a reason why you failed to
13 disclose any of your criminal history after being very clear
14 on the application to do such?

15 MR. MILLER: Yes. I don't think I understood the
16 question clearly. I know where I'm from when I'm filling out
17 applications and all that kind of stuff. They say if it's
18 over seven or eight years I don't have to place it down. So
19 I kind of was thinking the same thing. So I just kind of
20 didn't read it thoroughly I guess.

21 BOARD MEMBER CORTEZ: Did you make any attempt to
22 contact the PILB, the staff member for clarification?

23 MR. MILLER: Yes.

BOARD MEMBER CORTEZ: Got it. Thank you.

BOARD CHAIR NIXON: Board, are there any further questions?

Okay. If there's no further questions, I'll entertain a motion. Is there a motion on agenda item 58, Mark Miller?

BOARD MEMBER BROWN: Board Member Brown. I move we uphold the denial based on the fact that he failed to disclose when it's clearly printed in the application that it needs to be done.

BOARD CHAIR NIXON: I have a motion. Do I have a second?

BOARD MEMBER BEZICK: This is Bezick. I'll second.

BOARD CHAIR NIXON: Okay. I have a motion. I have a second. All in favor say aye.

(The vote was in favor of the motion.)

BOARD CHAIR NIXON: Okay. So the motion to

1 continue with the denial of Mr. Martin Miller's application
2 passes four to one. Board Member Gronauer stepped out of the
3 room.

4 So I'm sorry, Mr. Miller. At this time we will
5 not be able to give you your work card. You can appeal in
6 one year. Please make sure you give all of the information.

7 MR. MILLER: All right.

8 BOARD CHAIR NIXON: Okay. 62 -- 62 Curtisa
9 Henry, are you in the room? Please come up to the front,
10 please. Ms. Henry, have you been sworn in? Okay.

11 MR. DETMER: Ma'am, if you could please raise
12 your right hand.

13 (Whereupon, the oath was administered.)

14 BOARD CHAIR NIXON: Okay. Ms. Henry, please tell
15 us a little bit about yourself and your intentions with the
16 work card.

17 MS. HENRY: I'm 22. I am from Richmond,
18 California. I was recently living in California for a while.
19 I moved out here in April. When I started out here in April
20 I had transferred. I was previously working with a company
21 called Garter World out there in California. Then I came out
22 here. I got a transfer and I came out here and moved out
23 here and got transferred.

24 But because I am a felon in California, of

1 course, it got denied. Basically I got into some trouble as
2 a youth. And I've been on probation since I was 14, in and
3 out of juvenile hall, in and out of county. And so back in
4 2016 it was a carjacking case that happened with me and my --
5 the father of my second son. And, yeah, basically it
6 didn't -- it didn't -- like, I didn't get charged for it
7 until last year because I've been on probation for so long.
8 And the judge basically had told me that like there was no
9 more resources I guess they could give me, but I had
10 completed like everything else. And they told me that to
11 just like get everything off my back so I don't have to keep
12 coming to court and be on probation and everything like that,
13 to just register as a felon.

14 So I registered as a felon, came out here and
15 tried to continue working. But, of course, because I'm a
16 felon it didn't get approved. So I just want to come see if
17 I can get my guard card so I can continue working security
18 and, you know, bring more income into the house for me and my
19 kids.

20 BOARD CHAIR NIXON: Okay. Thank you.

21 Investigator Swarthout, so I can understand this,
22 the carjacking was listed on the application but the rest
23 wasn't?

24 MS. HENRY: No. The --

1 BOARD CHAIR NIXON: Ma'am, sorry. That was for
2 the investigator.

3 MS. HENRY: Oh, sorry.

4 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
5 That is correct.

6 BOARD CHAIR NIXON: Board, is there any other
7 questions?

8 BOARD MEMBER CORTEZ: This is Board Member
9 Cortez. Ms. Henry, is there a reason you failed to disclose
10 the other criminal arrests?

11 MS. HENRY: No. It was -- I thought I put felon
12 there. It was a carjacking which was the main reason why I
13 became a felon. And the other one was for assault and
14 battery which was my first charge.

15 BOARD MEMBER CORTEZ: Okay. So in 2019 you were
16 ordered to pay a fine.

17 MS. HENRY: Uh-huh.

18 BOARD MEMBER CORTEZ: Why was that not listed?

19 MS. HENRY: I didn't know that that said that you
20 had to list to pay a fine. I didn't know that was on there.

21 BOARD MEMBER CORTEZ: Any kind of court
22 disposition is also listed on the application. I understand
23 your circumstances from California. Clearly Nevada has

MS. HENRY: Uh-huh.

BOARD MEMBER CORTEZ: -- where you need to register, not only register but you also have to list everything. It clearly states on the application. We've reviewed it several times today. But we also have a 2020 situation, a 2019.

MS. HENRY: The 2020 is --

BOARD MEMBER CORTEZ: One second, please.

MS. HENRY: Oh.

BOARD MEMBER CORTEZ: The '20, 2019, 2017, 2015, 2015, 2013, so we have a number of undisclosed criminal history and that's the issue.

MS. HENRY: Those are all --

BOARD MEMBER CORTEZ: With that said, that's all I -- that's all my comment.

MS. HENRY: And those are all probation violations.

BOARD MEMBER CORTEZ: And I understand that. But once again, we have reviewed on the application it clearly states every law enforcement contact, any court matters, disposition, dismissed, adjudicated, found guilty regardless of the situation. Just because it happened in California has no -- makes no difference. You were supposed to list everything. You listed one. I needed you to list everything

1 else.

2 MS. HENRY: Okay.

3 BOARD MEMBER CORTEZ: That's all I'm going to say
4 about that.

5 BOARD CHAIR NIXON: Okay. So quick question to
6 the investigator or maybe Ms. Henry. Are you still on
7 probation?

8 MS. HENRY: No, I'm not on probation at all. I'm
9 not in to any police contact. I don't have any warrants.
10 I'm just a registered felon. I don't have a four-way search,
11 anything.

12 BOARD CHAIR NIXON: Okay. Do we -- is everything
13 cleared up?

14 INVESTIGATOR SWARTHOUT: Yes. Currently it
15 doesn't look like she's on probation for anything. She did
16 list on her application that she did have to register as a
17 felon. I did not see anything in the scope for being
18 registered.

19 BOARD CHAIR NIXON: She's not registered?

20 INVESTIGATOR SWARTHOUT: Not out here.

21 BOARD CHAIR NIXON: Okay. Board, are there any
22 other questions?

23 BOARD MEMBER BROWN: This is Board Member Brown.
24 I think Investigator Swarthout just answered that she is not

1 registered in the State of Nevada as a convicted felon.

2 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
3 That is correct.

4 BOARD MEMBER BROWN: Thank you.

5 BOARD CHAIR NIXON: Okay. Are there any other
6 questions?

7 MS. HENRY: I have one. How are we supposed to
8 know like you move to another state if you have to register
9 in another state, especially if the crime didn't happen, you
10 know, in the state. How are you supposed to know that you're
11 supposed to register as a felon in another state?

12 BOARD MEMBER CORTEZ: This is Board Member
13 Cortez. You need to follow-up with the local rule of the law
14 enforcement agency. It's up to the felon or it's up to
15 whoever the individual is.

16 MS. HENRY: Uh-huh.

17 BOARD MEMBER CORTEZ: They need to do the rest of
18 this. They need to take forward every action possible to
19 start calling. If anything, you can call the PO back in
20 California. They should have a contact. If not, again, Las
21 Vegas Metropolitan Police Department, North Las Vegas Police
22 Department. You can start with just the reception and they
23 will disperse you to the correct department.

24 MS. HENRY: And because I'm not on probation I

1 don't have a PO.

2 BOARD MEMBER CORTEZ: But from the one that you
3 left.

4 MS. HENRY: Yeah, I haven't talked to her since I
5 got off probation.

6 BOARD MEMBER CORTEZ: Correct.

7 MS. HENRY: I haven't done anything.

8 BOARD CHAIR NIXON: No. I think what Board
9 Member Cortez is saying is that you should do your research
10 before you move to another state so that you're not in
11 violation for other states. And one resource to you would be
12 your former PO. You know, they would still be available to
13 you. They know your history and your court documentation.

14 MS. HENRY: Uh-huh.

15 BOARD CHAIR NIXON: So they would be a person who
16 would be able to advise you on, you know, if you move what is
17 needed.

18 BOARD MEMBER CORTEZ: Actually, you know what
19 else you can do is you can also call adult parole and
20 probation.

21 MS. HENRY: I'm on --

22 BOARD MEMBER CORTEZ: Look it up on the internet.
23 Adult parole and probation. It's a 486 number.

24 MS. HENRY: But do you understand what I'm

1 saying?

2 BOARD CHAIR CORTEZ: I understand.

3 MS. HENRY: That I'm not on probation, parole,
4 anything.

5 BOARD CHAIR NIXON: Yes, I do understand it.
6 What we're telling you is it's up to your due diligence to
7 research where you're moving. So regardless of whether or
8 not you're on it you need to check in with those people to
9 see whether or not they can give you that information to help
10 you.

11 MS. HENRY: Okay.

12 BOARD CHAIR NIXON: Okay. Okay. Are there any
13 further questions from the Board? Sorry. Is there any
14 further questions from the Board? Okay. So if there's --
15 go ahead.

16 BOARD MEMBER GRONAUER: Just one statement. I
17 want to clear up the thing about the registration card. I've
18 been informed --

19 MS. HENRY: Uh-huh.

20 BOARD MEMBER GRONAUER: -- you still have to
21 register. However, they do not give you the card anymore to
22 carry. You have to register for ex-felons.

23 MS. HENRY: I'm not an ex-felon. I'm still a
24 felon. I just became a felon this year.

1 MR. DETMER: Mike Detmer for the record. My
2 familiarity with the registration laws are somewhat not up to
3 par, but I have been researching it, and that is a correct
4 statement. It also depends on what types of felony as well
5 as far as registering.

6 BOARD CHAIR NIXON: So, again, your best bet
7 before you move or when you're going into the next state is
8 to call the parole board and ask them those questions. So
9 then that way you're informed when you go in and they can
10 give you the contact of who you need to get in touch with.

11 MS. HENRY: Okay.

12 BOARD CHAIR NIXON: Okay. So, you know, do some
13 prior research and they will be able to help you.

14 MS. HENRY: Okay.

15 BOARD CHAIR NIXON: Okay. Are there any other
16 questions from the Board?

17 Okay. If there are no further questions, I'll
18 entertain a motion.

19 BOARD MEMBER BEZICK: This is Bezick. I move --

20 BOARD MEMBER BROWN: This is Board Member Brown.
21 I move to -- go ahead, Mr. Bezick.

22 BOARD MEMBER BEZICK: Yeah, this is Bezick. I
23 move that we uphold the denial for Ms. Henry based on the
24 fact that she only listed one offense out of eight on her

1 application.

2 BOARD CHAIR NIXON: Okay. So we have a motion.
3 Do we have a second?

4 BOARD MEMBER BROWN: Board Member Brown. I have
5 a second.

6 BOARD CHAIR NIXON: Okay. We have a motion and a
7 second. All in favor say aye.

8 (The vote was in favor of the motion.)

9 BOARD MEMBER GRONAUER: Gronauer abstains. I
10 wasn't here for the hearing.

11 BOARD CHAIR Nixon: Motion passes four to one.
12 Ms. Henry, your -- your work card is going to be denied. You
13 do have an opportunity to come back and see us in one year.
14 Please get with, you know, the parole board or whoever you
15 need to to get the information that you need. And then work
16 with the PILB Board. They will help you to make sure you
17 list everything and get everything on your card that you
18 need, okay. Good luck to you. Thank you.

19 Please, we're going to take a short break. We've
20 been at it since 9:00 a.m. So let's go to 2:00 o'clock even
21 and we will be back. Anybody that's on the phone please
22 hold. We will be back at 2:00 o'clock.

23 (Whereupon, a brief recess was taken.)

24 BOARD CHAIR NIXON: Let's try this one more time.

1 Okay. Marcus, could you please tell us a little bit about
2 yourself and what your intentions are with the guard card.

3 MR. ETTRESS: My intentions with the card are
4 something with security, would probably be like a bouncer or
5 a bodyguard like my cousin. That's the reason I moved out
6 here. He's been telling me to get my guard card and he can
7 help me get a nice job.

8 And like I appeared before the Board about two
9 years ago I think but they said I came too recently or too
10 soon after my most recent case. So two years later I'm just
11 trying again.

12 BOARD CHAIR NIXON: Okay.

13 MR. INGRAM: Mr. Ettress, are you by chance on
14 your speaker phone on your phone?

15 MR. ETTRESS: Yeah. I just took it off.

16 MR. INGRAM: Could you please take it off of
17 speaker. It's a lot easier for us to hear you. Thank you.

18 MR. ETTRESS: Yeah, no problem.

19 BOARD CHAIR NIXON: Okay. Sir, since you saw us
20 last year what have you been doing?

21 MR. ETTRESS: Since then I've got most of my
22 records like expunged. I'm still waiting on my California
23 case. But my lawyer keeps telling me like the courthouse is
24 closed or they are not accepting expungement or something

1 like that. And right now I'm working the liquor vendor, the
2 route thing, selling liquor and beer and wine on shelves.

3 BOARD MEMBER CORTEZ: I didn't understand that.

4 BOARD CHAIR NIXON: I'm sorry. The last part,
5 you're doing what? I'm sorry.

6 MR. ETTRESS: I'm a liquor vendor. I put liquor
7 and wine on shelves.

8 BOARD CHAIR NIXON: Okay. Got it. Thank you.
9 Are there any questions from the Board.

10 BOARD MEMBER BROWN: This is Board Member Brown.
11 First let me say, sir, thank you for doing what we asked and
12 reapplying.

13 I want to make sure with Investigator Swarthout
14 that I'm reading something correctly. You've got in your
15 summary that the applicant stated that he was going to work
16 with his cousin for Five Star VIP which is an unlicensed
17 company. Is that still a fact? Are you going to be doing
18 that or is the company still unlicensed.

19 MR. ETTRESS: On the license?

20 INVESTIGATOR SWARTHOUT: Investigator Swarthout.

21 BOARD CHAIR NIXON: No, sir. Hang on one second.

22 BOARD MEMBER BROWN: I'm talking to the
23 investigator.

24 BOARD CHAIR NIXON: Yeah, we're talking to the

1 investigator.

2 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
3 That is correct. Five Star is still unlicensed. If that's
4 the same company, that is the company that he made mention in
5 those past transcripts that he was going to be working for.

6 BOARD MEMBER BROWN: Okay. Thank you,
7 Investigator Swarthout.

8 And now, Mr. Ettress, are you going to be working
9 for Five Star VIP. Is that your intention?

10 MR. ETTRESS: It was my intention. But honestly
11 probably not that probable because my cousin, he's like -- he
12 does that bodyguard thing with Five Star, and also he does a
13 lot of like club bouncing. And that's what he said he would
14 more likely get me into.

15 BOARD MEMBER BROWN: Okay. Just understand that
16 if you go to work for an unlicensed company you're going to
17 have an issue.

18 MR. ETTRESS: Okay. Thank you.

19 BOARD CHAIR NIXON: Board, is there any other
20 questions? Okay. If there's no other questions, I'll
21 entertain a motion.

22 BOARD MEMBER BROWN: This is Board Member Brown.
23 I move that we grant the appeal and allow Mr. Ettress to get
24 his work card on the basis that he has done what we asked him

1 to do a couple of years ago and has come back and disclosed
2 everything.

3 BOARD CHAIR NIXON: Okay. I have a motion. Do I
4 have a second?

5 BOARD MEMBER CORTEZ: This is Board Member
6 Cortez. I do second the motion. I have looked over the 2019
7 transcripts. With everything said I do second the motion to
8 approve and overturn the denial.

9 BOARD CHAIR NIXON: Okay. So I have a motion. I
10 have a second. All in favor say aye.

11 (The vote was unanimously in favor of the
12 motion.)

13 BOARD CHAIR NIXON: Congratulation, Mr. Ettress.
14 You will be issued your work card. The PILB will be in touch
15 with you.

16 MR. ETTRESS: Thank you. Thank you.

17 BOARD CHAIR NIXON: Thank you.

18 Nicholas Galindo. Are you on the phone, sir, or
19 up north? There we go. Okay.

20 MR. GALINDO: Hello, everyone.

21 BOARD CHAIR NIXON: Thank you, sir. Could you
22 please tell us a little bit about yourself. You may have to
23 go up to the front, yeah.

24 MR. GALINDO: Hello, everyone. My name is

1 Nicholas Galindo. And I'm hear to appeal my denial.

2 BOARD CHAIR NIXON: Sir, you're really hard to
3 understand. Can you pull down your mask. Sorry.

4 MR. GALINDO: Is that better?

5 BOARD CHAIR NIXON: Much better. Thank you.

6 MR. GALINDO: My name is Nicholas Galindo. And
7 I'm here to appeal my denial for my provisional. I come from
8 a small town, Landers, California where I was tried and
9 convicted of second degree burglary.

10 I recently moved here about two -- over two and a
11 half years ago after my mother passed away of two heart
12 attacks, two heart attacks. And -- and I'm here to -- to
13 have a career in security.

14 BOARD CHAIR NIXON: Okay. So, sir, I'll ask you
15 the same question as the previous gentleman. Since you're a
16 return, what have you been doing since your original denial?

