3. NAC 648.265 Proposed language will clarify the requirement of a license holder to place their license in abeyance instead of surrendering it to become a qualifying agent for a company.

4. NAC 618.310 Proposed language will establish who will conduct the examinations for licensure and allow for additional examinations throughout the year.
5. NAC 648.320 Regulation will be recommended for removal in effort to streamline the licensing process.

7. NAC 648.338 Proposed language will give authority to the Executive Director or designee to grant an exception for a work card to an unlicensed person eligible to contribute to any public employee's retirement system preventing them from having to wait to attend a Board meeting.
8. NAC 648.3385 Proposed language will only require a person applying for a registered work card to submit one set of fingerprints instead of two. Proposed language will also require the license holder to maintain a copy of the registered work cards of their employees in their records.