17 MR. GALINDO: I've been working as an event
18 staff, ticket-taking, information, ushering, helping guests
19 or customers with information, et cetera.

20 BOARD CHAIR NIXON: With what company, I'm sorry?

21 MR. GALINDO: Sorry?

22 BOARD CHAIR NIXON: With what company, I'm sorry?

23 MR. GALINDO: Event Service.

24 BOARD CHAIR NIXON: Okay. Okay. Board, are

1 there any further questions?

2 BOARD MEMBER GRONAUER: I have one for
3 Investigator Swarthout. Are the fingerprints back on this
4 gentleman?

5 INVESTIGATOR SWARTHOUT: Yes, they are. They do
6 confirm the arrest history.

7 BOARD MEMBER GRONAUER: All right. Thank you.
8 That's all.

9 BOARD CHAIR NIXON: Are there any further
10 questions?

11 Okay. If there are no further questions, I'll
12 entertain a motion.

13 BOARD MEMBER BEZICK: Yeah, this is Bezick.

14 BOARD MEMBER BROWN: This is Board Member Brown.
15 I move that we grant the appeal and allow Mr. Galindo get his
16 work card. Based on the fact that he did what we asked him,
17 he returned and disclosed his offense.

18 BOARD CHAIR NIXON: Okay. I have a motion. Do I
19 have a second?

20 BOARD MEMBER BEZICK: This is Bezick. I second.

21 BOARD MEMBER GRONAUER: We all second.

22 BOARD CHAIR NIXON: We have a motion, several
23 seconds. All in favor say aye.

24 (The vote was unanimously in favor of the

1 motion.)

2 BOARD CHAIR NIXON: Okay. Thank you. Mr.
3 Galindo, you have been approved for your work card. The PILB
4 staff will get in touch with you.

5 MR. GALINDO: Thank you, everyone.

6 BOARD CHAIR NIXON: Thank you.

7 Nicholas Hill?

8 MR. INGRAM: Lori, is this one of the individuals
9 that --

10 MS. IRIZARRY: Chief Irizarry. Mr. Hill, we've
11 been trying to contact you because we don't have any
12 fingerprint results for you. We don't have that you've done
13 your fingerprints.

14 MR. HILL: I was waiting until I went through
15 this process. Yesterday that's what the lady had told me to
16 do. When I got my denial I started basically waiting on
17 this.

18 MS. IRIZARRY: So we've tried to reach out to you
19 because to go before the Board you have to have a complete
20 application. That includes your fingerprints. We possibly
21 don't have a good number for you. But you got the -- did you
22 get the --

23 MR. HILL: E-mail.

24 MS. IRIZARRY: -- e-mail and the certified letter

1 from us regarding the Board meeting today?

2 MR. HILL: I didn't know. I got an e-mail. I
3 took a screen shot because I had lost my old phone that I
4 had.

5 MS. IRIZARRY: So you received your e-mail, okay.
6 So I will speak to you in the hallway. But at the moment,
7 for the Board to know, we did not get any fingerprints. He
8 did appeal it so we put him on the agenda. But possibly the
9 thought that he had done his fingerprints and we were going
10 to get results through getting his fingerprint paperwork in,
11 but as of today he said he didn't ever get fingerprinted.

12 MR. HILL: I had relocated. I just got back a
13 couple of weeks ago.

14 BOARD CHAIR NIXON: Okay. Well, you know,
15 there's -- you know, apologies for that. But, you know, they
16 did reach out to you and you were aware of the meeting. So
17 at this time you have an incomplete application.

18 MR. HILL: Okay.

19 BOARD CHAIR NIXON: So please go to -- let me ask
20 one quick question. So -- okay. So Chief is going to step
21 out with you and explain to you how to go get your
22 fingerprints and everything taken care. You will not have to
23 wait a full year to come back and apply because right now you
24 have an incomplete application. So we'll be able to hear you

1 next Board meeting. So in December we'll be able to hear you
2 and you work on your appeal, okay?

3 MR. HILL: Okay. Thank you.

4 BOARD CHAIR NIXON: All right. Thank you.

5 So this one is a trail or incomplete, okay.

6 Okay. Pierre Burton, are you in or down south?

7 Pierre Burton? Okay. Is Mr. Burton up north? Okay.

8 Mr. Burton, are you on the phone? Okay. We'll trail.

9 Agenda item number 71, Ronesha Hicks. Are you in
10 the room?

11 MS. HICKS: I'm on the phone now. I was in the
12 room, but I'm on the phone.

13 BOARD CHAIR NIXON: Okay. Thank you. Ms. Hicks,
14 please tell us a little bit about yourself and your
15 intentions with the guard card.

16 MS. HICKS: Yes. My name Ronesha Hicks. I'm a
17 single mother of two. And my intention with the guard card
18 is this could be able to work a different field because I
19 always did restaurant industry. And I was offered a position
20 at Planet Hollywood three months ago and that offer is still
21 on the table, but I had to basically go through this process
22 to get where I want to be.

23 BOARD CHAIR NIXON: Okay.

24 MR. INGRAM: Ms. Hicks, if you're currently using

1 your speaker phone on your phone, can you turn that off.

2 MS. HICKS: Oh, no, I'm not.

3 MR. INGRAM: Thank you.

4 BOARD CHAIR NIXON: Okay. Are there any
5 questions from the Board of Ms. Hicks?

6 BOARD MEMBER BROWN: This is Board Member Brown.
7 Question for Investigator Swarthout. Is the 2021 charge
8 still pending? Is that an ongoing case?

9 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
10 Yes, it shows she goes back to court on 9-21 2021.

11 BOARD MEMBER BROWN: Thank you. I'm reading the
12 small print now as you're saying that. Thank you. Nothing
13 further.

14 BOARD MEMBER CORTEZ: This is Board Member
15 Cortez. Ms. Hicks, is there a reason why you failed to
16 disclose your criminal history considering that literally we
17 have one, two, three, four, five counts in the last, since
18 2016.

19 MS. HICKS: I just thought, you know, by me not
20 being a felon that I didn't have to disclose that information
21 until I sat down with the worker. And she made me go down to
22 the police department and print out all of my charges in the
23 event that I haven't been done or went to jail for. So I sat
24 down and filled out the paperwork like she told me to do.

1 BOARD MEMBER CORTEZ: So for clarification, you
2 got your history of arrest report?

3 MS. HICKS: Yeah. I had to go down to the police
4 department and they printed off everything for me, and I took
5 it back over there on Durango to the PILB office. And
6 basically she just told me to fill out everything from, I
7 just don't go back five years from now, so.

8 BOARD MEMBER CORTEZ: Okay. I'm just confused as
9 to you got your criminal record but you didn't put it on the
10 application when it clearly states to do so.

11 MS. HICKS: Yeah, but that was after I got denied
12 that she made me go back and redo it.

13 BOARD MEMBER CORTEZ: Got it. Okay. Thank you.

14 BOARD CHAIR NIXON: Okay. Any other questions
15 from the Board?

16 Okay. Hearing no other questions, I'll entertain
17 a motion.

18 BOARD MEMBER BROWN: This is Board Member Brown.
19 I move that we uphold the denial based on pending legal
20 action still involving the courts.

21 BOARD CHAIR NIXON: I have a motion. Do I have a
22 second?

23 BOARD MEMBER GRONAUER: Gronauer. Second.

24 BOARD CHAIR NIXON: I have a motion. I have a

1 second. All in favor say aye.

2 (The vote was unanimously in favor of the
3 motion.)

4 BOARD CHAIR NIXON: Okay. Unfortunately,
5 Ms. Hicks, at this time we're not going to be able to
6 overturn your denial. So once you get done with your legal
7 -- your legal issues you can reapply. Make sure you note
8 everything on there.

9 MS. HICKS: Okay. So excuse me. I have a
10 question. So next week when I go to the court and those
11 charges are dropped, can I come back down or do I have to
12 wait a whole year?

13 BOARD CHAIR NIXON: You'll have to wait a whole
14 year.

15 MS. HICKS: Okay. Thank you. I appreciate you.

16 BOARD CHAIR NIXON: Yep. Thank you. Have a good
17 day.

18 MS. HICKS: You too.

19 BOARD CHAIR NIXON: Terrance Lincoln, are you in
20 the room? Thank you, sir. So please tell us a little bit
21 about yourself and why -- what you need the guard card for.

22 MR. LINCOLN: Okay. My name is Terrance Lincoln.
23 I'm 43 years of age. I have three children, two
24 grandchildren.

1 My previous occupation has been as far as
2 security field public safety work and executive protection,
3 bodyguard, et cetera. Basically last year in 2020, before
4 the pandemic got real chaotic and whatnot I came to Las
5 Vegas, and I was certified for a CCW, for a concealed weapons
6 permit for the purpose of executive protection and high end
7 clients and things like that.

8 I did everything. I got approved. I got
9 certified. I have the, I'm sorry, the CCW permit card from
10 Vegas. Recently, beginning of this year I came back because
11 I was told as any type of line of security work in Las Vegas
12 you have to have a work permits card, and I guess it's the
13 like the guard card. It's the same one that I have as in
14 California.

15 BOARD CHAIR NIXON: Uh-huh.

16 MR. LINCOLN: So within that I did the test and
17 everything. I stated on -- on the application my convictions
18 and whatnot. I believe in 2012 I had an incident where I was
19 an armed officer. I had my firearm located in the glove
20 compartment, and it should have been secured in the back in a
21 glove box. From that I was pretty much detained that night.
22 And later on that morning I was released. The charges were
23 dropped.

24 I also got documentation as far as from the Long

1 Beach Courthouse, they dismissed the case, and I gave it to
2 the -- the personnel that was on Durango Street and also had
3 faxed those in. I spoke to two different personnels at the
4 time when I did the application and as well over-the-phone
5 and they confirmed that they had all of the paperwork as far
6 as the sealed documents and everything that was disclosed
7 from that.

8 I had a couple of other things in the past, in my
9 teenage years, like railroad fare evasion, not having a valid
10 ticket at the time for the trains, things like that. As far
11 as that those are the things that -- the one incident I'm
12 more concerned about was the gun charge as far as it being
13 something that was charged as being a felony and then it was,
14 you know, removed. Everything else was kind of like, more of
15 an like an infraction thing. Like I said, the railroad
16 evasion, not having proof of fare, things of that nature. I
17 couldn't think of anything else. That was probably like
18 miscellaneous stuff.

19 So basically that's just the line of work that I
20 do. Because of the pandemic and everything that's been going
21 on it's very hard. There's really no work. Like I said, I
22 have a family to feed. The work that I'm doing right now I
23 have a commercial license as far as driving my private
24 transportation but that's a hole because of the pandemic as

1 far as the school systems, dealing with kids and things like
2 that.

3 So I'm just basically coming here, pleading my
4 case, hoping that you guys will grant me as far as work, I
5 mean as far as to do the occupational field of the work that
6 I do.

7 BOARD CHAIR NIXON: Okay. Thank you, sir.

8 One quick question. It's only because this is
9 microscopic and I'm old. Did he disclose?

10 INVESTIGATOR SWARTHOUT: He disclosed the 2011
11 arrest, the 2012 was no. None of the other arrests were --
12 that he did disclose.

13 BOARD CHAIR NIXON: So the felony though was
14 disclosed?

15 INVESTIGATOR SWARTHOUT: Yes.

16 BOARD CHAIR NIXON: Okay. So the railroad fare,
17 the smaller things were not disclosed but, okay, got it. I
18 just want to make sure.

19 Okay. Are there any other questions from the
20 Board?

21 BOARD MEMBER CORTEZ: Board Member Cortez. Is
22 there a reason why you did not disclose it?

23 MR. LINCOLN: Yes. The reason being I knew
24 for -- I'm from California. So as I've just been hearing

1 everyone's different case and whatnot, California is very
2 very different with their rules and regulations and penal
3 codes versus you guys are. So even within the application I
4 stated that the incident of that charge being because it was
5 considered that as far as anything else, like I said, it was
6 considered to be an infraction, something that was way low,
7 not even a misdemeanor because of the time that it was years
8 ago, we're talking about, you know, like over 15, 20 years
9 ago. So those type of things I did not list for the simple
10 fact I couldn't remember all.

11 But I remembered those charges because that took
12 me the longest as far as to get cleared and a couple of other
13 occupational field jobs that I had I got denied because I did
14 not know because it was supposed to be dismissed and it
15 wasn't properly. And I had to keep going back with legal
16 documentation from the court saying it has been expunged and,
17 you know, things like that, so.

18 BOARD MEMBER CORTEZ: No other questions. Thank
19 you.

20 BOARD CHAIR NIXON: Are there any other
21 questions?

22 BOARD MEMBER BROWN: This is Board Member Brown.
23 A question for Investigator Swarthout. On the 2011 charge it
24 states that he was convicted of Count Three. I was unable to

1 open the little arrow thing that tells me what Count Three
2 was. Could you explain Count Three for me.

3 INVESTIGATOR SWARTHOUT: It was carrying a
4 concealed weapon.

5 BOARD MEMBER BROWN: Okay. Thank you.

6 BOARD MEMBER GRONAUER: This is Gronauer.
7 Mr. Lincoln?

8 MR. LINCOLN: Yes, sir.

9 BOARD MEMBER GRONAUER: Good afternoon. You had
10 an exposed firearm permit with California Bureau of Security
11 Investigation Services?

12 MR. LINCOLN: Yes, sir.

13 BOARD MEMBER GRONAUER: On April of 2005 to
14 October of 2010, when it was revoked. Why was it revoked?

15 MR. LINCOLN: It was basically revoked because at
16 the time I had let it expire from previously and I had to get
17 actually another one. So I had stopped doing the line of
18 work at that time. However, I still kept the firearm, you
19 know, in my trunk or whatnot or in my car. So it was just
20 that particular incident at that time that my firearm was in
21 the glove compartment but it should have been in the back of
22 the vehicle.

23 So I had -- I had started doing some other type
24 of line of occupational field work. So the firearm, as far

1 as being an armed officer I wasn't normally doing because
2 that's when I began to get more into the bodyguard and it
3 wasn't really required. It was just more required of having
4 just the guard card as being unarmed. So that's basically
5 what happened. I let -- I let the firearm overlap over time
6 and so that caused it to be revoked.

7 BOARD MEMBER GRONAUER: Your appeal, if it's
8 overturned would you -- what is the line of work you're going
9 to do?

10 MR. LINCOLN: Basically be executive protection,
11 public safety. Meaning that for example, say if you're a
12 high end client, whatever it is. You don't have to
13 personally be a celebrity but say you're a high end client,
14 you basically hire me to be as part of your security personal
15 detail. I'll be your personal attention. Wherever you go I
16 pretty much go.

17 BOARD CHAIR NIXON: He needs it.

18 BOARD MEMBER GRONAUER: Okay. I'm high end,
19 believe me. I'll stand behind you. That's my protection.

20 BOARD CHAIR NIXON: Right.

21 BOARD MEMBER GRONAUER: Listen, thank you. I
22 lost my train somewhere. That's where it goes. It just went
23 off track. Okay. You said that's what you're going to do.

24 MR. LINCOLN: Yes, sir.

1 BOARD MEMBER GRONAUER: Do you understand a work
2 card and is just a work card. It's not a license to do this.

3 MR. LINCOLN: Well, no. This -- and this is
4 where the CCW is coming in.

5 BOARD MEMBER GRONAUER: No. I'm talking about
6 you get a work card and this denial is overturned.

7 MR. LINCOLN: Yes, sir.

8 BOARD MEMBER GRONAUER: You get a work card.

9 MR. LINCOLN: Yes, sir.

10 BOARD MEMBER GRONAUER: You said you're going to
11 do this kind of work.

12 MR. LINCOLN: Yes, sir.

13 BOARD MEMBER GRONAUER: Who are you doing this
14 kind of work with?

15 BOARD CHAIR NIXON: Or for.

16 MR. LINCOLN: That's what I'm saying, it will be
17 either with a security company or for, like I said, a high
18 end client or executive.

19 BOARD MEMBER GRONAUER: Even with a high end
20 client you can't do that. This is not a license. You have a
21 high end client. You get the card and next month you get
22 Ariana Grande, okay, and she wants you to be her security
23 guard, I mean if you're going to do in Nevada, you have to
24 come back and forth wherever the stars come and go.

MR. LINCOLN: Yes, sir.

BOARD MEMBER GRONAUER: You can't use that card as a license.

BOARD CHAIR NIXON: You have to work for a company.

MR. LINCOLN: Okay.

BOARD CHAIR NIXON: You have to work for a security company that has a qualified agent.

MR. LINCOLN: Okay.

BOARD CHAIR NIXON: In order to work. Even as a bodyguard you cannot work independently with your work card.

MR. LINCOLN: No, I knew that.

BOARD CHAIR NIXON: Okay.

MR. LINCOLN: I just thought that's for Nevada. Like I was saying as far as like a CCW for a prime example. The CCW gives me jurisdiction within 32 other states besides Utah to conceal as far as conceal with that.

BOARD CHAIR NIXON: Yeah, it does give you jurisdiction to carry but not in Nevada as a security officer, as an armed security officer. You still have to get an armed work card.

MR. LINCOLN: Right.

BOARD CHAIR NIXON: And then you still have to work for a company.

1 MR. LINCOLN: Okay. I see what you're saying.

2 BOARD CHAIR NIXON: You have to have a qualified
3 agent because we have a lot of problems with bodyguards
4 coming in --

5 MR. LINCOLN: Right.

6 BOARD CHAIR NIXON: -- from other states.

7 MR. LINCOLN: Right.

8 BOARD CHAIR NIXON: -- and they think because
9 they have their registration card --

10 MR. LINCOLN: Right.

11 BOARD CHAIR NIXON: -- that they can work
12 independently.

13 MR. LINCOLN: Okay.

14 BOARD CHAIR NIXON: They cannot. You will get
15 fined a lot of money.

16 MR. LINCOLN: Okay. Understood. Understood.
17 Because that's what I was basically explaining.

18 BOARD CHAIR NIXON: Yes.

19 MR. LINCOLN: Like I said, in California is very
20 totally different. I was just, you know, explaining as far
21 as when it comes to Nevada it's unordinary for me to carry
22 even with a CCW if I was doing security. I would have to
23 have a work permit card with me.

24 BOARD CHAIR NIXON: You have to have an arm card

1 and a work card.

2 MR. LINCOLN: Yes.

3 BOARD CHAIR NIXON: You'll have to have both. So
4 you'll have to qualify for both.

5 MR. LINCOLN: Okay. No worries. That's no
6 problem.

7 BOARD CHAIR NIXON: Okay. Although, it seems
8 like the Wild West.

9 Okay. So are there any other questions from the
10 Board?

11 Okay. No other questions, I'll entertain a
12 motion.

13 BOARD MEMBER GRONAUER: This is Gronauer. I'm
14 going to make a motion to grant his -- Mr. Lincoln's denial.
15 The main reason for that is he disclosed the most recent
16 stuff that he did. The other ones were 20 years earlier. So
17 with that I'm just going to give him the benefit of the doubt
18 about 20 years, and that's my --

19 BOARD CHAIR NIXON: So for clarification, you're
20 granting his appeal?

21 BOARD MEMBER GRONAUER: Yes.

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez. I'll second the motion to overturn the denial.

24 BOARD CHAIR NIXON: So we have a motion. And we

1 have a second. All in favor say aye.

2 (The vote was unanimously in favor of the
3 motion.)

4 BOARD CHAIR NIXON: So you'll be granted your
5 work card.

6 MR. LINCOLN: Thank you.

7 BOARD CHAIR NIXON: And work with the PILB for
8 the next steps, okay.

9 MR. LINCOLN: Okay. So do I call them?

10 BOARD CHAIR NIXON: They will contact you.

11 MR. LINCOLN: They will contact me. Okay. Thank
12 you. You guys have a wonderful day.

13 BOARD CHAIR NIXON: Thank you.

14 BOARD MEMBER GRONAUER: Ask them about the
15 licensing and things like that, okay.

16 MR. LINCOLN: Yes, sir.

17 MR. INGRAM: Mr. Lincoln?

18 MR. LINCOLN: Yes.

19 MR. INGRAM: Supervisor Investigator Saladino is
20 going to give you his card. Reach out to him. We want to
21 make sure you completely understand what you can and can't
22 do. We'll work with you.

23 MR. LINCOLN: Thank you.

24 BOARD CHAIR NIXON: Jessie Gonzalez. Thank you,

1 sir.

2 MR. GONZALEZ: Good afternoon.

3 BOARD CHAIR NIXON: Good afternoon. Please tell
4 us a little bit about yourself and why you need a work card.

5 MR. GONZALEZ: My name is Jessie Gonzalez. I'm
6 44 years old. I moved out here to Nevada two years ago. I
7 am currently a supervisor at Walmart doing maintenance
8 technician work.

9 What I plan to do with the guard card is I, you
10 know, in my position right now I manage some wonderful
11 people, one of them being Art Moreno, who is the supervisor
12 for Safe Management, who does the contracting for Allegiant
13 Stadium and he offered me a job. Also Mr. Phillips, who is
14 the owner of Allied Universal, I got to meet him. Great guy.
15 He also offered me a position and kind of steered me the
16 right way to go in getting my guard card.

17 Of course, with information in front of you you
18 already know I was denied because of a couple of felonies
19 that I got that happened, I want to say a different life ago.
20 I was 20 years old, but I'm not going to deny, you know, that
21 I did, I committed those offenses. Like I said, I was a kid.

22 In that time I've managed to, last month I
23 grabbed my certification in alcohol and addiction counseling
24 where I plan on furthering my education. But unfortunately

1 with everything else it costs money. You want to further
2 your education. You want to go back to school. And I do
3 have two wonderful 12 year olds at home that just love to eat
4 so, you know, I have to keep a full time job. I have a wife,
5 a wonderful wife who's getting her master's degree in
6 accounting. I'm also putting her through school.

7 So with this opportunity I'll be able to keep my
8 position at Walmart and be able to supplement my income with
9 a part-time for a weekend -- weekend job.

10 BOARD CHAIR NIXON: Thank you, sir. And I
11 applaud you for the work you've done to get here. So thank
12 you for that.

13 Board, are there any questions?

14 BOARD MEMBER GRONAUER: Yes. This is Gronauer.
15 I had a question for the investigator. I had a question for
16 Mr. Swarthout. Zach, you said you have another summary.
17 Explain some stuff here in this report.

18 INVESTIGATOR SWARTHOUT: Yes. So we're waiting
19 on the fingerprint results. We did get them back on the 9th.
20 It does show the arrest that he did disclose. There are some
21 other arrests that weren't disclosed. Most of them appear to
22 be 5-1 2019, reckless driving, domestic battery. It just
23 looks like he was arrested. No conviction there.

24 5-12 2018, domestic battery, reckless driving.

1 Just an arrest. No conviction there.

2 And then the 2017 DUI that he listed.

3 2015 there was a battery he was convicted of.

4 36 months probation. 12 days jail, the fine.

5 3-21 2012, a grand theft, money labor property
6 and vehicle theft. It just looks like arrest. There was no
7 conviction there.

8 January 1st, 2012, DUI and reckless driving. He
9 was convicted of the reckless driving, 48 months probation.

10 5-30 of 2004, failure to appear.

11 April 8th, 2003, DUI. So it looks like there was
12 an arrest.

13 January 8th, 2003, DUI. He was convicted of that
14 one. 36 months probation with a fine.

15 11-24 2001, robbery. That one was dismissed.

16 They have a March 29th, 1994, carry or sell
17 switchblade. It just looks like it was an arrest.

18 BOARD CHAIR NIXON: Thank you.

19 BOARD MEMBER GRONAUER: Sir, are you aware of all
20 of these other charges?

21 MR. GONZALEZ: Yes. Yes, I was. Yes, I was.

22 And I -- on my initial application I -- this is not something
23 I'm proud of, but I did allow two pages, I had to go back
24 inside to get a separate page. I have been sober, free of

1 drugs and alcohol for the past four years where I've been,
2 you know, going to counseling, NA meetings. Like I said, I
3 just got my certification in alcohol and addiction training.
4 And, yeah, I've made my mistakes in life. But, you know,
5 like everybody else I'm trying to put that behind me and move
6 on and better myself, enlist the ability of my family.

7 BOARD MEMBER GRONAUER: I understand making
8 mistakes when you're 17, 20, 23. I understand. When you're
9 in your 30s and you made those mistakes, you know, I get
10 concerned about the domestic violence that was just five
11 years ago. What was that?

12 MR. GONZALEZ: That was a heated argument between
13 my wife and I. And I'm just going to be completely
14 transparent. I had been drinking. She wanted to keep me
15 home. She didn't want me leave the house. We got into an
16 argument where I left. The police were called. In that
17 process they told my wife they couldn't do nothing about it
18 because I'm a grown man. So the cop kind of led her to did
19 he touch you. Did he push you. Did he hit you. And my wife
20 responded, well, he bumped on the way out the door.

21 BOARD MEMBER GRONAUER: Okay.

22 MR. GONZALEZ: That was enough to -- to order an
23 arrest. I did go through my domestic battery classes. I did
24 my 12 days. Did I deserve it? Absolutely. I shouldn't have

1 been trying to leave.

2 BOARD MEMBER GRONAUER: Have you -- how long have
3 you worked at Walmart?

4 MR. GONZALEZ: Going on two years now.

5 BOARD MEMBER GRONAUER: That's your permanent
6 job?

7 MR. GONZALEZ: Yes, sir, it is.

8 BOARD MEMBER GRONAUER: And what is your
9 position?

10 MR. GONZALEZ: My position there is a maintenance
11 technician. I also have two character reference letters from
12 two top managers in asset protection and loss prevention that
13 they were nice enough to write for me. And it really shows
14 towards who I am now than as opposed to who I was on paper,
15 and I would really really like for you guys to take a look at
16 them.

17 BOARD CHAIR NIXON: Can I ask, are you in a
18 program now? You said you've been --

19 MR. GONZALEZ: No. No. I'm going through -- I'm
20 studying to be an alcohol and addiction counselor.

21 BOARD CHAIR NIXON: Okay. Are you currently in a
22 program?

23 MR. GONZALEZ: Yes.

24 THE REPORTER: I can't hear you.

1 BOARD MEMBER CORTEZ: This is Board Member
2 Cortez. I have some follow-up questions to what Board Member
3 Gronauer asked.

4 INVESTIGATOR JONES: Excuse me. Up here in the
5 north we couldn't hear anything before. Can you repeat that.

6 BOARD MEMBER CORTEZ: This is Board Member
7 Cortez. I'm doing some follow-up questions as to Board
8 Member Gronauer's questioning to the client knowing about the
9 ten incidents dating from 2013 to 2019. So you admitted to
10 knowing these but you did not list them. Is there a reason
11 why?

12 MR. GONZALEZ: I was going off of memory. The
13 reason why I was so specific with the younger aspect of my
14 criminal career I guess, I had that in front of me because I
15 did go to Los Angeles County, and I got everything that I
16 could possibly get for you guys to, you know like I said, to
17 try to be as transparent as I can. In regards to the San
18 Bernardino cases I was just trying to go off memory.

19 BOARD MEMBER CORTEZ: Right. I understand that.
20 But unfortunately 2019 is not that far away. I am seeing a
21 pattern of DUI, so.

22 MR. GONZALEZ: Yes.

23 BOARD MEMBER CORTEZ: I'm thinking maybe that
24 might have contributed to it but there's ten of them, not,

1 one, not two, but ten unlisted.

2 MR. GONZALEZ: DUI's.

3 BOARD MEMBER CORTEZ: No criminal contact which
4 is specific. I'm just a little confused. You listed six but
5 there's ten additional ones. So do you see my confusion --

6 MR. GONZALEZ: Yeah, I can --

7 BOARD MEMBER CORTEZ: As to why --

8 MR. GONZALEZ: Yes. Yes.

9 BOARD MEMBER CORTEZ: Okay.

10 MR. GONZALEZ: I can assure you of my knowledge
11 of three which was the rest are --

12 BOARD MEMBER CORTEZ: Which is fine. I get that.
13 Thank you. And I don't meant to cut you off.

14 MR. GONZALEZ: Yes.

15 BOARD MEMBER CORTEZ: But there's ten of them.
16 So to say three --

17 MR. GONZALEZ: No.

18 BOARD MEMBER CORTEZ: -- I know for a fact when
19 I've gotten into issues I'm going to remember, especially if
20 I'm behind bars. So I don't mean to minimize what you're
21 saying but it's just concerning to me. There's ten of them.

22 MR. GONZALEZ: Yes. There's three convictions.
23 The other are, I believe they are violations.

24 BOARD MEMBER CORTEZ: And the application

1 indicates any contact, any state, any disposition. And with
2 that I'll end it. Thank you.

3 BOARD MEMBER BROWN: This is Board Member Brown.
4 I have questions for Mr. Gonzalez. Investigator Swarthout
5 indicated that there was a domestic violence related incident
6 in 2018 and 2019, so you've got three years in a row. Tell
7 me about the 2018 domestic violence.

8 MR. GONZALEZ: No. No.

9 BOARD MEMBER BROWN: What conviction were you
10 arrested for?

11 MR. GONZALEZ: No, sir. I have only one domestic
12 violence and that happened -- I don't mean to question
13 Zachary but, no, I have one conviction on domestic violence.

14 BOARD CHAIR NIXON: Okay. So let's hang on.

15 MR. GONZALEZ: Okay.

16 BOARD CHAIR NIXON: Can you clarify.

17 MR. GONZALEZ: I have not had police contact in
18 many many years.

19 BOARD CHAIR NIXON: Okay. Hang on one second.

20 INVESTIGATOR SWARTHOUT: They were found on his
21 fingerprints. It just looks like it was most likely just an
22 arrest. It does not show a conviction or anything else.

23 BOARD CHAIR NIXON: So when did they happen?

24 INVESTIGATOR SWARTHOUT: I show a 2017, 2018 and

1 2019.

2 BOARD CHAIR NIXON: Okay. Were they related in
3 any way?

4 INVESTIGATOR SWARTHOUT: They all have different
5 case numbers associated with them.

6 BOARD CHAIR NIXON: So you're unaware of the
7 incident in 2017?

8 MR. GONZALEZ: No. I'm aware of one that I
9 pleaded guilty for.

10 BOARD CHAIR NIXON: Which one was that? What
11 year?

12 MR. GONZALEZ: That I don't remember. I can call
13 my wife. She's outside.

14 BOARD CHAIR NIXON: Okay.

15 MR GONZALEZ: And she'll be able to -- she has a
16 better memory than me. But, no, domestic violence there was
17 one. And, like I said, I did my time in jail. I got out. I
18 did my program and that was it. And I did violate those
19 conditions on two occasions when I needed, because they gave
20 me like six months to complete it and I didn't complete it
21 within that time span. So I violated and then went back to
22 jail for like a day or two and then got out ask re --
23 re-established myself in the program.

24 BOARD CHAIR NIXON: Okay.

1 MR. GONZALEZ: But as far as convictions, no,
2 there was one and a one time incident only.

3 BOARD CHAIR NIXON: Okay. So, Zach, is there any
4 way that that's -- those other two are based off of that one?

5 INVESTIGATOR SWARTHOUT: Investigator Saladino
6 for the record. While we're looking at San Bernardino court
7 records, it could be that they were from one single incident.
8 The way the fingerprints are reading, it's DUI, battery,
9 reckless driving 2017. 2018 shows battery, reckless driving
10 on a highway. And 2019, reckless driving and battery. So it
11 could be one case --

12 BOARD CHAIR NIXON: The first one.

13 INVESTIGATOR SALADINO: -- re-occurring on the
14 fingerprints. We are checking the court record right now to
15 see if they are uploaded into San Bernardino.

16 BOARD CHAIR NIXON: Okay.

17 MR. GONZALEZ: I can reassure you that that is
18 the case because I have not -- because of the program.

19 BOARD CHAIR NIXON: Yeah.

20 MR. GONZALEZ: I wasn't able to finish it in
21 their time that they gave me so I kept going back and forth.

22 BOARD CHAIR NIXON: Okay. Sir, let them confirm
23 that for us and then we'll be able to move on.

24 Were there any other questions?

1 BOARD MEMBER GRONAUER: This is Gronauer. It's,
2 especially with California, San Bernardino, I'm very familiar
3 with some of the cases I've investigated that he was arrested
4 for domestic violence and then he didn't complete his
5 program. They rearrested him. It doesn't always come back
6 on the same case. I mean, it doesn't show the same case
7 numbers because now you open a new case.

8 MR. GONZALEZ: Because it's a violation, correct.

9 BOARD MEMBER GRONAUER: The other one is
10 adjudicated. As far as they're concerned you violated. So
11 I've seen this very very often.

12 BOARD CHAIR NIXON: Okay. So do we want to take
13 a quick recess or have -- yeah. So I think what we're going
14 to do, sir, is trail you. Let us figure that part out
15 because I think that would help us make a better decision.
16 Let us have you sit down again. We'll bring somebody else up
17 and then we'll find out what they figure out, okay.

18 All right. Thank you, sir.

19 Jim Ongory, are you on? Okay. Thank you, sir.
20 Welcome. Could you please tell us a little bit about
21 yourself and what your intentions are with your work card.

22 MR. ONGORY: Hi. My name is Jim Ongory. I'm
23 49 years old. I'm from Hawaii. I just moved here a little
24 over three months now. I've been sober since May 5th, 2003.

1 I've been back home about 23 years now at the labor union.

2 Before I came here I was working for Hawaii
3 Dredging. I was a general labor foreman for them for
4 15 years. I also owned my own company. It was a lawn
5 service. The reason why I'm in Vegas is because of COVID.
6 Hawaii is just too expensive. I have a seven -- I have three
7 boys. My oldest is 26 and my second oldest is 18. They are
8 still back home in Hawaii. My youngest is seven.

9 I moved here because more opportunity, and I just
10 wanted to get something better for him, you know, better life
11 for him here. So I moved here. I'm currently in the union
12 here, Local 872. I'm on the list. I currently work for
13 Amazon full-time and I also work for Safe Management too.

14 BOARD CHAIR NIXON: For Safe Management?

15 MR. ONGORY: Yeah. There were a couple of guys
16 saying that they worked for, you know, Allegiant Stadium,
17 Safe Management.

18 BOARD CHAIR NIXON: Okay.

19 MR. ONGORY: The reason why I'm here is because I
20 wanted to -- I'm currently a guest experience and like a host
21 up there, but I wanted to do security for them because it's a
22 little more pay.

23 BOARD CHAIR NIXON: Okay. All right. Well,
24 thank you.

1 So, Investigator Swarthout, just so I understand,
2 he did disclose?

3 INVESTIGATOR SWARTHOUT: Yes, he did.

4 BOARD CHAIR NIXON: All convictions?

5 INVESTIGATOR SWARTHOUT: Yes.

6 BOARD CHAIR NIXON: Are there any questions from
7 the Board?

8 BOARD MEMBER GRONAUER: Gronauer. Investigator
9 Swarthout, are the fingerprints back on him?

10 INVESTIGATOR SWARTHOUT: Yes. They just came
11 back and they do confirm all of the arrests.

12 BOARD MEMBER GRONAUER: Thank you.

13 BOARD CHAIR NIXON: Are there any other
14 questions?

15 BOARD MEMBER BROWN: This is Investigator Brown.
16 I want to make sure that it might be a situation like we had
17 with the last gentleman. There are three cases of abuse of
18 family. One, I'm wondering if that's one case and then
19 probation violation so it come up again like the last
20 gentleman. And, two, I would like to know what abuse of
21 family or household member is. Is it Hawaii's version of
22 domestic violence?

23 BOARD CHAIR NIXON: So your convictions of abuse
24 of family what does that mean? What happened?

1 MR. ONGORY: Well, we got into an argument, you
2 know, me and my previous wife.

3 BOARD MEMBER CORTEZ: Significant other?

4 MR. ONGORY: Yes, significant other. We were
5 both drug users. I used crystal meth for many years. I'm
6 clean and sober for 18 years now. And I don't know, it was
7 just toxic. So I'm not going to lie about anything. I
8 pleaded guilty to it and it's all behind me now, so.

9 BOARD MEMBER BROWN: Okay. Sir, are those three
10 different arrests for that abuse of family?

11 MR. ONGORY: You know, it could be. I mean, it's
12 been so long. You know, I can't really tell you. But, you
13 know, I pleaded to it so I can't tell you. I can't remember.
14 I just -- you know, it's part of my history and it is what it
15 is. You know, I'm just trying to move forward.

16 BOARD CHAIR NIXON: Were you in Honolulu?

17 MR. ONGORY: Yes.

18 BOARD CHAIR NIXON: I was stationed there.

19 BOARD MEMBER BROWN: Mr. Ongory?

20 MR. ONGORY: Yes, sir.

21 BOARD MEMBER BROWN: Mr. Ongory, your 2006 charge
22 says unauthorized control of a propelled vehicle. I assume
23 that that might be related to a car rather than a plane or a
24 drone.

1 MR. ONGORY: Yes, sir. Yes. It was a car, sir.

2 BOARD MEMBER BROWN: Is that a DUI?

3 MR. ONGORY: No. That was a stolen car. I was
4 in a stolen car.

5 BOARD MEMBER BROWN: Stolen car?

6 MR. ONGORY: Yes.

7 BOARD MEMBER BROWN: Okay. Same thing in 1999,
8 unauthorized entry in a motor vehicle. It says vehicle
9 burglary.

10 MR. ONGORY: Yes. I was in a stolen car. Yes,
11 sir.

12 BOARD MEMBER BROWN: Okay. Thank you. No
13 further.

14 BOARD CHAIR NIXON: When you said you were in a
15 stolen car, did you steal the car?

16 MR. ONGORY: I didn't steal the car.

17 BOARD CHAIR NIXON: Okay.

18 MR. ONGORY: But I was driving the car. I didn't
19 steal it. Somebody stole it and I used it. You know, I was
20 young and stupid, you know.

21 BOARD CHAIR NIXON: Okay. Any other questions?

22 MR. ONGORY: Can I say something?

23 BOARD CHAIR NIXON: Sure.

24 MR. ONGORY: Just to reflect. Since 2003 I

1 finished, I went through drug rehab, Salvation Army, ATS. I
2 did a two-year program, one year residential and one year
3 outpatient. I graduated from that, you know. And I've been
4 clean. I didn't mention that earlier. So I just wanted to,
5 you know, let you guys know.

6 BOARD CHAIR NIXON: Thank you. Congratulations
7 on that.

8 MR. ONGORY: Thank you.

9 BOARD CHAIR NIXON: Are there any other
10 questions?

11 BOARD MEMBER GRONAUER: Yes. This is Gronauer.
12 Sir, you said you were clear or clean for the last 18 years?

13 MR. ONGORY: Yes, May 5th, 2003.

14 BOARD MEMBER GRONAUER: And are you in any
15 programs now?

16 MR. ONGORY: No, I'm not in any programs.

17 BOARD MEMBER GRONAUER: What kind of work --

18 MR. ONGORY: I was in AA and NA back home on the
19 Big Island. But ever since I came here I didn't go to any
20 classes yet. I'm working two jobs. Right after this I gotta
21 go to work.

22 BOARD MEMBER GRONAUER: Everybody drinks in Kona.
23 What do you do now?

24 MR. ONGORY: I work at Amazon right now.

BOARD MEMBER GRONAUER: Okay.

MR. ONGORY: Full-time. And I work at Allegiant Stadium.

BOARD MEMBER GRONAUER: You drive a vehicle or you --

MR. ONGORY: Well, I'm in the warehouse right now. But I just got an interview yesterday to drive the buggies, the transport cart so I'm just hoping on that. That way can I probably just quit the whole construction thing because I'm kind of getting old and just stick with that because Amazon has an awesome, you know, benefit.

BOARD MEMBER GRONAUER: Okay.

MR. ONGORY: And I'm also in a union here, so.

BOARD MEMBER GRONAUER: Thank you.

BOARD CHAIR NIXON: Any other questions?

Okay. If there are no further questions, I'll entertain a motion.

BOARD MEMBER BROWN: This is Board Member Brown. I move that we approve the appeal and allow Mr. Ongory to get his work card based on time and distance from these charges.

BOARD CHAIR NIXON: Okay. We have a motion. Do we have a second?

BOARD MEMBER CORTEZ: Board Member Cortez. I'll second the motion to overturn the denial.

1 BOARD CHAIR NIXON: Okay. So I have motion. I
2 have a second. All in favor say aye.

3 (The vote was unanimously in favor of the
4 motion.)

5 BOARD CHAIR NIXON: Congratulations, sir.

6 MR. ONGORY: Thank you, folks.

7 BOARD CHAIR NIXON: Best of luck to you. Thank
8 you.

9 Okay. Moving along, Mr. Edward Mesa. Are you in
10 the room?

11 MR. MESA: Good afternoon.

12 BOARD CHAIR NIXON: Good afternoon, sir. Tell us
13 a little bit about yourself and your reason for the guard
14 card.

15 MR. ONGORY: I'm trying to sum it all up. I am
16 from Tampa, Florida. I lived there for about 15 years. I
17 worked for ADT. I've done a lot of personal security work.
18 I've worked in a men's night club. Just lost a friend of
19 mine skiing that was going to write a letter but he passed
20 away. I have the letter from the hiring manager and the
21 director from the Fashion Show Mall. That's what I'm trying
22 to get.

23 The lady that helped me told me that they are
24 going to deny it. So she did all this for me to be able to

1 get this date with you all. I appreciate your alls time for
2 this motion to try to get this. I'm trying to get this
3 security card.

4 The most thing that really is amazing to me is I
5 work for the Super Bowl. When Pittsburgh played Arizona I
6 worked for the George Steinbrenner's Field. I got approved
7 to get the job and it was an FBI, an incredible check because
8 you go to players house and whatnot, and I didn't get it
9 because someone else that was older decided to want to do
10 this. And this job, whether rain, shine or thunder you have
11 to work. You know, you work three days off, you work 15 days
12 straight. So I didn't get the job, but that went through the
13 Super Bowl.

14 And last one I left town. I got the school
15 district to call me and they wanted to give me a job. When I
16 did the background check it cleared with him. I don't know
17 if it was seven or ten years. And then now I get denied for
18 a hiccup that I had 33 years ago, to be exact 32 years ago.
19 I was 17. I had just got tried as an adult. I went to the
20 Clark County. I almost died in there. I had a concussion to
21 the skull. I had a lot of injuries. It was going to get my
22 property and not commit crime, to not do nothing. I was
23 raised properly or differently. So I wasn't raised to -- you
24 know, I didn't burglarize and didn't when I was young. That

1 wasn't me.

2 So it was just for shack that was given to me,
3 wanted a visual up here, and I didn't want to be by her and I
4 left. So I knew that it had ended up with her. So I went
5 and it was there in the living room, got my hat and left. I
6 was going to spend the night over at a friend's house. When
7 I got back there was cops everywhere. They arrested me. I
8 did three months, four months in high power with Robert
9 Weeks. There was an unsolved mystery, with a lot of bad
10 people.

11 The only thing that saved me was that my brother
12 is an ex pro boxer. He spent 31 years in the Mirage. And I
13 have martial arts and boxing experience. If it wasn't for
14 that I would have been in bad shape. I had to be always
15 isolated alone because of this. And the charges were
16 lewdness with a minor to intent, burglary with intent and
17 battery with intent.

18 I didn't do no burglary. I didn't touch her. I
19 went to get my property. So they dropped everything. They
20 scared me. I was looking at 30 years. So I took, it scared
21 me, the three years probation. I didn't know the Oscar
22 Goodman. That's a good friend of mine. I didn't know Rosco
23 Jimenez's son. I didn't Carmichael Lucci, all of the lawyers
24 that I know, that could help me. So I took the deal, three

1 years and that was that.

2 I've had hiccups since, but they had been far. I
3 have not been in trouble. I have my certificate for carpet
4 cleaning. I have my own business that I sold to my brother,
5 and I want to get this job because I want to be with the
6 director and they really want me on board at the Fashion Show
7 Mall. I'm a good candidate for them, and I think I would be
8 good. I would give them my all.

9 BOARD CHAIR NIXON: Okay. Thank you, sir. And
10 what do you do currently?

11 MR. ONGORY: I have -- I'm working for a
12 gentleman right now in the Signature Hotel in the MGM
13 part-time. And I'm doing my carpet cleaning. You know, jobs
14 that are coming. My brother is running it, other people that
15 know I do great work. Carmine and Kenny are a friend of
16 mine.

17 BOARD CHAIR NIXON: Okay. Thank you.

18 Board, any questions?

19 BOARD MEMBER GRONAUER: Investigator, are
20 fingerprints in?

21 INVESTIGATOR SWARTHOUT: Yes. We did receive his
22 fingerprints. There are a couple of arrests that weren't
23 listed on his application. They are all from out of state.
24 One of them was from San Diego. The original arrest was for

1 August 18th of 2000. Original charges were rape of spouse by
2 force, sodomy, threatened crime, intent to terrorize. What
3 he ended up being convicted of was inflict corporal injury on
4 spouse cohabited. He was convicted three years. Probation,
5 180 days jail for that one.

6 And then out of Florida, March 27, 2005, DUI
7 misdemeanor, convicted.

8 And then May 26, 2006, DUI misdemeanor, convicted
9 out of there.

10 And then out of Arizona there is August 2nd,
11 1997, DUI, which he was convicted of.

12 And then there was a March 20th, 1998, he was
13 making false reports, a misdemeanor. It does not show as a
14 conviction, just as an arrest.

15 BOARD MEMBER GRONAUER: Okay. This is going to
16 be a question for our Chief. It says that prior to him
17 applying he contacted Chief Irizarry numerous times to
18 discuss his arrest history and the possibility he got a minor
19 dismissed offenses out of state. It seems like he was trying
20 to make every attempt for assistance.

21 MS. IRIZARRY: Chief Irizarry. Yes, Mr. Mesa, he
22 -- he's contacted me I would say probably more than ten or so
23 times since he applied. He was -- I did advise him list
24 everything. He did mention I don't know if I remember

1 everything. He did go the extra effort to go -- I know he
2 doesn't have transportation. He went to get his scope here
3 in Las Vegas, and I believe he got some other court documents
4 or he was able to get some information from I want to say
5 Florida. He did mention numerous times I don't know if
6 there's anything else anywhere else.

7 I guess I would testify that he had mentioned
8 consistently or every time we spoke that he was trying to
9 make an effort to remember or to get the information, but I
10 believe that's all he had listed at the time.

11 MR. ONGORY: And when I did -- when I did this
12 they -- I didn't -- I wasn't allowed in, and I tried to put
13 everything. I wouldn't hide nothing. And I wanted to touch
14 on a few of the cases.

15 BOARD CHAIR NIXON: Let's let her finish first.

16 MS. IRIZARRY: I'm sorry. Chief Irizarry. What
17 Mr. Mesa was referring to is when he said he wasn't allowed
18 in, he did bring his arrest history down to the office but it
19 was his scope which would only list his Nevada arrests which
20 I did explain to him. So I did review -- I did review it,
21 gave it back to him and explained these are the arrests that
22 I have here locally that are showing on your scope. And
23 anything else outside of Nevada wouldn't show up on this
24 scope. So I believe that's what he was referring to.

1 MR. ONGORY: Yeah, I didn't have --

2 BOARD MEMBER GRONAUER: You had some very
3 significant charges that haven't been listed and that's one
4 of the things I'm a little concerned about.

5 MR. ONGORY: Right. I didn't have no idea --

6 BOARD MEMBER GRONAUER: Excuse me. You really --
7 you can see that you tried, okay. And you have an extensive
8 rap sheet. With that rap sheet you're going to forget some
9 things, I get it, but there's some things on there I don't
10 think you should ever forget.

11 MR. ONGORY: Yeah.

12 BOARD MEMBER GRONAUER: So I have some concern
13 with that.

14 MR. ONGORY: And I apologize for that sincerely.

15 BOARD MEMBER GRONAUER: Okay. I'm just telling
16 you I have concerns. Thank you.

17 BOARD CHAIR NIXON: Board, are there any other
18 questions?

19 BOARD MEMBER BROWN: This is Board Member Brown.
20 I have the same concerns because I find it very hard to
21 believe that you remembered non sufficient funds from 2000
22 but you didn't remember from the same year the charges that
23 Investigator Swarthout explained in San Diego which were very
24 severe.

1 MR. ONGORY: Right.

2 BOARD MEMBER BROWN: I have a hard time believing
3 that.

4 MR. ONGORY: That had me very worried because I
5 wanted to list everything. And I've been like going -- I
6 would have put it. I had no reason to deny it. I have no
7 reason at all to hide nothing, especially when I'm coming to
8 the Board to try to get this. You know, I'm just trying to
9 change my life. And my life is in your hands because I need
10 this job. And I apologize for that. I would have put it.

11 BOARD CHAIR NIXON: Sir, I appreciate that.
12 Thank you. I think we understand that you tried. It's just
13 hard for us to believe that, if you can understand, that you
14 can remember writing a bad check and listing that but not
15 listing more serious crimes. So that's what we're having a
16 hard time with.

17 MR. ONGORY: I'm sorry.

18 BOARD MEMBER GRONAUER: Your life is not in our
19 hands, okay. The ability to work with a work card in certain
20 industries is not in our hands. However, your life is in
21 your own hands.

22 MR. ONGORY: Exactly.

23 BOARD MEMBER GRONAUER: It always has been and it
24 always will be.

MR. ONGORY: I'm 52.

BOARD MEMBER GRONAUER: Stop. Stop. I didn't -- it's not for discussion. I'm just telling you right now.

MR. ONGORY: Okay.

BOARD MEMBER GRONAUER: So I appreciate what you tired to do. But it just -- it seems like there's some significant things that just weren't there at the same year as Commissioner Brown said.

MR. ONGORY: I'm sorry.

BOARD MEMBER GRONAUER: Thank you.

BOARD CHAIR NIXON: All right. Are there any other motions questions from the Board?

Okay. If no further questions, I'll entertain a motion.

BOARD MEMBER CORTEZ: This is Board Member Cortez. I am going to motion that we uphold the denial at this time. I too share the exact same concerns. There's no way that anyone should forget a conviction of a rape and sodomy.

MR. ONGORY: But that -- but that wasn't --

BOARD CHAIR NIXON: Sir, your time to talk is

1 over here.

2 MR. ONGORY: All right.

3 BOARD MEMBER GRONAUER: Gronauer. Second.

4 BOARD CHAIR NIXON: Okay. So I have a motion. I
5 have a second. All in favor say aye.

6 (The vote was unanimously in favor of the
7 motion.)

8 BOARD CHAIR NIXON: All opposed, okay. So,
9 again, sir, thank you for your information and for applying.
10 I would encourage you to come back in a year. We have now
11 your entire history and you can ask the PILB for a copy of
12 that I believe, and we'll revisit your request. Thank you,
13 sir. Good luck.

14 It looks like we're ready to go back to item
15 number 73 that we trailed. Is Mr. Jessie Gonzalez here.
16 Thank you, Mr. Gonzalez, for your patience.

17 MR. GONZALEZ: Thank you.

18 BOARD CHAIR NIXON: Okay. So where are we,
19 Investigator Saladino, or, Swarthout?

20 INVESTIGATOR SALADINO: Investigator Saladino.
21 So Chief Irizarry and I were able to look up on San
22 Bernardino's court records it was one 2015 arrest and it was
23 just probation, the court dates that reoccurred on the
24 fingerprint. So he was correct it was the one in 2015.

1 BOARD CHAIR NIXON: Okay. Outstanding. Thank
2 you.

3 Okay. So are there any other questions from the
4 Board?

5 Okay. If there are no other questions, I'll
6 entertain a motion.

7 BOARD MEMBER GRONAUER: This is Gronauer. I'll
8 make a motion to -- I make a motion to grant the denial --
9 overturn the denial of Jessie Gonzalez's for registration
10 that was denied. That was the decision of the Board. And my
11 reasons are I think with the programs you're in, the programs
12 you've done and the work history, your recent work history
13 that's a couple of years old, you're in good positions and
14 you have letters from people that are above you that know
15 you. So to me that's a big deal.

16 BOARD CHAIR NIXON: So I have a motion. Do I
17 have a second?

18 BOARD MEMBER BROWN: Board Member Brown. Second.

19 BOARD CHAIR NIXON: I have a motion. I have a
20 second. All in favor say aye.

21 (The vote was in favor of the motion.)

22 BOARD CHAIR NIXON: Any denials?

23 BOARD MEMBER CORTEZ: Nay.

24 BOARD CHAIR NIXON: So your motion is -- or the

1 motion is approved. You will get your work card. Please
2 work with the PILB.

3 MR. GONZALEZ: Thank you. Thank you so much.

4 BOARD CHAIR NIXON: Yep. Thank you, sir. Good
5 luck to you.

6 MR. GONZALEZ: I appreciate you guys.

7 MR. INGRAM: Kathy, for the record the one denial
8 was Cortez.

9 BOARD CHAIR NIXON: Okay. Cathleen or Clanthie
10 -- Clanthie Elchols, sorry. Clanthie Elchols here? Is Green
11 here? I'm so sorry. Are you on the phone? Are you up
12 north? Okay. We'll trail that one.

13 Janell O'Dell? Item number 77, Janell O'Dell.
14 Okay. We'll go ahead and trail that one.

15 Isaiah Delarose Delarose? Good afternoon.

16 MR. DELAROSE: Hello, everyone.

17 BOARD CHAIR NIXON: Hello. Thank you for your
18 patience. Please tell us a little bit about yourself and
19 what your intention of the guard card.

20 MR. DELAROSE: Hi. My name Isaiah Delarose. I'm
21 from Wisconsin. I recently just moved to Las Vegas, June
22 29th, a couple of days before my 30th birthday, the big one
23 so big move.

24 BOARD CHAIR NIXON: Okay.

1 MR. DELAROSE: I'm here to appeal my denial for
2 my guard card. Back in Wisconsin, in Milwaukee is where I'm
3 from, we have one casino in there. It's a Native American
4 Tribe casino. I've been there since I graduated high school,
5 and I've been there for ten years. And from there I came out
6 here.

7 BOARD CHAIR NIXON: Okay. And you're applying
8 for a guard card. It looks like in 2016 you had a
9 conviction.

10 MR. DELAROSE: Yes, ma'am, of a DUI. I believe
11 it's a go arm with firearm. It's basically a DUI with an
12 armed -- a firearm.

13 BOARD CHAIR NIXON: Okay.

14 MR. DELAROSE: Even though I had my CCW, because
15 of the fact I was influenced or intoxicated, it kind of just
16 cuts it out right away.

17 BOARD CHAIR NIXON: Okay. Understood.

18 MR. DELAROSE: Okay.

19 BOARD CHAIR NIXON: Are there any questions from
20 the Board?

21 BOARD MEMBER CORTEZ: This is Board Member
22 Cortez. Question for Mr. Delarose. Have you -- did you
23 happen to bring any of your court papers, court documents?

24 MR. DELAROSE: I did not, ma'am.

BOARD MEMBER CORTEZ: Investigator Jones, do we have the updated information? Did I hear something about fingerprint reports haven't been received. Can I get an update.

INVESTIGATOR JONES: Yes. This is Investigator Jones. We have received the fingerprints. The operating while under the influence resulted in a noncriminal citation. The firearm offense was as stated on your report. However, there was an additional weapons restriction shown on the fingerprint report. However, it does not specify what that restriction is.

BOARD MEMBER CORTEZ: Mr. Delarose, do you know what the restriction on the -- apparently there was a restriction on --

MR. DELAROSE: On the DUI case.

BOARD MEMBER CORTEZ: Correct.

MR. DELAROSE: I received probation. I wasn't able to have a firearm for the year. I had to keep a job for a year.

BOARD MEMBER CORTEZ: That's good.

MR. DELAROSE: Okay. Sorry. I was just trying to remember everything. I'm sorry.

1 BOARD MEMBER CORTEZ: No worries. I do
2 appreciate you did disclose that. That's all I need.

3 MR. DELAROSE: Okay.

4 BOARD CHAIR NIXON: Are there any further
5 questions?

6 Okay. If there's no questions, I'll entertain a
7 motion.

8 BOARD MEMBER BROWN: Board Member Brown. I move
9 that we grant the appeal and allow Mr. Delarose to get his
10 work card.

11 BOARD MEMBER CORTEZ: This is Board Member
12 Cortez. I'll second the motion.

13 BOARD CHAIR NIXON: So I have a motion. I have a
14 second. All in favor say aye.

15 (The vote was unanimously in favor of the
16 motion.)

17 BOARD CHAIR NIXON: Congratulations,
18 Mr. Delarose. So you'll work with the PILB.

19 MR. DELAROSE: Thanks a lot. Have a good day.

20 BOARD CHAIR NIXON: Thank you. They will get in

BOARD CHAIR NIXON: You have not been sworn in?

MR. GARZA: No.

MR. DETMER: Sir, if you could please raise your
right hand.

(Whereupon, the oath was administered.)

BOARD CHAIR NIXON: Thank you, sir.

Okay. Mr. Garza, tell us a little bit about
yourself and what your intentions are with the guard card.

MR. GARZA: Okay. My name is John Garza. I'm
from California. I'm 42 years old. And I'm currently
working with CSC. It's Event Staffing in California. And
I'm currently trying to get my guard card with them. I
passed all my classes and paid for the fee. And I'm just
waiting as I did my last scan, my last fingerprint scans with
them, and I was just waiting back for them.

But Nevada had, they came to my work saying that
they needed workers from Nevada to work the events over there
and but they want guard cards only. So I tried to do that.
I applied to do that. And they said, one of the ladies said
that I was probably going to get denied because of my past

1 record. But it was so long, she said I would probably have a
2 chance because it's so long that she gave me a number, so I
3 should call you guys for the appeal and that's why I'm here.

4 BOARD CHAIR NIXON: Okay. Thank you.

5 Are there any questions from the Board?

6 BOARD MEMBER BROWN: This is Board Member Brown.

7 I have a question first to Investigator Jones. Have we
8 received his fingerprint report?

9 INVESTIGATOR JONES: Investigator Jones. Yes, we
10 have.

11 BOARD MEMBER BROWN: Okay. Does that clear up
12 the 2018 warrant arrest for unknown charge?

13 INVESTIGATOR JONES: Investigator Jones. There
14 is no warrant on his fingerprint report. However, there were
15 two other arrests that were found on the fingerprints that
16 were not disclosed on the application.

17 BOARD MEMBER BROWN: Okay. Can you explain
18 those. And then I would like to revisit the arrest in 2018
19 that was disclosed to a warrant that said he went to jail. I
20 assume they don't put you in jail for nothing.

21 MR. GARZA: Oh, I'm sorry. I have probably maybe
22 a handful of driving suspended charges that, from probably
23 2015 and so on before then. And I never went to court for
24 those. So I'm pretty sure that's what they picked me up on

1 those warrant charges for.

2 BOARD CHAIR NIXON: Okay. So, Investigator
3 Jones, can you -- can you explain a little bit more what you
4 found in the fingerprint report.

5 INVESTIGATOR JONES: Certainly.

6 MR. GARZA: My DUI --

7 BOARD CHAIR NIXON: Sir? Sir, this is for the
8 investigator.

9 MR. GARZA: Okay.

10 BOARD CHAIR NIXON: Please hold.

11 MR. GARZA: Okay. I'm sorry.

12 INVESTIGATOR JONES: In 2002 out of California we
13 have a DUI with an unknown severity and unknown disposition.
14 And in 2013, controlled -- possession of a controlled
15 substance which resulted in two years probation and nine days
16 jail.

17 BOARD CHAIR NIXON: And do we have anything on
18 the 2018 incident, what that was specifically?

19 INVESTIGATOR JONES: Investigator Jones. There
20 is nothing on the fingerprint report regarding an active
21 warrant.

22 BOARD CHAIR NIXON: Was there any arrest in 2018?

23 INVESTIGATOR JONES: Investigator Jones. No.
24 The last arrest was in 2013. It looks like it was the

1 possession of that controlled substance I mentioned
2 previously.

3 BOARD CHAIR NIXON: Okay. So on the criminal
4 history where it says 2018 convicted, is that what the
5 applicant put down?

6 INVESTIGATOR JONES: That is correct. That is
7 what the applicant stated when he initially applied.

8 BOARD CHAIR NIXON: Okay. Board, are there any
9 other questions?

10 BOARD MEMBER BROWN: This is Board Member Brown.
11 I don't think so but I don't know that it was cleared up for
12 me.

13 Mr. Garza, let me go ahead and ask Mr. Garza.
14 Mr. Garza, do you recall being arrested in 2018 and you
15 believe it was for failure to appear on vehicle related
16 charges and driving related charges?

17 MR. GARZA: Yes, I believe so.

18 BOARD MEMBER BROWN: Okay. And you did spend
19 time in jail?

20 MR. GARZA: Yes, I did about ten days.

21 BOARD MEMBER BROWN: Okay. Thank you, sir. No
22 further questions.

23 MR. GARZA: Okay.

24 BOARD CHAIR NIXON: Okay. Sir, quick question.

1 Why did you not list the arrest of 2013 and 2002?

2 MR. GARZA: I completely forgot about that
3 arrest. It blew my mind. I totally forgot about it. I went
4 to go get my whole records and all that but I thought I could
5 just name them off the top of my head.

6 BOARD CHAIR NIXON: Okay.

7 BOARD MEMBER CORTEZ: This is Board Member
8 Cortez. Mr. Garza, the 2013 controlled substance charge,
9 what state was that in?

10 MR. GARZA: California.

11 BOARD MEMBER CORTEZ: And what was the substance?

12 MR. GARZA: Excuse me?

13 BOARD MEMBER CORTEZ: What was the controlled
14 substance?

15 MR. GARZA: Crystal, it was crystal meth I
16 believe.

17 BOARD MEMBER CORTEZ: Okay. So you completed
18 probation for that charge in 2015; is that correct?

19 MR. GARZA: Yes.

20 BOARD MEMBER CORTEZ: Were you just in possession
21 of or is there any substance abuse history?

22 MR. GARZA: No, there's none of that. It's just
23 I'm in the process of getting my license back right now too.
24 So that's why I'm trying to get all this stuff completed,

1 and.

2 BOARD MEMBER CORTEZ: I didn't hear the last
3 part. My question is are there any substance abuse issues
4 that we need to address at this time?

5 MR. GARZA: Oh, no. No.

6 BOARD MEMBER CORTEZ: Thank you.

7 BOARD CHAIR NIXON: Are there any other questions
8 from the Board?

9 If there's no other questions, I'll entertain a
10 motion. Second call for a motion on Mr. John Garza.

11 BOARD MEMBER BROWN: This is Board Member Brown.
12 I'm, and maybe the other Board Members are in the same
13 situation I am. I'm sort of conflicted on this one. He
14 didn't disclose a felony. He disclosed an arrest that we
15 didn't even know about and can't find out about but failed to
16 disclose a couple of others. So I'm sort of on the fence
17 about this one and the other Board Members may be also.

18 I'm going to go ahead and move that we grant
19 Mr. Garza's appeal and allow him to obtain his work card.

20 BOARD CHAIR NIXON: I have a motion. Do I have a
21 second?

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez. I'm right there with you, Board Member Brown, but at
24 this time I am going to second the motion to overturn the

1 denial and grant Mr. Garza his work card.

2 BOARD CHAIR NIXON: Okay. So we have a motion.
3 We have a second. All in favor say aye.

4 (The vote was in favor of the motion.)

5 BOARD CHAIR NIXON: Opposed?

6 BOARD MEMBER GRONAUER: Gronauer. No.

7 BOARD CHAIR NIXON: Okay. So the motion passes
8 four to one. Mr. Garza, you will be granted your work card.
9 The PILB will get in contact with you.

10 MR. GARZA: Okay. Thank you. I appreciate it.

11 BOARD CHAIR NIXON: You're welcome.

12 Jordan Lawson, are you in the room? Good
13 afternoon, sir. So tell us a little bit about yourself and
14 why you're here to get a work card.

15 MR. LAWSON: Jordan Lawson, local. 30 years old,
16 three kids and just been doing security since I was 18. So
17 kind of my bread and butter.

18 BOARD CHAIR NIXON: Okay. Have you been doing --
19 when you said you're a local you've been doing security in
20 Nevada then?

21 MR. LAWSON: Yes, ma'am.

22 BOARD CHAIR NIXON: Were you originally given a
23 work card?

24 MR. LAWSON: Yep. They took it because I was on

1 probation. I've been on probation since all year now.

2 BOARD CHAIR NIXON: So are you still currently on
3 probation?

4 MR. LAWSON: Nope. I sent Zach my discharge
5 papers too.

6 BOARD CHAIR NIXON: I do remember you came before
7 the Board before.

8 MR. LAWSON: I remember a couple of y'all faces.

9 BOARD CHAIR NIXON: Even with the mask on.
10 Okay. Are there any questions from the Board?

11 BOARD MEMBER CORTEZ: This is Board Member
12 Cortez. This question is for Investigator Saladino. Can I
13 see the video or transcripts for the 2019 denial.

14 INVESTIGATOR SALADINO: Investigator Saladino.
15 So in the 2019 hearing, Chairman Flynn did not have the Board
16 review the videos or pictures that were provided. It was
17 Mr. Lawson's car. It was taken under NAC and added to a
18 roster for not being professional, posting videos from body
19 cam footage of different incidents involving, you know,
20 people that he was detaining, searching, pepper-spraying.

21 At the time in 2019 Chairman Flynn focused in on
22 the fact that he was on probation for child abuse and said he
23 could come back after he was finished with his child abuse
24 case, which that was completed in May 12th of 2020.

1 BOARD CHAIR NIXON: So I have a question for you,
2 Mr. Lawson. What have you been doing since then?

3 MR. LAWSON: Working, taking care of the kids.

4 BOARD CHAIR NIXON: What have you been working?

5 MR. LAWSON: I was working at Snackers on Valley
6 View.

7 BOARD CHAIR NIXON: Okay.

8 MR. LAWSON: I was a cashier. Right now I'm at a
9 wedding chapel, Via Las Vegas.

10 BOARD CHAIR NIXON: Have you attended any anger
11 management classes, any --

12 MR. LAWSON: Yeah. They made me do impulse
13 classes and anger management classes, stuff like that. I
14 completed them now. I was doing all this stuff when I was on
15 probation.

16 BOARD CHAIR NIXON: Okay. If given the card what
17 are your intentions?

18 MR. LAWSON: Actually I've got some companies I
19 can go back to.

20 BOARD CHAIR NIXON: Okay. Are they regular
21 security companies?

22 MR. LAWSON: Uh-huh.

23 BOARD CHAIR NIXON: Event staffing.

24 MR. LAWSON: Uh-huh. Right now I'm looking at

1 buses. It's good pay right now.

2 BOARD CHAIR NIXON: Okay. That's armed?

3 MR. LAWSON: Yes.

4 BOARD CHAIR NIXON: Do you have an armed guard
5 card?

6 MR. LAWSON: I was armed before they took it. I
7 still have my card. I was at Big Horn. I was working
8 casinos.

9 BOARD CHAIR NIXON: That's pretty intense work.

10 MR. LAWSON: Which one, casinos or --

11 BOARD CHAIR NIXON: Both. Both. But being on
12 the buses, you're, you know, in a small confined area.

13 MR. LAWSON: Yeah, you're right.

14 BOARD CHAIR NIXON: Yeah.

15 BOARD MEMBER CORTEZ: Mr. Lawson, I have a
16 question for you. This is Board Member Cortez. Am I on?
17 Have you had several employers? Okay. This is Board Member
18 Cortez. Question for Mr. Lawson. How many previous employs
19 have you had within the last five years?

20 MR. LAWSON: Two or three.

21 BOARD MEMBER CORTEZ: Of those two or three did
22 you quit? Were you fired? Were you let go?

23 MR. LAWSON: Some of them I quit and some just, I
24 started to take off before try to cut those off.

1 BOARD MEMBER CORTEZ: Do you have a history of
2 any issues with your employers?

3 MR. LAWSON: No.

4 BOARD MEMBER CORTEZ: Okay. So it's been
5 reported that apparently you have been terminated for conduct
6 contrary to the company's many cases. Obviously everybody
7 has their own opinion as far as that. I do have statements
8 indicating that you're a different kind of patrol officer and
9 that your hands on. Explain to me what that means.

10 MR. LAWSON: I think I explained this, I don't
11 remember your name, but I explained this to you. But we had
12 talked about a year, year and a half ago. He had called me
13 and asked me what kind of guard are you. I was like for the
14 companies I work for are hands on companies. You know, it's
15 not like we at least making you call us as paying an armed
16 company, I have a resident here that doesn't want to pay rent
17 and he's an Airbnb. We don't get their arm. Just keep them.
18 I'll call Metro. No. No. We detain them, you know, wait
19 for Metro to get there and stop the problem. But what he
20 told me is you don't do that. You observe a report. I said
21 okay. Left it at that.

22 BOARD MEMBER CORTEZ: Do you agree or disagree
23 with that?

24 MR. LAWSON: I mean, this -- y'all make the rule.

1 I mean, if that's what they say don't do it don't do it.

2 BOARD MEMBER CORTEZ: Okay. So just to clarify a
3 little bit we don't make the rules as far as each and every
4 employer and their policies and procedures. As your job to
5 observe and report that is the job. It's out of your
6 jurisdiction to go above and beyond to use of force unless
7 it's an imminent and immediate threat.

8 I get what you you're saying because I do work
9 with officers that there's some of that mentally. However,
10 it's a very small line and you will find yourself in a
11 criminal courtroom facing criminal charges of assault,
12 battery of those natures. That's what I'm trying to avoid.

13 I am a little concerned with that because it
14 seems like it's a little bit of a trigger happy. I do have a
15 hot temper and I can. We have a situation here in 2020,
16 2019. I've got information that you're not necessarily
17 conducting under policies and procedures, going a bit above
18 and beyond use of force. It's an issue in today's day and
19 age. So I just -- I kind of wanted to get an idea. Do you
20 believe you have somewhat of anger issues or impulse control
21 issues?

22 MR. LAWSON: No. Like I was telling him, we
23 don't --

24 BOARD MEMBER CORTEZ: I need you to tell me

1 because I wasn't there for you conversation.

2 MR. LAWSON: I'm just trying to make sure I'm
3 talking into the mic. Like I was telling him when I spoke to
4 him on the phone a year, year and a half ago, we don't clock
5 in and, oh, let me just go out there and get hands on. No.
6 No. You get certain calls that you have to do your job. You
7 know, it's like do your job. You get fired for not
8 protecting people that's paying you. So it's like -- it just
9 depends on what type of situation you're in.

10 BOARD CHAIR NIXON: So can I ask a question. The
11 company -- I want to ask you what companies you've worked
12 for. But in the employment of those companies have they
13 taught you or have you been through any deescalation classes?

14 MR. LAWSON: Yeah. We go through all type of
15 training classes from firearms to baton, asps, Metro
16 training. We took -- some of the companies out here have
17 like Metro classes they will pay for and stuff. All you
18 gotta do is pay for the certificate and stuff like that.

19 BOARD CHAIR NIXON: Have you been through any of
20 them, and when I say deescalation meaning when you walk into
21 a hostile environment, you walk into a problem, like for
22 example on a bus, have they taught you how to bring all of
23 that down without using anything on your belt yet?

24 MR. LAWSON: Yes, ma'am. Actually being a

1 firearm carrier, yes. We don't actually go in, you know,
2 escalating the situation and trigger happy, yeah, or stuff
3 like that.

4 BOARD CHAIR NIXON: So you've gone through that
5 deescalation --

6 MR. LAWSON: Yeah.

7 BOARD CHAIR NIXON: -- and MOAB and all those
8 other courses.

9 MR. LAWSON: Uh-huh.

10 BOARD CHAIR NIXON: Okay. And so in that you do
11 understand, you know, as a private citizen you do not have
12 the power to arrest. And so, you know, not only for yourself
13 and you can put yourself in harms way and in addition, you
14 know, get arrested but your company as well, you know, both
15 of them. If there's someone that wants to sue you for doing
16 something that they felt was above and beyond what your scope
17 was that you could get arrested for that.

18 So we're just trying to understand your mentality
19 when you go into a situation. I do get that there's times
20 when it's escalated and you need to do other things. But we
21 have video and we have, you know, just all kinds of reports
22 that you seem to be a little bit more above and beyond, what
23 the kids call today extra, right. So we want that make sure
24 that, you know, you understand that. And that we don't take

1 the responsibility of putting you out on the streets. So
2 we're trying to understand where you're at in your head right
3 now before we make a final decision on whether or not we're
4 going to, you know, move forward with the guard card.

5 MR. LAWSON: Okay.

6 BOARD CHAIR NIXON: We appreciate that you have a
7 kid. You have kids and you have a family that you need to
8 support and all of that. But we need to understand and feel
9 comfortable that we're not releasing you out to the public to
10 cause harm.

11 MR. LAWSON: No. I get you.

12 BOARD CHAIR NIXON: Any further questions?

13 BOARD MEMBER BROWN: This is Board Member Brown.
14 I have a question for Investigator Saladino. At the bottom
15 of your summary it states that Mr. Lawson has been arrested
16 since his denial and cited for battery out of the Las Vegas
17 muni court. He's pled nolo, and he has a court date coming
18 up on October 5th. The battery, was it related to a job or
19 anything that he was doing, can you tell?

20 INVESTIGATOR SALADINO: Investigator Saladino. I
21 do not know about what the battery charge stems from but it
22 is correct he pled nolo and there is a hearing on 10-5.

23 Also there was a 2000, May 13th, 2000 arrest for,
24 it was guilty of a misdemeanor, possession drug charge and

1 firearm, and he did forfeit the weapon. They didn't convict
2 him of carrying a concealed weapon. It only was a
3 misdemeanor drug possession, and they had him forfeit the
4 weapon at that time.

5 BOARD MEMBER CORTEZ: Of this year?

6 INVESTIGATOR SALADINO: That was in 2020.

7 BOARD CHAIR NIXON: So if I understand correctly
8 then, there's still some court work to be done here?

9 INVESTIGATOR SALADINO: Correct.

10 MR. LAWSON: I have a status check October 5th to
11 make sure I get that -- the class she was asking about, the
12 impulse class.

13 BOARD CHAIR NIXON: Okay. Are there any further
14 questions?

15 If there's no further questions, I'll entertain a
16 motion.

17 BOARD MEMBER BROWN: This is Board Member Brown.
18 I move that we uphold the denial for the following reasons.
19 One, the pending court actions for battery. The information
20 that we've received about Mr. Lawson being a different kind
21 of officer and the criminal history of that we didn't even
22 touch on. Those are my reasons.

23 BOARD CHAIR NIXON: I have a motion. Do I have a
24 second?

1 BOARD MEMBER CORTEZ: Board Member Cortez. I
2 will second that motion.

3 BOARD CHAIR NIXON: Okay. I have a motion. I
4 have a second. All in favor say aye.

5 (The vote was unanimously in favor of the
6 motion.)

7 BOARD CHAIR NIXON: So, sir, we're going to
8 uphold the denial. You need to get through all your court
9 stuff before we can even consider, you know, granting your
10 work card. So at least get through that and then have a
11 conversation again and apply, okay?

12 MR. LAWSON: How long? A year?

13 BOARD CHAIR NIXON: But you have to -- you have
14 to be done with your court stuff before you --

15 MR. LAWSON: I know. Like I said, it's just a
16 status check.

17 BOARD CHAIR NIXON: Okay. All right. Yep.
18 After you get done with that then apply back in a year.

19 MR. LAWSON: Gotcha.

20 BOARD CHAIR NIXON: Okay. Thank you.

21 It's 3:30. Can we take just a real quick
22 five-minute break.

23 Okay. Thank you. We'll be back in five minutes.

24 (Whereupon, a brief recess was taken.)

1 BOARD CHAIR NIXON: Thank you, everyone, for
2 joining us again. We're going to go back and revisit some
3 items that we trailed this last session. I'm going to call
4 out the names. If you're here please identify yourself.

5 Item number 70, Pierce -- no, I'm sorry, Pierre
6 Burton, are you here or on the phone or up north? Pierre
7 Burton?

8 Okay. Clanthie Elchols Green. Going once.
9 Clanthie Green?

10 Okay. Janell O'Dell? Janell O'Dell?

11 Anthony Jimenez? Anthony Jimenez.

12 Okay. Yshonda Cobb? Yshonda Cobb?

13 Adam Finley?

14 MR. INGRAM: For the record Adam Finley has since
15 been -- he was put on the roster. He's been cleared.

16 BOARD CHAIR NIXON: Okay.

17 MR. INGRAM: So we no longer need to hear his
18 appeal. He will be getting his work card. And just I want
19 to make sure we don't deny him based on not being here.

20 BOARD CHAIR NIXON: Okay. Lenny Corella? Lenny
21 Corella?

22 I think that's it. So now do we block vote those
23 that we trailed or do we --

24 MR. DETMER: I believe you can do it that way.

1 That's correct.

2 BOARD CHAIR NIXON: Okay. So I'm going to ask
3 for a block vote, and we'll review all of the people that we
4 trailed real quick. If there's any discussion that needs to
5 be had over that then we'll pull them out.

6 So right now we have trailed item number 50,
7 Yshonda Cobb.

8 We have it looks like Lenny Cormier, item number
9 -- agenda item 56, Lenny Cormier. Let's see. That's it on
10 that page.

11 Item number 70, Pierre Burton.

12 Item number 76, Clanthie Elchols Green.

13 Item number 77, Janell O'Dell.

14 Item number 79, Anthony Jimenez.

15 I would like to take a block vote on those. I'll
16 entertain a motion if there's no discussion.

17 MS. IRIZARRY: Chief Irizarry. I apologize.
18 Director Ingram, should I note for the Board if these people
19 have been noticed or not. Some of them we were able to
20 notice and we did get a response from, others we did not.
21 Did you want to know those individuals at this time? Okay
22 one second.

23 Chief Irizarry. I'm going to go through the
24 agenda item. Let me know if I miss one.

1 Agenda item number 50, Yshonda Cobb, was spoken
2 to on the phone. She understood she needed to be here. We
3 followed up asking her to provide it in writing. She, and
4 with an e-mail. We never received a written response but a
5 verbal response that she understood she was to be here.

6 Number 56, Lenny Corella. That individual, we
7 made multiple attempts on the phone, e-mail. We sent them
8 the certified and regular mail. Nothing has -- have we
9 received a response back from, as well as the certified mail
10 receipt has also not been received.

11 Number 70, Pierre Burton. That individual was
12 sent an e-mail and was spoken to on the phone that they
13 understood. We asked for something in writing saying that
14 they actually needed to be here. They never responded in
15 writing, but it was a verbal response that they did
16 understand they needed to be present at the meeting. That
17 was 70, Burton, correct.

18 79, Clanthie Elchols Green. Similarly, they were
19 spoken to on the phone -- I'm sorry, 76. I'm sorry, 76.
20 Dyslexic, upside down. 76, spoke to on the phone that they
21 understood and they verbally confirmed they would be here.
22 We followed up with an e-mail, but they never responded back
23 to us that they knew that they were going to be here in
24 person.

1 77, Janell O'Dell, verbal confirmation
2 over-the-phone but did not respond back in writing, and we
3 followed up with an e-mail. We never heard back from Janell.

4 And the last one that I have here is Anthony
5 Jimenez. We tried reaching out with two phone calls, an
6 e-mail, the certified mail and regular mail. Nothing has,
7 did we receive a response from and the certified mail has
8 also not been received back.

9 MR. INGRAM: Thank you.

10 BOARD CHAIR NIXON: So can I ask, if no longer
11 responsive, they are removed, can we move forward with them
12 in the block vote.

13 MR. DETMER: Mike Detmer for the record. As long
14 as the statutory compliance for notice was observed I believe
15 the Board is okay.

16 BOARD CHAIR NIXON: Okay. So then I go -- and
17 thank you, Chief.

18 I go back to my original request for a motion on
19 the block vote. Is there any questions or concerns with that
20 block?

21 Okay. If there's no questions or concerns, I'll
22 entertain a motion.

23 BOARD MEMBER GRONAUER: This is Gronauer. I make
24 a motion that we in a block vote deny the following, deny the

1 appeals. Number 50, Yshonda Cobb. Number 56, Lenny Corella.
2 Number 70, Pierre Burton. Number 76, Clanthie Elchols Green.
3 Number 77, Janell O'Dell. And number 79, Anthony Jimenez.

4 BOARD CHAIR NIXON: So I have a motion. Do I
5 have a second?

6 BOARD MEMBER GRONAUER: The reason, that they
7 were notified and they have not responded.

8 BOARD CHAIR NIXON: Okay. So I have a motion.
9 Do we have a second?

10 BOARD MEMBER CORTEZ: This is Board Member
11 Cortez. I'll second.

12 BOARD MEMBER BROWN: Brown. I'll second.

13 BOARD MEMBER CORTEZ: Cortez will second.

14 BOARD CHAIR NIXON: I have a motion and several
15 seconds. All in favor say aye.

16 (The vote was unanimously in favor of the
17 motion.)

18 BOARD CHAIR NIXON: Okay. Motion passes.

19 So this is the agenda item number 82. I'm sorry.
20 Hang on one second. We're working on it. Okay. Agenda item
21 number 82, Melvin Loyal.

22 MR. LOYAL: How are you?

23 BOARD CHAIR NIXON: Good. How are you? Sir,
24 your work card was revoked pursuant to NAC 648.344. And you

1 are appealing your decision by the Board.

2 MR. LOYAL: Yes, ma'am.

3 BOARD CHAIR NIXON: Please tell us a little bit
4 about yourself.

5 MR. LOYAL: I'm 31. Can I take this off? I'm
6 31 years old. I moved out here from Long Beach, California.
7 I've been out here 15 years. I have two kids, 12 and 11.
8 I've been doing security basically ever since I moved out
9 here. I did retail at Walmart for a couple years. I've
10 always kept a job. I had my first kid at 18 but I've always
11 kept a job.

12 I didn't get in no serious trouble in Las Vegas,
13 Nevada until May -- May 9th, 2019, when I caught my CCW
14 charges. I did house arrest for probably like a month or so.
15 Two years of probation, no violation, no trouble, no dirty
16 piss tests. Got off, got off probation. I obtained my work
17 card again. I took my CCW class. I got my paperwork, my --
18 everything right here that's my CCW class. It was submitted
19 by Metro.

20 I made a mistake by having my gun concealed and
21 the whole incident I made a mistake. I just didn't know who
22 the undercover police were. I made a mistake. I don't ever
23 want to go through that again. That's why I took the time
24 to, when I got off I obtained my work card. I obtained my

1 CCW. My CCW just recently got submitted. I went to Metro.
2 I got all of that to prove to you guys.

3 I made a mistake. I just want to get back to
4 working. I got a good company I can go back to. I work
5 Security Service, 15th, the manager. I just want to get back
6 to work because Door Dash is not doing it for me. I just
7 want to get back to work. I made my mistake. I did my time.
8 I did two years, no trouble at all, no violation, no nothing.
9 I got all my information. When I got out I obtained my work
10 card again. I did my CCW class, passed it, submitted it with
11 Metro. Everything is right here, the fingerprints.
12 Everything is right here.

13 BOARD CHAIR NIXON: Okay.

14 MR. LOYAL: I just want to get back to work
15 because Door Dash and Grub Hub, it's not doing it for me. I
16 have myself and two kids to take care of. And, you know,
17 Door Dash ain't doing it.

18 BOARD CHAIR NIXON: I understand.

19 MR. LOYAL: You know, I made a mistake. I
20 apologize to you guys and myself, but I just want to get back
21 to work.

22 BOARD CHAIR NIXON: Okay.

23 MR. LOYAL: You know, I'm not a bad person. I
24 made a mistake. And I have these papers if you guys want

1 them.

2 BOARD CHAIR NIXON: Okay. We'll have you submit
3 them if we need them but let us --

4 MR. LOYAL: Yes, ma'am.

5 BOARD CHAIR NIXON: Thank you.

6 Are there any questions?

7 BOARD MEMBER GRONAUER: Investigator Saladino, is
8 there a follow-up of information and a summary, Investigator
9 Swarthout?

10 INVESTIGATOR SWARTHOUT: Investigator Swarthout.
11 Yeah, so the applicant did show me earlier that he did submit
12 into Metro for submitting a CCW. He did show me a class that
13 he took with, it appeared to be Herb Pasquele at Top Line
14 Defense for firearms training. We do have police reports if
15 the Board wants information on the arrest from the police
16 reports.

17 BOARD CHAIR NIXON: So if I could please because
18 I feel like I walked into the middle of a story here. What
19 was the arrest for?

20 INVESTIGATOR SWARTHOUT: So the first arrest was
21 May 9th, 2019, as for carrying a concealed -- concealed
22 weapon without a permit and resisting a police officer. From
23 the police reports, Metro was watching him because there was
24 an incident earlier on that he wasn't charged with until

1 May 12th for that charge.

2 And when they went to stop him, they were in an
3 unmarked car. They got in front of his vehicle. They
4 swerved so they would not hit. And when he got out of the
5 car he started reaching for a firearm that was in his belt.
6 When they identified themselves he did stop reaching. They
7 did retrieve the firearm and taken into custody with no
8 incident.

9 MR. LOYAL: That's true.

10 BOARD CHAIR NIXON: Okay. I did.

11 MR. LOYAL: I didn't know what --

12 BOARD CHAIR NIXON: Okay. Sir? Sir, let us
13 finish. So I just want to make sure he wasn't in uniform.
14 He wasn't on duty as far as security. Because it sounds like
15 he had a guard card and he was working security.

16 INVESTIGATOR SWARTHOUT: So at that time for that
17 incident no. The May 12th, 2019 arrest was related back to a
18 March -- April 30th, 2019 incident where he was at the Ahern
19 Casino, where is that, the Sahara and Las Vegas Boulevard
20 area. And in that incident the individual that reported said
21 that there was a green laser on his chest. And later on when
22 he got out of the vehicle, supposedly he showed him a firearm
23 that had a green laser attached to him. That's why he ended
24 up filing a police report because he felt that the firearm

1 was pointed at him at that point in time.

2 BOARD CHAIR NIXON: So at that time when he
3 pointed the firearm --

4 INVESTIGATOR SWARTHOUT: He was working for
5 Bedrock Security at that point in time.

6 BOARD CHAIR NIXON: And he was in uniform?

7 INVESTIGATOR SWARTHOUT: Yes.

8 BOARD CHAIR NIXON: Okay. Did he have an arm
9 guard card?

10 INVESTIGATOR SWARTHOUT: Yes, he did.

11 BOARD CHAIR NIXON: Okay. Board, are there any
12 other questions?

13 BOARD MEMBER BROWN: Hi. This is Board Member
14 Brown. I think I'm a little confused about the May 12th.
15 The charge is carrying a concealed weapon without a permit
16 but he was in uniform and had an armed card during that
17 incident?

18 INVESTIGATOR SWARTHOUT: Yes. So the original
19 incident started on May 30th -- April 30th of 2019. They
20 didn't charge him until after the fact for it.

21 BOARD CHAIR NIXON: So --

22 MR. LOYAL: So those two charges --

23 BOARD MEMBER BROWN: I guess based on the --
24 based on the explanation I'm a little confused because it

1 sounds like that the report was made because whoever, a
2 citizen or somebody felt that he had a gun pointed at him.
3 And it was later determined that our applicant may have had a
4 green laser on his weapon but he was working in an armed
5 uniform capacity so it wouldn't have been concealed. I'm
6 confused about the concealed part of it.

7 MR. LOYAL: Okay. I --

8 BOARD CHAIR NIXON: Hang on. Hang on. We'll let
9 you talk. Hang on.

10 So, Investigator Saladino?

11 INVESTIGATOR SALADINO: Yeah, Madam Chair,
12 Investigator Saladino. So based on the police report from
13 April 30th there was an incident involving someone who worked
14 with Ahern Security where the individual saw a red laser
15 pointed on his chest. After the applicant got out of the
16 vehicle and was talking with the individual he noticed that
17 he had a laser on his firearm. The individual filed the
18 report with Metro. They didn't have enough evidence based on
19 the surveillance video because they could see the Nissan
20 pulling up, the vehicle that he was in, pulling up to the
21 gate, and they could see a laser, but they couldn't determine
22 if there was a firearm in his hand or not. At that time Las
23 Vegas Metro didn't have enough evidence to make an arrest.

24 Then we, on the other arrest they had been, you

1 know, kind of watching him for a while. They noticed the
2 vehicle again. They initiated a stop. And the officers
3 pulled in front. The applicant pulled forward like he was
4 going to hit the vehicle, jumped out of the vehicle, went to
5 grab his firearm and that's when the cops identified
6 themselves and the applicant, you know, surrendered without
7 incident.

8 BOARD CHAIR NIXON: Okay. So if I understand
9 correctly, were they watching him because of the first
10 incident?

11 INVESTIGATOR SALADINO: Correct.

12 BOARD CHAIR NIXON: Got it. So were you
13 patrolling in your own vehicle, sir?

14 MR. LOYAL: No. So basically what happened, I
15 just got off work.

16 BOARD CHAIR NIXON: Okay.

17 MR. LOYAL: When they were doing surveillance.
18 They let me get all the way to, by the Boulevard Mall to stop
19 me. If you guys are watching me and doing surveillance on me
20 you should have got me right then and there when I walked off
21 of the job.

22 BOARD CHAIR NIXON: Okay.

23 MR. LOYAL: So I worked a seven day a week post.
24 I got various auto time all day everyday. I worked a seven

1 day a week post on Desert and Eastern. I got various auto
2 time. Do you think if I knew that was Metro I would have
3 acted like that? Hell no, I wouldn't. But the way they was
4 coming at my car it was like they were about to ram me. I
5 didn't know who they was. There wasn't no lights on or
6 nothing. So I did hop out of the car in defense because who
7 the hell are you. If you Metro, you got no lights on, no
8 nothing. I don't who you are. I work a seven a day post for
9 Bedrock, various auto time, all of this other stuff. I
10 didn't know who they was. Yeah, I never had my gun
11 concealed, correct. But I got up. I did my time. I did all
12 the right stuff. You know, I made a mistake.

13 BOARD CHAIR NIXON: Okay. Sir, I understand that
14 part. So I'm just trying to get to the root cause. So on
15 the initial incident where you pointed a weapon at an
16 individual.

17 MR. LOYAL: Never. So the whole thing that
18 happened when I pulled up to the gate.

19 BOARD CHAIR NIXON: Were you in a civilian car?

20 MR. LOYAL: Yes, ma'am.

21 BOARD CHAIR NIXON: Okay. Were you patrolling?

22 MR. LOYAL: No. I was going to my post because I
23 got off work from my post. They asked me where to go to that
24 post.

1 BOARD CHAIR NIXON: Okay.

2 MR. LOYAL: I was on my way there.

3 BOARD CHAIR NIXON: Okay.

4 MR. LOYAL: He put a bright ass light in my face.

5 BOARD CHAIR NIXON: Okay.

6 MR. LOYAL: I'm not going to lie to you. I'm in
7 the car. I pointed it back. I wasn't trying to point my
8 laser but my laser was on instead of my light. And we got in
9 there, you know, just acting like everything was cool. Me,
10 him, his partner, my partner, we're all talking. We're
11 joking around.

12 He goes upstairs and tells the main operation
13 manager, Bruce, I had a firearm and stuff. I got upset. I
14 was like, man, you know, if you have a problem you could have
15 talked to me about it. And I left. I went home.

16 BOARD CHAIR NIXON: Okay.

17 MR. LOYAL: As I got off work that day on
18 May 9th, I walked to my car. I noticed the Ford Fusion. I
19 never didn't think nothing of it because everybody has got a
20 tint in Vegas. It's hot. Didn't think nothing of it. You
21 know, I'm proceeding, going up Desert and get to the
22 Boulevard Mall because I'm picking up my girlfriend at the
23 time. So as I make a left there, I see that same Ford
24 Fusion, no lights, no nothing on, so that's why I reacted the

1 way I reacted.

2 BOARD CHAIR NIXON: Okay.

3 MR. LOYAL: Not because I'm in patrol in my car,
4 no. I don't know who the hell they were because I'm working
5 a seven day a week post. I get various auto time.

6 BOARD CHAIR NIXON: Okay.

7 MR. LOYAL: I'm a black man. So I'm not about to
8 just -- I'm not taking nothing from nobody these days.
9 People are crazy.

10 BOARD CHAIR NIXON: Okay. So hang on. So the
11 post at Ahern, right? You're going to a post at Ahern?

12 MR. LOYAL: Yes, ma'am.

13 BOARD CHAIR NIXON: And you have an arm guard
14 card which is correct, right?

15 MR. LOYAL: Yes.

16 BOARD CHAIR NIXON: Okay. Is that post, is that
17 an armed post?

18 MR. LOYAL: That post is an unarmed post.

19 BOARD CHAIR NIXON: It's an unarmed?

20 MR. LOYAL: That post was unarmed at the time.

21 BOARD CHAIR NIXON: Okay. And so why were you
22 going to that post with your weapon?

23 MR. LOYAL: It was in my car. It was actually on
24 me. So I'm not going to lie. I just made a mistake. I had

1 it on me.

2 BOARD CHAIR NIXON: Okay.

3 MR. LOYAL: And, you know, I should never conceal
4 it.

5 BOARD CHAIR NIXON: Okay.

6 MR. LOYAL: And I did my time and I did
7 everything to get back on track. As soon as I got off
8 probation, you know, I got off probation. I went and
9 obtained my work card again. I got my CCW. I did
10 everything. I made a mistake.

11 BOARD CHAIR NIXON: I understand.

12 MR. LOYAL: I mean, I'll never do it again. I
13 just want to work.

14 BOARD CHAIR NIXON: Okay. I understand, sir.
15 Thank you.

16 Board, are there any other questions?

17 BOARD MEMBER GRONAUER: I have one.

18 BOARD MEMBER BROWN: Yes. This is Board Member
19 -- this is Board Member Brown, if I can. Mr. Loyal, so in
20 that incident with Ahern, the, it was a co-worker who shined
21 a flashlight in your eyes and you said you made a mistake.
22 You meant to shine your flashlight but your laser was
23 actually on. Am I understanding that part?

24 MR. LOYAL: Yeah. I meant to flash my flashlight

1 because I got, it's a bright light on my little combo laser
2 thing. I meant to flash my light just being funny but
3 instead, you know, my beam came on. So, you know, it was a
4 simple mistake. Nothing in a threatening manner at all.

5 BOARD MEMBER BROWN: Okay. The laser and the
6 light are attached to a weapon?

7 MR. LOYAL: Yes, sir. They were on --

8 BOARD MEMBER BROWN: So you meant to hit him with
9 -- you meant to shine your flashlight at him but that was
10 attached to a weapon. So you instead pointed a weapon at a
11 co-worker. Whether it was flashlight or a light you pointed
12 a weapon at him; is that correct?

13 MR. LOYAL: Correct. No point in lying.
14 Correct.

15 BOARD MEMBER BROWN: Okay. Thank you.

16 BOARD MEMBER GRONAUER: This is Gronauer.

17 BOARD MEMBER BROWN: I believe --

18 BOARD MEMBER GRONAUER: I'm sorry. I thought you
19 were done, Mr. Brown.

20 BOARD MEMBER BROWN: I was. I was just going to
21 say I believe Mr. Gronauer had questions.

22 BOARD MEMBER GRONAUER: Thank you. What is your
23 name?

24 Here's the deal, what I want to know is you --

1 your company you were working for, did they buy you a weapon
2 or did you buy your own weapon?

3 MR. LOYAL: No, I bought my own weapon.

4 BOARD MEMBER GRONAUER: Okay. Does your company
5 allow you to use lasers?

6 MR. LOYAL: I didn't at the time.

7 BOARD MEMBER GRONAUER: Okay. Stop. Why do you
8 need --

9 MR. LOYAL: It was a flashlight.

10 BOARD MEMBER GRONAUER: Why do you need a laser?

11 MR. LOYAL: Well, it was a combo that came with
12 my light.

13 BOARD MEMBER GRONAUER: Why do you need a laser?

14 MR. LOYAL: I actually don't need a laser. I
15 just need the light.

16 BOARD MEMBER GRONAUER: I was a cop for 30 years
17 and didn't have to have a laser.

18 MR. LOYAL: I need a light. It's for when I'm
19 going into apartments and stuff.

20 BOARD MEMBER GRONAUER: All right. I don't want
21 to argue.

22 MR. LOYAL: No. No.

23 BOARD MEMBER GRONAUER: I'm just saying I don't
24 know why you need a laser.

1 MR. LOYAL: I didn't. It's just a combo.

2 BOARD MEMBER GRONAUER: Okay. Thank you.

3 BOARD CHAIR NIXON: Okay. Are there any other
4 questions?

5 Hearing no other questions, I'll entertain a
6 motion.

7 BOARD MEMBER GRONAUER: This is Gronauer.
8 Because of the incident and pointing a gun at a co-worker,
9 you know as well as I, if you were on the side you would have
10 done the same. I'm going to make, and also I don't agree
11 with having a laser as a security officer.

12 MR. LOYAL: I'm sorry.

13 BOARD MEMBER GRONAUER: I make a motion to uphold
14 the revocation of Melvin Loyal, R -- number R-2018-00473 and
15 uphold the revocation.

16 BOARD CHAIR NIXON: Okay. I have a motion. Do I
17 have a second?

18 BOARD MEMBER BROWN: This is Board Member Brown.
19 I second.

20 BOARD CHAIR NIXON: Board Member Cortez, did you
21 have further questions?

22 BOARD MEMBER CORTEZ: I do have a question for
23 counsel. If the revocation for --

24 THE REPORTER: I can't hear you.

1 BOARD MEMBER CORTEZ: I'm sorry. This is Board
2 Member Cortez. Requesting information, if the revocation is
3 upheld is he able to reapply? Come back? Apply again?
4 What's the time frame?

5 MR. DETMER: Mike Detmer for the record. In all
6 candor, Executive Director Ingram, I actually would research
7 what the statute is.

8 BOARD CHAIR NIXON: And I have one follow-up
9 question to that. This revocation is of his arm card or his
10 work card or both?

11 MR. INGRAM: There's only one card.

12 BOARD CHAIR NIXON: Okay. So if -- I'm almost
13 wondering he can get an unarmed card.

14 MR. DETMER: Mike Detmer for the record. Looking
15 at NAC 648.3447 sub (1) it says that the Board may deny,
16 suspend or revoke by the Board, cannot reapply for
17 registration further than one year after the date the Board
18 denies suspending. No earlier than one year. No earlier
19 than one year.

20 MR. LOYAL: So basically it's denied, right?

21 BOARD CHAIR NIXON: So we haven't made a decision
22 yet.

23 MR. LOYAL: I'm just asking because I'm just --
24 there's been a lot.

1 BOARD CHAIR NIXON: I understand.

2 MR. LOYAL: It's been a battle I went through.

3 Like I said --

4 BOARD CHAIR NIXON: Sir --

5 MR. LOYAL: -- it was never a threatening manner
6 to the boy.

7 BOARD CHAIR NIXON: Sir? Sir, we're on a time
8 constraint so I have to stop you there. I can say for
9 myself, you know, I have military training. We have law
10 enforcement. We have several folks here, right. I've been
11 taught from the very second I touched a weapon I don't point
12 it at anybody unless I intend to kill them.

13 MR. LOYAL: Yes, ma'am.

14 BOARD CHAIR NIXON: Okay. So I'm sorry.

15 MR. LOYAL: That's fine.

16 BOARD CHAIR NIXON: There's no playing with laser
17 lights, you know.

18 MR. LOYAL: That's fine. I mean, if you're
19 denying --

20 BOARD CHAIR NIXON: Please, let's make a
21 decision. So we have a motion. We have a second. All in
22 favor say aye.

23 (The vote was unanimously in favor of the
24 motion.)

1 BOARD CHAIR NIXON: So your request -- the
2 revocation is upheld. You are more than welcome to apply
3 again in one year. Thank you, sir.

4 MR. LOYAL: Have a good day.

5 BOARD CHAIR NIXON: You too. They will be able
6 to help you. The Board -- the PILB will be able to help you
7 after. We have to get through the meeting, sir. We only
8 have until 4:30. Thank you.

9 Pierre Atkins, are you here, sir? Thank you.
10 Sir, please tell us a little bit about yourself and your
11 situation here.

12 MR. ATKINS: Yes, ma'am. My name is Pierre
13 Atkins. I'm from California. I've had my license for about
14 seven years from 2014 to 2021. I had a minor verbal
15 altercation with my former employer DTA Security on May 14th,
16 2021.

17 BOARD CHAIR NIXON: Okay.

18 MR. ATKINS: This is the real reason why I have
19 -- this is the W-4 form from the IRS. After my first two
20 paychecks with DTA Security I noticed that there had been no
21 federal withholding.

22 BOARD CHAIR NIXON: Okay.

23 MR. ATKINS: So I called Toni Foster, the payroll
24 specialist. She didn't know how to fill this out correctly.

1 So I made an appointment with an IRS specialist myself. And
2 once I made the appointment on May 12th, I mean, yeah,
3 May 12th I called in and let them know that I was not going
4 to be able to come to work on the 14th because I was due at
5 -- I was due at work from, I think it was 8:00 to 4:00, but I
6 had to go see the IRS tax specialist. That's what I was
7 going to the people to see if they would see me.

8 BOARD CHAIR NIXON: I'm sorry, if someone is on
9 the phone can you please mute your phone. Thank you.

10 Go ahead, sir.

11 MR. ATKINS: Yeah, after making an appointment to
12 see the IRS specialist to do work on the 14th. So on
13 May 12th I called in to let DTA know I'm not going to be able
14 to come in on the 14th because I have to go see the IRS
15 specialist. And then I guess they suspended me. And then I
16 called back and we had like a little argument and then some
17 words were exchanged.

18 BOARD CHAIR NIXON: Okay.

19 MR. ATKINS: Some foul words were exchanged on my
20 behalf.

21 BOARD CHAIR NIXON: Some very foul words.

22 Okay. Are there any questions?

23 BOARD MEMBER CORTEZ: This is Board Member
24 Cortez. I appreciate your appearance. And thank you for

1 coming. But I have to say I don't even know where to say
2 choice words used.

3 MR. ATKINS: Yeah, like swear words.

4 BOARD MEMBER CORTEZ: Hang on one second, sir.
5 These were a little more than choice words. I just want you
6 to hear how it sounds days, weeks later. I'm going to
7 apologize to everybody right now for some of the language I
8 am going to use but this is verbatim. One of the subject
9 lines from you, sir, was "Bitch, how the fuck my money is
10 going to go -- going to be deposited into my account on
11 Tuesday when payday on Monday." Blah, blah, blah. "You
12 understand your old ass wrinkle pussy bitch. That's why your
13 mother fuck has lost the word of concrete show. Ha, ha, ha,
14 bitch." I can go on. However, you appear as an incredibly
15 respectful young man.

16 MR. ATKINS: Thank you, ma'am. I appreciate
17 that.

18 BOARD MEMBER CORTEZ: This right here is a huge
19 and poor representation of who you appear to be.

20 MR. ATKINS: Yes, ma'am.

21 BOARD MEMBER CORTEZ: It's not just one page.
22 I've got "Bitch ass mother fuckers. Punk ass bitch.
23 Cracker. Nigger this. Bitch that." How am I supposed to
24 sit here and believe that when you get a work card, trust me

1 what I know when people have a badge on their self or a work
2 card, any kind of law enforcement standing, your ego gets in
3 the way.

4 MR. ATKINS: Oh, no, ma'am.

5 BOARD MEMBER CORTEZ: No, sir. This wasn't your
6 ego. This was a lot of anger that are unaddressed. You
7 don't have to like your employer.

8 MR. ATKINS: Uh-huh.

9 BOARD MEMBER CORTEZ: You can be fairly
10 mistreated. But the way you went about it, if you came in
11 here talking to me like this I wouldn't entertain further
12 conversation and say we're done. Enough.

13 MR. ATKINS: Yes, ma'am.

14 BOARD MEMBER CORTEZ: I am happy that you're
15 here. I needed to see you in person.

16 MR. ATKINS: Yes, ma'am. That's why I showed up.

17 BOARD MEMBER CORTEZ: I really do strongly
18 suggest you never conduct yourself like this.

19 MR. ATKINS: Yes, ma'am.

20 BOARD MEMBER CORTEZ: So what was the reasoning?
21 Aside from the IRS --

22 MR. ATKINS: Yeah.

23 BOARD MEMBER CORTEZ: -- and all of the
24 injustices of the world what was your reason to come at

1 professionals this way?

2 MR. ATKINS: Me, I was angered by the suspension.
3 I was indignant at the time. I say that out of the heat of
4 passion, just --

5 BOARD MEMBER CORTEZ: Well, let me ask you a
6 question. If I deny you what kind of e-mail am I going to
7 get?

8 MR. ATKINS: I'm going to say thank you, ma'am.
9 And I just have to reapply in a year if denied.

10 BOARD MEMBER CORTEZ: Am I going to be the "Bitch
11 ass mother fucker" like everybody else was?

12 MR. ATKINS: No, ma'am.

13 BOARD CHAIR NIXON: So I guess I can understand
14 being upset. I'm listening to Board Member Cortez. But, you
15 know, this got into cruel behavior with pictures on Facebook
16 and social media and a bunch of other stuff, right. Why did
17 it go that far?

18 MR. ATKINS: Oh, ma'am, I just -- I just felt I
19 was being mistreated. You know, and I felt I was being
20 disrespected and I just wasn't thinking at the time.

21 BOARD CHAIR NIXON: Okay.

22 MR. ATKINS: So I have a letter from DTA. They
23 did give me a recommendation letter.

24 BOARD CHAIR NIXON: Okay. I -- after this they

1 gave you a recommendation letter?

2 MR. ATKINS: No. No, this was before.

3 BOARD CHAIR NIXON: I'm sure it was before.

4 MR. ATKINS: Yeah.

5 BOARD CHAIR NIXON: After this I'm sure they're
6 not giving you recommendation letter, right?

7 MR. ATKINS: No. A recognition letter.

8 BOARD CHAIR NIXON: I'm sure they're not giving
9 you one after this, right?

10 MR. ATKINS: No. No.

11 BOARD CHAIR NIXON: No, okay. That's what I'm
12 assuming. It's all good until an incident happens, right?

13 MR. ATKINS: Yeah.

14 BOARD CHAIR NIXON: That's where I have a
15 problem, right. Because this is -- this could be found
16 anywhere on-line. These people's families, friends,
17 co-workers are seeing all this, right?

18 MR. ATKINS: Yeah, and I take full responsibility
19 for this.

20 BOARD CHAIR NIXON: Okay. Because this is just,
21 this is not okay. And I don't care what you're a victim of,
22 this is not okay.

23 MR. ATKINS: Yes, ma'am.

24 BOARD CHAIR NIXON: There are avenues for you to

1 take care of this but this is not.

2 MR. ATKINS: Yes, ma'am.

3 BOARD CHAIR NIXON: Absolutely not. So that
4 being said, I'll entertain any other questions from the
5 Board.

6 BOARD MEMBER BROWN: This is Board Member Brown.
7 I have a question for counsel. I hate to put you on the
8 spot, Mr. Detmer, but my question is do we have the ability
9 and/or authority to permanently revoke this gentleman's
10 ability to get a card?

11 MR. DETMER: Mike Detmer for the record. Looking
12 at the regulation that's written, it appears that on a first
13 time denial you cannot reapply for registration earlier than
14 one year after the denial. So it appears that the Board has
15 codified like, I don't know want to say time limits but time
16 parameters.

17 If you look at sub two, if an applicant's
18 registration is denied, denied, suspended or revoked by the
19 Board on two or more occasions may not reapply for
20 registration earlier than five years after the date of the
21 most recent position of the Board denies, suspend or revoke
22 the registration of the applicant. This requires a degree of
23 regulatory interpretation. But in the first one they say
24 further than one year. And in the second one they say not

1 earlier than five years. One could possibly interpret that
2 you have a range between one and five years on a first time
3 denial.

4 BOARD CHAIR NIXON: And so I'm looking at this,
5 you know, a little bit further now, and it look like this is
6 not just one company that he's had this issue with. Okay.

7 Okay. Any further questions?

8 MR. ATKINS: Yes, ma'am, I take full
9 responsibility for my actions.

10 BOARD CHAIR NIXON: I'm telling you right now, if
11 I get any e-mails, anything on Facebook it's not going to be
12 okay.

13 MR. ATKINS: Yes, ma'am.

14 BOARD CHAIR NIXON: None of us here.

15 MR. ATKINS: Yes, ma'am.

16 BOARD CHAIR NIXON: It is not going to be okay,
17 sir.

18 MR. ATKINS: Yes, ma'am.

19 BOARD CHAIR NIXON: All right.

20 MR. INGRAM: And that includes Board staff.

21 BOARD CHAIR NIXON: Oh, absolutely.

22 MR. ATKINS: Yes, ma'am. Yes, sir, most
23 definitely.

24 BOARD CHAIR NIXON: Okay. I will entertain a

1 motion.

2 BOARD MEMBER GRONAUER: This is Gronauer. I make
3 a motion that we uphold the revocation of Pierre Atkins' card
4 number R-2019-00431. His registered card was revoked and my
5 reason for upholding the revocation is several actions
6 against several people and companies that were totally
7 unprofessional, out of line.

8 BOARD CHAIR NIXON: Okay. I have a motion. Do I
9 have a second?

10 BOARD MEMBER CORTEZ: This is Board Member
11 Cortez. I am going to second the motion. Also noting that
12 we have the latest incident of 5-14 of 2021.

13 BOARD MEMBER GRONAUER: That was all DTA.

14 BOARD CHAIR NIXON: Okay. Thank you. I have a
15 motion. I have a second. All in favor say aye.

16 (The vote was unanimously in favor of the
17 motion.)

18 BOARD CHAIR NIXON: Okay. You are put on notice,
19 sir. You should not have these incidents. Social media is
20 not something that we get to play with. And so these are
21 professional people, companies and businesses, and there are
22 avenues for you to take your aggressions to or your being
23 upset too from the employment agencies on to, even to us if
24 you feel like you're being untreated or mistreated. You can

1 bring it to us and we'll, you know, look into the companies
2 for you. But this is never okay. So thank you.

3 MR. ATKINS: Okay. So when can I apply again, in
4 a year?

5 BOARD MEMBER CORTEZ: After a year to discuss.
6 Just do better.

7 MR. ATKINS: Okay.

8 BOARD MEMBER CORTEZ: I mean represent yourself a
9 lot better.

10 BOARD MEMBER GRONAUER: Your social media, just
11 shut it all down.

12 BOARD CHAIR NIXON: Okay. Thank you.

13 MR. ATKINS: So I have a year?

14 BOARD CHAIR NIXON: One year, sir.

15 MR. ATKINS: Okay.

16 BOARD CHAIR NIXON: Okay. Next Francis Burge.
17 Are you here? Thank you.

18 BOARD MEMBER GRONAUER: Do you have a weapon on
19 you, sir?

20 MR. BURGE: A baton?

21 BOARD MEMBER GRONAUER: Pardon?

22 MR. BURGE: A baton. Yes.

23 BOARD MEMBER CORTEZ: A firearm?

24 MR. BURGE: No.

1 BOARD MEMBER GRONAUER: Take your baton off,
2 please, and place it on that desk or with one of these
3 investigators.

4 BOARD CHAIR NIXON: Can I ask, sir, you know, I'm
5 going to have you explain. You're Francis Burge. Why would
6 you come in here with a baton if your license has been
7 revoked?

8 MR. BURGE: Personal protection.

9 BOARD CHAIR NIXON: Okay.

10 MR. BURGE: Self-defense.

11 BOARD CHAIR NIXON: Okay. So tell us a little
12 bit about yourself and your situation.

13 MR. BURGE: I'm 28 years old. I've been in Vegas
14 for about 25 years. I'm an air force brat. And I've been
15 doing security for about two years, certified and before that
16 was all logistics and warehouse work.

17 BOARD CHAIR NIXON: Okay. Investigator Jones,
18 could you tell us how all of this revocation came to light or
19 the offenses that came to light.

20 INVESTIGATOR JONES: Certainly. Investigator
21 Jones. We received a complaint and evidence, specifically a
22 text message that Mr. Burge was claiming to be a law
23 enforcement officer and possibly working for Homeland
24 Security while still actively using his work card. We

1 conducted an investigation and saw that he was not a current
2 law enforcement officer but did have several ongoing charges
3 at the time. One of which was a CCW, misdemeanor and a
4 domestic violence as well. And I do have the text messages
5 here if the Board would like me to read them in.

6 BOARD CHAIR NIXON: Yes, please.

7 INVESTIGATOR JONES: The first text message was
8 cut off. So I'll start with the second starting from the
9 recipient and not Mr. Burges. "So keep spouting your lies on
10 social media and keep breaking the law because you believe
11 you have a right. Oh, by the way, I sent the screen shots of
12 this conversation and the screen shot of you breaking the TPO
13 to Metro." Burge then responds "I'm a LEO, law enforcement
14 officer, and I never punched her. Never assaulted her. And
15 I have the videos to prove it. I am however working for DHS
16 and other Nevada agencies for bail enforcement and private
17 investigations. And I know for a fact that you need to stay
18 away from me because if I see you, my friends in Metro, sir,
19 will give you a nice pair of bracelets for interfering with a
20 federal investigation."

21 They text back and forth for about four hours and
22 then Mr. Burge states. "I'm filing a harassment lawsuit
23 against you, unless that's not your name. If that's the case
24 I want to see your ID. Here's the authority to demand

1 identification and my badge number." And then proceeds to
2 text a copy of his public verification of his registered work
3 card with the PILB with his name and R number on it.

4 BOARD CHAIR NIXON: Okay. Board, any questions?

5 BOARD MEMBER GRONAUER: Last name Burge?

6 MR. BURGE: Burge.

7 BOARD MEMBER GRONAUER: Mr. Burge, you have a lot
8 of recent things here. Concealed weapon without permit. At
9 your age, I mean you're 28 years old you say, right?

10 MR. BURGE: Yes, sir.

11 BOARD MEMBER GRONAUER: You seem to -- you gotta
12 be more mature than this. You can't -- you can't carry
13 weapons and all this other stuff with the way your --
14 apparently possession of drugs not for, not for interstate
15 commerce. Domestic battery, first offense. Battery on a
16 pregnant victim. Use of an electric stun gun. I mean, to me
17 I don't even have to go on. I'm sorry. I just I don't know
18 how you can defend any of that.

19 BOARD CHAIR NIXON: Sir, do you have a substance
20 abuse problem?

21 MR. BURGE: No, ma'am.

22 BOARD CHAIR NIXON: Do you believe that you're a
23 police officer?

24 MR. BURGE: No.

BOARD CHAIR NIXON: Okay.

BOARD MEMBER GRONAUER: Do you believe you have friends that are police officers that you can do whatever you want?

MR. BURGE: No.

BOARD MEMBER GRONAUER: Okay. You don't listen. What's the story real quick, okay. You gotta couple of minutes because to me there's nothing from here.

MR. BURGE: First off, the domestic cases were on my --

BOARD MEMBER GRONAUER: A little louder because I can't hear you.

MR. BURGE: The domestic violence cases were from my, I guess you can say my baby mama or the mother of my child. And I found out that she had been maliciously persecuting me for almost a year. And when she found out that I knew that the entire situation spiraled into a hailstorm of false accusations, people sneaking my phone and sending messages back and forth, fake accounts.

BOARD MEMBER GRONAUER: Okay. What was the stun gun about?

MR. BURGE: That was a flashlight stun gun that I used.

BOARD MEMBER GRONAUER: Okay. You're 28 years

1 old. You got two feet. You walked up here.

2 MR. BURGE: Yes, sir.

3 BOARD MEMBER GRONAUER: You're going to walk the
4 hell away from a domestic violence, especially a female, a
5 pregnant female or a child or a dog or anything. So right
6 now I don't want to berate you like that. I am just going to
7 tell you you don't have to explain anymore to me, if anybody
8 else has any questions.

9 BOARD CHAIR NIXON: Any other questions from the
10 Board?

11 Okay. If there's no further questions, I'll
12 entertain a motion.

13 BOARD MEMBER BROWN: This is Board Member Brown.
14 I will move to uphold the revocation based on the
15 investigation conducted and a findings of that investigation.

16 BOARD CHAIR NIXON: Okay. I have a motion. Do I
17 have a second?

18 BOARD MEMBER GRONAUER: Gronauer. Second.

19 BOARD CHAIR NIXON: I have a motion. I have a
20 second. All in favor say aye.

21 (The vote was unanimously in favor of the
22 motion.)

23 BOARD CHAIR NIXON: Thank you, sir. You can
24 apply in a year.

1 BOARD MEMBER BROWN: Madam Chair, this is Board
2 Member Brown.

3 BOARD CHAIR NIXON: Yes.

4 BOARD MEMBER BROWN: Before we finish, I've got,
5 and I may have missed it. I may have been out of the room,
6 but I have item number 52, Adam Finley, that's pending or did
7 that get settled?

8 MR. INGRAM: Madam Chair, item 52 was the
9 individual that has since been cleared and no longer needs to
10 appeal. So he just needs to be a removed from the agenda,
11 so.

12 BOARD CHAIR NIXON: Does that help, Board Member
13 Brown?

14 BOARD MEMBER BROWN: No. It confuses me more.
15 Clear that we're not dealing with him or clear that he can
16 get his card?

17 MR. INGRAM: He's been cleared to get his card.
18 He does not -- he no longer needs to appeal based on some
19 changes of information provided.

20 BOARD MEMBER BROWN: Okay. Thank you.

21 MR. INGRAM: Uh-huh.

22 BOARD CHAIR NIXON: Okay. I'm -- this is the
23 section where it's open to public comment. Members of the
24 general public may comment on matters appearing in the agenda

1 and may bring things up not appearing in the agenda to the
2 attention of the Board. The Board may discuss the matters
3 not appearing on the agenda but may not act on the matters in
4 this meeting. If the Board desires the matters may be placed
5 on further agenda for action. Public comments are limited to
6 five minutes.

7 Is there any public comment?

8 BOARD MEMBER GRONAUER: Thank you.

9 BOARD CHAIR NIXON: Any public -- no public
10 comment down south. Is there any public comment up north?

11 Okay. No public comment up north. So this is
12 where we --

13 MR. INGRAM: Adjourn. If I could have just
14 30 seconds.

15 BOARD CHAIR NIXON: Sure.

16 MR. INGRAM: This is Director Ingram. I just
17 wanted to publicly recognize my staff.

18 BOARD CHAIR NIXON: Yes.

19 MR. INGRAM: I've been dealing with some personal
20 issues with my wife's health, as you all know, and my staff
21 has done a fantastic job covering, and I thank them.

22 BOARD MEMBER CORTEZ: This is Board Member
23 Cortez. I absolutely concur. You guys have done an amazing
24 job. I too have felt the absolute support you have for

1 Mr. Ingram. And you're just an awesome individual. And I'm
2 so happy that things have turned around for coming back.

3 BOARD MEMBER GRONAUER: This staff is a
4 reflection of you, Kevin.

5 BOARD MEMBER CORTEZ: Absolutely.

6 BOARD MEMBER GRONAUER: Whether you want to
7 believe that or not it's true.

8 BOARD MEMBER CORTEZ: You guys do a great job.

9 MR. INGRAM: Thank you. I admire each and every
10 one of you. I thank you very much for all of the support.
11 I'm sorry that I get emotional. You guys know that. I love
12 you dearly. Thank you.

13 BOARD CHAIR NIXON: And I would also like to say
14 thanks because we didn't get to -- we didn't say it enough
15 during the height of the pandemic that you guys were able to
16 stay open. You know, for us in the industry that was an
17 amazing deal. It was very hard in some other states that I
18 work in where folks closed down and did not allow access to
19 their offices and so that did cripple us as an industry. So
20 for you guys to stay open and continue all the hard work that
21 you do we do appreciate it and the support of this big fella
22 here. So thank you all.

23 If there is nothing further, we made 4:30. I'm
24 very proud of us. I will entertain a motion to adjourn or
